School of Chemistry & Molecular Biosciences
UQ Rowe Scientific Honours or Research Higher Degree
Chemistry Student Bursary

2021 Guidelines & Application

About the Award
Established in 2016 and maintained by an annual donation of $2,000 from Rowe Scientific Pty Ltd, the purpose of the scholarship is to encourage domestic students to undertake a research degree at UQ who would not otherwise do so. The value of the scholarship will be $2,000. The scholarship may be held for the length of the program.

Eligibility
The applicant must —
(a) be an Australian citizen, New Zealand citizen or Australian permanent resident;
(b) be a student enrolled for an honours or research higher degree in chemistry;
(c) fall into one of three categories:
   i. have a rural background (the selection panel may be guided by the Health Workforce Locator classifications e.g. Modified Monash Model);
   ii. have some form of socio-economic disadvantage (the selection panel may be guided by the definition of financial hardship in the QTAC Educational Assessment Scheme);
   iii. undertaking study at UQ would represent a significant change in location (i.e. they do not reside in or around Brisbane, or have not undertaken their undergraduate studies at UQ.)

Selection Process
Selection of the recipient will be made by the Head, School of Chemistry and Molecular Biosciences.

Program Details

- [ ] BSc(Hons) in Chemistry
- [ ] MPhil in Chemistry
- [ ] PhD in Chemistry

Proposed Commencement

- [ ] First Semester
- [ ] Second Semester
- [ ] Other (enter date)

Attachments

- [ ] My curriculum vitae is attached
- [ ] A certified true copy of my academic transcript/s is attached

Updated October 2020
Statement of rural and/or regional domicile and/or low socio-economic circumstances (where applicable) and/or how UQ represents a significant change in location – maximum half page statement:

The bursary will assist me in undertaking the program at UQ in the following ways...

Signature and Date

Closing Date: Friday 11 June 2021

Lodge your scanned application by email at enquiries@scmb.uq.edu.au or in person at the enquiries counter, Level 3, Chemistry Building (68), St Lucia campus, or by mail to School of Chemistry & Molecular Biosciences, The University of Queensland, 4072.

* Shortlisted applicants may be required to provide evidence of rural and/or regional domicile and/or low socio-economic status. Examples of supporting documentation include: current Centrelink statements (e.g. Youth Allowance, ABSTUDY); and/or ATO assessments for yourself, your parents or partner; and/or any other documents relevant to your financial situation.
