

### THE KENNETH A. THIESS PRIZE

(Established in 1963 by a gift of \$10 000 from Mr B. J. Thiess as a memorial to his son Kenneth A. Thiess, a young Civil Engineering graduate of this University, who was accidentally killed while carrying out the duties of an engineer with the Snowy Mountains Hydro-Electric Authority.)

- (a) Head, School of Civil Engineering, on advice of a selection committee established and chaired by the Head, and consisting of 3 staff members from the discipline and a representative of the Civil Engineering Students' Association who is a recent civil engineering graduate and who has held office on the executive of that association. The Head may directly nominate students or may call for expressions of interest.
- (b) Any student who -
  - (i) is enrolled in the Bachelor of Engineering or Bachelor of Engineering (Hons) program, or a dual program that includes a Bachelor of Engineering component, in any field of engineering in the discipline of civil engineering; and
  - (ii) is expected to graduate at the end of the semester in which the prize is awarded, or the semester immediately following.
- (c) Most meritorious student based on -
  - (i) performance in the examinations of the program; and
  - (ii) participation in student activities as demonstrated by a cover letter and resume and verified by the Head's selection committee.
- (d) Money
