(d) mechanical engineering; and
(e) mechanical and aerospace engineering; and
(f) mechanical and materials engineering; and
(g) mechatronic engineering; and
(h) software engineering
Scholarship means the Boeing Aerospace Engineering Scholarship.

3 Value and award of scholarship
(1) The value of the scholarship is $6,000 for one year.
(2) The Faculty may offer up to 2 scholarships each year on the recommendation of the Associate Dean.

4 Additional benefits
Boeing Australia may offer the recipient a scholarship any of the following opportunities –
(a) an ambassadorial role;
(b) an industry or research placement at any Boeing Australia site for any period during the period in which the recipient holds the scholarship, determined by Boeing Australia in consultation with the recipient.

5 Eligibility for award
An applicant is eligible for the scholarship, if the applicant-
(a) submits an application to the Associate Dean, by the closing date for applications; and
(b) is an Australian Citizen; and
(c) is enrolled full time in an Approved Program in a Relevant Field; and
(d) has completed at least 12 Units at The University of Queensland, but not more than 27 units towards an Approved Program; and
(d) does not hold a scholarship that the Associate Dean considers to be similar.

6 Selection of award
(1) For the selection process, the Associate Dean must establish a selection committee comprising-
(a) the Associate Dean, or nominee, as chair of the committee; and
(b) academic staff members who are currently teaching in a relevant field.
(2) The scholarship is awarded to the applicant showing greatest merit as demonstrated by -
(a) academic achievement in courses undertaken to date in the approved undergraduate engineering program in the relevant field; and
(b) strength of interest that the applicant demonstrates in pursuing a career in a field of engineering relevant to Boeing Australia; and
(c) personal qualities, including leadership potential; and
(d) any other matter that the selection committee considers to be relevant to the applicant's future success in the engineering profession; and
(e) where all other considerations are equal, preference will be given to female or Indigenous Australians.
7  **Conditions for scholarship**  
(1) The recipient may hold the scholarship for 1 year, subject to the recipient –  
   (a) continuing to be enrolled full-time in an approved undergraduate engineering program in the relevant  
       field; and  
   (b) passing all courses in which they are enrolled; and  
   (c) achieving a minimum GPA of at least 5 in the first semester of study in which the Scholarship will be  
       held; and  
   (d) conducting themselves in a professional manner in any interactions with or on behalf of Boeing Australia  
       and its employees or representatives.  
(2) If a recipient fails to satisfy rule 7(1), the recipient must show cause to the Associate Dean, why the  
    scholarship should not be cancelled.  

8.  **Termination of scholarship**  
   The University will terminate a Scholarship:  
   (a) if the recipient does not show cause to the reasonable satisfaction of the Associate Dean as provided for in  
       rule 7(2); or  
   (b) once the maximum duration of the Scholarship has lapsed; or  
   (c) if the recipient defers, interrupts or suspends their study; or (d) if the student commits serious misconduct.
