Burnett William Wendorff Memorial Award in Clinical Psychology

(Established in 2015 from a bequest by Eunice Shirley Wendorff in honour of her late husband, UQ alumnus Burnett William Wendorff (BA 1922).)

1. Purpose
The scholarship is to enable an Honours graduate to undertake study towards a Masters qualification in Clinical Psychology.

2. Definitions
In these rules-
Scholarship means the Burnett William Wendorff Memorial Award in Clinical Psychology
Head means the Head of School, School of Psychology
Relevant Program means the Master of Clinical Psychology program

3. Value and Award of Scholarship
(a) One scholarship may be awarded per year at the discretion of the Head.
(b) The value of the scholarship shall be equal to the annual income of the endowment fund.

4. Eligibility for Award
An applicant is eligible for the award if the applicant -
(a) is a domestic student in accordance with The University's Fee Policy; and
(b) commenced the program in the year of the award; and
(c) is a graduate with an accredited Australian honours degree in psychology; and
(d) does not hold general registration with the Psychology Board of Australia.

5. Selection for Award
(a) Selection for the award will be determined by the Head, in consultation with the Clinical Program Director.
(b) Where possible, the award will alternate each year between a male and female student, except where the commencing cohort contains only one male or female student, in which case the award will be based on merit only.
(c) The award will be determined in August of each academic year based on overall performance in Semester 1 of the relevant program in the following areas:
   (i) overall grade point average of graded courses completed in Semester 1; and
   (ii) overall result in clinical competency assessment in the first placement undertaken in Semester 1; and
   (iii) supervisor report on clinical placement performance in first placement undertaken in Semester 1

6. Conditions for Scholarship
(a) The scholarship shall be tenable for one year.
