(Established in 2008 and maintained by funds donated from the Australian Critical Incident Stress Association Inc (ACISA.).)

1 Definitions
In these rules-
Dean means the Medical Dean, Faculty of Medicine.
scholarship means the ACISA Stress and Trauma Scholarship.

2 Purpose
The purpose of the scholarship is to encourage students to undertake applied research in the area of stress and trauma in the community or workplace.

3 Value of scholarship
The value of the scholarship is $2,000.

4 Award of scholarship
The Senate may award one or more scholarships each year on the recommendation of the Dean as a representative of the relevant selection committee established under rule 6(1).

5 Eligibility for award
An applicant is eligible for the award of a scholarship in a year, if the student
(a) is enrolled in the Master of Mental Health program; and
(b) is enrolled in the course entitled Independent Mental Health Project A in semester 1; and
(c) intends to enrol in the course entitled Independent Mental Health Project B in either the following semester or the year immediately following; and
(d) is undertaking an Independent Mental Health Project in the broad research area of stress and trauma in the community or workplace; and
(e) submits an application for the scholarship to the Head by the closing date for applications.

6 Selection process
(1) For the selection process for a year, the Head must establish a selection committee, comprising–
(a) the Dean, or nominee, as chair of the committee; and
(b) the Program Coordinator of the Graduate Mental Health Programs; and
(c) one representative of the ACISA.
(2) The applications are assessed by the selection committee, based on, for each applicant –
(a) the feasibility of the proposed project; and
(b) the contribution the learning is likely to make to the understanding of the impact of stress in the community or workplace; and
(c) other evidence that may be considered relevant by the selection committee.
(3) Applications must be submitted in the form of a quantitative, qualitative or literature based research proposal of not more than 2 A4 pages.

7 Conditions for scholarship
(1) The recipient of a scholarship will be paid the scholarship value in two instalments, at the following times –
(a) one instalment while enrolled in the course entitled Independent Mental Health Project A; and
(b) one instalment while enrolled in the course entitled Independent Mental Health Project B.
(2) The courses listed in paragraph 7(1) (a) and (b) do not need to be undertaken in consecutive semesters.
(3) Payment of the scholarship is subject to the recipient satisfying the following requirements -
(a) continuing to be enrolled in the Master of Mental Health program; and
(b) continuing to undertake an Independent Mental Health Project in the broad research area of stress and trauma in the community or workplace.
(4) The recipient will be required to acknowledge the scholarship in all publications and presentations of the research.

A.E. Brooks Travelling Scholarship in Architecture
(Established in 1962 by a bequest to the University of approximately $60,000 under the will of Arnold Edwin Brooks, Architect, of Brisbane, who died in 1958, and who in his will expressed the wish that half of the amount bequeathed, to be known in memory of his father as the Samuel Wood Brooks Fund, should be devoted to promoting the study of literature and political economy, and half of it, to be known as the Arnold Edwin Brooks Fund, to promoting the study of architecture.)

1. Purpose
The purpose of the Scholarship is to enable Master of Architecture students to obtain special experience in an Overseas Study Program during their Master of Architecture program at The University of Queensland, so that the development of architecture in Queensland may benefit by the knowledge and experience gained by them.

2. Definitions
In these rules—
Approved Program means the Bachelor of Architectural Design or the Master of Architecture
Head means the Head of School, School of Architecture
Overseas Study Program means a UQ Abroad student exchange program
Scholarship means the AE Brooks Travelling Scholarship

3. Award and Value of Scholarship
The Senate may award any number of Scholarships each year, on recommendation from the Head, but the value of the Scholarships awarded may not exceed the annual income from the fund;

(2) The value of the Scholarship will be $2,500 per semester of the applicable Overseas Study Program.

4. Eligibility for award

The Scholarship is open to students who—
(a) submit an application for the Scholarship to the Head of School, by the closing date for applications;
(b) on the date when they submit the application, are enrolled in their final Semester of the Bachelor of Architectural Design or are enrolled in the Master of Architectural program at The University of Queensland;
(c) intend to participate in an Overseas Study Program as part of their Master of Architecture at The University of Queensland in the year following the award; and
(d) do not hold another scholarship that the Head considers to be similar.

5. Selection process

(1) For the selection process the Head must establish a selection committee, comprising—
(a) the Head, or nominee, as chair of the committee; and
(b) the Director of Teaching and Learning Chair; and
(c) the Director of Engagement.

(2) The Scholarship is awarded to the applicant(s) showing greatest merit based on—
(a) academic achievement in architecture courses undertaken in one or both of the Approved Programs (as applicable);
(b) the merit of the applicant’s proposed Overseas Study Program;
(c) the contribution the funding is likely to make to the applicant’s Overseas Study Program and their study of architecture generally; and
(d) interpersonal qualities, including leadership potential.

6. Conditions of the Scholarship

(1) The Scholarship is tenable for the duration of the recipient’s Overseas Study Program subject to the recipient—
(a) continuing to be enrolled full-time in a Master of Architecture program at The University of Queensland; and
(b) continuing to be enrolled in an Overseas Study Program; and
(c) not holding another scholarship that the Head considers to be similar.

(2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Head why the Scholarship should not be cancelled.

(3) The Scholarship is awarded on the basis that the recipient undertakes their Overseas Study Program at the time and for the duration indicated in their application. If the recipient wishes to change either the time or the duration, the Scholarship will only remain tenable in exceptional circumstances and with the approval of the Head.

(4) Within 1 month of returning to Australia following the conclusion of their Overseas Study Program, the recipient must submit to the Head a written report of no more than 500 words on the work done and the benefits of the Overseas Study Program. The report may be reproduced for publication purposes.

7. Payment of Award

(1) If the Overseas Study Program for which the recipient has been awarded the Scholarship lasts one semester, the Scholarship will be paid in one upfront instalment subject to the recipient—
(a) providing an airline receipt in respect of their travel to the location of the Overseas Study Program; and
(b) providing evidence of the recipient’s acceptance into the Overseas Study Program from the institution hosting it; and
(c) being enrolled in exchange codes in SI-net.

(2) If the Overseas Study Program for which the recipient has been awarded the Scholarship lasts two semesters, the Scholarship will be paid in two equal instalments. The first instalment will be paid upfront subject to the recipient—
(a) providing an airline receipt in respect of their travel to the location of the Overseas Study Program; and
(b) providing evidence of the recipient’s acceptance into the Overseas Study Program from the institution hosting it; and
(c) being enrolled in exchange codes in SI-net.

The second instalment will be paid after census date in the second semester of the recipients’ Overseas Study Program.

In these rules-
Anglo American means Anglo American Metallurgical Coal
Approved Program means the Bachelor of Engineering (Honours) or integrated Bachelor of Engineering (Honours) / Master of Engineering, or a dual program including the Bachelor of Engineering (Honours).
Approved Residential College means any residential colleges or halls of residence located on The University of Queensland’s St Lucia campus
Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology.
Regional Area means an area deemed regional as define in the ASGC Remoteness Areas classification as described in the Australian Institute of Health and Welfare 2004 publication, ‘Rural, Regional and Remote Health: A Guide to Remoteness Classifications’ within Australia.
Relevant Field means the field or fields of engineering within the Approved Program as determined annually by the Associate Dean, after consultation with Anglo American
Scholarship means The Anglo American Metallurgical Coal Residential Scholarship for Engineering

3 Award and Value of Scholarship
(1) The value of the Scholarship will be $20,000 per annum and will be paid directly to the Approved Residential College towards the residential fees payable by the recipient for their accommodation to the Approved Residential College.
(2) Despite 5 (1)(c), the Associate Dean may award an additional scholarship to another person in a later year of study only if the earlier recipient no longer holds the Scholarship. In this instance, the duration of the Scholarship will be determined by the Associate Dean after consultation with Anglo American.

4 Additional Benefits
(1) Anglo American may offer the recipients one or more of the following opportunities:-
(a) ambassadorial roles;
(b) thesis mentoring;
(c) vacation employment at any site as determined by Anglo American, in consultation with the recipient.
5 Eligibility for Award
(1) An applicant is eligible for the Scholarship, if the applicant –
(a) submits an application to the Associate Dean, by the advertised closing date for applications; and
(b) is enrolled full-time in an Approved Program in a Relevant Field; and
(c) has completed 12 units, but not more than 27 units towards an Approved Program; and
(d) is a domestic student in accordance with The University’s Fee Policy; and
(e) has completed their secondary studies at a high school in a Regional Area or completed secondary studies as a boarder whilst having a permanent address in a Regional Area; and
(f) can provide documentary evidence of financial need as required; and
(g) does not hold another scholarship that the Associate Dean considers to be similar.

6 Selection of Award
(1) For the selection process, the Associate Dean must establish a selection committee, comprising:
(a) the Associate Dean, or nominee, as Chair of the committee; and
(b) one or more representatives from Anglo American; and
(c) at least one member of the university’s academic staff who is currently teaching in engineering with UQ staff comprising the majority.

(2) The Scholarship is awarded to the applicant showing greatest merit based on-
(a) academic achievement in courses undertaken to date; and
(b) personal and leadership qualities and potential to succeed in the engineering profession; and
(c) strength of interest in pursuing a career in the mining industry and an understanding of rural living; and
(d) financial need; and
(e) any other matter that the selection committee considers to be relevant.

(3) Where all other considerations are equal, preference will be given to a female or Indigenous student.

(4) The selection committee may decide to interview short-listed applicants.

7 Conditions for Scholarship
(1) The recipient may hold the Scholarship for up to 3 years, subject to the recipient –
(a) continuing to be enrolled full-time in the Approved Program in a Relevant Field; and
(b) maintaining a semester GPA of 4 or better; and
(c) continuing to be a resident of an Approved Residential College; and
(d) conducting themselves in a professional manner while performing any ambassadorial role or duties of vacation employment; and
(e) not holding another scholarship that the Associate Dean considers to be similar.

(2) If a recipient fails to satisfy rule 7(1), the student is to show cause why the Scholarship should not be cancelled.

(3) The Scholarship may not be deferred or interrupted.

8 Termination of scholarship
The University may terminate a Scholarship:
(a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 7(2); or
(b) if the recipient defers or interrupts their study; or
(c) if the student commits serious misconduct.

Aspire Residential Scholarship
(The Aspire Residential Scholarship was established in 2018 through a bequest to the University under the will of John Dugald Adams, a long time donor and a Bachelor of Commerce graduate of this University from 1961, who died in 2017. The Scholarship is maintained through an endowment fund and is open to further contributions.)

1. Purpose
The purpose of the Aspire Residential Scholarship is to assist students to undertake undergraduate studies at The University of Queensland.

2. Definitions
In these rules –
Approved Accommodation Provider means an accommodation provider approved for participation in the scheme, as listed in Addendum 2.
Approved Program means any Bachelor program at UQ, including dual programs.
DVC(A) means Deputy Vice-Chancellor (Academic).
GPA means grade point average.
Named Scholarship means a type of scholarship offered under the Aspire Residential Scholarship scheme which is named in recognition of a donor or partnership, or designated to apply to a particular discipline or category of student, and in either case is also identified in Addendum 1. All Named Scholarships are administered in accordance with these rules as well as any additional requirements outlined in Addendum 1.
Satisfactory Academic Progress means meeting the requirements to remain enrolled under the University’s Academic Progression Policy.
Show Cause Committee means a Committee established by the Academic Registrar, and comprising –
(a) the Academic Registrar (or nominee); and
(b) the Faculty Associate Deans (Academic).

3. Award and Value of Scholarships
(1) The University will award a number of Scholarships in a year in accordance with these rules, any additional terms specified in Addendum 1 for Named Scholarships, and the information for applicants.
(2) Each Scholarship will be tenable for a maximum period of three years.
(3) The value of each Scholarship is $10,000 towards accommodation costs, for each year in which that Scholarship is held.
(4) The Scholarship is paid as a reduction in the residential fees payable to an Approved Accommodation Provider.
(5) Scholarships may include additional benefits as specified in Addendum 1 and Addendum 2.
(6) Where a student’s residential fees in a year are less than $10,000, they may apply for payment of the balance of the Scholarship value for that year to assist with the cost of undertaking an approved placement, exchange or short term mobility program.

4. Eligibility for Scholarships
(1) An applicant is eligible for a Scholarship, if the applicant—
   (a) applies by the closing date for applications; and
   (b) will be a domestic student in the year of award in accordance with the University’s Fee Policy; and
   (c) intends to enrol as a commencing student in an Approved Program in the year of the award; and
   (d) has not completed any prior tertiary study at bachelor level or higher; and
   (e) if wishing to be considered for a Named Scholarship, meets any additional eligibility requirements for that Named Scholarship as specified in Addendum 1.

5. Selection of Award
(1) For the selection process, the DVC(A) must establish a selection committee, comprising –
   (a) the DVC(A) or nominee, as chair of the committee; and
   (b) an Associate Dean (Academic) nominated by the DVC(A); and
   (c) the Academic Registrar or nominee; and
   (d) the Director Student Affairs or nominee; and
   (e) a representative from an accommodation provider nominated by the DVC(A); and
   (f) any other representatives as may be determined from time to time by the Chair, with University staff comprising the majority.
(2) Each Named Scholarship will be awarded to the applicants showing the greatest merit as demonstrated by the selection criteria for that Named Scholarship as specified in Addendum 1.
(3) Any other Scholarships will be awarded to applicants showing the greatest merit as demonstrated by:
   (a) academic achievement; and
   (b) strength of the applicant’s personal statement explaining what benefit they would gain from receiving the Scholarship; and
   (c) any other matter that the selection committee considers relevant to the applicant’s future success in their field of study.

6 Conditions for Scholarships
(1) Offers for a Scholarship will be conditional on enrolling in an Approved Program at The University of Queensland in the year of the award, or after an approved period of deferment in accordance with rule 7(1).
(2) The recipient may hold other scholarships concurrently with a Scholarship, subject to the total combined value of all University of Queensland scholarships not exceeding $25,000 per year.
(3) Despite rule 6(2), a recipient may not hold another accommodation scholarship the DVC(A) considers similar.
(4) The recipient may hold a Scholarship for a maximum period of three years (excluding any periods for which that Scholarship is deferred or interrupted), subject to the recipient –
   (a) continuing to be enrolled full-time in an Approved Program, excluding any periods of approved interruption in accordance with rule 7(2); and
   (b) maintaining Satisfactory Academic Progress, or in respect of a Named Scholarship maintaining any other academic requirements specified in Addendum 1; and
   (c) ongoing residence with the Approved Accommodation Provider.
(5) Each recipient of a Named Scholarship must also comply with any additional conditions for that Named Scholarship specified in Addendum 1.
(6) If a recipient fails to satisfy rule 6(2), 6(3), 6(4), or rule 6(5), the recipient must show cause to the Show Cause Committee as to why the Scholarship should not be cancelled.

7 Deferment and Interruption
(1) Unless otherwise specified in Addendum 1 –
   (a) In exceptional circumstances, a recipient may apply for deferment of a Scholarship for one year; and
   (b) A Scholarship may be interrupted on application, for a maximum cumulative period of one year.

8 Termination of Scholarship
The University may terminate a Scholarship:
   (a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(6); or
   (b) if the recipient defers or interrupts their study without approval; or
   (c) if the student commits serious misconduct.

1. Purpose
The purpose of the Aspire Scholarship Scheme is to provide assistance with transition to tertiary study to students who have experienced financial hardship and are commencing an Approved Program at The University of Queensland.

2. Definitions
In these rules –
Aspire Scholarship Scheme means the framework for offering scholarships as either Aspire scholarships or as Named Scholarships in accordance with these rules.
**GPA** means the result of applying the formula — 
\[ \frac{\sum(GP)}{\sum(P)} \] 
where \( G \) = the result in a course; and 
\( P = \) the unit value of that course. If a student is enrolled in a course but gets no result, \( G=0 \).

**Scholarship** means a scholarship awarded under the Aspire Scholarship Scheme, including Named Scholarships.

**Approved Program** means any bachelor or associate degree program at The University of Queensland unless otherwise specified in Addendum 1.

**President** means President of the Academic Board.

**Named Scholarship** means a type of scholarship offered under the Aspire Scholarship Scheme, which is named in recognition of a donor or partnership. These scholarships are identified in Addendum 1. They are administered in accordance with these rules as well as any additional requirements outlined in Addendum 1.

**Relevant Associate Dean** means the Associate Dean (Academic) of the students’ Faculty.

**Satisfactory Academic Progress** means meeting the requirements to remain enrolled under the University’s Academic Progression Policy.

**Show Cause Committee** means a Committee established by the President, and comprising – 
(a) the President (or nominee); and 
(b) the Academic Registrar (or nominee); and 
(c) the relevant Faculty Associate Deans (Academic) (or nominee).

### 3. Award and Value of Scholarship

(1) A number of Scholarships will be awarded each year on recommendation of the President.

(2) Additional Named Scholarships may be awarded on recommendation of the President after consultation with donors or partners as specified in Addendum 1.

(3) The value of each Scholarship will be $4,500 for one year.

### 4. Eligibility for Award

An applicant is eligible for the Scholarship if the applicant – 
(a) is a domestic student in accordance with the University’s Student Fees Policy; and 
(b) is enrolled as a commencing student at The University of Queensland in an Approved Program in semester 1 or trimester 1 in the year of award; and 
(c) has not completed any prior tertiary study at bachelor level or higher; and 
(d) has demonstrated significant financial disadvantage through achieving the maximum points for the ‘Financial Hardship’ category of QTAC’s Educational Access Scheme and is eligible for the UQ Link Scholarship; and 
(e) has been awarded a UQ Link Scholarship; and 
(f) is not in receipt of another scholarship awarded on the basis of financial hardship at The University of Queensland, with the exception of the UQ Link scholarship.

### 5. Selection

(1) For the selection process, the President must establish a selection committee, comprising – 
(a) the President (or nominee) as Chair; and 
(b) the Academic Registrar (or nominee); and 
(c) the Director of Student Affairs (or nominee); and 
(d) up to two representatives from donors and industry partners for Named Scholarships, with UQ staff comprising the majority.

(2) The Scholarship is awarded to the applicants showing greatest need as demonstrated by: 
(a) documented financial situation including gross family income and number of dependants; 
(b) where applicable, any additional requirements for Named Scholarships as outlined in Addendum 1; and 
(c) any other matter that the Selection Committee considers relevant.

(3) Preference may be given to indigenous students, students from a refugee, rural, regional or remote background, students who are the first in their family to attend university, or QTAC applicants who have demonstrated other forms of educational disadvantage in their QTAC application.

### 6. Conditions of Scholarship

(1) Payments will be made in equal instalments after census date in each semester or trimester subject to the recipient: 
(a) continuing to be enrolled in an Approved Program; and 
(b) continuing to be enrolled as a full-time student unless otherwise approved by the Relevant Associate Dean; and 
(c) maintaining Satisfactory Academic Progress; and 
(d) not being in receipt of another scholarship awarded on the basis of financial hardship, with the exception of the UQ Link scholarship.

(2) If a recipient fails to satisfy rule 6(1), the student is to show cause to the Show Cause Committee why the Scholarship should not be cancelled.

(3) The Scholarship may not be deferred or interrupted.

### 7. Termination of Scholarship

The University may terminate a Scholarship: 
(a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(2); or 
(b) if the recipient defers or interrupts their study; or 
(c) if the student commits serious misconduct.

**Constantine Aspromourgos Memorial Scholarship for Greek Studies**
(The scholarship was established in 1994 in memory of Constantine Aspromourgos and is maintained from a fund donated by his wife, Patricia Phyllis Aspromourgos.)

1. **Definitions**
   In these Rules
   - Executive Dean means the Executive Dean of the Faculty of Humanities and Social Sciences.
   - Scholarship means the Constantine Aspromourgos Memorial Scholarship for Greek Studies.

2. **Scholarship**
   One scholarship may be awarded each year by Senate on the recommendation of the Executive Dean as a representative of the relevant selection committee established under subrule 3.1.
   **Note:** The value of the scholarship is approximately equal to the annual income from the fund for the scholarship for a year. See Senate Rule - Financial Awards, rule ii.

3. **Selection process**
   3.1 For the selection process for a year, the Executive Dean must establish a selection committee, comprising-
   (a) the Executive Dean, as chair of the committee; and
   (b) 2 other academics, each of whom has expertise in a relevant discipline.
   3.2 An application for a scholarship for the year must be lodged with the Executive Dean by the date set by the Executive Dean.
   3.3 A student is an eligible applicant for the award of the scholarship in the year, if the student
   (a) has a bachelor's or a master's degree; and
   (b) submits an application for the scholarship in accordance with subrule 3.2; and
   (c) either:
      (i) is undertaking a postgraduate study program involving studies that relate to at least one area of Greek studies (ancient, Byzantine or modern) in language, culture, literature, history, archaeology, society, religion, economics, politics or geography (a Greek studies program) as a student of the university; or
      (ii) is a graduate of the university who is undertaking a Greek studies program that is acceptable to the committee, as a student of another university.
   3.4 The selection committee must rank the eligible applicants consecutively in order of merit, based on, for each applicant-
   (a) the standard of the applicant's academic achievement to date; and
   (b) the suitability of the program to be undertaken.
   3.5 Rule 3.6 applies if the selection committee is satisfied that at least one eligible applicant is of sufficient merit to warrant the award of the scholarship.
   3.6 The selection committee must recommend that the scholarship be awarded to the eligible applicant with the highest ranking.

4. **Period for which scholarship may be held**
   A scholarship is held by the recipient of the scholarship for 1 year.
5. **Delegations**
The Executive Dean may, in writing, delegate to another person the functions and powers under these rules (other than this rule).

**Clare Atkinson Memorial Scholarship**
(The scholarship was established in 2017 and maintained by gifts from many donors in memory of the dearly missed Clare Atkinson.)

1. **Purpose**
The purpose of the scholarship is to support journalism students taking a series of internships with major media organisations. The funding provided by the scholarship will offset the opportunity cost of the student undertaking the internships by providing living assistance during this time.

2. **Definitions**
In these rules –
- **Approved Program** means an undergraduate Journalism program including dual degree
- **Associate Dean** means the Associate Dean (Academic), Faculty of Humanities and Social Sciences
- **Scholarship** means the Clare Atkinson Memorial Scholarship

3. **Award and Value of Scholarship**
(a) The Senate may award one scholarship in a year on the recommendation of the Associate Dean.
(b) The value of the Scholarship is $5,000.

4. **Eligibility for Award**
An applicant is eligible for the Scholarship, if the applicant –
(a) submits an application to the Associate Dean by the closing date for applications; and
(b) has completed the first year of an Approved Program; and
(c) holds a GPA of at least 4.5; and
(d) is enrolled full-time in Approved Program; and
(e) does not hold another scholarship that the Associate Dean considers to be similar; and
(f) has not previously received the Scholarship.

5. **Selection of Award**
(1) For the selection process, the Associate Dean must establish a selection committee comprising:
(a) the Associate Dean, or nominee, as chair of the committee; and
(b) one representative from the donor group; and
(c) at least one member of the University's academic staff who is currently teaching in the relevant field, with UQ staff comprising the majority.
(2) The Scholarship is awarded to the applicant showing greatest merit as demonstrated by –
(a) academic achievement; and
(b) personal qualities, including leadership potential; and
(c) any other matter that the selection committee considers to be relevant to the applicants future success in the journalism profession.
(3) The selection committee may decide to interview short-listed applicants.

6. **Conditions for Scholarship**
(a) The Scholarship is tenable for the duration of the recipients’ internship(s) and will be paid upfront in one instalment once the recipient has provided evidence of being accepted for the internship(s).
(b) The Scholarship holder must, within 3 months of completing the internship, submit a written report of approximately 1,000 words on their internship experience and the benefits derived from the holding of the Scholarship. In addition, the Associate Dean may require the Scholarship holder to deliver a lecture or seminar.

7. **Deferral**
The recipient may apply to the Associate Dean to have their Scholarship deferred for up to one year in exceptional circumstances.

**The Aquatec Maxcon Scholarship**
(Established in 2019 and maintained by an annual gift from Aquatec Maxcon.)

1. **Purpose**
The purpose of the scholarship is to assist meritorious students with the costs of tuition fees while studying in the field of Urban Water Engineering in the Master of Engineering at The University of Queensland.

2. **Definitions**
In these rules –
- **Approved Program** means the Master of Engineering in the field of Urban Water Engineering.
- **Aquatec Maxcon** means Aquatec Maxcon Pty Ltd.
- **Head** means the Head of School, School of Chemical Engineering.
- **Normal Minimum Duration** means the minimum period of time it would take a student enrolled in a standard full-time load of 8 units per semester to complete the Approved Program.
- **Scholarship** means the Aquatec Maxcon Scholarship.
3 Award and value of scholarship
(1) The number and value of each Scholarship will be determined each year on the recommendation of the Head, after consultation with Aquatec Maxcon.
(2) The value of each Scholarship is payable towards the cost of tuition fees of the Approved Program.

4 Eligibility for award
(1) An applicant is eligible for the Scholarship if the applicant -
(a) submits an application to the Head, by the closing date for applications; and
(b) is enrolled or intends to enrol full-time in an Approved Program; and
(c) does not hold another scholarship that the Head considers to be similar.

5 Selection of award
(1) For the selection process, the Head must establish a selection committee, comprising -
(a) the Head, or nominee, as chair of the committee; and
(b) one representative from Aquatec Maxcon; and
(c) one representative from the Advanced Water Management Centre, The University of Queensland; and
(d) one member of the University’s academic staff who is currently teaching in an Approved Program with University staff comprising the majority.
(2) The Scholarship is awarded to the applicant showing greatest merit, as demonstrated by -
(a) academic achievement to date; and
(b) personal qualities, including leadership potential; and
(d) any other qualities that the selection committee considers to be relevant to the applicant’s future success in the engineering profession.
(3) The selection committee may decide to interview short-listed applicants.

6 Conditions for scholarship
(1) The recipient may hold the Scholarship for the Normal Minimum Duration of the Approved Program, subject to the recipient -
(a) continuing to be enrolled full-time in the Approved Program; and
(b) achieving a GPA of at least 5 for each semester of study.
(2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Head why the Scholarship should not be cancelled.
(3) The Scholarship may be deferred or interrupted only with approval from the Head.

7 Termination of scholarship
The University may terminate a Scholarship:
(a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(2); or
(b) once the maximum duration of the Scholarship has lapsed; or
(c) if the recipient defers or interrupts their study without approval from the Head; or
(d) if the student commits serious misconduct.

All students in the appropriate semester are considered as applicants for the scholarship.

2. The scholarship shall be awarded by the Senate on the recommendation of the Head of the School of Mechanical and Mining Engineering. The record of each applicant throughout the first 6 semesters of the program shall be taken into account in making the award, with special reference to the applicant’s capacity for original work.

Walter Bruce Darker Scholarships

(Established by a bequest of $4,000 by Walter Bruce Darker, who died on 25 March 1950.)

1. Two scholarships are awarded each year by Senate, on the recommendation of the Executive Dean, Faculty of Engineering, Architecture and Information Technology, to 2 Bachelor of Engineering or Bachelor of Engineering (Honours) program students who have shown the greatest proficiency in the program of those entering the 5th semester of the program.

2. Each scholarship shall consist of half of the annual income from the Fund, to be applied by the University in payment of books and equipment selected by the scholar and approved by the Executive Dean.

Claud and Kate Delpratt Memorial Scholarship

(Established in 2001 and maintained by the income of a gift from Ms Helen Delpratt in memory of her parents Claud and Kate Delpratt.)

1. (1) The object of the Claud and Kate Delpratt Scholarship is to assist indigenous people to undertake study at The University of Queensland (UQ) or The University of Western Australia (UWA) to gain a Doctor of Medicine (MD).

   (2) Indigenous people means those who satisfy the relevant selection committee for the scholarship that they -
      (a) are of Australian Aboriginal and/or Torres Strait Islander descent; and
      (b) regard themselves as Aborigines or Torres Strait Islanders; and
      (c) are so considered by the community in which they live or have lived.

2. (1) The Scholarship is provided from the income on a gift.

   (2) The gift and any additions to it are to be held by UQ as the Claud and Kate Delpratt Memorial Scholarship Fund (the fund).

   (3) The income of the fund is to be used first to maintain the real value of the fund using UQ’s customary procedure to achieve that end.

   (4) The balance of income of the fund is to be used to pay a scholarship alternately to a UQ student or a UWA student.

3. Indigenous people may apply for the scholarship if they are enrolled or seeking to enrol either at UQ or at UWA in the MD programs or in a program taken as a precursor to the MD programs.

4. (1) If, in any year, there is no suitable applicant at the university at which a new award is to be made, but there is a suitable applicant at the other university, the scholarship is to be paid to the student at the other university and the alternation is to restart as if that were the first allocation.

   (2) If in any year in which a new scholarship is to be paid, there is no suitable applicant for the scholarship at either university, the income from that year is to be added to and form part of the capital of the fund.

5. A new award will not be made until the recipient of the previous award has ceased to receive it.

6. (1) The scholarship is paid subject to the recipient making satisfactory progress and remaining enrolled in the program for which the scholarship is awarded.

   (2) If the recipient is enrolled in a program as a precursor to seeking enrolment in the MD program, the scholarship is to be paid until the recipient completes the MD program, subject to the recipient making satisfactory progress and remaining enrolled in the program for which the scholarship is awarded.

7. The scholarship will be paid only after the recipient has enrolled.

8. If the recipient becomes ineligible to receive the scholarship within two years of first receiving it, a new award may be made to another student at the same university, but if that student becomes ineligible to receive the scholarship, a new award will be made at the other university and rule 4 will apply.

9. (1) The scholarship is to be awarded at UQ by the Senate and at UWA by the Faculty of Medicine, Dentistry and Health Sciences, in each case on the advice of the relevant selection committee.

   (2) The selection committee for each university must contain a majority of university staff.

   (3) At UQ, the selection committee comprises -
      (a) Medical Dean, Faculty of Medicine (as chair), or nominee; and
(b) Director of the Aboriginal and Torres Strait Islander Studies Unit; and
(c) other persons appointed by the Medical Dean, Faculty of Medicine, or nominee.
(4) At UWA, the selection committee comprises -
(a) Dean of the Faculty of Medicine, Dentistry and Health Sciences; and
(b) Head of the School of Indigenous Studies; and
(c) Director of the Centre for Aboriginal Medical and Dental Health; and
(d) other persons appointed by the Dean of the Faculty of Medicine, Dentistry and Health Sciences.
(5) Appointments made under rules (3) and (4) must be made in a way that ensures rule (2) is satisfied.

10. Selection is to be based on -
(a) the candidate’s previous academic results at secondary school and, if applicable, tertiary level; and
(b) social or economic need.

George Georges Research Scholarship
(The scholarship is supported from an endowment established through gifts from the Palm Sunday Rally for Peace and Nuclear Disarmament, and many individual and organisational donors, in recognition of the life and achievements of Senator George Georges. When the Palm Sunday Rally for Peace and Nuclear Disarmament organisation ceased operations, the George Georges Scholarship Support Committee assumed responsibility for managing these functions.)

1. Purpose
The purpose of the Scholarship is to support an undergraduate student seeking to undertake a research project in an area relating to peace, nuclear disarmament, trade unionism, environmentalism, social justice, human rights, or other areas that reflect the values and goals of the late Senator George Georges.
2. Definitions
In these rules –
Approved Program means any undergraduate or honours program administered by the Faculty of Humanities and Social Sciences or a dual program that includes any undergraduate or honours program administered by the Faculty of Humanities and Social Sciences.
Head means the Head of School of Political Science and International Studies.
Scholarship means the George Georges Research Scholarship.
GGSSC means the George Georges Scholarship Support Committee.
R2P means the Asia-Pacific Centre for the Responsibility to Protect.

3. Award and Value of the Scholarship
(a) The value of the Scholarship will be at least $2,000 but will be limited to the income of the endowment fund.
(b) The Senate may award one Scholarship each year on the recommendation of the Head after consultation with the Director of R2P.

4. Eligibility for Scholarship
An applicant is eligible for the Scholarship if the applicant –
(a) Submits an application to the Head by the closing date for applications; and
(b) is enrolled full-time in the Approved Program; and
(c) is participating in studies or programs associated with the R2P.

5. Selection of Scholarship
(1) For the selection process the Head must establish a selection committee, comprising –
(a) The Head, or nominee, as Chair;
(b) the R2P’s Director of Research; and
(c) relevant project supervisors; and
(d) a representative of the GGSSC, with UQ staff comprising the majority.
(2) The Scholarship is awarded to the applicant/s showing greatest merit as demonstrated by –
(a) academic achievement and potential for scholastic success; and
(b) active participation in extracurricular activities in social justice, peace, environmentalism, or other related issues; and
(c) proposed course of work in relation to the Scholarship.

6. Payment of Scholarship
(1) The Scholarship will be paid in two equal instalments.
(2) The first instalment will be paid on award of the Scholarship subject to the recipient providing evidence they have commenced the research project with R2P.
(3) The second instalment will be paid after the completion of the research project, subject to the recipient, within 30 days of completion, providing evidence they have completed the research project.

7. Conditions for Scholarship
(1) The recipient may hold the Scholarship for the period of the research project subject to:
(a) actively fulfilling the commitments made as to the scope and intentions of the research topic; and
(b) conducting themselves in a professional manner while completing the research; and
(c) completing a research product that demonstrates the work undertaken over the course of the project.
(2) If the recipient fails to satisfy 6(2), 6(3) and 7(1), the recipient must show cause to the Head why the Scholarship should not be cancelled.

Geotechnical Engineering Scholarship
(The scholarships were established in 2012 and are maintained by an annual gift from the Geotechnical Engineering Centre (GEC), funded by the Centre’s Industry Partners).

1 Purpose
The purpose of the Scholarship is to encourage and support meritorious students to study the Bachelor of Engineering (Honours) program in the dual major of civil and geotechnical engineering or mining and geotechnical engineering.

2 Definitions
In these rules–
Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology.
Approved Program means the Bachelor of Engineering (Honours) program or the Bachelor of Engineering (Honours)/Bachelor of Science dual program or the Bachelor of Engineering (Honours)/Bachelor of Mathematics dual program.
GEC means the Geotechnical Engineering Centre and its industry partners.
Relevant Dual Major means civil and geotechnical engineering or mining and geotechnical engineering.
Scholarship means the Geotechnical Engineering Scholarships.

3 Award and value of scholarship
(1) Up to four Scholarships may be awarded each year on the recommendation of the Associate Dean.
(2) The Scholarship value is $10,000 for one year.

4 Additional benefits of scholarship
(1) The GEC may offer the recipient any of the following opportunities-
   (a) thesis mentoring;
   (b) an ambassadorial role;
   (c) vacation employment with industry partners, of any duration, at any site, during the period in which the recipient holds the Scholarship, as determined by the GEC, in consultation with the recipient and industry partners;
   (d) a vacation research scholarship attached to the GEC at UQ.
(2) If the recipient is required to relocate away from their normal place of residence to undertake vacation employment, the industry partner (employer) will pay travel expenses and a contribution towards living expenses, reasonably incurred by the recipient.

5 Eligibility for award
An applicant is eligible for the Scholarship, if the applicant-
   (a) submits an application to the Associate Dean, by the closing date for applications; and
   (b) is a domestic or international student in accordance with The University's Fee Policy; and
   (c) is enrolled full-time in an Approved Program in a Relevant Dual Major; and
   (d) has completed at least 12 units, but not more than 43 units towards an Approved Program; and
   (e) does not hold another scholarship that the Associate Dean considers to be similar.

6 Selection of award
(1) For the selection process, the Associate Dean must establish a selection committee, comprising-
   (a) the Associate Dean, or nominee, as chair of the committee; and
   (b) the Director of the GEC, or nominee; and
   (c) an industry partner of the GEC; and
   (d) an academic staff member who is currently teaching in the Relevant Dual Major with University staff comprising the majority.
(2) The Scholarship is awarded to the applicant showing greatest merit as demonstrated by-
   (a) academic achievement in courses undertaken to date; and
   (b) personal qualities, including leadership potential; and
   (c) any other qualities that the selection committee considers to be relevant to the applicant's future success in the Geotechnical Engineering profession.
(3) The selection committee will award the Scholarships in proportion to the students enrolled in each of the Relevant Dual Majors, except in circumstances where the applicants in one of the Relevant Dual Majors are deemed not sufficiently meritorious.
(4) The selection committee will interview short-listed applicants.

7 Conditions for scholarship
(1) The recipient may hold the Scholarship for 1 year, subject to the recipient-
   (a) continuing to be enrolled full-time in an Approved Program in a Relevant Dual Major; and
   (b) passing all courses in the first semester of the Scholarship; and
   (c) not gaining or holding another scholarship that the Associate Dean considers to be similar; and
   (d) conducting themselves in a professional manner in any interactions with or on behalf of GEC and its employees and representatives.
(2) If a recipient fails to satisfy rule 7(1), the recipient must show cause to the Associate Dean why the Scholarship should not be cancelled.
(3) The Scholarship may not be deferred or interrupted.
(4) The award of a Scholarship does not restrict the recipient from applying for another Scholarship in a subsequent year of study.

8 Termination of scholarship
The University may terminate a Scholarship:
   (a) if the recipient does not show cause to the reasonable satisfaction of the Associate Dean as provided for in rule 7(2); or
   (b) once the maximum duration of the Scholarship has lapsed; or
   (c) if the recipient defers or interrupts their study; or
   (d) if the student commits serious misconduct.

Ivor A. Gill Memorial Scholarship in Agricultural Science
(Established in 1954 by a gift of $5,000 from Mrs. E. A. Gill in memory of her son Ivor A. Gill.)

1. Purpose
   The object of the scholarship is to assist from time to time as occasion arises a student of the Faculty of Science, who is engaged in studies calculated to lead to an increase in the productivity of the pastoral industries of Australia.

2. Definitions
   Associate Dean (Academic) means the Associate Dean (Academic), Faculty of Science
   Scholarship means the Ivor A. Gill Memorial Scholarship in Agricultural Science

3. Award and value of scholarship
(1) The scholarship is awarded annually by Senate on the recommendation of the Associate Dean (Academic).
(2) The scholarship is the annual income from the fund. This shall be used for such purposes as the Associate Dean (Academic) may direct, whether for travelling, purchase of equipment, emolument of the scholar or otherwise.

4. Eligibility for award
An applicant is eligible for the award of a scholarship in a year if, in that year, the applicant:
(a) is currently enrolled in an undergraduate or postgraduate program managed by the Faculty of Science;
(b) is undertaking studies that accord with the object of the scholarship;
(c) can demonstrate financial need for assistance towards undertaking those studies; and
(d) applies for the scholarship by the closing date for applications.

5. Selection of award
(1) The Associate Dean (Academic) must rank the eligible applicants consecutively in order of merit, based on, for each applicant:
(a) academic achievement during their current studies;
(b) financial circumstances as evidenced by supporting documentation; and
(2) If, in any year, there is no award for the scholarship, the moneys which would have been available for an award in that year shall be held in reserve for a period not exceeding five (5) years and may be used for the award within that period of an additional scholarship in case there is more than one suitable candidate for the scholarship.

6. Conditions for scholarship
The scholarship is tenable for one year but a candidate shall be eligible for more than one award.

The Glencore Coal Assets Mining Engineering Scholarship
(The scholarship was established as a Faculty scholarship in 2016 by an annual gift from Glencore Coal Assets (Australia) Pty Limited, and then as a University scholarship from 2019.)

1. Purpose
The purpose of the Scholarship is to encourage and support meritorious students in the second or third year of study in the Bachelor of Engineering (Honours) or the integrated Bachelor of Engineering (Honours) / Master of Engineering program in the mining engineering discipline at The University of Queensland.

2. Definitions
In these rules -
Approved Program means the Bachelor of Engineering (Honours) program, or an engineering integrated program, or an engineering dual program.
Glencore means Glencore Coal Assets (Australia) Pty Limited.
Head means the Head of School, School of Mechanical and Mining Engineering.
Relevant Field means any field in the mining engineering discipline.

(a) submits an application to the Head, by the closing date for applications; and
(b) is a domestic student in accordance with The University’s Fee Policy; and
(c) is enrolled full-time in the relevant program; and
(d) has completed at least #16 towards the relevant program; and
(e) does not hold another scholarship that the Head considers to be similar.

5 Selection of award
(1) For the selection process, the Head must establish a selection committee, comprising:
(a) the Head, or nominee, as chair of the committee; and
(b) one representative from The Walter & Eliza Hall Trust; and
(c) at least one member of the university’s academic staff who is currently teaching in the relevant program, with university staff comprising the majority.
(2) The scholarship is awarded to the applicant showing greatest merit as demonstrated by:
(a) academic achievement in courses undertaken in the program to date; and
(b) financial need; and
(c) other evidence that may be deemed relevant to the applicant's future success in the social work profession.
(3) Preference will be given to applicants who have not previously received a scholarship funded by the Walter & Eliza Hall Trust.

6 Conditions for scholarship
(1) The recipient may hold the scholarship for 1 year, subject to the recipient:
(a) continuing to be enrolled full-time in the relevant program; and
(b) maintaining satisfactory academic progress for each semester of study.
(2) In these rules, satisfactory academic progress means that the recipient passes all courses and achieves a GPA of at
least 4 for each semester of study.

(3) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Head, why the scholarship should not be cancelled.

(4) The recipient must not spend their scholarship funding on:
   (a) travel overseas
   (b) tuition fee repayment

R.N. Hammon Scholarships
(Established in 1987 and maintained by gifts from Mr Robert Noel Hammon.)

1. Purpose
   The purpose of the scholarship is to assist Australian indigenous students to undertake post-secondary study in Queensland.

2. Definitions
   In these rules -
   
   Deputy President means the Deputy President of the Academic Board.
   
   eligible student means a student who satisfies the selection committee that the student is of Australian Aboriginal and/or Torres Strait Islander descent, who regards himself or herself as an Australian Aboriginal and/or Torres Strait Islander and who is so considered by the community in which the student lives or has lived.
   
   minimum completion time means the minimum period of time it would take a student to complete the remainder of the program in which the recipient is enrolled when the recipient is awarded the scholarship.
   
   participating institution means one of the following –
   (a) The University of Queensland;
   (b) Queensland University of Technology;
   (c) University of Southern Queensland;
   (d) Central Queensland University;
   (e) Queensland Colleges of Technical and Further Education;
   (f) a company which is owned by one of the institutions referred to in (a) – (e) above.
   
   preferred field means one of the following fields of study –
   (a) science;
   (b) engineering;
   (c) medicine;
   (d) dentistry;
   (e) architecture;
   (f) agriculture;
   (g) veterinary science.
   
   relevant program means any program offered by one of the participating institutions refered to in (a) – (f) above.
   
   scholarship means the RN Hammon Scholarship.

3. Award and value of scholarship
   (1) The Senate may award a number of scholarships each year, on the recommendation of the Deputy President, in consultation with the selection committee established under rule 5(1).
   (2) The scholarships will be awarded and administered in accordance with the scholarship guidelines.
   (3) The value of each scholarship will be determined each year by the Deputy President, in consultation with the selection committee established under rule 5(1).

4. Eligibility for award
   An applicant is eligible for the award of a scholarship, if the applicant -
   (a) submits an application for the scholarship by the closing date for applications; and

**Leo Howard Memorial Bursary**
(Established in 1978 by a bequest from the late Leo Howard, PhD ANU, BSc, Senior Lecturer in Mathematics at The University of Queensland and funds raised by his friends to augment his bequest for the purpose of creating a suitable memorial to him.)

1. A bursary shall be awarded by Senate on the recommendation of the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology to students who have completed the first 2 semesters of an Approved Program that includes the Bachelor of Engineering (Honours) or the integrated Bachelor of Engineering Honours/Master of Engineering, or a dual program that includes the Bachelor of Engineering (Honours) at The University of Queensland.

2. In making its recommendation the Associate Dean (Academic) shall consider factors other than academic ability (such as the financial need of the student and whether the student has other awards) but will require that the candidate has demonstrated considerable academic ability.

3. The Associate Dean (Academic) shall in each year recommend the value and number of bursaries to be awarded.

4. In the first instance income of the fund shall be used for the payment of the bursaries, but if income in any year is insufficient for that purpose capital may be used. Payment for the bursary shall be made in equal amounts at the beginning of the third and fourth semesters of the student’s program respectively.

5. If the Associate Dean (Academic) shall be of opinion that the recipient of the award has not worked diligently in the first semester following the award and that failure to do so was not occasioned by illness or other circumstances beyond the control of the candidate, the payment for the succeeding semester shall be withheld.

**Indigenous Science Scholarship**
(Established in 2008 and maintained by an annual gift of $10,000 from Independent Marine Bio-Chemistry Research Pty Ltd, and $10,000 from the then Faculty of Biological and Chemical Sciences, now Faculty of Science)

1 **Purpose**
The purpose of the scholarship is to assist domestic Australian indigenous students with the costs of tuition fees, books and study expenses, accommodation and basic living expenses while studying science at The University of Queensland.

2 **Definitions**
In these rules -

- **Approved Undergraduate program** includes the Bachelor of Science, Bachelor of Biomedical Science, Bachelor of Environmental Science (Honours), Bachelor of Biotechnology (Honours), Bachelor of Advanced Science (Honours), Bachelor of Mathematics (3 years) or a dual degree involving one of the above programs.

- **Associate Dean** means the Associate Dean (Academic), Faculty of Science.

- **Normal minimum duration** means the minimum period of time it would take a student who enrolled in a standard load of 8 units per semester to complete the program.

- **Scholarship** means the Indigenous Science Scholarship.

- **Tuition fees** means the Higher Education Contribution Amount (HECS) payable for enrolment in an approved undergraduate program

3 **Value and award of scholarship**

1. The value of the Scholarship is $10,000 for each semester for which it is held consisting of –
   (i) the Tuition Fees (HECS) payable each semester by the recipient; and
   (ii) the remainder in cash, to be paid to the recipient after each semester census date.

2. Senate may award the Scholarship to another person in a later year only if the earlier recipient no longer holds the scholarship.

4 **Additional benefits**
The recipient may be offered vacation work experience by Independent Marine Bio-Chemistry Research Pty Ltd for periods determined by Independent Marine Biochemical Research in consultation with the recipient.

5 **Eligibility for award**

1. An applicant is eligible for the Scholarship if the applicant -
   (a) submits an application to the Associate Dean, by the closing date for applications; and
   (b) is a domestic student in accordance with The University’s Fee Policy; and
   (c) is of Australian Aboriginal and/or Torres Strait Islander descent, who regards himself or herself as an Australian Aboriginal and/or Torres Strait Islander and who is so considered by the community in which the student lives or has lived; and
   (d) intends to enrol full-time in the first semester of an approved undergraduate program; and
6 Selection of award
(1) For the selection process, the Associate Dean must establish a selection committee, comprising -
   (a) the Associate Dean, or nominee, as Chair of the selection committee; and
   (b) a representative from the Aboriginal and Torres Strait Islander Studies Unit at The University of Queensland; and
   (c) a representative from the North Stradbroke Island indigenous community; and
   (d) a representative from Independent Marine Bio-Chemistry Research Pty Ltd; and
   (e) a representative from the Moreton Bay Research Station;
   with university staff comprising the majority.
(2) The Scholarship is awarded to the applicant showing greatest merit as demonstrated by -
   (a) academic achievement to date; and
   (b) strength of interest that the applicant demonstrates in contributing to the Stradbroke Island community; and
   (c) personal qualities, including leadership potential; and
   (d) other evidence that may be considered relevant by the selection committee.
(3) Preference may be given to students (in order of preference) -
   (a) from or affiliated with The Qandamooka people of Moreton Bay, Queensland; and/or
   (b) with bloodline to country; and/or
   (c) enrolled in the Bachelor of Science or Bachelor of Environmental Science (Honours) program.
(4) The selection committee may decide to interview short-listed applicants.

7 Conditions for scholarship
(1) The recipient may hold the Scholarship for the normal minimum duration for the program, subject to the recipient -
   (a) continuing to be enrolled full-time in an approved undergraduate program; and
   (b) achieving a GPA of at least 4 for each semester of study; and
   (c) conducting themselves in a professional manner while performing any duties of work experience.
(2) If a recipient fails to satisfy rule 7(1), the recipient must show cause to the Associate Dean, why the scholarship should not
   be cancelled.
(3) The Scholarship may not be deferred or extended without the approval of the Associate Dean

Information and Communication Technology (ICT) Excellence Scholarships
(Established in 2007 and maintained by an annual gift from the School of Information Technology and Electrical Engineering.)

1 Purpose
The purpose of the Scholarships is to encourage and assist first year students studying in the areas of information and
communications technology.

2 Definitions
In these Rules
Head means the Head of School, School of Information Technology and Electrical Engineering.
Approved Program means any of the following programs at The University of Queensland –
(a) Bachelor of Information Technology; or
(b) Bachelor of Engineering (Honours)
(c) Bachelor of Engineering (Honours) / Master of Engineering
(d) Bachelor of Computer Science
and includes a dual program which includes any of the above programs.
Relevant Field means any of the following fields in the Bachelor of Engineering (Honours) programs –
(a) Electrical Engineering; or
(b) Electrical and Biomedical Engineering; or
(c) Electrical and Computer Engineering; or
(d) Mechatronic Engineering; or
(e) Software Engineering.
Scholarship means the Information and Communications (ICT) Excellence Scholarships.

3 Award and value of scholarship
(1) The Head will determine the number of Scholarships to be awarded in a year.
(2) At least 60% of the Scholarships available in a year will be awarded to students who are domestic students in accordance
   with The University’s Fee Policy.
(3) The value of the Scholarship is $3,000 for one year.

   (c) personal qualities, including leadership potential; and
   (d) any other matter that the selection committee considers to be relevant to the applicant's future success in the engineering profession.
(3) Preference will be given to an applicant who can demonstrate financial, social or geographical disadvantage; and
(4) The selection committee may decide to interview short-listed applicants.

6 Conditions for scholarship
(1) The recipient may hold the scholarship for 1 year, subject to the recipient –
   (a) continuing to be enrolled full-time in an approved undergraduate engineering program in a relevant field; and
   (b) maintaining a GPA of at least 5 for each semester of study and passing all courses in which they are enrolled.
(2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Head why the scholarship should not be cancelled.

James and Everingham Bursary
(Founded in 1975 by a gift to the Queensland Agricultural College made by Dr N.P. Everingham in memory of Anne Elizabeth James and Stephan Nixon Everingham who died in a motor accident in 1973. Anne Elizabeth James was enrolled in the Associate Diploma of Applied Science (Food Technology) at the College in 1972/1973 and Stephan Everingham graduated with the degree of Bachelor of Applied Science (Rural Technology) in 1972. The Bursary was formalised by Senate in 1999.)

1. Purpose
   The purpose of the scholarship is to support students enrolled in programs relating to food technology or rural agriculture.

2. Definitions
   In these rules –
Associate Dean (Academic) means the Associate Dean (Academic), Faculty of Science
Scholarship means the James and Everingham Bursary

3. Value and award of scholarship
   (1) The value of the scholarship is the annual income from the fund.
   (2) The scholarship is awarded annually by Senate on the recommendation of the Associate Dean (Academic).

4. Eligibility for award
   An applicant is eligible for the award of a scholarship in a year if, in that year, the applicant:
   (a) is enrolled in a program relating to food technology or rural agriculture; and
   (b) applies for the scholarship by the closing date for applications.

5. Selection of award
   (1) The Associate Dean (Academic) must rank the eligible applicants in order of merit based on:
      (a) academic achievement;
      (b) financial need; and
(c) any other evidence that may be considered relevant by the Associate Dean (Academic) to future success by the student in the agriculture, agronomy or related industries.

(2) If the Associate Dean (Academic) is satisfied that at least one eligible applicant is of sufficient merit to warrant the award of the scholarship, the Associate Dean (Academic) must recommend that the scholarship be awarded to the applicant with the highest ranking.

6. Duration of Scholarship
(1) The scholarship is tenable for one year, subject to the recipient's continued enrolment in the program for which the scholarship was awarded.
(2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Associate Dean (Academic), why the scholarship should not be cancelled.

Frank Joseph Murphy Bursary
(Established in 1994 and maintained by the income from a bequest from the late Frank Joseph Murphy.)

1. Senate awards one or more bursaries each year on the recommendation of the Head, School of Information Technology and Electrical Engineering.

2. The Bursary is open to –
   (a) Students undertaking a Bachelor of Engineering or Bachelor of Engineering (Honours) (BE or BE (Hons)) or Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in a major administered by the School of Information Technology and Electrical Engineering and who are undertaking exchange programs with overseas institutions; and
   (b) Bachelor of Engineering or Bachelor of Engineering (Honours) or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering graduates of not more than 2 years standing with a Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering major administered by the School of Information Technology and Electrical Engineering and who will use the Bursary to undertake further study outside Australia.

3. The Bursary is awarded on the basis of academic merit and the worth of the proposed study for the engineering component of the BE or BE(Hons).

4. Each Bursary is tenable for one year and the value shall be determined by Senate.

5. Applicants must make written application to the Head, School of Information Technology and Electrical Engineering by the date determined by the Head.

6. Upon the student's return from the overseas exchange, the student must submit to the Head a report of no more than 1,000 words on their study experience. The report may be reproduced in school or faculty publications.

Newcrest Mining Engineering Scholarship
(The scholarship was established in 2011 and is maintained by an annual gift from Newcrest Operations Limited.)

1. Purpose
   The purpose of the Scholarship is to encourage and support meritorious students in the final 3 years of study in the Bachelor of Engineering or Bachelor of Engineering (Honours) program.

2. Definitions
   In these rules-
   Approved Program includes the Bachelor of Engineering or Bachelor of Engineering (Honours), or an engineering integrated program, or an engineering dual program.
   Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology.
   Newcrest means Newcrest Operations Limited.
   Relevant Field means the field or fields of engineering within the Approved Program as determined annually by the Associate Dean, after consultation with Newcrest in accordance with 3(2).
   Scholarship means the Newcrest Mining Engineering Scholarship.

3. Award and value of scholarship
   (1) A number of Scholarships may be awarded each year on the recommendation of the Associate Dean, after consultation with Newcrest.
   (2) The Associate Dean, after consultation with Newcrest, will each year nominate the Relevant Field prior to the applications opening.
   (3) The value of the Scholarship is $10,000 for each year for which it is held.

4. Additional benefits
   Newcrest may offer the recipient any of the following opportunities -

1 Purpose
The purpose of the Scholarship is to provide financial support to a disadvantaged student from regional Australia.

2 Definitions
In these rules –
Approved Program means the following undergraduate programs (including honours and dual degree programs):
- Bachelor of Agribusiness
- Bachelor of Agricultural Science
- Bachelor of Architecture Design
- Bachelor of Biomedical Science
- Bachelor of Commerce
- Bachelor of Dental Science (Honours)
- Bachelor of Engineering
- Bachelor of Laws (Honours)
- Bachelor of Nursing
- Bachelor of Occupational Therapy
- Bachelor of Pharmacy
- Bachelor of Physiotherapy
- Bachelor of Psychological Science
- Bachelor of Speech Pathology
- Bachelor of Veterinary Technology; and
the provisional Doctor of Medicine program.
Eligible Region means an area outside of the metropolitan areas of Brisbane (including local government areas of Brisbane City, Redlands, Logan, Ipswich, and Moreton Bay Regional Council), Sydney, Melbourne, Adelaide and Perth.
Commencing Student means a student who has not previously been enrolled in a degree program at The University of Queensland.
Scholarship means the Palmer | Starkoff Regional Scholarship.

3 Value and award of scholarship
(1) The Academic Registrar may award one Scholarship as tenure becomes available.
(2) The value of the Scholarship is $4,000 each year for the duration of the student’s Approved Program, to assist with the costs associated with their living and academic expenses while studying.

The Pekol Family Scholarship for Women in Engineering and The Pekol Family Scholarship for Women in Maths and Science
(The scholarship was established in 2017 and is maintained by an annual gift from The Pekol Family.)
1 Purpose
The purpose of the Scholarship is to encourage and support female students aspiring to undertake tertiary studies in engineering, or science (in the fields of maths and physics) who are currently experiencing barriers to attending UQ.

2 Definitions
In these rules-
Approved Undergraduate Engineering Program includes a dual program, including the Bachelor of Engineering (Honours) program and the integrated Bachelor of Engineering (Honours) / Master of Engineering program
Approved Undergraduate Science Program includes a dual program, including the Bachelor of Science, Bachelor of Mathematics, or Bachelor of Advanced Science (Honours), enrolled in the field of maths or physics.
Approved Undergraduate Program means the Approved Undergraduate Science Program and/or the Approved Undergraduate Engineering Program
Associate Dean Engineering means the Associate Dean (Academic) Faculty of Engineering, Architecture and Information Technology
Associate Dean Science means the Associate Dean (Academic), Faculty of Science
Regional Area if outside of Queensland means Inner Regional, Outer Regional, Remote or Very Remote areas as defined in the ASGC Remoteness Areas classification as described in the Australian Institute of Health and Welfare 2004 publication, ‘Rural, Regional and Remote Health: A Guide to Remoteness Classifications’; or if within Queensland means all of Queensland except those areas encompassed by the following local government areas-
(a) Brisbane City Council
(b) Gold Coast City
(c) Ipswich City
(d) Logan City
(e) Moreton Bay Regional
(f) Redland City
Scholarship means The Pekol Family Scholarship for Women in Engineering and The Pekol Family Scholarship for Women in Maths and Physics

3 Award and Value of Scholarship
(1) Senate may award up to 2 Scholarships in tenure on the recommendation of the Associate Dean Engineering after consultation with the Associate Dean Science, subject to the availability of donor funding.
(2) The value of the Scholarship is $10,000 for each year for which it is held.
(3) Senate may award the Scholarship to another person in a later year of study only if the earlier recipient no longer holds the Scholarship. In this instance, the duration of the Scholarship will be determined by the Associate Dean Engineering after consultation with the Associate Dean Science and the Pekol Family.

4 Eligibility for award
An applicant is eligible for the Scholarship, if the applicant –
(a) submits an application to the Associate Dean Engineering or Associate Dean Science, by the advertised closing date for applications; and
(b) is a female student; and
(c) is a domestic student in accordance with The University's Fee Policy; and
(d) is enrolled full-time in the first year of the Approved Undergraduate Engineering Program or Approved Undergraduate Science Program, or a later year of an Approved Undergraduate Program if the award is made in accordance with rule 3(3); and
(d) can provide documentary evidence of financial need as required; and
(e) does not hold another scholarship that the Associate Dean Engineering or Associate Dean Science considers to be similar.

are of Australian Aboriginal or Torres Strait Island descent, who identify as Aboriginal or Torres Strait Islander, and are accepted as an Aboriginal or Torres Strait Islander person in the community in which they live, or have lived.

Randall Silcock Bursary
(Established in 1972 and maintained by an endowment from the estate of the late Randall Gilbert Silcock. This award was recognised by the UQ Senate in 2015.)

1. Purpose
The purpose of this Bursary is to support students studying in the Faculty of Medicine by providing funding for students to present their research at a scientific conference.

2. Definitions
In these rules –
Approved Program means the Bachelor of Medicine, Bachelor of Surgery or the Doctor of Medicine.
Dean means the Medical Dean, Faculty of Medicine.
Bursary means the Randall Silcock Bursary.

3. Value and Award of Bursary
(1) The Senate may award up to eight Bursaries in a year on the recommendation of the Dean.
(2) There will be two application rounds per year.
(3) The value of an individual award will not be less than $500 and will not be more than $1,000, and the total award value will not exceed $4000 in a calendar year.

4. Eligibility for Award
An applicant is eligible for the Bursary if the applicant –
(a) submits an application to the Dean, by the closing date for applications; and
(b) is enrolled in the Approved Program.

5. Selection of Award
(1) For the selection process, the Dean must establish a selection committee, comprising –
(a) the Dean, or nominee, as chair of the committee; and
(b) at least two further members drawn from academic staff of the Faculty of Medicine.
(2) The Bursary is awarded to the applicant(s) showing greatest merit as demonstrated by –
(a) the quality and prestige of the conference to be attended; and
(b) the quality of the student’s presentation based on the accepted abstract; and
(c) the statement by the student on the tangible benefits that may be expected from presenting at this conference.

D.P. Singhal Visiting Scholarship
(Established in 1995 from a fund that includes a bequest of $25,000 to the University under the will of Professor D.P. Singhal, who taught Indian History at the University for 25 years, and contributions from friends and colleagues of Professor Singhal.)

1. The object of the Scholarship is to enable a scholar usually resident in India to attend the University for a short period to be determined by the Head of the School of Historical and Philosophical Inquiry, in order to further the scholar’s research interests.

2. The Scholarship will be awarded every 3 years by the Senate on the recommendation of the Head of the School of Historical and Philosophical Inquiry.

3. The amount of the Scholarship will not exceed the income of the fund for the 3-year period.

Slade Scholarship
(Founded by gifts made to the University of Mr W.B. Slade. These gifts, with accrued interest, have provided a capital sum of $2,000 for the purposes of the Scholarship.)

1. Purpose
The purpose of the scholarship is to support high achieving students undertaking an undergraduate agricultural science program.

2. Definitions
Associate Dean (Academic) means the Associate Dean (Academic), Faculty of Science
Scholarship means the Slade Scholarship

3. Value and duration of the scholarship
(1) The scholarship is the annual income from the fund.
(2) The scholarship is awarded annually by Senate on the recommendation of the Associate Dean (Academic).
(3) In the event of a scholarship lapsing or the emoluments thereof ceasing to become payable to the person to whom the scholarship has been awarded, the Senate, on the recommendation of the Associate Dean (Academic), may appoint some qualified person to hold the scholarship for the balance of the year, or may resolve that such emoluments be added to and become part of the principal sum.
4. Eligibility for award
An applicant is eligible for the award of a scholarship in a year if, in semester 1 of the year of the award, the applicant is enrolled full-time in the third year of an undergraduate Agricultural Science program.

5. Selection Process
(1) The Associate Dean (Academic) must rank the eligible applicants consecutively in order of merit, based on, for each applicant:
   (a) Grade Point Average achieved during the second year of the program
   (b) any other evidence that may be considered relevant by the Associate Dean (Academic) to future success by the student in the agriculture, agronomy or related industries
(2) If the Associate Dean (Academic) is satisfied that at least one eligible applicant is of sufficient merit to warrant the award of the scholarship, the Associate Dean (Academic) must recommend that the scholarship be awarded to the applicant with the highest ranking.

6. Scholarship conditions
(1) The scholarship is tenable for one year, subject to:
   (a) the recipient's continued full-time enrolment in the program for which the scholarship was awarded.
(2) If the recipient fails to satisfy 6(1), the recipient must show cause to the Associate Dean (Academic) why the scholarship should not be cancelled.

Howard and Gladys Sleath Scholarships
(Established in 1998 by a bequest by Howard Sleath of 50% of his estate to the University of Queensland. Mr Howard Sleath was well-known to instrumentalists throughout Australia for the excellence of his craftsmanship and skill as a maker of stringed instruments. Mr Sleath gave the State of Queensland a string quartet of instruments to be kept under the supervision of the Head of the School of Music. The instruments were first demonstrated by the Mayne String Quartet at a concert to inaugurate the Howard Sleath Quartet of Instruments in 1974.)

1. Purpose
The scholarship is to support a student enrolling in the first year of the Bachelor of Music (Honours) program who is undertaking practical study of an orchestral stringed instrument played with a bow.

2. Definitions
In these rules –
Head means the Head of School, School of Music.
Program means the Bachelor of Music (Honours) program or a dual program that includes the Bachelor of Music (Honours).
Scholarship means the Howard and Gladys Sleath Scholarship.

3. Award and value of scholarship
(1) The Senate may award one scholarship in a year on the recommendation of the Head.
(2) The value of the Scholarship is equal to the annual income from the fund allocated to this Scholarship.

4. Eligibility for award
An applicant is eligible for the scholarship, if the applicant –
   (a) Submits an application to audition on an orchestral stringed instrument played with a bow for the Bachelor of Music (Honours) program to the Head, by the closing date for applications; and
   (b) Will be enrolled full-time in the first year of the program.

5. Selection of award
The Scholarship is awarded to the applicant showing greatest merit as demonstrated by audition.

6. Conditions for scholarship
(1) The Scholarship is tenable for one year and paid in two instalments.
(2) The first payment will be made after the census date in semester 1 subject to the recipient being enrolled full-time in the program.
(3) The second payment will be made after the census date in semester 2 subject to the recipient –
   (a) Continuing to be enrolled full-time in the program; and
   (b) Obtaining a GPA of at least 5 in semester 1.
(4) If the recipient fails to satisfy rule 6(2) or 6(3), the recipient must show cause to the Head why the Scholarship should not be cancelled.

7. Interruption of scholarship
The University will terminate the Scholarship –
   (a) if the recipient does not show cause to the reasonable satisfaction of the Head as provided for in rule 6(4);
   (b) once the maximum duration of the Scholarship has lapsed; or
   (c) if the student commits serious misconduct.

The South32 David Crawford Scholarship
(The scholarship was established in 2019 and is maintained by an annual gift from South32.)
1 Purpose
The purpose of the Scholarship is to encourage and support talented engineering students who faced educational challenges through experiencing financial, or gender, or geographic, or cultural disadvantage.

2 Definitions
In these rules-
Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology
Approved Program means the Bachelor of Engineering (Honours) program, or an engineering integrated program, or an engineering dual program, all at The University of Queensland.
Scholarship means The South32 David Crawford Scholarship.

3 Award and value of scholarship
(1) One scholarship will be awarded on recommendation of the Associate Dean.
(2) The value of the Scholarship is $10,000.

4 Eligibility for award
An applicant is eligible for the Scholarship, if the applicant -
(a) submits an application to the Associate Dean, by the closing date for applications;
(b) is a domestic student in accordance with the University's Student Fees Policy;
(c) can provide documentary evidence of educational challenges faced through financial disadvantage and/or geographic disadvantage and/or gender disadvantage and/or cultural disadvantage;
(d) is enrolled full-time in the Approved Program;
(e) has, at the time of application, completed at least 28 units at The University of Queensland, but not more than 43 units towards the Approved Program; and
(g) does not hold a scholarship that the Associate Dean considers to be similar.

5 Selection of award
(1) For the selection process, the Associate Dean must establish a selection committee, comprising –
(a) the Associate Dean, or nominee, as chair of the committee;
(b) at least one academic staff member who is currently teaching in an Approved Program; and
(c) one representative of South32, with University staff comprising the majority.
(2) The Scholarship will be awarded on the basis of the following criteria –
(a) educational disadvantage experienced as a result of the applicant's financial circumstances and/or geographic and/or gender and/or cultural disadvantage;
(b) academic achievement in courses undertaken to date;
(c) personal qualities including leadership potential, community service and engagement; and
(d) any other matter that the selection committee considers to be relevant to the applicant's future success in the engineering profession.
(3) Preference may be given to students in any field of the mining or mining and geotechnical engineering disciplines.
(4) The selection committee may decide to interview shortlisted applicants.

6 Conditions for scholarship
(1) The recipient may hold the Scholarship for up to one year, subject to the recipient –
(a) continuing to be enrolled full-time in an Approved Program;
(b) passing all courses in which they are enrolled;
(c) achieving a GPA of at least 5.0 in the first semester in which the Scholarship is held; and
(d) not holding another scholarship that the Associate Dean considers similar.
(2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Associate Dean why the Scholarship should not be cancelled.
(3) The Scholarship may not be deferred or interrupted.

7 Termination of Scholarship
The University may terminate a Scholarship:
(a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(2);
(b) if the recipient interrupts their study;
(c) once maximum duration of the Scholarship has lapsed; or
(d) if the student commits serious misconduct.

Maureen Stevenson Scholarship
(Established in 2019 by Maureen Stevenson under the Create Change Scholarship Match Initiative and maintained by income generated from the endowment fund.)

1. Purpose
The purpose of the Scholarship is to encourage and support undergraduate students from the School of Veterinary Science who are facing financial hardship.
2. Definitions
   In these rules-
   Approved Program means any undergraduate program in veterinary science administered by the Faculty of Science at The University of Queensland.
   Associate Dean means the Associate Dean (Academic) of the Faculty of Science.
   Satisfactory Academic Progress means meeting the requirements to remain enrolled under the University’s Academic Progression Procedures.
   Scholarship means the Maureen Stevenson Scholarship.

3. Award and value of scholarship
   (1) One Scholarship may be awarded each year on the recommendation of the Associate Dean.
   (2) The value of the Scholarship will be at least $4,500 and will be limited to the annual income from the fund.

   An applicant is eligible for the Scholarship, if the applicant –
   (a) can demonstrate financial need;
   (b) submits an application to the Associate Dean, by the closing date for applications;
   (c) is enrolled full-time in an Approved Program; and
   (d) is a domestic student in accordance with the University’s Student Fees Policy.

5. Selection of award
   (1) For the selection process, the Associate Dean must establish a selection committee, comprising –
      (a) the Associate Dean, or nominee, as chair of the committee;
      (b) at least one academic staff member who is currently teaching in an Approved Program; and
      (c) at least one additional staff member from the Faculty of Science.
   (2) The scholarship is awarded on the basis of the following criteria –
      (a) demonstrated financial need;
      (b) strength of personal statement included with application;
      (c) academic capability as demonstrated by overall academic performance; and
      (d) any other evidence that the selection committee deems relevant to the applicant’s future success in their field of study.

6. Conditions for scholarship
   (1) The recipient may hold the Scholarship for one year subject to the recipient -
      (a) continuing to be enrolled full-time in an Approved Program; and
      (b) achieving Satisfactory Academic Progress in each semester that the Scholarship is held.
   (2) If a recipient fails to satisfy rule 6(1) the recipient must show cause to the Associate Dean why the Scholarship should not be cancelled.

7. Termination of scholarship
   The University may terminate a Scholarship -
   (a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(2);
   (b) once the maximum duration of the Scholarship has lapsed; or
   (c) if the student commits serious misconduct.

Bert and Vera Thiess Scholarship in Civil Engineering
(The Bert and Vera Thiess Scholarship in Civil Engineering was established in 2019 and is maintained by a gift from the Bert and Vera Thiess Foundation.)

1. Purpose
   The purpose of the Scholarship is to encourage and support deserving Engineering students who have experienced financial disadvantage and to honour the memory of the late Bert and Vera Thiess.

2. Definitions
   In these rules-
   Approved Program means the Bachelor of Engineering (Honours) program or the integrated engineering program, or an engineering dual program.
   Foundation means the Bert and Vera Thiess Foundation, the donations of which have established the Bert and Vera Thiess Scholarship.
   Head means the Head of School, School of Civil Engineering
   Relevant Field means any field of engineering of the civil engineering discipline
   Scholarship means the Bert and Vera Thiess Scholarship in Civil Engineering.

3. Award and value of Scholarship
   (1) The Head will determine the number of Scholarships to be awarded each year.
   (2) The value of each Scholarship is $15,000.
4. **Eligibility for award**
   An applicant is eligible for the Scholarship, if the applicant -
   (a) submits an application to the Head, by the closing date for applications;
   (b) is enrolled or intends to enrol full-time in an Approved Program in the year of the award, in a Relevant Field (where applicable);
   (c) is a domestic student in accordance with the University’s Student Fees Policy;
   (d) has not undertaken any prior tertiary study at a Bachelor level or above prior to enrolling in the Approved Program, other than studies in special university programs designed for secondary school students;
   (e) can demonstrate financial disadvantage; and
   (f) does not hold a scholarship that the Head considers to be similar.

5. **Selection of award**
   (1) For the selection process, the Head must establish a selection committee, comprising –

**Allan Tindall Scholarship in Animal Production and Livestock Health**

(Established in 2013 and maintained by gifts from Mr Allan Tindall from Kyogle, New South Wales, a beef cattle producer who is passionate about ensuring the integrity of Australian animal products for export markets. The Scholarship is to support veterinary education by enabling undergraduate students of Veterinary Science to undertake practical educational placements.)

1. **Purpose**
   The purpose of the Scholarship is to financially assist undergraduate veterinary science students to undertake practical educational placements where their skills in livestock health and production, veterinary pathology or veterinary public health and biosecurity will be used and extended.

2. **Definitions**
   In these rules –
   - **Associate Dean** means Associate Dean (Academic), Faculty of Science
   - **Head** means the Head of School, School of Veterinary Science,
   - **Approved Program** means the Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) program.
   - **Scholarship** means the Allan Tindall Scholarship in Animal Production and Livestock Health.

3. **Value and Award of the Scholarship**
   (1) The number of each Scholarship will be determined annually by the Associate Dean on the recommendation of the Head in consultation with the selection committee.
   (2) The minimum annual combined scholarship value will be $10,000 with the value for each scholarship recipient to be determined by the Associate Dean on the recommendation of the Head in consultation with the selection committee.

4. **Eligibility for Award**
An applicant is eligible for the Scholarship if the applicant –
(a) submits an application to the Head, by the closing date for applications; and
(b) is a domestic student in accordance with The University’s Fee Policy; and
(c) is enrolled full-time in the third year of the Approved Program; and
(d) intends to undertake the external practical placement during the fourth or fifth year of the Approved Program.

5. Selection of Award
(1) For the selection process, the Head must establish a selection committee comprising -
(a) the Head, or nominee, as chair of the committee; and
(b) the rural placements program manager from the School of Veterinary Science; and
(c) at least one member of the university’s academic teaching staff who is currently teaching in the Approved Program.
(2) The Scholarship is awarded to the applicant(s) showing greatest merit as demonstrated by -
(a) academic performance in the Approved Program to date in the subject areas of livestock husbandry, production, health and welfare, pathology and infectious diseases, veterinary public health and biosecurity; and
(b) financial need; and
(c) personal qualities; and
(d) a proposal which outlines the way in which the practical placement will improve the student’s skills in rural veterinary services (private or government practice) or related agribusinesses; and
(e) any other evidence which may be deemed relevant to the applicant’s future success in the veterinary profession.
(3) Preference will be given to students who intend to work in a rural location after the completion of the Approved Program.

6. Conditions for the Scholarship
(1) The recipient may hold the Scholarship for 1 year.
(2) Regardless of whether the recipient will be undertaking the external practical placement during their fourth or fifth year of the Approved Program, the Head will approve payment of the Scholarship in full prior to census in semester 1 of the recipients’ fourth year in the approved program subject to:
(a) The recipient receiving confirmation of placement in their fourth year of the approved program;
(b) The recipient having successfully completed all third year assessment in the first attempt; and
(c) The student being enrolled in all mandatory fourth year courses at the time that the Head of School approves the stipend payment.
(a) continuing to be enrolled full-time in the Approved Program; and
(b) achieving a GPA of at least 4 in the first semester in which the recipient holds the Bursary.

(2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Pro-Vice-Chancellor why the Bursary should not be cancelled.

Bethwyn Todd Scholarship for Women in Science
(Established as part of the Create Change Scholarship Match Initiative in 2019 by Bethwyn Todd to advance greater gender diversity in STEM and specifically in science. Bethwyn wishes to encourage an increase female participation in and graduation from, STEM tertiary courses to encourage gender parity in the STEM professions, specifically in science.)

1. Purpose
The purpose of the Scholarship is to provide assistance to female students studying in the Faculty of Science at The University of Queensland, who are experiencing financial hardship.

2. Definitions
In these Rules-
Approved Program means any undergraduate program in STEM administered by the Faculty of Science at The University of Queensland.
Associate Dean means the Associate Dean Academic of the Faculty of Science.
Minimum Completion Time means the minimum period of time it would take to complete the Approved Program based on enrolment in 8 units per semester in semester 1 and semester 2 each year or 16 units per calendar year. Students awarded the Scholarship part way through an Approved Program will hold the Scholarship for the Minimum Completion Time, less the time already enrolled.
Satisfactory Academic Progress means meeting the requirements to remain enrolled under the University’s Academic Progression Procedures.
Scholarship means the Bethwyn Todd Scholarship for Women in Science.
STEM means science, technology, engineering and mathematics.

3. Award and value of scholarship
(1) Up to two Scholarships held in tenure, may be awarded annually on the recommendation of the Associate Dean.
(2) The value of each Scholarship will be determined by the Associate Dean at the commencement of each year.
(3) The value will be no less than $4500, and limited to the annual distribution from the fund.

4. Eligibility for Award
An applicant is eligible for the Scholarship, if the applicant-
(a) submits a completed application to the Faculty of Science by the closing date;
(b) is a domestic student in accordance with the University’s Student Fees Policy;
(c) is enrolled full-time in an Approved Program;
(d) can demonstrate financial need; and
(e) is a female student.

5. Selection of award
(1) For the selection process, the Associate Dean must establish a selection committee, comprising –
(a) the Associate Dean, or nominee, as chair of the committee;
(b) at least one academic staff member who is currently teaching in an Approved Program; and
(c) at least one additional staff member from the Faculty of Science.
(2) The Scholarship is awarded on the basis of the following criteria –
(a) demonstrated financial need;
(b) strength of personal statement included with application;
(c) academic capability as demonstrated by overall academic performance; and
(d) any other evidence that the selection committee deems relevant to the applicant’s future success in their field of study.

6. Conditions for scholarship
(1) The recipient may hold the Scholarship for the Minimum Completion Time of the Approved Program subject to the recipient -
(a) continuing to be enrolled full-time in an Approved Program; and
(b) achieving Satisfactory Academic Progress in each semester that the Scholarship is held.
(2) If a recipient fails to satisfy rule 6(1) the recipient must show cause to the Associate Dean why the Scholarship should not be cancelled.

7. Termination of scholarship
The University may terminate a Scholarship -
(a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(2);

The Roger Trundle Memorial Scholarship
The Roger Trundle Memorial Scholarship was established in 2015 and maintained by an endowed gift from Marjorie Trundle, Jennifer Trundle and Matthew Trundle in memory of the late Roger Trundle [BE Civil 1977].

1 Purpose
The purpose of the Scholarship is to encourage meritorious students who have been educationally disadvantaged as a result of their financial circumstances and/or geographic isolation and/or cultural disadvantage to undertake study in an Engineering program, with a civil engineering major.

2 Definitions
In these rules –

Approved Program means the Bachelor of Engineering (Honours) or an engineering integrated program, or an engineering dual program.

Head means the Head of School, School of Civil Engineering.

Scholarship means the Roger Trundle Memorial Scholarship.

Relevant Field means any field of engineering in the civil engineering discipline.

3 Award and Value of Scholarship
(1) The Senate may award one Scholarship each year on the recommendation of the Head.
(2) The value of the Scholarship is $5,500 for each year for which it is held.
(3) Senate may award the Scholarship to another person in a later year only if an earlier recipient no longer holds the Scholarship.

4 Additional Benefits
The School of Civil Engineering may offer the recipient a summer research internship within the School.

5 Eligibility for Award
An applicant is eligible for the Scholarship, if the applicant –
(a) submits an application to the Head, by the closing date for applications;
(b) is a domestic student within the meaning of the the University’s Student Fees Policy;
(c) is enrolled full-time in the Approved Program in a Relevant Field;
(d) has, completed at the time of application, at least 12 units at The University of Queensland but not more than 27 units towards the Approved Program;
(e) can provide documentary evidence of financial and/or educational disadvantage and/or geographic isolation and/or cultural disadvantage; and
(f) does not hold another scholarship that the Head considers to be similar.

6 Selection of Award
(1) For the selection process the Head must establish a selection committee, comprising -
(a) the Head, or nominee, as chair of the committee;
(b) at least one representative from the Trundle family; and
(c) academic staff teaching in a Relevant Field,
with university staff in the majority.
(2) The Scholarship is awarded to the applicant showing greatest merit as demonstrated by –
(a) academic achievement in courses undertaken in the Approved Program;
(b) educational disadvantage experienced as a result of their financial circumstances and/or geographic isolation and/or cultural disadvantage;
(c) personal qualities, including leadership potential; a
(d) a personal statement, 500 words or less, demonstrating how the Scholarship funds will assist completion of the student’s program; and
(e) any other matter that the selection committee considers to be relevant to the applicant’s future success in the civil engineering profession.
(3) The selection committee may decide to interview short-listed applicants.
(4) Preference will be given to students who have no previous immediate family history of tertiary studies.

7 Conditions for Scholarship
(1) The recipient may hold the Scholarship for up to 2 years, subject to the recipient:
(a) continuing to be enrolled full-time in the Approved Program in the Relevant Field;
(b) achieving a GPA of at least 5 for each semester of study;
(c) passing all courses in which they are enrolled; and
(d) not holding another scholarship that the Head deems similar.
(2) If a recipient fails to satisfy rule 7(1), the recipient must show cause to the Head, why the Scholarship should not be cancelled.
(3) The Scholarship may not be deferred or interrupted.

8 Termination of Scholarship
The University may terminate a Scholarship –
(a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 7(2);
(b) if the recipient defers or interrupts their study;
(c) once maximum duration of the Scholarship has lapsed; or
(d) if the student commits serious misconduct.
T.V. Stubbs-Brown Medical Student Scholarship
(The scholarship was established in 2011 and maintained by the income of a bequest from Ailsa Munro in memory of her late husband, Dr T.V. Stubbs-Brown, an orthopaedic surgeon.)

1. Purpose
The purpose of the scholarship is to memorialise Dr T.V. Stubbs-Brown, much-loved husband of Mrs Ailsa Stubbs-Brown, by encouraging and supporting medical students who demonstrate an interest in surgery and in particular orthopaedic surgery, and who can demonstrate financial need.

2. Definitions
In these Rules –
Dean means the Medical Dean, Faculty of Medicine;
relevant program means the Doctor of Medicine or Bachelor of Medicine/Bachelor of Surgery program or any dual program that includes a Bachelor of Medicine/Bachelor of Surgery component;
rural area means any town or city in Australia that is not a capital city;
scholarship means the T.V. Stubbs-Brown Medical Student Scholarship.

3. Award and value of scholarship
(1) The Senate may award 1 or more scholarships each year on the recommendation of the Dean.
(2) The value of the scholarship for a year is approximately equal to the annual income from the endowment fund for the scholarship.
Note See Senate Rule - Financial Awards, rule ii.

4. Eligibility for award
An applicant is eligible for the scholarship, if the applicant -
(a) submits an application to the Dean, by the closing date for applications; and
(b) is a domestic student in accordance with The University’s Fee Policy; and
(c) is enrolled in the relevant program; and
(d) can provide documentary evidence of financial need.

5. Selection of award
(1) For the selection process, the Dean must establish a selection committee, comprising -
(a) the Dean, or nominee, as chair of the committee; and
(b) one academic staff member who is currently teaching in the discipline of surgery; and
(c) another UQ staff member as determined by the Dean.
(2) The scholarship is awarded to the applicant showing greatest merit, as demonstrated by -
(a) evidence of financial need; and
(b) academic achievement in courses undertaken in the relevant program; and
(c) strength of interest shown in surgery, and in particular orthopaedics; and
(d) personal qualities; and
(e) any other matter that the selection committee considers to be relevant to the applicant’s future success in the profession of medicine.
(3) The selection committee may decide to interview short-listed applicants.
(4) In a year where there are eligible applicants from a rural area, preference for one scholarship will be given to the applicant from a rural area showing greatest merit.

6. Conditions for scholarship
(1) The recipient may hold the scholarship for 1 year, subject to the recipient -
(a) achieving a GPA of at least 5 in semester 1 in the year in which the scholarship is held; and
(b) continuing to be enrolled full-time in the relevant program.
(2) If the recipient fails to satisfy rule 6(1), the recipient must show cause to the Dean why the scholarship should not be cancelled.
(3) The scholarship may be deferred only with approval of the Dean.

University of Queensland and Duchesne College Music Achievement Scholarship
(The scholarship was established in 2009 for the purpose of encouraging meritorious students who are enrolled in studies in music and are residents of Duchesne College. The scholarship is maintained by an annual gift from The University of Queensland in the form of a contribution to the residential fees payable by such a student (or students) and an annual gift from Duchesne College in the form of a reduction in those fees.)

1. Purpose
The purpose of the Scholarship is to encourage and assist meritorious students who are enrolled in studies in music at The University of Queensland and are residents of Duchesne College.

2. Definitions
In these rules -
Approved Program means one of the following programs -

(4) Scholarships are offered either as a UQ Young Achievers Scholarship or as a specific Named Scholarship.

4. Eligibility for award
(1) A student is eligible for the UQ Young Achievers Scholarship, if the student –
(a) has completed the requirements of UQYAP; and
(b) accepts an offer of a place in an Approved Program at UQ in the year following completion of –
(i) Year 12; or
(ii) a tertiary preparation program accepted by UQ, where the tertiary preparation program has been completed in the year immediately after the completion of Year 12; or
(iii) Year 12, and defers this place in accordance with rule 7; and
(c) has not undertaken any post-secondary study after completing the requirements of UQYAP other than a tertiary preparation program accepted by UQ; and
(d) intends to enrol full-time in an Approved Program; and
(e) accepts the Scholarship offer by the nominated date.

(2) To be eligible for a Named Scholarship, the student must also meet any additional eligibility requirements for that scholarship set out in Addendum 1.

5. Selection of award
(1) Named Scholarships will be awarded to students who meet the eligibility criteria set out in rule 4 and show the greatest merit as demonstrated by the criteria listed in Addendum 1 for that Named Scholarship.
A UQ Young Achievers Scholarship will be awarded to all other students who meet the eligibility criteria set out in rule 4.

6. Conditions for scholarship

(1) The recipient may hold the Scholarship for up to 4 years. The Scholarship will be paid in equal semester instalments (or trimester instalments for UQ College students), subject to the recipient –
   (a) continuing to be enrolled full-time in an Approved Program; and
   (b) achieving an Annual Program GPA of 4 or better.

(2) Each recipient of a Named Scholarship must also comply with any additional conditions specified in Addendum 1 for that scholarship.

(3) If the recipient fails to satisfy rule 6(1) or 6(2), the student must show cause to the Show Cause Committee as to why the Scholarship should not be cancelled.

7. Deferral of scholarship

Scholarship recipients may apply to have their Scholarship deferred for up to two years only if approval to defer their offer of a place has been granted. Scholarship recipients who do not take up their tertiary place following an approved deferment shall have their Scholarship offer withdrawn.

8. Interruption of Scholarship

In exceptional circumstances only, Scholarship recipients may apply to interrupt their Scholarship for a maximum cumulative period of one year where there are exceptional circumstances which prevent the student from enrolling.

9. Termination of Scholarship

The University may terminate a Scholarship:
   (a) if the recipient does not meet the Scholarship conditions in section 6(1) or 6(2) (if applicable) of these rules; or
   (b) if the recipient does not commence study in an Approved Program at UQ in the year of offer (or after an approved period of deferment); or
   (c) if the recipient does not resume study at the conclusion of an approved period of interruption or suspension; or
   (d) once the maximum duration of the Scholarship has been consumed; or
   (e) if the student commits serious misconduct; or
   (f) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(3).

The UQ Link Scholarship

1. Definitions

In these rules –

\[ \text{GPA} = \frac{\sum (GP)}{\sum (P)} \]
where \( G \) = the result in a course; and \\
\( P \) = the unit value of that course. \\
If a student is enrolled in a course but gets no result, \( G=0 \).

**scholarship** means the UQ Link Scholarship.

**relevant program** means any bachelor or associate degree program at The University of Queensland.

**QTAC** means Queensland Tertiary Admissions Centre.

### 2. Purpose

The purpose of the scholarship is to provide assistance to students who have experienced educational disadvantage as a result of financial hardship, who are undertaking tertiary studies for the first time.

### 3. Value and duration of the Scholarship

(1) The value of the scholarship will be $3,000 each year for which it is held.

(2) The maximum duration of the scholarship is three years.

### 4. Eligibility for Scholarship

(1) An applicant is eligible for the award of a scholarship in a year, if the applicant—

(a) will be a domestic student in accordance with The University’s Fee Policy;

(b) intends to enrol as a commencing student at The University of Queensland in a relevant program in the year of the award or after an approved deferral of up to two years;

(c) has not completed any prior tertiary study at bachelor level or above; and

(d) has demonstrated significant financial disadvantage through achieving maximum points for the ‘Financial Hardship’ category of QTAC’s Educational Access Scheme prior to commencing studies at The University of Queensland.

### 5. Award of scholarships

The scholarships shall be awarded to commencing students assessed by QTAC as being eligible for UQ Link Program, in accordance with the UQ Link eligibility criteria.

### 6. Payment of Scholarships

(1) In the first year of the scholarship $500 of the total annual value of the scholarship will be paid in the first week of study to help offset start-up costs, with the balance to be paid in two equal instalments after census dates.

(2) In years 2 and 3, the scholarship will be paid in two equal instalments after census date (semester 1 and semester 2).

### 7. Scholarship conditions

(1) The recipient may hold the scholarship for up to three years, subject to the recipient:

(a) continuing to be enrolled as a full-time student in a relevant program; and

(b) achieving an annual GPA of 4 or better.

(2) If the recipient fails to satisfy Rule 7.1, the recipient must show cause why the scholarship should not be cancelled.

(3) Scholarship recipients undertaking exchange studies or study abroad will be eligible for receipt of scholarship payments subject to:

(i) their studies being approved for credit towards their relevant program at UQ;

(ii) maintaining the equivalent of full time enrolment; and

(iii) maintaining an annual GPA of 4.

### 8. Deferral of scholarship

Scholarship recipients may apply to have their scholarship deferred for up to two years only if approval to defer their tertiary place has been granted. Scholarship recipients who do not take up their tertiary place following an approved deferment shall have their scholarship offer withdrawn.

### 9. Interruption of Scholarship

In exceptional circumstances only, scholarship recipients may apply to interrupt their scholarship for a maximum of one year where there are exceptional circumstances which prevent the student from enrolling or enrolling full-time.

### 10. Termination of Scholarships

The University will terminate a UQ Link Scholarship:

(a) if the recipient does not comply with the scholarship conditions in section 7; or

(b) if the recipient does not resume study at the conclusion of an approved period of suspension; or

(c) once maximum duration of the scholarship has lapsed; or

(d) if the student commits serious misconduct.

**UQLA Endowment Fund Scholarship**

(Established in 2019 by the members of the UQLA (University of Queensland Law Alumni Association) under the Create Change Scholarship Match Initiative and maintained by income generated from the endowment fund. The UQLA, as well as providing a series of programmes in which all alumni can participate, also supports a number of programmes to assist disadvantaged students in completing their studies.)
1. Purpose
The purpose of the Scholarship is to encourage and support students from disadvantaged backgrounds to undertake undergraduate studies in law at The University of Queensland and to assist enrolled students who have a financial need.

2. Definitions
In these rules:
- **Approved Program** means the Bachelor of Laws (Honours) or dual degree programs with the Bachelor of Laws (Honours).
- **Dean** means the Dean of UQ Law School.
- **Satisfactory Academic Progress** means meeting the requirements to remain enrolled under the University’s Academic Progression Policy.
- **Scholarship** means the UQLA Endowment Fund Scholarship.

3. Award and value of scholarship
(1) The Dean, in consultation with the Selection Committee, will determine the number and value of Scholarships awarded annually.
(2) The value of each scholarship will be a maximum of $9000, with the total annual value of the scholarships limited to the annual distribution from the fund.

4. Eligibility for award
An applicant is eligible for the Scholarship, if the applicant —
(a) can demonstrate financial need;
(b) submits an application to the Dean, by the closing date for applications;
(c) is enrolled or intends to enrol full-time in an Approved Program; and
(d) is a domestic student in accordance with the University’s Student Fees Policy.

5. Selection of award
(1) For the selection process, the Dean must establish a selection committee, comprising —
(a) the Dean, or nominee, as chair of the committee; and
(b) a minimum of two Academic staff members from the School of Law as nominated by the Dean.
(2) The Scholarship will be awarded on the basis of the following criteria —
(a) evidence of financial need;
(b) leadership, cultural, sporting or community service achievements;
(c) academic achievement; and
(d) not holding another scholarship that the Dean considers to be similar.

6. Conditions for scholarship
(1) The recipient may hold the Scholarship for one year subject to the recipient —
(a) continuing to be enrolled full-time in an Approved Program;
(b) maintaining Satisfactory Academic Progress in each semester that the Scholarship is held; and
(c) not holding another scholarship that the Dean considers to be similar.
(2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Dean why the Scholarship should not be cancelled.
(3) Recipients are eligible to reapply for the Scholarship in future years.

7. Termination of scholarship
The University may terminate a Scholarship —
(a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(2);
(b) once the maximum duration of the Scholarship has lapsed; or
(c) if the recipient commits serious misconduct.

Maria Vasas Scholarship in Equine Science
(Established in 2013 and maintained by philanthropic gifts from the Maria Vasas Foundation, to recognise the life and passions of Maria Vasas. The Scholarship was formalised by Senate in 2014.)

1 Purpose
The purpose of the scholarship is to support students enrolled in the Bachelor of Equine Science (Honours) program or the Bachelor of Applied Science (Honours) program in the field of equine science.

2 Definitions
In these rules:
- **program** means the Bachelor of Equine Science (Honours) program or the Bachelor of Applied Science (Honours) program in the field of Equine Science
field means the equine science major
Head means the Associate Dean (Academic), Faculty of Science
scholarship means the Maria Vasas Scholarship in Equine Science.

3 Award and value of scholarship
(1) The Senate may award one or more scholarships in a year on the recommendation of the Associate Dean (Academic).
(2) The value of the scholarship will be determined each year by the Associate Dean (Academic) in consultation with the selection committee established under subrule 5(1).

4 Eligibility for award
An applicant is eligible for the award of a scholarship in a year if, in that year, the applicant:
(a) Is a domestic student in accordance with The University’s Fee Policy;
(b) Has completed a Bachelor degree in Equine Science, Applied Science (Equine Science) or equivalent with a major in Animal Science;
(c) Has enrolled, or intends to enrol, full-time in the Bachelor of Equine Science (Honours) program or Bachelor of Applied Science (Honours) program in the field of Equine Science at UQ’s Gatton campus;
(d) Does not hold another scholarship that the Associate Dean (Academic) considers to be similar; and
(e) Applies for the scholarship by the closing date for applications.

5 Selection of award
(1) For the selection process, the Associate Dean (Academic) must establish a selection committee, comprising:
(a) The Head, School of Agriculture and Food Science, or nominee, as chair of the committee;
(b) The Director of the Equine Science group, or nominee; and
(c) Another member of the university’s academic staff who is currently teaching in a relevant program;
(2) The committee will rank the eligible applicants consecutively in order of merit, based on, for each applicant:
(a) financial circumstances as evidenced by supporting documentation
(b) academic achievement in their undergraduate program;
(c) an interest in equine science and experience working with horses;
(d) personal qualities, including leadership potential, community service and engagement; and
(e) any other matter that the selection committee considers to be relevant to the applicant’s future professional success.

6 Conditions for scholarship
(1) The scholarship is tenable for one year and is subject to the recipient:
(a) Continuing to be enrolled full-time in the program; and
(b) Maintaining satisfactory academic progress.
(2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Associate Dean (Academic) why the scholarship should not be cancelled.

Salvatore Vitale Scholarship
(The scholarship was established in 2009 and is to be maintained by the income from a bequest from the late Salvatore Vitale.)

The rules for the scholarship are as follows.

1. Definitions
In these rules—
north Queensland means—
(a) the city of Townsville, Queensland; or
(b) any town or city that lies north of Townsville and is within the state of Queensland.
scholarship means a Salvatore Vitale Scholarship.

2. Purpose
The purpose of the scholarship is to assist meritorious students who completed year 12 at a secondary school in north Queensland and who can demonstrate that they provided service to their local community while attending senior secondary school, to undertake an undergraduate program at the university.

3. Value of scholarship
The value of the scholarship for a year is approximately equal to the annual income from the scholarship fund.
Note See Senate Rule – Financial Awards, rule ii.

4. Award of scholarship
(1) The Senate may award 1 scholarship in a year, on the recommendation of the Academic Registrar.
(2) However, if the Senate awards a scholarship to a person (the earlier recipient) in a year, the Senate may award the scholarship to another person in a later year only if the earlier recipient no longer holds the scholarship.

5. Eligibility for award
An applicant is eligible for the award of a scholarship in a year, if—
(a) in the year immediately before, the applicant completed year 12 at a secondary school in north Queensland; and
(b) the applicant submits an application for the scholarship to the Academic Registrar, by the closing date for applications; and
(c) the applicant is enrolled full-time in first year courses for an undergraduate program; and
(d) the applicant can demonstrate that they provided service to their local community while attending senior secondary school.
6. **Selection process**
   (1) The Academic Registrar must rank the eligible applicants consecutively in order of merit, based on, for each applicant—
   (a) the standard of the applicant’s academic achievement in secondary school; and
   (b) the service that the applicant has given to their local community during senior secondary school; and
   (c) any other matter that the Academic Registrar considers to be relevant to the applicant’s future professional success.
   (2) If the selection committee is satisfied that at least 1 eligible applicant is of sufficient merit to warrant the award of the scholarship, the Academic Registrar must recommend that the scholarship be awarded to the applicant with the highest ranking.

7. **Conditions for scholarship**
   (1) The recipient of a scholarship holds the scholarship for the minimum completion time, subject to the recipient, during that time—
   (a) continuing to be enrolled full-time in an undergraduate program; and
   (b) passing all courses in each semester of study that the recipient undertakes.
   (2) A recipient who fails to satisfy subrule (1) must show cause why the scholarship should not be cancelled, by the date by which the Academic Registrar requests the recipient to do so.
   (3) In this rule—
   **minimum completion time**, means the minimum period of time it would take a student to complete the remainder of the program in which the recipient is enrolled when the recipient is awarded the scholarship.

Maude Walker Scholarship
(Established in 1973 by a bequest of $4,500 from the estate of the late Miss Maude Walker.)

1. The scholarship will be awarded for the purposes of postgraduate research in electrical engineering.
2. The scholarship is awarded annually by Senate on the recommendation of the Head, School of Information Technology and Electrical Engineering.
3. The scholarship is awarded to the candidate who –
   (a) (i) has completed the Bachelor of Engineering (electrical engineering) or equivalent as determined by the Head; or
   (ii) has completed a Bachelor of Engineering or equivalent in a major closely allied with electrical engineering; and
   (b) is enrolled in the first year of full-time postgraduate studies in electrical engineering (in ASCED codes starting with 0313, 0201; or ASCED 039903); and
   (c) is considered most appropriate to pursue the postgraduate studies.
4. The value of the scholarship is $1,200 for one year.
5. If the scholarship is not awarded in any year, two scholarships may be awarded in the succeeding year.

The A.B. Walkom Scholarship
(Established in 1968 by a gift of $5,000 from A. B. Walkom, DSc Syd., Lecturer in Geology at The University of Queensland from 1913 to 1919, during which time he commenced to build up the University’s palaeontological collections, developed the teaching in historical geology, and carried out and published in the results of important research on the Mesozoic plant fossils of Queensland.)

1. The scholarship is awarded annually by Senate on the recommendation of the Associate Dean (Academic), Faculty of Science on advice from the Head, School of Earth and Environmental Sciences.
2. The scholarship is awarded to a student who –
   a) has qualified for the Bachelor of Science in the field of earth sciences or geology; and
   b) is proceeding towards an honours degree with palaeontology as their major research topic; and
   c) in the opinion of the Head, is best suited to pursuing that honours program.
3. If there is no suitable candidate, the scholarship may be awarded to a student proposing to undertake honours with stratigraphy as his or her major research topic.
   The value of the scholarship will not be less than $4,500 but will be limited to the annual income from the Fund.

Waters Family Scholarship
(Established in 2019 under the Create Change Scholarship Match Initiative and maintained by the Waters Family Scholarship Endowment fund.)

1. **Purpose**
   The purpose of the Scholarship is to encourage and support undergraduate students of the Faculty of Business, Economics and Law who are experiencing financial disadvantage.

**Executive Dean** means the Executive Dean of the Faculty of Business, Economics and Law.
**Normal Minimum Duration** means the minimum period of time it would take a student enrolled in a standard full-time load of 8 units per semester to complete the Approved Program.
**Satisfactory Academic Process** means meeting the requirements to remain enrolled under the University’s Academic Progression Policy.
**Scholarship** means the Waters Family Scholarship.

3. Award and value of scholarship
(1) Senate may award one Scholarship in a year on recommendation of the Executive Dean.
(2) The value of the Scholarship will be at least $4,500 for each year that it is held, but will be limited to the annual income from the fund.
(3) Senate may award the Scholarship to another person in a later year only if the earlier recipient no longer holds the Scholarship.

4. Eligibility for award
An applicant is eligible for the Scholarship, if the applicant -
(a) submits an application to the Executive Dean by the closing date;
(b) intends to enrol full-time as a commencing student at The University of Queensland in an Approved Program in the year of award;
(c) will be a domestic student in accordance with the University's Student Fees Policy in the year of award;
(d) has not completed any prior tertiary study at bachelor level or higher, other than studies in special university programs designed for secondary school students; and
(e) can demonstrate financial disadvantage.

5. Selection of award
(1) For the selection process, the Executive Dean must establish a selection committee, comprising -
   (a) the Executive Dean, or nominee, as chair of the committee;
   (b) a representative of the Business School;
   (c) a representative of the Law School;
   (d) a representative of the Economics School; and
   (e) a representative of the donor, with University staff comprising the majority

(2) The Scholarship will be awarded on the basis of the following criteria -
   (a) demonstrated financial need;
   (b) personal qualities, including leadership potential; and
   (c) any other evidence which may be deemed relevant to the applicant’s future success in their field of study.

(3) The selection committee may decide to interview short-listed applicants.

6. Conditions for scholarship
(1) The recipient may hold the Scholarship for the Normal Minimum Duration of the Approved Program subject to the recipient -
   (a) continuing to be enrolled full-time in an Approved Program;
   (b) maintaining Satisfactory Academic Progress in each semester that the Scholarship is held; and
   (c) not holding another scholarship that the Executive Dean considers to be similar.

(2) If a recipient fails to satisfy rule 6(1) the recipient must show cause to the Executive Dean why the Scholarship should not be cancelled.

7. Termination of scholarship
The University may terminate a Scholarship -
(a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(2);
(b) if the recipient defers or interrupts their study without approval;
(c) once the maximum duration of the Scholarship has lapsed; or
(d) if the recipient commits serious misconduct.

**George Watson Fellowship**
(Established in 1978 by a gift of $5,000 from Mrs M.L. Watson in honour of her son George Watson.)

1. The object of the fellowship is to promote visits to The University of Queensland by scholars in any of the fields of study taught by the School of Communication and Arts in order that staff and senior students of the University may benefit from their special knowledge and experience.
2. The income from the George Watson Fellowship fund shall be used, normally 2 years after the establishment of the fund and at intervals of approximately 2 years thereafter, to provide for any or all of the fares, maintenance, and lecture fees of a George Watson Fellow.

3. After the fund has been in operation for no less than 8 years, part of the capital may be added to the income in order to provide for the support of fellows, but this provision shall not be used in such a way as to exhaust the fund before 31 December 1998.

4. The fellows shall be appointed by the Senate on the recommendation of the Head of the School of Communication and Arts. They shall be appointed at such time and on such conditions as to period of tenure and emolument and otherwise as the Senate on the recommendation of the Head deems appropriate in the case of each appointment.

5. Income which in any year is available for a fellow but is not expended shall be available for the purpose of a later award except in so far as the Senate directs that accumulated income, or part of it, be added to the fund.

Webb-Jenkins Veterinary Travel Scholarship In The School Of Veterinary Science

(Established in 2012 and maintained by gifts from Ms Hilary Huey, who graduated from The University of Queensland with a Diploma in Physical Education in 1970. The Scholarship is to support veterinary education by enabling undergraduate students of Veterinary Science to undertake practical educational placements in rural communities.)

1. Purpose
The purpose of this Scholarship is to provide undergraduate veterinary science students with funding to undertake practical educational placements in rural communities (both domestic and international) in their practical training rotations within the Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) program, in order to gain experience and confidence in working with livestock and large farm animals.

2. Definitions
In these rules –
Approved Program means the Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) program.
Associate Dean means the Associate Dean (Academic), Faculty of Science.
Head means the Head of School, School of Veterinary Sciences.
Scholarship means the Webb-Jenkins Veterinary Travel Scholarship in the School of Veterinary Science.

3. Value and Award of the Scholarship
(1) Up to two scholarships may be awarded each year on the recommendation of the Associate Dean, in consultation with the selection committee.
(2) The minimum value of an individual award will be $1,000, but the total award value will not exceed $2,000 in a calendar year.

4. Eligibility for Award
An applicant is eligible for the Scholarship if the applicant –
(a) submits an application to the Head, by the closing date for applications; and
(b) is a domestic student in accordance with The University’s Fee Policy; and
(c) has been approved to undertake the practical placement component of their program in a rural community.

5. Selection of Award
(1) For the selection process, the Head must establish a selection committee comprising -
(a) the Head, or nominee, as chair of the committee; and
(b) the rural placements program manager from the School of Veterinary Science; and
(c) at least one member of the university’s academic teaching staff who is currently teaching in the Approved Program.
(2) The Scholarship is awarded to the applicant showing greatest merit as demonstrated by -
(a) academic achievement in courses undertaken in the program to date; and
(b) financial hardship; and
(c) personal qualities; and
(d) any other evidence which may be deemed relevant to the applicant’s future success in the veterinary profession.
(3) Preference will be given to students who intend to work in a rural location after the completion of the Approved Program.

6. Conditions for the Scholarship
(1) The recipient may hold the Scholarship for 1 year, subject to the recipient continuing to be enrolled full-time in the Approved Program.
(2) If a recipient fails to satisfy rules 6(1), the recipient must show cause to the Associate Dean, why the Scholarship should not be cancelled.

The Western Australia Alumni Regional Scholarship for Engineering
(The Western Australia Alumni Regional Scholarship for Engineering was established in 2018 and is maintained by an annual gift from Western Australia Alumni Founders.)

1 Purpose
The purpose of the Scholarship is to encourage and support deserving commencing Engineering students from Remote
Regional Area in Australia who may have experienced financial disadvantage and would otherwise be unable to attend The University of Queensland.

2 Definitions
In these rules-
- **Associate Dean** means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology.
- **Approved Program** means the Bachelor of Engineering (Honours) program or dual program that includes the Bachelor of Engineering (Honours) program or the integrated Bachelor of Engineering (Honours) / Master of Engineering.
- **Founders** means five UQ alumni who established the Western Australia Alumni Regional Scholarship.
- **Remote Regional Area** means an area deemed regional as defined in the ASGC Remoteness Areas classification as described in the Australian Institute of Health and Welfare 2004 publication, ‘Rural, Regional and Remote Health: A Guide to Remoteness Classifications’ within Australia.
- **Scholarship** means the Western Australia Alumni Regional Scholarship for Engineering.

3 Award and value of scholarship
(1) The Associate Dean will determine the number of Scholarships to be awarded each year.
(2) The value of each Scholarship is $5,000 for each year for which it is held.

4 Eligibility for award

Alfred and Olivea Wynne Memorial Scholarships
(Established in 1972 by a bequest to the University of approximately $200,000 under the wills of Alfred Percy and Olivea Wynne of Maryborough.)

1. Such number of Scholarships as the Senate shall each year determine may be awarded to students of the University who, in the opinion of the Senate, are residents of an area comprising the city of Maryborough and that part of the State of Queensland outside the city of Maryborough within a radius of 65 kilometres from the post office for the time being at Maryborough, such distance being measured in a straight line or have appropriate family connections with that area.

2. (1) The award shall be made by the Senate on the recommendation of the Academic Board, which may recommend to the Senate —
   (a) the number of Scholarships to be awarded in any year;
   (b) the individual students to whom each Scholarship shall be offered;
   (c) the stipend of the Scholarship in respect of each individual Scholarship holder;
   (d) any other conditions, not inconsistent with the terms of the wills of the late Alfred Percy Wynne and Olivea Jean Wynne, which the Academic Board considers necessary or desirable to be imposed in respect of any individual Scholarship.

   (2) The Scholarships available each year shall be offered in the following order of preference —
   (a) to full-time undergraduate students;
   (b) to part-time internal undergraduate students;
   (c) to postgraduate internal students.

   (3) As far as possible, awards shall be made in equal numbers to male and female applicants.

3. In making its recommendations the Academic Board shall take into account —
   (a) the financial means of the applicants and of the parent or other person or persons responsible for or undertaking the maintenance, support, and education of the applicant;
   (b) any other Scholarship, Bursary, award, or benefit, whether governmental or otherwise, to which the applicant is entitled during attendance at the University;
   (c) subject to paragraphs (a) and (b) hereof, the academic record of the applicant, and such matters as the Academic Board deems relevant.

4. Scholarships shall be for one year in the first instance, but shall be subject to annual review by the Academic Board which may recommend to the Senate that the Scholarship be withdrawn or that the amount of the stipend thereof be increased or reduced or that any condition thereof be varied, if, in the opinion of the Board —
   (a) the scholar has not made satisfactory progress in the program; or
   (b) there has been a material change in the financial circumstances of the scholar or of the parent or other person or persons responsible for or undertaking the scholar’s maintenance or support; or
   (c) the scholar has obtained another scholarship, bursary, award, or benefit which would have been a material matter to be taken into account at the time of the original award.

5 Selection of award
(1) For the selection process, the Dean must establish a selection committee, comprising-
(a) the Dean, or nominee, as chair of the committee; and
(b) a representative of The Yuen Family; and
(c) at least one other UQ Faculty of Medicine staff member, with UQ staff comprising the majority.
(2) The Scholarship is awarded to the applicant showing greatest merit, as demonstrated by-
(a) academic achievement in courses undertaken in the Approved Program; and
(b) personal qualities including leadership potential; and
(c) strength of interest that the applicant demonstrates in undertaking training in medical leadership; and
(d) any other matter that the selection committee considers to be relevant to the applicant’s future success in the profession of medicine.
(3) The selection committee may decide to interview short-listed applicants.
(4) Preference will be given to applicants from rural areas.

6 Conditions for scholarship
(1) The recipient may hold the Scholarship for the duration of the Medical Leadership Program, subject to the recipient -
(a) achieving a GPA of at least 5 in the Approved Program in each semester of study; and
(b) continuing to be enrolled full-time in an Approved Program, unless the student has completed the Approved Program prior to completing the Medical Leadership Program; and
(c) completing the Medical Leadership Program within three years.
(2) If the recipient fails to satisfy rule 6(1), the recipient must show cause to the Dean why the Scholarship should not be cancelled.
(3) The Scholarship may not be deferred.

7 Termination of scholarship
The University will terminate a Scholarship:
(a) if the recipient does not comply with the Scholarship conditions in section 6; or
(b) once maximum duration of the Scholarship has lapsed; or
(c) if the recipient defers, interrupts or suspends their study; or
(d) if the student commits serious misconduct.

Senate Rule — University Medal

University Medal Rules
1. Authority of Senate to award University Medals
   The Senate may award University Medals in recognition of outstanding academic merit in programs leading to the award of bachelor’s degrees with first class honours.
2. Recommendations for the award of University Medals
   Recommendations for the award of University Medals will be made in the first instance by the relevant Executive Dean to the Academic Board*, which will be responsible for maintaining, as far as possible, a uniformity of standards in relation to the recommendations. The Academic Board may —
(a) endorse a recommendation and transmit it to Senate* with or without comment;
(b) decline to transmit to Senate a recommendation; or
(c) provide advice to the Executive Dean on the recommendations.

3. Eligibility for University Medal

To be eligible for nomination for a University Medal, a student must have —
(a) qualified for the bachelor’s degree (which may be a subsequent degree) with first class honours; and
(b) achieved a quality of performance throughout the program above and beyond that required for the award of first class honours.

4. Criteria for determination of academic merit

Criteria for assessing students’ quality of performance may be determined by Senate on the recommendation of the Academic Board being factors pertinent to the assessment of academic excellence, for example: results achieved in courses comprising the program of study; the quality of any honours thesis; and the length of time taken to complete the program.

* Authority vested in the Academic Board and the Senate under these Rules has been delegated to the Committee for Academic Programs Policy and the Vice-Chancellor respectively.
