

Senate Rule — Prizes

Prize Rules

1. **Award**
The Prizes set out in the Schedule shall be awarded by Senate.
2. **Paragraph (a) — Recommending authority**
Paragraph (a) of the rules relating to a prize indicates the authority which recommends to Senate the award of the prize.
3. **Paragraph (b) — Eligibility**
Paragraph (b) indicates who may be considered for the prize.
4. **Paragraph (c) — Basis for award**
Paragraph (c) indicates the basis for award of the prize. The Prize is awarded to the person who, in the opinion of the recommending authority, fulfils the requirements set out in that paragraph.
5. **Paragraph (d) — Nature of prize**
 - (1) Paragraph (d) indicates the nature of the prize.
 - (2) If the nature of a prize is not stated as a fixed sum of money the value of the prize will be approximately equal to the annual income from the fund which supports it.
 - (3) If the nature of a prize is stated as money or a fixed sum of money, the Vice-Chancellor may direct that in lieu of money, books, instruments or other equipment necessary to the student's program be awarded to a value approximately equal to the value of the prize.
 - (4) If the nature of a prize is stated as something other than money or a fixed sum of money, the prize shall be selected by the prize winner.
 - (5) If a fund supports 2 or more prizes the value of each prize will be an approximately equal share of the income of the fund.
6. **Paragraph (e)**
Paragraph (e) indicates any other relevant provisions.
7. **Equal merit**
If, in the opinion of the recommending authority, there are 2 or more candidates of substantially equal merit, a prize may be shared equally among them.
8. **No candidate of sufficient merit**
Each prize shall be awarded annually except in a year in which the recommending authority determines that there is no candidate of sufficient merit to justify its award.
9. **Complete requirements within year**
A person shall not be eligible for a prize unless that person has obtained the qualification on which award of the prize is based within —
 - (a) the year;
 - (b) if the qualification relates to 2 or more years, the minimum number of years reasonably required to obtain the qualification; immediately preceding the making of the award.
10. **Conditional award**
 - (1) If a prize is awarded subject to the later performance of some condition by the person to whom it is awarded and the rules relating to the award do not require applications to be lodged, the faculty board or other recommending authority may prepare a list of persons qualified in order of merit and recommend to Senate that the award be made to the person highest on the list who gives an undertaking to perform the condition.
 - (2) If Senate approves the recommendation, the award shall be deemed to be made to that person.
 - (3) If before the time arrives for performing the condition that person intimates an intention not to perform the condition, the award shall be deemed to have been made to the person next highest on the list who gives the undertaking.
11. **Lapse**
Unless the Vice-Chancellor in special circumstances otherwise determines, a prize shall lapse if it is not claimed by the awardee within 12 months of its award.
12. **Contrary intent**
These general rules are subject to a contrary intention shown in the rules relating to a prize.
13. **Dictionary**
"advanced course" means a course at level 2 or higher. "late year course" means a course at level 3 or higher.
14. **Transitional**
Where the award of a prize is based on work undertaken in 2000, the award must be determined by applying the rules in force on 31 December 2000.

(Established in 2014 and maintained by an annual gift from the Geotechnical Engineering Centre (GEC), funded by the industry partners for the GEC).

(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology in consultation with the Director of the Geotechnical Engineering Centre and Head, Division of Mining Engineering

(b) Prize 1 - Students who are

(i) enrolled in the Bachelor of Engineering or Bachelor of Engineering (Honours) program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) in the dual major of Civil and Geotechnical Engineering.

(ii) graduating in the year of

award. Prize 2 –

(i) enrolled in the Bachelor of Engineering or Bachelor of Engineering (Honours) program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) in the dual major of Mining and Geotechnical Engineering

(ii) graduating in the year of award.

(c) Prize 1 –

Highest cumulative GPA for the Bachelor of Engineering or Bachelor of Engineering (Honours) or the Bachelor of Engineering or the Bachelor of Engineering (Honours) components of a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours), with the dual major of Civil and Geotechnical Engineering.

Prize 2 –

Highest cumulative GPA in the Bachelor of Engineering or Bachelor of Engineering (Honours) or the Bachelor of Engineering or Bachelor of Engineering (Honours) components of a dual program- that includes the Bachelor of Engineering or Bachelor of Engineering (Honours), with the dual major of Mining and Geotechnical Engineering.

(d) Prize 1 and 2 - Medal.

Gitanjali Bajaj Prize in Public International Law

(Established in 2018 and maintained by an annual gift from Gitanjali Bajaj.)

(a) **Recommending authority**

Head, TC Beirne School of Law

(b) **Eligibility**

Students enrolled in the Bachelor of Laws or Bachelor of Laws (Honours) or a dual program including the Bachelor of Laws or Bachelor of Laws (Honours)

(c) **Basis for award**

Best performance in first attempt in the course entitled *Public International Law*

(d) **Nature of prize**

\$1,500

S.D Golding Postgraduate Geochemistry Prize

(Established by Professor Sue Golding in 2018. Professor Golding is a treasured staff member and an alumnus of The University of Queensland. Throughout the 1970s she worked in resource exploration and production in Australia and South Africa. Sue played a major role in development and management of isotope geochemistry facilities in the School of the Environment Sciences, and this prize was established to recognize and reward excellence in a peer reviewed paper authored by a student.)

(a) **Recommending authority**

Associate Dean (Academic), Faculty of Science on advice from the Head of School, School of the Environment.

(b) **Eligibility**

The prize is open to students who have submitted an application by the due date and are enrolled in one of the following programs -

(i) Bachelor of Science (Honours) (Earth Science)

(ii) Bachelor of Advanced Science (Honours) (Earth Science)

(iii) Graduate Certificate in Mineral Resources

(iv) Graduate Diploma in Mineral Resources

(v) Master of Mineral Resources

(vi) Master of Philosophy

(vii) Doctor of Philosophy

(c) **Basis for award**

Best peer reviewed published paper on geochemistry as decided by the School of the Environment Research Committee.

(d) **Nature of prize**

The annual value of the prize is equal to the annual income from the fund.

Goodman Family Foundation and Salisbury Marine Biology Prize

(Established by the School of Biological Sciences in 2012 from a generous bequest from the estate of Mr John Patrick Salisbury to support the purpose, activities and endeavours of the School of Biological Sciences. The Goodman Family Foundation award the prize in honour of the Foundation's support of the School which began in 2014, and it's ongoing, gifting annually some

\$20,000 to benefit marine research in Moreton Bay. Additional support from the Goodman Family Foundation has reinvigorated UQ's marine science engagement in this region and created the Moreton Bay Foundation to focus expertise, wisdom and enthusiasm for the benefit of Moreton Bay. This prize celebrates excellence in undergraduate marine biology and encouragement for the recipient to forge a career to the betterment of our coasts, seas and oceans.)

(a) **Recommending authority**

Associate Dean (Academic), Faculty of Science.

(b) **Eligibility**

Year 2 Bachelor of Science or Bachelor of Advanced Science (Honours) students who have completed at least 6 units of

courses administered by the School of the Environment.

(c) Basis of award

Highest mark for the first attempt of the second year course in the field of Marine Biology.

(d) Nature of prize

At least \$1,000 but limited to the annual income from the fund.

Nanette Gottlieb Japanese Language Prize

(Established in 2013 and funded by an endowment fund created by a gift from Professor Nanette Gottlieb and further subscriptions from the University's Japanese language community.)

(a) Recommending authority

Head, School of Languages and Cultures.

(b) Eligibility

Students enrolled in the BA program who have completed JAPN1011, JAPN1012, JAPN2021 and JAPN2022 and are currently enrolled in JAPN3010 and JAPN3020.

(c) Basis for award

The student with the highest combined mark in JAPN1011, JAPN1012, JAPN2021 and JAPN2022.

(d) Nature of prize

Money to the value of at least \$1,750, but limited to the annual income from the fund.

Guy Goodricke Prize

(Established in 1964 by a gift of \$1,000 from the Reverend G.A. and Mrs Goodricke in memory of their son, Guy Goodricke, who held the position of Demonstrator in the Department of Psychology at the time of his death in March 1963.)

(a) Head of School of Psychology.

(b) Students completing at least #6 of level 2 psychology courses.

(c) Most distinction in those courses.

(d) Money.

Grassie and Bassett Prize in Educational Administration

(Established in 1988 and maintained from the annual interest on a sum of \$7,000 being the proceeds from the sale of the now discontinued Administrators' Bulletin donated by its founder and editor, Dr M.C. Grassie, in agreement with its Editorial Board which was chaired by Professor G.W. Bassett.)

(a) Head, School of Education.

(b) Master and PhD students involved in the study of educational administration.

(c) Most meritorious performance.

(d) (i) Money.

(ii) A citation.

(iii) Two years full membership of the Australian Council for Educational Leaders.

G.M. Grassie Memorial Prize

(Established in 1984 by a gift of \$4 000 from Dr & Mrs M. C. Grassie and Dr S. L. Grassie in memory of Graeme, their son and brother.)

(a) Recommending authority

Head, School of Languages and Cultures.

(b) Eligibility

Students enrolling for the first time in Research Quarters 2, 3 or 4 of the year of the award, or Research Quarter 1 of the following year in a PhD or MPhil after having completed a BA Honours or a BIntSt Honours in French from this University.

(c) Basis for award

The student with the highest overall GPA in the BA Honours or the BIntSt Honours.

(d) Nature of prize

Money to the value of at least \$2,100, but limited to the annual income from the fund.

(e) Other provisions

If no students meet the eligibility criteria set out in rule (b), the prize is to be awarded to the student who completed the BA Honours or BIntSt Honours in French from this University in the year of the award with the highest GPA.

Great Court Race Prize

(This prize is supported by an endowment established by Alumni Friends in 2020. The iconic Great Court Race was first held in 1985, and the perpetual Great Court Race Trophy (designed and produced by the University sculptor, Dr Rhyl Hinwood AM) was donated by Alumni Friends in 1988.)

(a) Recommending authority

Academic Registrar (or nominee) after advice from UQ Sport.

(b) Eligibility

Any undergraduate student enrolled in the semester they qualified for the race.

(c) Basis for award

Winners of the individual Men's and Women's Great Court races, as adjudicated by UQ Sport race officials.

(d) Nature of prizes

Money to the value of at least \$500 for each prize, but limited to the annual income from the fund.

(e) Other provisions

In the event of a dead heat in either of the races, the prize money for that race will be shared equally between the winners.

Gordon Grigg Prize in Vertebrate Zoology

(Established in 2007 by the School of Integrative Biology (now known as the School of Biological Sciences) in recognition of Professor Grigg's contribution to the Department of Zoology, the School of Integrative Biology and the advancement of

research and teaching in zoology.)

(a) Recommending authority

Associate Dean (Academic), Faculty of Science.

(b) Eligibility

Year 2 Bachelor of Science or Bachelor of Advanced Science students who have completed 6 units of courses administered by the School of the Environment.

(c) Basis for award

Highest mark for first attempt in the 2nd year course in the field of zoology.

(d) Nature of prize

Money to the value of at least \$1,650, but limited to the annual income from the fund.

Russell Grigg Memorial Prize

(First established by the Queensland Agricultural College in 1949 through a donation by Mrs C M Grigg in memory of her husband, Russell Grigg, who lost his life in combat during World War II. The prize was formalised by the University in 2000.)

(a) Recommending authority

Associate Dean (Academic), Faculty of Science

(b) Eligibility

Students completing the second year of the Bachelor of Agricultural Science or Bachelor of Agribusiness/Bachelor of Agricultural Science dual program with a major in horticulture

(c) Basis for award

Highest overall marks in the horticultural courses of the second year of the program

(d) Nature of prize

Books to the value of \$100

Grummitt Family Civil Engineering Prize

(The prize was established in 2021 and is supported through an endowed gift by Alan and Wendy Grummitt to inspire future civil engineers.)

a) Recommending Authority

The prize shall be awarded on recommendation from the Head, School of Civil Engineering, after consultation with a selection committee, comprising –

- (i) two members of University's academic staff who are currently teaching in the School of Civil Engineering.

b) Eligibility

Students who are enrolled in the Bachelor of Engineering (Honours), or an engineering integrated program, or an engineering dual program with a specialisation in Civil Engineering.

c) Basis for Award

The prize will be made to reward the student who achieved the highest overall marks in a third-year compulsory Civil Engineering course.

d) Nature of prize

At least \$2,250 but limited to the annual income from the fund, which may be split if two or more students have equal marks.

Daniel Hamilton Prize

(Established in 1992 in memory of Dr Daniel Hamilton, a former lecturer in the Department of Physiology and Pharmacology and maintained by the income on a fund contributed by his colleagues and friends.)

(a) Recommending authority

Head, School of Biomedical Sciences.

(b) Eligibility

Any student enrolled in the first year of the Bachelor of Science, Bachelor of Advanced Science (Honours) or Bachelor of Biomedical Science programs; or a dual program including any of these programs.

(c) Basis for award

Highest percentage mark in first attempt at BIOL1040.

(d) Nature of prize

Money limited to the annual income from the fund.

C.H.V. Harding Prize for Postgraduate Study In Planning

(Established in 1986 by a gift from Mr C.H.V. Harding.)

(a) Recommending authority

Associate Dean (Academic), Faculty of Science.

(b) Eligibility

MUrb&RegPlg and MPhil students.

(c) Basis for award

Highest GPA while completing the requirements of the MUrb&RegPlg or the outstanding dissertation or thesis in the MUrb&RegPlg or MPhil in the field of planning.

(d) Nature of prize

Money to the value of at least \$300.

C.H.V. Harding Prize in Transportation Engineering

(Established in 1996 and maintained by the income from a gift to the University of \$25,000 by Mrs M.A. Harding to commemorate the career of C.H.V. Harding in Transportation Engineering.)

(a) Recommending authority

Head, School of Civil Engineering.

(b) Eligibility

Any student enrolled in the Bachelor of Engineering or Bachelor of Engineering (Honours), or an engineering integrated program, or an engineering dual program, in any field within the civil engineering discipline.

(c) Basis for award

The student who has demonstrated academic proficiency in CIVL2410 and who, through that proficiency and participation in sporting, cultural or other extracurricular activities, shows personal promise for leadership in the Civil Engineering profession upon graduation.

(d) Nature of prize

Money.

Walter Harrison Prize

(Founded in 1967 as a memorial to the late Professor W.N.L. Harrison and maintained by the income from a fund in excess of \$1,700 subscribed by his former colleagues in the profession and at the University, students and friends.)

(a) Recommending authority

Head, School of Law.

(b) Eligibility

Any student.

(c) Basis for award

Highest marks for first attempt at courses entitled Law of Property A and Law of Property B or Foundations of Property Law and Interests in Property.

(d) Nature of prize

Money to the value of at least \$450 but limited to the annual income from the fund.

Elsie Harwood Memorial Prize

(Established in 2009 and maintained by a bequest from the late Dr Elsie Harwood, Pioneering Australian Geropsychologist and UQ Academic who, along with others, was instrumental in establishing the Department of Psychology at the University.)

(a) Head, School of Psychology.

(b) Students undertaking honours in Psychology.

(c) Best thesis on the topic of ageing.

(d) \$250.

Lizzie Heal-Warry Prize

(Founded in 1910 by a gift of \$200 from the late Lizzie Heal-Warry, wife of the late George L. Warry, Esq.)

(a) Recommending authority

Head, School of Communication and Arts.

(b) Eligibility

Female students who have not been awarded the prize.

(c) Basis for award

Highest mark in a first year literature course in the School of Communication and Arts.

(d) Nature of prize

Money to the value of at least \$200, but limited to the annual income from the fund.

Elias A. Heiser Prize in Classics and Ancient History

(Established in 1989 and maintained by an annual gift from Mr B. Heiser in memory of his grandfather, Elias A. Heiser.)

(a) Head, School of Historical and Philosophical Inquiry.

(b) Students who have completed at least 12 units towards a major in Ancient History or Classical Languages.

(c) The most deserving student based on diligence and enthusiasm for the relevant major and involvement in the activities of the School.

(d) \$500.

D. A. Herbert Prize In Botany

(Established in 1990 in memory of the late Professor D. A. Herbert and maintained from the income accruing on a sum of \$2,400 donated by members of his family.)

(a) Recommending authority

Associate Dean (Academic), Faculty of Science.

(b) Eligibility

Year 2 Bachelor of Science or Bachelor of Advanced Science (Honours) students who have completed 6 units of courses administered by the School of Agricultural Sciences and Food Sustainability.

(c) Basis for award

Highest mark for the first attempt in the 2nd year course in the field of plant science.

(d) Nature of prize

Money to the value of at least \$2,000, but limited to the annual income from the fund.

Adrian Heyworth-Smith Memorial Latin Prize

(Established in 2010 and maintained by the annual income from a donation of \$20,000 from the Heyworth-Smith Family, the Faculty of Arts and the School of History, Philosophy, Religion and Classics.)

- (a) Head, School of Historical and Philosophical Inquiry.
- (b) Students who –
 - (i) are enrolled in or have completed a major in Classical Languages, that includes at least 12 units in Latin;

 - (iii) have not previously been awarded the prize.
- (c) Greatest proficiency in at least 12 units of Latin language courses undertaken as part of the Classical Languages major in the Bachelor of Arts pass degree.
- (d) Money.

(e) If in a year there is no eligible student under rule (b), the prize may be awarded to a student who achieves the greatest proficiency in at least 12 units of combined Latin or Greek language courses, including at least 6 units in Latin language courses, undertaken as part of the Classical Languages major in the Bachelor of Arts pass degree.

Michael F. Hickey Memorial Honours Prize

(Established in 2003 in honour of Professor Michael Francis Hickey who joined the Department of Anatomy in 1942 as a full-time lecturer and held the Chair of Anatomy from 1959 until his death in 1968. In 1962 he introduced three anatomy courses for Science students, thus paving the way for the enrolment of future postgraduate research students. The prize is maintained by the School of Biomedical Sciences.)

- (a) **Recommending authority**
Head, School of Biomedical Sciences.
- (b) **Eligibility**
Students completing an Honours program in the disciplines of Anatomy or Developmental Biology (or equivalent)
- (c) **Basis for award**
Highest overall percentage in the Honours year.
- (d) **Nature of prize**
\$250.

Hill's Pet Nutrition Buddy Prize in Veterinary Nutrition

(Established in 2005 in honour of Dr Mark Morris Sr and his famous patient "Buddy". This award recognises veterinary students who have demonstrated a superior ability to apply principles of small animal clinical nutrition in the practice of animal health. The award is maintained by an annual gift from Hill's Pet Nutrition.)

- (a) **Recommending authority**
Associate Dean (Academic), Faculty of Science.
- (b) **Eligibility**
Students enrolled in ANIM2501 who choose dogs or cats as the focus of their applied nutrition assignment.
- (c) **Basis for award**
Highest grade in an ANIM2501 applied nutrition assignment which has focussed on dog or cat applied nutrition.
- (d) **Nature of prize**
Money to the value of at least \$600

Ian Hinckfuss Prize in Philosophy

(Established in 1998 by the Department of Philosophy in honour of a former colleague, Ian Hinckfuss, Reader in Philosophy, who died in 1997.)

- (a) Head, School of Historical and Philosophical Inquiry.
- (b) First year student.
- (c) Best overall result in first level philosophy courses.
- (d) Money.

Dr Konrad Hirschfeld CBE Prize

(Established in 2018 by a gift from the Alumni Friends of The University of Queensland. This prize is established through the drive and support of Emeritus Professor Dr Mary Mahoney AO. The prize honours the valuable contribution to teaching and medicine made by pioneering Queensland thoracic surgeon, Dr Konrad Hirschfeld CBE, and his long association with the University.)

- (a) **Recommending authority**
Medical Dean, Faculty of Medicine.
- (b) **Eligibility**
Year 1 MD students.
- (c) **Basis for award**
Highest aggregated results in Clinical Practice 1 and 2.
- (d) **Nature of prize**
\$1,000.

Mr and Mrs Ho Prize in Electrical Engineering

(Established in 2019 and maintained by an annual gift from an alumnus to honour their parents. Mr and Mrs Ho are good role models to family, friends and the wider community. Mr Ho is the first among five siblings to receive a state sponsored scholarship to pursue a diploma in mechanical engineering in 1971. He has since built a successful career spanning Malaysia and Indonesia. Mrs Ho is the eldest of seven siblings. She grew the family business, helping put her siblings through school. Together, Mr and Mrs Ho have been loving, dedicated and faithful to their children. All three children have managed to complete university

studies and are contributing members of society.)

(a) Recommending authority

Head, School of Information Technology and Electrical Engineering.

(b) Eligibility

Final year student enrolled in any field within the electrical engineering discipline in the Bachelor of Engineering or Bachelor of Engineering (Honours), or an engineering integrated program, or an engineering dual program.

(c) Basis for award

Best thesis in an electrical engineering discipline

(d) Nature of prize

\$1,000

Noel James Holt Memorial Prize

(Established in 1993 and maintained by the income from a gift of \$4,000 made by Pioneer International Limited in memory of Mr Noel Holt, a former General Manager of the Company.)

(a) Recommending authority

Head, School of Civil Engineering.

(b) Eligibility

Any student enrolled in the Bachelor of Engineering or Bachelor of Engineering (Honours), or an engineering integrated program, or an engineering dual program, in any field within the civil engineering discipline.

(c) Basis for award

Best overall performance in the first attempt at CIVL2210.

(d) Nature of prize

Books worth \$300.

Hong Kong Alumni Prize

(Established by Mr Lawrence Au in 2018 and supported by alumni of The University of Queensland, this endowed prize recognises excellence in academic achievement for students from Hong Kong completing their first year of studies.)

(a) Recommending authority

Academic Registrar or nominee

(b) Eligibility

International undergraduate students who:

- (i) are Hong Kong citizens; and
- (ii) have completed senior in Hong Kong; and
- (iii) have completed the first year of study towards a UQ Bachelor program in the year prior to the year of award; and
- (iv) have not completed any other tertiary study.

(c) Basis for award

Highest GPA in the first year of a UQ program.

(d) Nature of award

Money not less than \$1,000.

Alexander McEwan Hopkins Memorial Prize

(Established in 1982 by a gift of \$1,000 from Mr and Mrs J. Hopkins in memory of their son Alexander McEwan Hopkins, an honours graduate of the Department of Mechanical Engineering.)

(a) Recommending authority

Head, School of Mechanical and Mining Engineering, on advice from the Head of the Mechanical Engineering discipline.

(b) Eligibility

Any student who -

i. is completing the 6th semester of the Bachelor of Engineering or Bachelor of Engineering (Honours), or an engineering integrated program, or an engineering dual program; and

ii. is enrolled in one of the following fields –

- A. mechanical engineering;
- B. mechanical and aerospace engineering.

(c) Basis for award

Best performance in the design or laboratory course nominated at the start of semester 5 by the Head of School after consulting the Head of the discipline.

(d) Nature of prize

Money to the value of at least \$1,400, but limited to the annual income from the fund.

Jim Hoskin Prize

(Established in 1994 in memory of James Philip Hoskin a past student enrolled in the BLandResSc in the Faculty of Agricultural Science and maintained by the income from a fund donated by his family.)

(a) Recommending authority

Associate Dean (Academic), Faculty of Science.

(b) Eligibility

Students enrolled in an undergraduate Environmental Science program at the School of the Environment.

(c) Basis for award

Best performance in ENVM4321, ENVM4322, ENVM4323 or ENVM4324.

(d) Nature of prize

Money to the value of at least \$950, but limited to the annual income from the fund.

HRH The Princess Alice, Duchess of Gloucester, Prize in Global Health

(Established in 2019 by an endowed gift from an anonymous benefactor. This prize is established in recognition of HRH The Princess Alice, Duchess of Gloucester who visited Queensland on many occasions while her husband was Governor General of Australia, as well as areas of the world where adequate basic health care are insufficient. Princess Alice was a committed and hard working member of the Royal Family who travelled extensively to Asia and Africa, where public health and development work is vital to improving basic healthcare.)

(a) Recommending authority

Head, School of Public Health.

(b) Eligibility

Students enrolled in the Master of Public Health.

(c) Basis for award

Highest mark in Managing Global Disease Priorities (PUBH7099).

(d) Nature of prize

Money to the value of at least \$1,450, but limited to the annual income from the fund.

Madalen Kitty Ravenhill Hulbert Memorial Prize

(Established in 1975 by a bequest of \$2,000 from the late Margaret Wilhelmina Smith.)

(a) Recommending authority

Associate Dean (Academic), Faculty of Science.

(b) Eligibility

Students who have studied MATH1061, MATH1071 and MATH1072.

(c) Basis for award

Greatest proficiency in those courses.

(d) Nature of prize

Money to the value of at least \$750, but limited to the annual income from the fund.

G H Hutchinson Vocational Practical Work Prizes in Mining and Metallurgical Engineering

(Established in 2006 and maintained by a bequest by George Herbert Hutchinson.)

(a) Recommending authority

Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology after consultation with a selection committee which includes academic staff from the disciplines of:

- (i) mining engineering; and
- (ii) chemical and metallurgical engineering.

(b) Eligibility

Students studying in the disciplines of mining engineering or chemical and metallurgical engineering in the Bachelor of Engineering or Bachelor of Engineering (Honours) or an engineering integrated program, or an engineering dual program

(c) Basis for award

The Engineering Professional Practice Reflections reports displaying the best understanding of and reflections against Engineers Australia Stage 1 competencies.

(d) Nature of prize

Money.

(e) Other provisions

- (i) The committee will consider reports submitted by 1 November annually for Engineering Professional Practice Reflections completed in the year of the award.
- (ii) Two prizes will be awarded in the year of award.

IML Language Prizes

(Established in 2002 and maintained by an annual gift from the Institute of Modern Languages.)

(a) Recommending authority

Head, School of Languages and Cultures.

(b) Eligibility

Prize 1 - Any student who was enrolled in both SPAN1010 and SPAN1020 in the year of the award; Prize 2 -

Any student who was enrolled in both CHIN1100 and CHIN1200 in the year of the award; Prize 3 - Any student who was enrolled in both INDN3000 and INDN3002 in the year of the award who commenced in Indonesian Language Stream A;

Prize 4 - Any student who was enrolled in both KORN1010 and KORN 1011 in the year of the award.

(c) Basis for award

Prize 1 - The highest combined mark in SPAN1010 and SPAN1020; Prize 2 -

The highest combined mark in CHIN1100 and CHIN1200; Prize 3 - The highest combined mark in INDN3000 and INDN3002; Prize 4 - The highest combined mark in KORN1010 and KORN 1011.

(d) Nature of prize

\$500 for each prize.

Alexander Inglis Memorial Prize

(Established in 1952 by a bequest of \$400 under the will of Alexander Inglis, Public Accountant of Brisbane.)

(a) Recommending authority

Head, School of Business

(b) Eligibility

Candidates for a degree within the Faculty.

(c) Basis for award

Highest pass in first attempt at ACCT2102.

(d) Nature of prize

Money to the value of at least \$100, but limited to the annual income from the fund.

Institution of Mechanical Engineers Frederick Barnes Best Student Prize

(Established in 2005 and maintained by an annual gift from the Institution of Mechanical Engineers (IMechE).)

- (a) A committee comprising the Head, School of Mechanical and Mining Engineering, a member of the academic staff teaching in a relevant mechanical engineering discipline, and a representative of IMechE.
- (b) Students enrolled in the final year of the Bachelor of Engineering or Bachelor of Engineering (Honours) program or the integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program, or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program, in a mechanical engineering discipline.
- (c) Outstanding student of the year.
- (d) (i) a cash or book voucher prize to a value determined by the Head of School in consultation with the IMechE; and
- (ii) an inscribed medal commemorating the award; and
- (iii) a certificate.
- (e) The Prize may not be shared.

Dr Anthony Jacko Memorial Prize Endowment

(Established in 2022 by Mr Christopher Jacko, along with a number of Anthony's closest friends to honour Anthony's life by supporting meritorious students in physics at UQ).

- (a) Recommending authority

Associate Dean (Academic), Faculty of Science in consultation with the Head, School of Mathematics and Physics

- (b) **Eligibility**
Students enrolled in a program administered by the Faculty of Science.
- (c) **Basis for award**
The highest marks at first attempt in PHYS4030 or equivalent.
- (d) **Nature of prize**
At least \$1,000 but limited to the annual income of the fund

Richard Jago Memorial Prize

(Established in 1983 by an initial gift of \$5,000 from Professor and Mrs J.D. Jago in memory of their late son Richard, a graduate of the University in engineering and computer science, a President of the Computer Club and who had a major interest in the applications of advanced computer technology for the benefit of society. The Prize will be maintained by subsequent gifts from Professor and Mrs Jago.)

- (a) Head of School of Information Technology and Electrical Engineering.
- (b) Students pursuing a postgraduate degree program by way of research in the School of Information Technology and Electrical Engineering.
- (c) Most deserving student on the basis of —
 - (i) the excellence of the student's academic and research record; and
 - (ii) the extent to which the student will benefit from the activity; and
 - (iii) the relevance to society of the student's research and the proposed activity; and
 - (iv) if all other considerations are equal, preference will be given to research and activities involving the design, development or application of computer software.
- (d) Money to the value of at least \$3,500.
- (e) The Prize shall be used for the purpose of furthering research by a visit to another institution, attendance at a conference or attend a videoconference or any other approved activity requiring a period of absence from The University of Queensland.

Raymond James Memorial Prize

(Established in 1997 and maintained by the income from a donation of \$5,000 made to the Department of Psychiatry by David, Richard and Prudence James, in memory of their father Dr Raymond James, a forensic psychiatrist.)

- (a) A committee of 3 members of the psychiatry discipline nominated by the Medical Dean, Faculty of Medicine.
- (b) Third year MBBS or MD students.
- (c) Highest mark in the mental health rotation.
- (d) Money.

O.A. Jones Memorial Prize

(Established in 1983 as a memorial to the late Dr O.A. Jones, a former Reader in the Department of Geology and Mineralogy and maintained by the income from a fund of \$2,830 donated by former colleagues, family and friends.)

- (a) **Recommending authority**
Associate Dean (Academic), Faculty of Science.
- (b) **Eligibility**
Students enrolled within the School of Environment.
- (c) **Basis for award**
Greatest proficiency in third level courses in the field of earth science.
- (d) **Nature of prize**
Money to the value of at least \$1,000, but limited to the annual income from the fund.

JKEE Prize

(The prize was established in 2022 and is supported by an annual gift from The Australasian Institute of Mining and Metallurgy (AusIMM).)

- a) **Recommending Authority**
The prize shall be awarded on recommendation from the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology, after consultation with a selection committee, comprising –
(i) two members of University's academic staff who are currently teaching in the relevant areas.
- b) **Eligibility**
Students who are completing their final year of study in the Bachelor of Engineering (Honours), or the Bachelor of Engineering (Honours)/ Master of Engineering, or an engineering dual program in the mining or metallurgy disciplines in the year of the award.
- c) **Basis for Award**
Up to two prizes may be awarded in a year to the student(s) who are the most improved based on the increase in their semester cumulative GPA from their second semester of study to their final semester of study.
- d) **Nature of prize**
\$2,000.

T.G.H. Jones Award for Academic Excellence in Chemistry

 - (i) enrolled in an approved undergraduate Engineering program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program, in each field of the chemical engineering discipline.
 - (ii) graduating in the year in which the prize is awarded.
- (c) Highest GPA in the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering (Honours) / Master of Engineering program.
- (d) Medal.
- (e) One medal will be awarded to a student in each of the fields specified in rule b(i).

School of Chemistry and Molecular Biosciences Academic Excellence Award in Biochemistry

(Established in 2007 and maintained by ongoing financial commitment from the School of Chemistry and Molecular Biosciences.)

- (a) Recommending authority
Associate Dean (Academic), Faculty of Science.
- (b) Eligibility
Students enrolled in a program administered by the Faculty of Science.
- (c) Basis for award
Best overall marks in –
 - (i) #4 of level 2 courses; and
 - (ii) #8 of level 3 courses,
 in the discipline of biochemistry with at least one of the courses completed in the year of award.
- (d) Nature of prize
\$500.
- (e) Other Provisions
A recipient cannot be awarded the prize more than once.

School of Chemistry and Molecular Biosciences Academic Excellence Award in Microbiology and Parasitology

(Established in 2007 and maintained by ongoing financial commitment from the School of Chemistry and Molecular Biosciences.)

- (a) Recommending authority
Associate Dean (Academic), Faculty of Science.
- (b) Eligibility
Students enrolled in a program administered by the Faculty of Science.
- (c) Basis for award
Best overall marks in –
 - (i) #4 of level 2 courses; and
 - (ii) #8 of level 3 courses,
 in the discipline of microbiology or parasitology or both with at least one of the courses completed in the year of award .
- (d) Nature of prize
\$500.

A recipient cannot be awarded the prize more than once.

The School of Social Science Honours Prize

(Established in 2023 and maintained by annual funding from the School of Social Science)

- (a) Recommending authority
Head of School, The School of Social Science
- (b) Eligibility
Students completing any Honours program owned by the School of Social Science
- (c) Basis for award
Highest overall percentage in the School of Social Science Honours Program for students submitting their thesis and completing all coursework by the official submission date (specified by the School).
- (d) Nature of prizes
\$1000
- (e) Other provisions
The Prize may be shared.

School of the Environment Genetics Prize

(Established by the School of Biological Sciences in 2012 from a generous bequest from the estate of Mr John Patrick Salisbury to support the purpose, activities and endeavours of the School of Biological Sciences).

- (a) **Recommending Authority**
Associate Dean (Academic), Faculty of Science
- (b) **Eligibility**
Year 2 Bachelor of Science or Bachelor of Advanced Science (Honours) students who have completed at least 6 units of courses administered by the School of the Environment

(c) Basis of Award

Highest mark for the first attempt at either of the second year courses in the field of Genetics

(d) Nature of Prize

At least \$1,000 but limited to the annual income from the fund

School of Environment Honours Prize

(Established by the School of Biological Sciences in 2012 from a generous bequest from the estate of Mr John Patrick Salisbury to support the purpose, activities and endeavours of the School of Biological Sciences).

(a) Recommending authority

Associate Dean (Academic), Faculty of Science

(b) Eligibility

Bachelor of Science (Honours) or Bachelor of Advanced Science (Honours) students enrolled in the School of the Environment

(c) Basis for award

Highest Honours overall percentage mark for students completing in Semester 1 and highest overall percentage mark for students completing in Semester 2

(d) Nature of prize

At least \$3,000 for each semester's prize but limited to the annual income from the fund.

SCMB Postgraduate Coursework Prize

(Established in 2013 and maintained by annual funding from the School of Chemistry and Molecular Biosciences.)

(a) Recommending authority

Associate Dean (Academic), Faculty of Science.

(b) Eligibility

Students who, in the year of the award, have completed the final semester of the MBioinf / MBioinf ResEx or MBiotech / MBiotech ResEx or MMolBiol / MMolBiol ResEx.

(c) Basis for award

Highest cumulative GPA in the MBioinf, MBiotech or MMolBiol programs.

(d) Nature of prize

\$500.

School of Pharmacy, HDR Student Best Publication Awards

(Established in 2007 and maintained by annual funding from the School of Pharmacy to encourage and reward HDR students who are the primary authors of high quality publications.)
