

## UQ Future Scientist Scholarship

(Established in 2017 by the Faculty of Science Executive Dean to provide greater access to Faculty of Science students interested in studying Science at UQ. Funded by donations which are matched by the Faculty of Science)

### 1. Purpose

The purpose of the scholarship is to provide assistance to UQ students who have experienced financial hardship to study science at The University of Queensland.

### 2. Definitions

In these Rules-

**Executive Dean** means the Executive Dean, Faculty of Science.

**Approved program** means any undergraduate program administered by the Faculty of Science.

**Scholarship** means the UQ Future Scientist Scholarship.

**Satisfactory Academic Progress** means maintaining a current cumulative GPA of 4.0.

### 3. Award and value of scholarship

The number and amount of each scholarship will be determined by the Executive Dean depending on the amount in the fund.

### 4. Eligibility for Award

An applicant is eligible for the scholarship, if the applicant-

- i. Submits a completed application to the Executive Dean, by the closing date for applications; and
- ii. Is a domestic student
- iii. Is enrolled full-time in an approved program

### 5. Selection of award

The scholarship is awarded to the applicant showing greatest need / merit as demonstrated by –

- i. Demonstrated financial need and gross household income reported to the Australian Tax Office (ATO) for the previous financial year; and
- ii. A written personal statement demonstrating personal hardship.
- iii. Not in current receipt of another scholarship that the Executive Dean considers similar.
- iv. Any other matter that the Executive Dean considers relevant for selection such as increasing diversity of the student cohort or academic merit in the approved program.
