Ralph Doherty Prize for Outstanding Achievement in Contribution to Community

(This prize was established in 2017 in memory of Prof Ralph Doherty and is intended to honour his significant contribution to medical research, the broader community, and his invaluable support of UQ medical students. The prize is funded by an endowed gift from Dr Alan Van Tran and Mrs Minh Ha Tran.)

(a) Recommending authority

Medical Dean, Faculty of Medicine after consultation with a member of academic staff teaching in any field of the MD.

(b) Eligibility

4th year MD students.

(c) Basis for award

Most meritorious application based on –
(i) demonstrated significant all-round contribution to the community such as social projects or voluntary community work; and
(ii) demonstrated achievement in academic research contribution; and
(iii) personal qualities, including leadership potential.

(d) Nature of prize

$1000.

(e) Other provisions

The prize may be awarded to a group of students and the award money split equally.
