Barry Murphy Scholarships in Nuclear Energy

(The scholarship was established in 2015 by an annual gift from UQ alumnus Barry Murphy)

1. Purpose
The purpose of the Scholarship is to encourage and support meritorious engineering students to undertake a semester of international exchange to further their interests and studies in nuclear engineering.

2. Definitions
In these rules-
- **Approved Program** includes the Bachelor of Engineering or Bachelor of Engineering (Honours), or an engineering integrated program, or an engineering dual program.
- **Approved Overseas Exchange** means an overseas exchange program approved by UQ Abroad, at The University of Queensland.
- **Approved Overseas Placement** means an approved placement undertaken as part of the integrated Bachelor of Engineering / Masters of Engineering or Bachelor of Engineering (Honours) / Master of Engineering.
- **Associate Dean** means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology.
- **Relevant Field** means any chemical engineering, civil engineering, electrical engineering, mechanical engineering or mining engineering discipline.
- **Scholarship** means the Barry Murphy Scholarships in Nuclear Energy.

3. Award and value of scholarship
(1) A number of Scholarships may be awarded each year, on the recommendation of the Associate Dean.
(2) The value of the Scholarship is $12,500.

4. Eligibility for award
An applicant is eligible for the Scholarship, if the applicant -
(a) submits an application to the Associate Dean by the closing date for applications; and
(b) is a domestic student in accordance with The University’s Fee Policy; and
(c) is enrolled in an Approved Program in a Relevant Field; and
(d) has completed at least 16 units towards the Approved Program; and
(e) has approval from the university to undertake an Approved Overseas Exchange or Approved Overseas Placement for 1 semester of study; and
(f) achieved a cumulative GPA of at least 5.5 for courses undertaken in an Approved Program; and
(g) intends to undertake their exchange at an institution that offers nuclear engineering, focusing their exchange study on nuclear engineering.

5. Selection of award
(1) For the selection process, the Associate Dean must establish a selection committee, comprising -
(a) the Associate Dean, or nominee, as chair of the committee; and
(b) Barry Murphy or nominee; and
(c) at least one member of the University’s academic staff who is currently teaching in a Relevant Field.
(2) The Scholarship is awarded to the applicant showing greatest merit as demonstrated by-
(a) academic achievement in courses undertaken in an Approved Program; and
(b) strength of the proposed overseas study program with a focus on nuclear engineering; and
(c) personal qualities, including leadership potential; and
(d) any other matter that the selection committee considers to be relevant to the applicant’s future success in the engineering profession.
(3) A preference may be given to students in any field associated with the chemical engineering discipline.

6. Conditions for scholarship
(1) The recipients may hold the Scholarship for one semester subject to the recipient being enrolled full-time in an Approved Program in a Relevant Field.
(2) Payment will be made in two equal instalments.
(a) the first payment will be made when the recipient has provided evidence of airline receipt and is enrolled in exchange codes in SI-net (for a recipient completing an Approved Overseas Exchange) or can provide evidence of acceptance for their Approved Overseas Placement from their host university (for a recipient completing an Approved Overseas Placement); and
(b) the second payment will be made after census date in the semester that the student is undertaking their Approved Overseas Exchange or Approved Overseas Placement.
(3) If a recipient fails to satisfy rule 6(1), the student must show cause to the Associate Dean why the Scholarship should not be cancelled.
(4) Upon the student’s return from the Approved Overseas Exchange or Approved Overseas Placement, the student must submit to the Associate Dean a report of no more than 1,000 words on their study experience, and be available for other reasonable publicity opportunities relating to the Scholarship. The report may be reproduced in school or faculty publications.

7. Termination of scholarship
The University may terminate a Scholarship:
(a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(3); or
(b) if the recipient defers or interrupts their study; or
(c) if the student commits serious misconduct.
