Prize Rules

1. **Award**
The Prizes set out in the Schedule shall be awarded by Senate.

2. **Paragraph (a) — Recommending authority**
Paragraph (a) of the rules relating to a prize indicates the authority which recommends to Senate the award of the prize.

3. **Paragraph (b) — Eligibility**
Paragraph (b) indicates who may be considered for the prize.

4. **Paragraph (c) — Basis for award**
Paragraph (c) indicates the basis for award of the prize. The Prize is awarded to the person who, in the opinion of the recommending authority, fulfils the requirements set out in that paragraph.

5. **Paragraph (d) — Nature of prize**
   (1) Paragraph (d) indicates the nature of the prize.
   (2) If the nature of a prize is not stated as a fixed sum of money the value of the prize will be approximately equal to the annual income from the fund which supports it.
   (3) If the nature of a prize is stated as money or a fixed sum of money, the Vice-Chancellor may direct that in lieu of money, books, instruments or other equipment necessary to the student’s program be awarded to a value approximately equal to the value of the prize.
   (4) If the nature of a prize is stated as something other than money or a fixed sum of money, the prize shall be selected by the prize winner.
   (5) If a fund supports 2 or more prizes the value of each prize will be an approximately equal share of the income of the fund.

6. **Paragraph (e)**
Paragraph (e) indicates any other relevant provisions.

7. **Equal merit**
If, in the opinion of the recommending authority, there are 2 or more candidates of substantially equal merit, a prize may be shared equally among them.

8. **No candidate of sufficient merit**
Each prize shall be awarded annually except in a year in which the recommending authority determines that there is no candidate of sufficient merit to justify its award.

9. **Complete requirements within year**
A person shall not be eligible for a prize unless that person has obtained the qualification on which award of the prize is based within —
   (a) the year;
   (b) if the qualification relates to 2 or more years, the minimum number of years reasonably required to obtain the qualification; immediately preceding the making of the award.

10. **Conditional award**
   (1) If a prize is awarded subject to the later performance of some condition by the person to whom it is awarded and the rules relating to the award do not require applications to be lodged, the faculty board or other recommending authority may prepare a list of persons qualified in order of merit and recommend to Senate that the award be made to the person highest on the list who gives an undertaking to perform the condition.
   (2) If Senate approves the recommendation, the award shall be deemed to be made to that person.
   (3) If before the time arrives for performing the condition that person intimates an intention not to perform the condition, the award shall be deemed to have been made to the person next highest on the list who gives the undertaking.

11. **Lapse**
Unless the Vice-Chancellor in special circumstances otherwise determines, a prize shall lapse if it is not claimed by the awardee within 12 months of its award.

12. **Contrary intent**
These general rules are subject to a contrary intention shown in the rules relating to a prize.

13. **Dictionary**
   “advanced course” means a course at level 2 or higher.
   “late year course” means a course at level 3 or higher.

14. **Transitional**
Where the award of a prize is based on work undertaken in 2000, the award must be determined by applying the rules in force on 31 December 2000.

Schedule
Australian Society for Parasitology Prize

Agilent Technologies Prize for Pharmacy

Agnew Prize in Occupational Therapy

ALS Limited Prizes

ALS Prize in Geology

Allens Prize for Overall Excellence

Allens Prize in Company Law

Joan Allsop Prize

Ossie Andersen Prize in Mining Engineering

Ross Anderson Memorial Prize

Anthropology Honours Prize

Ashurst Prize in Labour Law

Association of Taxation and Management Accountants Prizes

CPA Australia Prize in Accounting

Australian and New Zealand College of Anaesthetists Prize

Australian and New Zealand Society of Paediatric Dentistry (Queensland Branch) Prize

Australian Association of Special Education (Brisbane Branch) Award

Australian Computer Society Prize

Australian Dental Association Prize

Australian Dental and Oral Health Therapists' Association Queensland Branch Oral Health Prize

Australian Finance Conference Prize in Economics

Australian Institute of Physics Prize

Australian Medical Association Memorial Prize

Australian Property Institute (Queensland Division) Prize

Australian Society for Parasitology Prize

Australian Society of Animal Production Prize in Animal Production

Australian Society of Animal Production Prize in Animal Science

Australian Society of Endodontontology Prize

Australian Society of Orthodontists (Qld Branch) Mary Moffatt Memorial Prize

Australian Society of Periodontology Prize

Australian Taxation Reporter Prize

Bagster Memorial Prize

Richard Baldauf Prize in Education

Sir Charles Barton Prize

Carlisle C. Bastian Prize

Biari Prize for Women in Operations Research

Bing and Ross Barnard Biotechnology Prize

Biochemistry Alumni Prizes

Biological Sciences Evolution Prize

Biological Sciences Genetics Prize

School of Biological Sciences Honours Prize

John Black Prize

Alan Blackshaw Prize

Blue Mountains Prize for Archaeology

Blue Mountains Honours Prize in Archaeology

Board of Architects Prize

G.M. Bonnin Memorial Prizes

John Bostock Prize in Psychiatry

Gregory Bounds Memorial Prize in Competition Policy and Regulation

Ellen Julia Bourke Prize in History

Andrea Bowler Memorial Prize for Family Law

Arthur Boyd Prize

AusSafe Consulting Prizes in Occupational Health & Safety

John Braithwaite Prize in Criminology

Hugh Brandon Prize

Percy Brier Memorial Prize

Brisbane School of Arts Prizes

Emery Brodie Award

Dr Magdalene Brodie Memorial Prize

Ben Brown Encouragement Award for Agricultural Science

Ben Brown Memorial Medal for Agricultural Science

Thomas Brown and Sons Ltd Prize

Ronald Brownlie Memorial Prize

W.H. Bryan Memorial Prize

R.J. Bulley 1960 Prize

Margaret Bullock Prize

R.H.G. Burns Memorial Prize

Mary I. Cavanagh Rural Placement Prize in Occupational Therapy
C. K. Chin Memorial Prize

Cleary Memorial Prize

Colgate Oral Care Prize for Oral Health Clinical Practice

Davies Collinson Cave Biotechnology Prize

Conrad Gargett Architectural Design Prize

Conrad Gargett Public Architecture Prize

Lilian Cooper Prize

Corrs Chambers Westgarth Prizes

Margaret Cribb Memorial Prize

David Leeder Davies Prize in Trade Practices Law

Maria De Donatis Memorial Prize in Corporate Law

John and Jan de Jersey Biochemistry and Molecular Biology Prize

Delta Sigma Delta – John Sagar Prize

Dental Hygienists' Association of Australia (Qld Branch) Oral Health Prize

Dental Study Club Prize

Devahuti Prize in History

Tiffany Dobbs Memorial Prize

James Dowrie Memorial Prizes

John Dunkley Memorial Prize

David Dunlop Memorial Prize

Fred Z. Eager Research Prize in Veterinary Science

Economic Society of Australia (Qld) Prize

Charles Ede Antiquities Museum Prize

E.S. Edmiston Prize

Embassy of Spain Prize

Endodontic Group Academic Award for Clinical Excellence in Endodontics

ENERGEX Power Engineering Prizes

Environmental Institute of Australia and New Zealand - South East Queensland Division Prize for Bachelor of Environmental Management (Sustainable Development)

Tom Keightley Ewer Memorial Prize in Animal Husbandry

Family Law Practitioners' Association Queensland Prize in Family Law

Financial Management of Australia Association (QLD) High Achievers in Commerce Prize

Ford Memorial Prize

Isabel Forrest Memorial Prize

4MBS Musica Viva Sid Page Memorial Prize in Chamber Music

49th Battalion AIF. Honour Fund Prize

Luke Filei Prize in Asian Legal Systems

Josiah Francis Prize

Herbert Smith Freehills Prize in Law

Michael French Prize in Psychology

Margaret Fyfe Year 2 Physiotherapy Prize

Gadens Prize in Commercial Law

Galvanizers Association of Australia Prize

Professor Ian Gardner Prize in Occupational Health

General Staff Self Development Prize

Geotechnical Engineering Program Prize

Dr John Gibb Memorial Biosecurity Prize

GlaxoSmithKline Oral Health Prize

Goodman Foundation Marine Biology Prize

Nanette Gottlieb Japanese Language Prize

Guy Goodricke Prize

Grassie and Bassett Prize in Educational Administration

G. M. Grassie Memorial Prize

Gordon Grigg Prize in Vertebrate Zoology

Russell Grigg Memorial Prize

Guild Insurance Prize

Daniel Hamilton Prize

Susan Hamilton Second Year Biochemistry Prize

Susan Hamilton Third Year Biochemistry Prize

C. H. V. Harding Prize for Postgraduate Study in Planning

C. H. V. Harding Prize in Transportation Engineering

Walter Harrison Prizes

The Harriscrown Prize in Succession Law

Elsie Harwood Memorial Prize

Lizzie Heal-Waring Prize

Elias A. Heiser Prize in Classics and Ancient History

Accenture Prizes in Business (eBusiness and/or Accounting)
(Established in 2001 and maintained from the income from a donation from Accenture Australia. The bursaries were converted to a prize in 2011.)

(a) Head, School of Business.
(b) Prize 1 – Students who have completed 16 units towards the -
   A. Bachelor of Business Management majoring in eBusiness, including INFS2233; or
   B. Bachelor or Commerce majoring in Accounting, including ACCT2101; and
   are enrolled in a subsequent course in the same major.

   Prize 2 – Students who –
   (i) are enrolled in an honours program administered by the School of Business; and
   (ii) have completed either the –
       A. Bachelor of Business Management majoring in eBusiness; or
       B. Bachelor of Commerce majoring in Accounting,
   in the 3 years immediately prior.

(c) Prize 1 – Highest GPA for the first 16 units of the program.
(c) Prize 2 – Highest GPA in the pass degree program.
(d) For each prize, $1500.

ACCC Economics Honours Prize
(Established in 2013 and maintained by an annual gift from the Consumer and Competition Commission (ACCC.).)

(a) Head, School of Economics.
(b) Students completing the BEcon(Hons).
(c) Best overall performance in the compulsory course ECON6010 Microeconomics A and in an Honours thesis that:
   (i) addresses a contemporary issue in any of the following areas: Microeconomic theory; Microeconomic policy; Competition and regulatory economics; and/or
   (ii) uses empirical research techniques such as econometrics, cost-benefit analysis and operations research to investigate a real world issue.
(d) $1,000.

Agilent Technologies Prize for Pharmacy
(Established in 2001 and maintained by an annual donation from Agilent Technologies.)
(a) Head, School of Pharmacy.
(b)  Second year Bachelor of Pharmacy or Bachelor of Pharmacy (Honours) students.
(c) Highest mark in PHRM2041.
(d) $500.

Agnew Prize in Occupational Therapy
(Established in 1988 and maintained from a donation from Patricia Agnew, a staff member of the University.)
(a) Head, School of Health and Rehabilitation Sciences.
(b) Students completing the BOccThy with honours.
(c) Best overall results in GPA contributing to Class of Honours calculation (as per program rules), after undertaking a thesis which the Head of School considers addresses an area of basic research in occupational therapy.
(d) Books to the value of $100.

ALS Limited Prizes
(Established in 1984 and maintained by an annual gift from Campbell Brothers Limited in recognition of the distinguished service of Sir Lionel McCray as Chief Executive, Director and Chairman of Directors, over a total period of 48 years and also in recognition of his outstanding contribution to the University of Queensland and as a member of the Senate 1972–1983 and Deputy Chancellor 1978–1983.)
(a) Head, School of Business.
(b) Students in year one of the MBA or MCom(AppFin) who –
   (i) complete a minimum of #15 in first and second semester; and
   (ii) have not been granted more than #10 under rule 6 for MBA or MCom(AppFin) program.
(c) Highest GPA for those courses.
(d) $1,000.

ALS Prize for Geochemistry
(Established in 2014 and maintained by an annual gift from ALS Limited.)
(a) Head, School of Earth Sciences.
(b) Any student.
(c) Highest grade for ERTH3205.
(d) $1,000.

(Established in 1989 and maintained by an annual gift from Allen Allen and Hemsley, Solicitors of Brisbane (now known as Allens).)
(a) A committee comprising the Head, School of Law, a representative of the donor and a Bachelor of Laws or Bachelor of Laws (Honours) graduate of this University of not more than 2 years standing nominated by the Head after consulting the President of the University of Queensland Law Society.
(b) Students who have completed all compulsory level 1, 2 and 3 courses for the Bachelor of Laws or Bachelor of Laws (Honours) program in the year of the award.
(c) Most outstanding nominee, based on —
   (i) academic results;
   (ii) contribution to the student body of the School;
   (iii) leadership and personal qualities; and
   (iv) extracurricular and sporting activities.
(d) $1,000.
(e) Applications must be lodged with the Head, School of Law by the date set by the Head, School of Law.

Allens Prize in Company Law
(Established in 1970 and maintained by an annual gift from Allen Allen and Hemsley, Solicitors of Brisbane (now known as Allens).)
(a) Head, School of Law.
(b) Bachelor of Laws or Bachelor of Laws (Honours) students.
(c) Greatest proficiency in LAWS4112.
(d) $500.

Joan Allsop Prize
(Founded in 1960 by an initial gift of $500 from Joan W. Allsop, EdD Col., MA, BEd and supplemented by further gifts from time to time amounting in total in 1985 to $10,000.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Postgraduate BA Honours (History) students.
(c) Best results in history courses during the previous year while undertaking the pass degree.
(d) One or more books and money.

Ossie Andersen Prize in Mining Engineering
(Established in 1990 in memory of the late Ossie Andersen and maintained by annual gifts from his daughter, Dr K.P. Filmer, and her family. The Prize commemorates the many contributions made to the mining industry by Mr Andersen during his employment in the Inspectorate of the Queensland Mines Department. Mr Andersen who retired in 1973 was an enthusiastic supporter of the safe and economic development of the mining industry for the nation’s benefit.)
(a) Head, School of Mechanical and Mining Engineering, on advice from the Head, Division of Mining Engineering.
(b) Students in the third year of the Bachelor of Engineering or Bachelor of Engineering (Honours) or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in any field of engineering within the mining engineering discipline.
(c) Highest aggregate marks from first and second semester mining laboratory reports.
(d) Books to the value of $400.

Ross Anderson Memorial Prize
(Founded in 1961 on the initiative of the University of Queensland Staff Association by contributions amounting to approximately $600 from the parents and friends of Harry Ross Anderson, first Professor of Public Law, and first Staff Association representative on the Senate of the University, who died on 23 February 1961.)
(a) Head, School of Law.
(b) Students enrolled in the Bachelor of Laws or Bachelor of Laws (Honours) or a dual program including the Bachelor of Laws or Bachelor of Laws (Honours).
(c) Highest overall mark in first attempt at LAWS1116.
(d) Money for the purchase of books.

Anthropology Honours Prize
(Established in 2008 and maintained by annual funding from the School of Social Science.)
(a) Head, School of Social Science.
(b) Students who have completed the Bachelor of Arts (Honours) in the field of anthropology.
(c) Highest overall marks in the anthropology honours program.
(d) $200.
(e) The prize may not be shared.

Ashurst Prize in Labour Law
(Established in 2013 and maintained by an annual gift from Ashurst)
(a) Head, School of Law.
(b) Students enrolled in the Bachelor of Laws or Bachelor of Laws (Honours) or Bachelor of Laws or Bachelor of Laws (Honours) dual degrees.
(c) Student who achieves the highest marks in their first attempt at the non-examination assessment in LAWS5122.
(d) $500.
Association of Taxation and Management Accountants Prizes
(Established in 1993 and maintained by an annual gift from the Association of Taxation and Management Accountants.)
(a) Head, School of Business.
(b) Bachelor of Commerce students.
(c) Prize 1 — Highest mark for first attempt at the course entitled ‘Income Tax Law’.
    Prize 2 — Highest mark for first attempt at the course entitled ‘Management Accounting’.
(d) For each prize -
    (i) $500; and
    (ii) a certificate; and
    (iii) if the student completes the program in the same year, one year’s free membership to the ATMA.

CPA Australia Prizes in Accounting
(Maintained by grants from CPA Australia for the purpose of encouraging students of accountancy to proceed to the degree in Commerce within The University of Queensland.)
(a) Head, School of Business.
(b) Prize 1 - First year Bachelor of Commerce (BCom) students who complete at least #16 (including ACCT1101 at a grade of 6 or 7).
    Prize 2 - Second year BCom students who complete at least #32 (including ACCT2102 at a grade of 6 or 7).
    Prize 3 - Final year BCom students who are eligible for admission as an associate member of CPA Australia.
(c) Prize 1 - Highest GPA for courses taken in the relevant year. If more than one student achieves the same GPA, the prize will be awarded to the student with the highest mark in ACCT1101.
    Prize 2 - Highest GPA for courses taken in the relevant year. If more than one student achieves the same GPA, the prize will be awarded to the student with the highest mark in ACCT2102.
    Prize 3 - Highest overall achievement in first attempt at ACCT3102, ACCT3103, ACCT3104, ACCT3102 and ACCT3103.
(d) Prize 1 - $500, and a certificate of achievement.
    Prize 2 - $500, and a certificate of achievement.
    Prize 3 - $500, and a certificate of achievement.

Australian and New Zealand College of Anaesthetists Prize
(Established in 1998 and maintained by an annual gift from the Australian and New Zealand College of Anaesthetists, to foster the teaching of anaesthesia, its related disciplines and perioperative medicine to medical students, and to raise awareness of the specialty and its image among medical students and recent graduates.)
(a) Head, School of Medicine, on the recommendation of the head of the anaesthesia discipline.
(b) Final year students undertaking the Bachelor of Medicine/Bachelor of Surgery.
(c) Best overall performance in the anaesthetic component of the critical care course examination.
(d) (i) $500; and
    (ii) a certificate.
(e) If paragraph (c) is satisfied by 2 students, 2 prizes (of the value referred to in paragraph (d)) may be awarded.

Australian and New Zealand Society of Occupational Medicine Prize
(Established in 1981 and maintained by an annual gift from the Queensland Branch of the Australian and New Zealand Society of Occupational Medicine.)
(a) A committee comprising the Head, School of Medicine, the Head, School of Population Health (or nominee) and the President of the Queensland Branch of the Australian and New Zealand Society of Occupational Medicine.
(b) Year 3 MBBS students.
(c) Best essay on a topic related to occupational health submitted as –
    (i) a critical appraisal of published material; or
    (ii) a scientific literature review.
(d) $500.
(e) The winner will be requested to present the result of their essay to a meeting of the Queensland Branch.

Australian and New Zealand Society of Paediatric Dentistry (Queensland Branch) Prize
(Established in 2005 and maintained by an annual donation from the Australian and New Zealand Society of Paediatric Dentistry (Queensland Branch). The prize had previously existed as a school-based prize in the School of Dentistry.)
(a) Head, School of Dentistry.
(b) First time, Year 4 either BDSc or BDSc(Hons) students.
(c) Highest mark in the paediatric dentistry component of Dentistry for Children II (DENT4042).
(d) Upon graduation from the either BDSc or BDSc(Hons), one year’s free membership to the Australian and New Zealand Society of Paediatric Dentistry.

Australian Association of Special Education (Brisbane Branch) Award
(Established in 1996 and maintained for an initial period of 10 years by an annual gift from the Australian Association of Special Education Incorporated (Brisbane Branch).)
(a) Head, School of Education.
(b) Students completing the degree of Master of Educational Studies in the Field of Study, ‘Supporting Diverse Learners’, in the strand of ‘Inclusion and Special Needs’.
(c) Highest grades in both EDUC7210 and EDUC7230.
(d) $500.
Australian Computer Society Prize
(Established in 1987 and maintained by an annual gift from the Australian Computer Society (Queensland Branch).)
(a) Head, School of Information Technology and Electrical Engineering.
(b) Students who –
   (i) complete at least #12 level 3 of COMP, COSC, CSSE, DECO or INFS courses in one year; and
   (ii) will complete the program requirements in the year the prize is awarded.
(c) Highest GPA in those courses.
(d) (i) $1000; and
    (ii) One year’s free membership of the Australian Computer Society; and
    (iii) An Australian Computer Society prize certificate.

Australian Dental Association Prize
(Established in 1947 and maintained by an annual gift from the Australian Dental Association.)
(a) Head, School of Dentistry.
(b) First time, Year 4 either BDSc or BDSc(Hons) students.
(c) Highest total marks in compulsory courses.
(d) $2000.

Australian Dental & Oral Health Therapists’ Association Queensland Branch Oral Health Prize
(Established in 2001 and maintained by an annual donation.)
(a) Head, School of Dentistry.
(b) Year 3 Bachelor of Oral Health students.
(c) Highest mark in first attempt in Advanced Oral Health Therapy (ORAL3070).
(d) (i) $150; and
    (ii) one year’s full membership in the Australian Dental and Oral Health Therapists’ Association Inc.

Australian Finance Conference Prize in Economics
(Established in 1968 and maintained by an annual gift from the Australian Finance Conference.)
(a) Head, School of Economics.
(b) Any student.
(c) Best overall results in first attempt at level 2 macroeconomic theory and macroeconomic policy.
(d) $400.

Australian Institute of Physics Prize
(Established in 2002 by an annual donation from the Australian Institute of Physics.)
(a) Head, School of Mathematics and Physics, on advice from the head of the physics discipline.
(b) Students completing the BSc(Physics) or BAdvSc(Physics).
(c) Highest aggregate GPA in the courses which contribute to the Physics major. The minimum GPA for the prize to be awarded is 6.0.
(d) Books to the value of $100.
(e) The prize is to be awarded to, at most, one student, only once per calendar year.

Australian Medical Association Memorial Prize
(Established in 2002 and maintained by the Queensland Branch of the Australian Medical Association. Since 1961 the prize has been awarded as a school-based prize by the School of Medicine.)
(a) Head, School of Medicine
(b) MBBS students.
(c) Highest GPA in years 3 and 4 of the program.
(d) (i) $1,000; and
    (ii) a medallion; and
    (iii) a book.

Australian Property Institute Prize
(Established in 2002 by the Australian Property Institute (Queensland Division) and maintained by annual donation).
(a) Head, School of Business.
(b) (i) third year BBusMan (real estate and development major) students; or
    (ii) Masters of Property Studies students who have completed at least 6 REDE courses at level 7.
(c) Highest GPA for courses listed in the real estate and development courses in the above programs.
(d) $1,000.

Australian Society for Parasitology Prize
(Established in 1992 and maintained by an annual gift from the Australian Society for Parasitology.)
(a) Head, School of Chemistry and Molecular Biosciences.
(b) Students in programs administered by the Faculty of Science.
(c) Highest mark in PARA3002.
(d) $400.

Australian Society of Animal Production Prize in Animal Production
(Established in 1976 and maintained by an annual donation by the Queensland Branch of the Australian Society of Animal Production to acknowledge the close liaison between the Society and the Department of Farm Animal Medicine and Production and the Faculty of Veterinary Science.)

(a) Head, School of Veterinary Science.
(b) School of Veterinary Science students who -
   (i) completed VETS5024; and
   (ii) submitted in their final year a critical essay in an area of relevance to livestock.
(c) Highest mark for first attempt in VETS5024.
(d) (i) $200 for the purchase of books; and
     (ii) an ASAP certificate; and
     (iii) two year membership to the Australian Society of Animal Production (the ASAP).
(e) The prize will be presented at a special meeting of the Queensland Branch of the ASAP.

**Australian Society of Animal Production Prize in Animal Science**

(Established in 1997 and maintained by an annual gift by the Queensland Branch of the Australian Society of Animal Production.)

(a) Associate Dean (Academic), Faculty of Science on advice from a subcommittee of the Australian Society of Animal Production (the ASAP)
(b) Students enrolled in -
   (i) the Bachelor of Agricultural Science program; or
   (ii) the Bachelor of Agricultural Science (Honours) program; or
   (iii) the Bachelor of Applied Science (Honours).
(c) Best thesis in an area of relevance to livestock in a course of at least 4 units.
(d) (i) $200; and
     (ii) an ASAP certificate; and
     (iii) two year membership to the ASAP.
(e) The prize will be presented at a special meeting of the Queensland Branch of the ASAP.

**Australian Society of Endodontology Prize**

(Established in 2004 and maintained by an annual gift from the Australian Society of Endodontology.)

(a) Head, School of Dentistry.
(b) Year 3 either BDSc or BDSc(Hons) students.
(c) Highest mark for first attempt at the endodontics component of the course entitled Dental Practice II.
(d) (i) $250; and
     (ii) upon graduation from the either BDSc or BDSc(Hons), one year's membership to the Australian Society of Endodontology.

**Australian Society of Orthodontists (Qld Branch) Mary Moffatt Memorial Prize**

(Established in 2005 and maintained by an annual donation from the Australian Society of Orthodontists. The prize recognises the contribution of the Moffatt family to orthodontics. The prize replaces the former Mary Moffatt Memorial Prize which had been established in 1941 by Mr J B Moffatt (Orthodontist) in memory of his mother.)

(a) Head, School of Dentistry.
(b) First time, Year 4 either BDSc or BDSc(Hons) students.
(c) Highest three marks in the Orthodontics component of Dentistry for Children II (DENT4042).
(d) Prize 1 - $500
    Prize 2 - $300
    Prize 3 - $200
    for the purchase of Dentistry textbooks.

**Australian Society of Orthodontists (Queensland Branch) Oral Health Prize**

(Established in 2001 and maintained by annual donation.)

(a) Head, School of Dentistry.
(b) First time year 2 Bachelor of Oral Health (BOralH) students.
(c)  
   (i) Highest total marks in all compulsory 2nd year courses
   (ii) With the intention of enrolling in year 3 BOralH
(d) $200.

**Australian Society of Periodontology Prize**

(Established in 2005 and maintained by the Queensland branch of the Australian Society of Periodontology. The prize had previously been a School based prize in the School of Dentistry.)

(a) Head, School of Dentistry.
(b) First time Year 4 either BDSc or BDSc(Hons) students.
(c) Highest overall mark for -
   (i) the course entitled ‘Periodontology’; and
   (ii) the course entitled ‘Periodontics & Dental Implantology’
(d) (i) Inscribed medallion; and
     (ii) Membership to the Australian Society of Periodontology (Queensland Branch) for one year following graduation.

**Australian Taxation Reporter Prize**

(Established in 2007 and maintained by an annual gift from the Australian Taxation Reporter Pty Ltd.)
(a) Head, School of Law.
(b) Any student.
(c) Highest overall mark at first attempt in LAWS5144.
(d) One year subscription to the Australian Taxation Reporter.

**Bagster Memorial Prize**
(Established in 1940 and maintained by the income of a gift of $256.83 from past students and colleagues, in memory of the late Professor L.S. Bagster, Professor of Chemistry in the University.)
(a) Head, School of Chemical Engineering.
(b) Second year students enrolled in an undergraduate approved Engineering program that includes the Bachelor Engineering or Bachelor of Engineering (Honours) or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in any field of engineering within the chemical engineering discipline.
(c) Greatest proficiency in compulsory practical work at the second level.
(d) $100 for the purchase of books.

**Richard Baldauf Prize in Education**
(Established in 2015 in memory of Professor Richard Baldauf and in recognition of his career.)
(a) Head, School of Education
(b) RHD student who has published in a journal approved by the Head, School of Education during the academic year
(c) Best paper
(d) $1000

**Sir Charles Barton Prize**
(Established in 1988 and maintained by the income from a bequest of $7,000 made to the University by Sir Charles Newton Barton.)
(a) Head, School of Civil Engineering.
(b) Bachelor of Engineering or Bachelor of Engineering (Honours) students in any field of engineering within the civil engineering.
(c) Best thesis.
(d) Money.

**Carlisle C. Bastian Prize**
(Founded in 1948 by a gift of $1,000 from the Commonwealth Dental Supply Co. Pty Ltd to mark the contributions made to dentistry, in particular ceramics and crown and bridge work, by Australian-born Dr Carlisle C. Bastian of New York City.)
(a) Head, School of Dentistry.
(b) Year 4 either BDSc or BDSc(Hons) students enrolled for the first time in Oral Rehabilitation III.
(c) The student having overall proficiency in the course and the greatest clinical aptitude in crown and bridgework.
(d) $500.

**Biarri Prize for Women in Operations Research**
(Established in 2015, the prize is offered through an annual gift from Biarri Optimisation.)
(a) Associate Dean (Academic), Faculty of Science recommendation from the Head, School of Mathematics and Physics.
(b) Female students who have completed MATH3202 and MATH4202.
(c) Highest combined average mark in MATH3202 and MATH4202.
(d) $1000.
(e) Where there are two students of equal merit, the prize will be awarded to the student who has the highest GPA for that Semester.

**Bing and Ross Barnard Biotechnology Prize**
(Established in 2011 and maintained by an annual gift from Bing and Ross Barnard.)
(a) Head, School of Chemistry and Molecular Biosciences.
(b) Bachelor of Biotechnology (Honours) students.
(c) Highest overall mark for the honours year.
(d) $1,000.

**Biochemistry Alumni Prizes**
(Established in 1995 and maintained by donations from the Department of Biochemistry alumni of the University of Queensland.)
(a) Head, School of Chemistry and Molecular Biosciences.
(b) Biochemistry students.
(c) Prize 1 — Highest mark in BIOC2000.
   Prize 2 — Highest overall mark for any 4 of the following courses –
   (i) BIOC3000;
   (ii) BIOC3003;
   (iii) BIOC3005;
   (iv) BIOL3004;
   (v) BIOL3006;
   (vi) BIOL3222;
   (vii) BIOC3006.
   Prize 3 — Highest overall mark in Biochemistry Honours.
(d) Prize 1 — $150.
Prize 2 — $150.
Prize 3 — $200.

Biological Sciences Evolution Prize
(Established by the School of Biological Sciences in 2012 from a generous bequest from the estate of Mr John Patrick Salisbury to support the purpose, activities and endeavours of the School of Biological Sciences).
(a) Head, School of Biological Sciences
(b) Year 2 Bachelor of Science students who have completed at least 6 units of courses administered by the School of Biological Sciences
(c) Highest mark for the first attempt at the second year course in the field of Evolution
(d) $1,000

Biological Sciences Genetics Prize
(Established by the School of Biological Sciences in 2012 from a generous bequest from the estate of Mr John Patrick Salisbury to support the purpose, activities and endeavours of the School of Biological Sciences).
(a) Head, School of Biological Sciences
(b) Year 2 Bachelor of Science students who have completed at least 6 units of courses administered by the School of Biological Sciences
(c) Highest mark for the first attempt at the second year course in the field of Genetics
(d) $1,000

School of Biological Sciences Honours Prize
(Established by the School of Biological Sciences in 2012 from a generous bequest from the estate of Mr John Patrick Salisbury to support the purpose, activities and endeavours of the School of Biological Sciences).
(a) Head, School of Biological Sciences
(b) Bachelor of Science Honours students enrolled in the School of Biological Sciences
(c) Highest Honours overall percentage mark for students completing in Semester 1 and highest overall percentage mark for students completing in Semester 2
(d) $3,000 for each semester’s prize

John Black Prize
(Founded in 1974 from the income of a fund amounting to $2,510.81 bequeathed to the University by the late John Black in the year 1939 for the purpose of award to male students of the University who, prior to entering the University, had attended for a period of 2 years as scholars at a Queensland secondary school.)
(a) President of the Academic Board.
(b) Male students who —
   (i) immediately prior to entering the University attended for a period of 2 years as a scholar at a Queensland secondary school; and
   (ii) during the first year of enrolment at the University enrolled for courses having a total value of at least $14.
(c) Highest standard during that year over all courses.
(d) Money.

The Alan Blackshaw Prize
(Established in 1994 in recognition of the contribution to the Department of Dr Alan Blackshaw a former Head, Department of Physiology & Pharmacology and maintained by the income on a fund contributed to by the School of Biomedical Sciences.)
(a) Head, School of Biomedical Sciences.
(b) Students enrolled in the BSc program, a BSc dual program or the BBiomedSc program.
(c) Highest overall percentage at the first attempt in either BIOM2011 or BIOM2013 and in BIOM2012.
(d) Money.

Blue Mountains Prize for Archaeology
(Established in 1999 and maintained by an annual gift from the Blue Mountains Postgraduate Archaeology Group. The Prize was established to encourage excellence in the field of anthropological archaeology.)
(a) Head, School of Social Science.
(b) Students who have completed the Bachelor of Arts with an extended major in archaeology.
(c) Highest marks in undergraduate anthropology, archaeology and archaeological science courses offered by the School of Social Science.
(d) Books to the value of $200.

Blue Mountains Honours Prize in Archaeology
(Established in 2001 and maintained by an annual gift from the Blue Mountains Postgraduate Archaeology Group. The Prize was established to encourage excellence in the field of anthropological archaeology.)
(a) Head, School of Social Sciences.
(b) Students completing the postgraduate BA honours program with an archaeological thesis topic in the School of Social Science.
(c) The highest aggregate mark.
(d) Books to the value of $250.
The Prize will not be awarded if no archaeological thesis topic is undertaken.

**Board of Architects Prize**
(Established in 1949 and maintained by an annual gift from the Board of Architects of Queensland.)

(a) Head, School of Architecture.
(b) Students enrolled in one of the following programs -
   (i) Bachelor of Architecture; or
   (ii) Bachelor of Architectural Design; or
   (iii) Master of Architecture
(c) Highest GPA in either -
   (i) the Bachelor of Architecture; or
   (ii) the Bachelor of Architectural Design and the Master of Architecture.
(d) $1,000 and a certificate.

**G.M. Bonnin Memorial Prizes**
(Established in 1975 as a memorial to the late Dr G.M. Bonnin and maintained by a fund amounting to $6,043 subscribed by his former colleagues, students and friends.)

(a) Head, School of Languages and Cultures.
(b) Prize 1 — Day students.
   Prize 2 — Evening students.
(c) Greatest proficiency in GRMN1020.
(d) Money.
(e) The prize is awarded on the condition that the recipient enrolls in GRMN2010 in the following year.

**John Bostock Prize in Psychiatry**
(Established in 1961 as a tribute to Research Professor John Bostock, formerly Senior Psychiatrist to the Brisbane Hospital and Research Professor in Medical Psychology at the University of Queensland, and maintained by an annual gift from the Queensland Branch of the Royal Australian and New Zealand College of Psychiatry.)

(a) Head, School of Medicine.
(b) First time, year 3 MBBS students.
(c) Greatest proficiency in the progressive summative assessment in the mental health rotation in year 3.
(d) $500 and a medallion.
(e) The Prize will be presented at the Annual Meeting of the Queensland Branch of the Australian Medical Association.

**Gregory Bounds Memorial Prize in Competition Policy and Regulation**
(Established in 2015 in honour of the memory of Mr Gregory Bounds.)

(a) Head of the School of Economics.
(b) Students who are or were enrolled in Master of Economics; Master of Economics and Public Policy; Master of Development Economics; Master of Business Economics.
(c) Best performance, first attempt ECON7430 – Competition Policy and Regulation.
(d) $5000.

**Ellen Julia Bourke Prize in History**
(Established in 1987 by a gift of $5,000 from N.T.P. Keleher in memory of his sister Ellen Julia Bourke.)

(a) Head, School of Historical and Philosophical Inquiry.
(b) Students enrolled in a degree administered by the Faculty of Humanities and Social Sciences.
(c) Highest mark for first attempt at HIST2245.
(d) Money.

**Andrea Bowler Memorial Prize for Family Law**
(Established in 2002 in memory of Andrea Bowler, a former Deputy Registrar of the Family Court of Australia, Brisbane Registry and maintained by an annual donation from the Family Law Practitioners' Association Queensland.)

(a) Head, School of Law (the **Head**) on advice from –
   (i) a representative of the donor; and
   (ii) the course coordinator for the course entitled Family Law.
(b) Any student who gains a grade of 5 or more in the course entitled Family Law.
(c) Most outstanding applicant based on —
   (i) academic results;
   (ii) active participation in extracurricular activities such as social justice issues, community relations, sporting or recreational activities; and
   (iii) an interest in family law.
(d) $1000.
(e) (i) Applications must be submitted to the Head by the closing date for applications.
   (ii) Short-listed applicants may be interviewed.

**AusSafe Consulting Prizes in Occupational Health & Safety**
(Established in 2016 and maintained by an annual donation of $1500 by AusSafe Consulting.)

(a) Associate Dean (Academic), Faculty of Science in consultation with the Head, School of Geography, Planning and Environmental Management.
(b) Students enrolled full-time in the Bachelor of Occupational Health and Safety Science (Hons).
(c) Three annual prizes for the student(s) obtaining:
   (1) Highest GPA across all courses in the 1st year of the BOHSSc(Hons)
   (2) Highest GPA across all courses in the 2nd year of the BOHSSc(Hons)
   (3) Highest GPA across all courses in the 3rd year of the BOHSSc(Hons)
(d) $500 per prize.

Arthur Boyd Prize
(Founded in 1951 by contributions to a fund amounting to $528.25 for a testimonial to Arthur Boyd, DSc, Associate Professor of Mechanical and Electrical Engineering, and a member of the University teaching staff from 1919 to 1950.)
(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology, on advice from the relevant head of school.
(b) Bachelor of Engineering or Bachelor of Engineering (Honours) students completing the sixth semester.
(c) Best experimental work.
(d) Books.
(e) The award of the prize must be rotated among the following engineering disciplines, starting with civil engineering in 1965 —
   Chemical engineering — Bachelor of Engineering or Bachelor of Engineering (Honours) (Chemical)
   Civil engineering — Bachelor of Engineering or Bachelor of Engineering (Honours) (Civil)
   Electrical engineering — Bachelor of Engineering or Bachelor of Engineering (Honours) (Elec)
   Mechanical engineering — Bachelor of Engineering or Bachelor of Engineering (Honours) (Mech)
   Mining and Chemical & Metallurgical engineering — Bachelor of Engineering or Bachelor of Engineering (Honours) (Mining) or BE (Chemical and Metallurgical).

John Braithwaite Prize in Criminology
(Established in 2004 to honour Professor John Braithwaite’s contribution to Criminology. Maintained by an annual sum from the School of Social Science.)
(a) Head, School of Social Science.
(b) Students completing the Bachelor of Arts (Honours) in Criminology or Bachelor of Social Science (Honours) in Criminology. In the case of Bachelor of Social Science (Honours) students, all honours courses and the thesis must be undertaken in the School of Social Science.
(c) Highest result in the Criminology honours program.
(d) $200 and a one year membership to the Australian and New Zealand Society of Criminology (at a rate which includes receipt of the Australian and New Zealand Journal of Criminology).

Hugh Brandon Prize
(Established in 1980 by contributions from colleagues, friends and former students to a fund amounting to $6 192.70 in honour of Hugh Earle Brandon, BMus, LRAM, FTCL, AASA, staff member (1945–52) and Senior Lecturer (1952–73) in music at the University of Queensland.)
(a) Head, School of Music.
(b) Any person who, in the 3 years immediately prior to the year of the award –
   (i) was enrolled in the Bachelor of Music or Bachelor of Music (Honours) program; or
   (ii) was enrolled in a post graduate program administered by the School of Music; and
   (iii) can demonstrate commitment to undertaking advanced study in conducting either in Australia or overseas, commencing in the next 2 years
(c) Most exceptional promise in the field of choral and/or instrumental conducting.
(d) Approximately equal to the annual income from the fund for the 3 years preceding the year of the award.
(e) (i) The prize will be awarded every 3 years.
   (ii) The prize may not be shared.
   (iii) The prize may not be awarded to the same recipient on more than one occasion.

Percy Brier Memorial Prize
(Founded in 1972 by an initial gift of $1,600 and a further gift in 1979 of $1,000 from Mr Eric B. Brier, BE, MICE, FIEAust, and subsequently augmented by gifts of cash and shares from Miss Ella Brier. This prize was established in memory of Mr Brier’s late father Percy Brier, FTCL, ARCO, who, from 1906 to 1970, practised as a professional musician and teacher of music in Queensland and who made a noteworthy contribution to music in this State by his collection of material relating to the early musical history of Queensland.)
(a) Head, School of Music.
(b) Any student.
(c) Composition of greatest promise submitted under the conditions of the award imposed for that year by the Head of School of Music.
(d) Money consisting of that portion of the income from the fund for the preceding financial year available for the Prize under the terms of the endowment.

Brisbane School of Arts Prizes
(Established in 1967 by a gift of $7,000 from the Committee of the Brisbane School of Arts.)
(a) Head, School of Communication and Arts.
(b) Prize 1 — Students who have obtained —
   (i) at least #16 and not more than #32 towards completion of the BA degree by the end of the year of the award; and
   (ii) at least #8 in that year for courses offered by the School.
Prize 2 — Students who have, by the end of the year of the award —
(i) completed the requirements of the BA pass degree; and  
(ii) obtained at least for a major in courses offered by the School.
Prize 3 — Students completing the requirements of the PGArts(Hons) in the school.

(c) Prize 1 — Greatest proficiency in courses referred to in subparagraph (B).
Prize 2 — Greatest proficiency in courses referred to in subparagraph (B).
Prize 3 — Greatest proficiency in the PGArts(Hons) program.
(d) Money for the purchase of books.

Emery Brodie Award
(Established in 1990 and maintained from a bequest by the late Emery Brodie.)
(a) Head, School of Civil Engineering.
(b) Students enrolled in the Bachelor of Engineering or Bachelor of Engineering (Honours) program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in any field of engineering within the civil engineering discipline.
(c) Highest mark in first attempt in CIVL4110 in a year when the course is offered.
(d) $100.

Dr Magdalene Brodie Memorial Prize
(Founded in 1969 by a gift of $525 by Mr E. Brodie to perpetuate the memory of his wife, Magdalene Brodie, MD Pecs MBBS, formerly Assistant Professor of Children’s Diseases at Pazmany University, Budapest, who subsequently came to Queensland and after graduation here was engaged in general practice, particularly in relation to children’s diseases.)
(a) Head, School of Medicine.
(b) Final year MBBS students.
(c) The student who submits the best essay of approximately 2000 words on a topic related to child health.
(d) A medical textbook or books.

Ben Brown Encouragement Award for Agricultural Science
(Established in 1992 in memory of Ben Brown, a graduate of the Agricultural Science Faculty who died just after completing his BAgSc(Hons) degree. Maintained from the income of a fund donated by his relatives and friends.)
(a) Associate Dean (Academic), Faculty of Science.
(b) First year students within the School of Agriculture and Food Science who are enrolled in an undergraduate Agricultural Science program and have completed at least #16.
(c) Highest GPA
(d) $1000.

Ben Brown Memorial Medal for Agricultural Science
(Established in 1992 in memory of Ben Brown, a graduate of the Agricultural Science Faculty who died just after completing his BAgSc (Hons) degree. Maintained from the income of a fund donated by his relatives and friends.)
(a) Associate Dean (Academic), Faculty of Science.
(b) Students completing Bachelor of Agricultural Science with Honours Class I.
(c) Highest overall GPA at the end of the program.
(d) A medal.

Thomas Brown and Sons Ltd Prize
(Established in 1963 by a gift of $2,000 from Thomas Brown & Sons Ltd to commemorate the centenary of the Company.)
(a) Head, School of Business.
(b) Students completing BCom program with honours in Commerce.
(c) Best thesis towards the degree.
(d) Money.

Ronald Brownlie Memorial Prize
(First awarded in 1987. The Prize was formalised by the Senate in 2001. Maintained by gifts from the Brownlie family and the University’s agricultural mechanisation staff.)
(a) Associate Dean (Academic), Faculty of Science.
(b) Students within the School of Agriculture and Food Science undertaking an undergraduate Applied Science program with a plant related discipline.
(c) Highest mark at first attempt in AGRC2040.
(d) $150.

W.H. Bryan Memorial Prize
(Established in 1968 as a memorial to the late Professor W.H. Bryan and maintained by the income from a fund of $2,050 subscribed by his former colleagues, students and friends.)
(a) Head, School of Earth Sciences.
(b) Students who have completed the first year of the BSc program at the first attempt and have enrolled for second level Geology and Mineralogy with the intention of pursuing a geological career.
(c) Best student in first level Geology and Mineralogy.
(d) Money.

R.J. Bulley 1960 Prize
Margaret Bullock Prize
(Established in 1998 by donations from colleagues, friends and past students to recognise the contribution of Professor Margaret Bullock, AM, PhD to the University of Queensland Department of Physiotherapy and to the advancement of research in physiotherapy.)
(a) Head, School of Health and Rehabilitation Sciences.
(b) Final year Bachelor of Physiotherapy honours students.
(c) The highest GPA in HRSS3100, HRSS3201 and HRSS4100.
(d) $150.

R.H.G. Burns Memorial Prize
(Established in 1970 by a gift of $1,000 from Mrs Thelma Burns in memory of her late husband, Robin Gardner Burns, BVSc, Senior Lecturer and Reader in Veterinary Surgery at the University of Queensland from 1946 to 1968.)
(a) Head, School of Veterinary Science.
(b) Final year Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) students.
(c) The highest mark in VETS5030.
(d) Money.

Yvonne Burns Prize in Paediatric Physiotherapy
(Established in 2003 by donations from members of the physiotherapy profession. This prize was created in recognition of Yvonne Burns’ outstanding contribution to physiotherapy teaching, research and practice, particularly in the field of paediatrics.)
(a) Head, School of Health and Rehabilitation Sciences on the advice of a selection committee consisting of the head, physiotherapy division or nominee, a member of the University’s teaching staff in the field of paediatric physiotherapy and a member of the Australian Physiotherapy Association (Paediatric Special Group).
(b) Physiotherapists completing —
   (i) the MPhty(Paeds); or
   (ii) the MPhil or PhD programs; and
   who demonstrate high achievement in the field of paediatric physiotherapy.
(c) Best performance in an oral presentation to the selection committee and answers to questions from the selection committee relevant to the clinical application of research or coursework studies in paediatric physiotherapy.
(d) $200.
(e) Candidates will be required to —
   (i) make a short oral presentation to the selection committee; and
   (ii) answer questions from members of the selection committee, on a topic to be advised by the Head, School of Health and Rehabilitation Sciences.

E.R. Butler Prize
(Established in 1998 and maintained from the income from a bequest by the late Edward Richard Butler.)
(a) Associate Dean (Academic), Faculty of Science.
(b) Students enrolled in the third year of an undergraduate Agricultural Science program.
(c) The student obtaining the highest grade in LAND3007.
(d) $200.

Gordon Campbell Prize in Anatomy
(Established in 2011 and maintained by an annual gift from Professor Julie Campbell and the School of Biomedical Sciences in honour of Emeritus Professor Gordon Campbell, who was an integral member of the then anatomy department. His specialty was histology.)
(a) Head, School of Biomedical Sciences.
(b) Any student.
(c) Highest overall marks for the courses entitled —
   (i) Human Biomedical Anatomy; and
   (ii) Functional Musculoskeletal Anatomy,
   undertaken in the year of the award.
(d) $500.

Reginald Capps Memorial Prize
(Established to perpetuate the memory of Reginald Capps, the first technician appointed to the Department of Human Movement Studies, by contributions amounting to approximately $500 donated by his friends and by staff of the University.)
(a) Head of School of Human Movement and Nutrition Sciences.
(b) Undergraduate students undertaking a plan of study in the field of Human Movement Studies.
(c) Project which makes the best use of the technical resources of the school.
(d) Money.
Mary I. Cavanagh Rural Placement Prize in Occupational Therapy
(Established in 2007 by The University of Queensland occupational therapy graduate Dr Matthew Molineux as a tribute to his grandmother Mary Cavanagh, recognising her support of his occupational therapy education.)
(a) Head, School of Health and Rehabilitation Sciences in consultation with the Head, Division of Occupational Therapy.
(b) Third year BOccThy or BOccThy(Hons), or first year MOccThySt students who are planning to undertake a ten week clinical placement in a rural or regional location.
(c) Best application based on –
   (i) GPA and previous clinical experience; and
   (ii) written application of no more than 500 words discussing –
      (A) the benefits to be gained from a rural or regional placement, including clinical skills; and
      (B) commitment to rural or regional occupational therapy practice
(d) $2,000 for the cost of accommodation in and travel to the rural and regional location.
(e) (i) Application forms must be lodged by 30 October in the year preceding the placement.
    (ii) At the completion of the placement, the prize recipient must –
        (A) write a report for an appropriate UQ publication and an OT Australia newsletter at the completion of the placement; and
        (B) make a presentation to students.

The Centor Prize in Design that Connects People to the World Outside
(Established in 2014 and maintained by an annual gift from Centor Australia Pty Ltd to encourage enquiry and to reward outstanding thinking in the field of architecture connecting people to the world outside.)
(a) A committee comprising the Head, School of Architecture, the Stream Leader Architectural Design, the Third Year Design Studio Coordinator and a Centor Australia representative
(b) Bachelor of Architectural Design Students
(c) Best application based on an architectural design project completed in Year 3 of the Bachelor of Architectural Design that best demonstrates ideas that connect people to the world outside
(d) (i) Certificate of award; and
    (ii) A prize fund of $6,00 to be distributed to prize winners at the discretion of the committee as follows:
        A prize will be awarded for first place
        A prize or prizes can be awarded to other Highly Commended candidates at the discretion of the committee.
(e) In accepting the Prize, the recipients agree to make themselves and their work reasonably available for future promotion of the Prize with the University of Queensland and Centor Australia.

Chalmers Prize
(Established in 1962 by a gift of $1,050 made by Miss Eleanor Chalmers with a subsequent amount of $500 from Miss Chalmer’s estate in 1990.)
(a) Head, School of Pharmacy.
(b) Students completing the BPharm or BPharm(Hons).
(c) The most deserving student on the basis of not only academic success but also other matters deserving of recognition, including qualities of character, participation in general undergraduate activities, and financial need.
(d) Money.

B. & B. Chamala Memorial Prize

Baliah and Bhumamma Chamala came from the remote village of Chilver, Andhra Pradesh, in India and believed in the value of knowledge, the role of agribusiness in sustainable rural community development, in providing services to rural communities and in encouraging young professionals to work in rural areas.)
(a) Associate Dean (Academic), Faculty of Science on consultation with the Head, School of Agriculture and Food Sciences.
(b) A student within the School of Agriculture and Food Sciences and enrolled in Semester 6 of an undergraduate Agribusiness program
(c) Highest GPA over the first 5 semesters of the program.
(d) $200.

Carole J. Chandler Memorial Prize
(Established in 1999 by the Department of Classics and Ancient History in memory of the late Mrs Carole J. Chandler who died in 1998.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) First year undergraduate students.
(c) Overall best performance in 2 ancient history courses.
(d) Money.

Chemistry Honours Research Prize
(Established in 1999 by a bequest from the late Trevor John Beckmann.)
(a) Head, School of Chemistry and Molecular Biosciences.
(b) Students who complete the Bachelor of Science (Honours) program in the field of chemistry in the year of the award.
(c) A high level of achievement in the research component of the honours program and a demonstration of a high potential for independent research.
(d) Money.
The CiSRA Postgraduate Research Prize
(Established in 2007 and maintained by an annual gift of $2,000 from Canon Information Systems Research Australia Pty Ltd (CiSRA)).
(a) Head, School of Information Technology and Electrical Engineering (“the Head”) on the recommendation of a selection committee consisting of –
   (i) the Head (as Chair), or nominee; and
   (ii) members of the academic staff teaching in the relevant disciplines; and
   (iii) a representative of CiSRA,
   with the academic staff forming the majority.
(b) Students undertaking postgraduate research towards a PhD in the field of –
   (i) Artificial Intelligence and Image Processing (FOR code 0801).
(c) Best peer reviewed publication in the field in rule (b) that is published in the year the prize is to be awarded.
(d) $2,000.

C.K. Chin Memorial Prize
(Established in 1992 as a memorial to the late Chee Kiong Chin, PhD student in the Department of Civil Engineering and maintained by the income from a fund of $2,000 subscribed by his former friends.)
(a) Head, School of Civil Engineering.
(b) Bachelor of Engineering or Bachelor of Engineering (Honours) students in any field of engineering within the civil engineering discipline.
(c) Best performance at first attempt in the course or courses dealing with thin-walled structures.
(d) $200.

George Christensen Memorial Prize
(Established in 1971 by a bequest of $1,854.90 from the late Dr Frederick George Christensen, Oral Surgeon, Reader in Anatomy, University of Queensland.)
(a) Head, School of Dentistry.
(b) First time Year 4 either BDSc or BDSc(Hons) students.
(c) Highest mark at first attempt in Oral Surgical Sciences II.
(d) Money for the purchase of a decorative and useful token.

Cleary Memorial Prize
(Established in 1976 as a memorial to the late Dr J.W. Cleary and maintained by the income, from a fund of $1,135.76 subscribed by his former colleagues, students and friends.)
(a) Head, School of Political Science and International Studies.
(b) Honours year Political Science or International Relations students.
(c) Greatest proficiency in the year.
(d) Books.

Colgate Oral Care Prize for Oral Health Clinical Practice
(Established in 2001 and maintained by annual donation.)
(a) Head, School of Dentistry.
(b) First time Year 3 Bachelor of Oral Health students.
(c) Highest total marks in first attempt in all compulsory clinical courses in Year 2 and Year 3.
(d) (i) $500; and
   (ii) a certificate.

Davies Collison Cave Biotechnology Prize
(Established in 2013 and maintained by an annual gift from Davies Collison Cave)
(a) Head, School of Chemistry & Molecular Biosciences
(b) Undergraduate students
(c) Highest mark overall mark in BIOT2002 and BIOT3004
(d) (i) Book to the value of $80; and
   (ii) $920

Conrad Gargett Architectural Design Prize
(Established in 2007 and maintained by an annual gift from Conrad Gargett Architecture.)
(a) Head, School of Architecture.
(b) Bachelor of Architecture or Bachelor of Architectural Design students.
(c) Highest GPA in the architectural design courses in -
   (i) the first 3 years of the Bachelor of Architecture; or
   (ii) Bachelor of Architectural Design.
(d) (i) $1,000; and
   (ii) an offer of “professional experience” with Conrad Gargett Architects.

Conrad Gargett Public Architecture Prize
(Established in 2007 and maintained by an annual gift from Conrad Gargett Architecture. The prize is awarded to an architecture student who submits an architectural design project that best embodies ideas for architecture and its relationship to the public
realm. The object of the prize is to enable a graduate to obtain special experience overseas and gain greater understanding and knowledge of the role public architecture in the formation of cities and communities.)

(a) Head, School of Architecture.
(b) Bachelor of Architecture or Master of Architecture students.
(c) Best application based on -
   (i) an architectural design project completed in -
   (A) year 4 or 5 of the Bachelor of Architecture; or
   (B) Master of Architecture; and
   (ii) a travel proposal that addresses the object of the prize.
(d) (i) Certificate of award; and
   (ii) $5,000; and
   (iii) $2,000 contribution to travel; and
   (iv) $500 book voucher; and
   (v) 2 years membership to the Australian Institute of Architects (AIA).
(e) (i) Applications must be lodged with the Head of School by the date set by the Head.
   (ii) The recipient must present a seminar at The University of Queensland on return from their overseas experience to share the knowledge and experience gained.

Lilian Cooper Prize
(Established in 1991 and maintained by an annual gift from the Queensland Medical Women’s Society in memory of Lilian Cooper, the first woman registered as a medical practitioner in Queensland.)

(a) Head, School of Medicine.
(b) MBBS students.
(c) Highest overall achievement in the four years of the MBBS program.
(d) A prize determined by the Queensland Medical Women’s Society of at least $100 in value.
(e) The Prize will be presented at the Annual General Meeting of the Queensland Branch of the Australian Medical Association.

Corrs Chambers Westgarth Prizes
(Established in 1983 and maintained by an annual gift from Chambers McNab Tully and Wilson, Solicitors (now known as Corrs Chambers Westgarth Lawyers).)

(a) Head, School of Law.
(b) Any students enrolled in the Bachelor of Laws or Bachelor of Laws (Honours), or a dual program that includes the Bachelor of Laws or Bachelor of Laws (Honours).
(c) Prize 1 — Highest mark in first attempt at LAWS5142 in a year when the course is offered.
   Prize 2 — Highest mark in first attempt at LAWS5138 in a year when the course is offered.
(d) Each prize — $200.

Margaret Cribb Memorial Prize
(Established in 1995 as a memorial to the late Mrs Margaret Cribb former staff member of the Department of Government. Maintained by the income accruing on the sum of donations made by her family, former colleagues and friends.)

(a) Head, School of Political Science and International Studies.
(b) Any student.
(c) Greatest proficiency in level 3 state government and industrial relations courses.
(d) Books.

David Leeder Davies Prize in Trade Practices Law
(Established in 1992 and maintained from the income of a gift of $8,000 from the family and friends of the late Mr David Leeder Davies, a graduate of the University of Queensland Law School and the University of London Law School, and a member of the Bars of Queensland and Papua New Guinea.)

(a) Head, School of Law.
(b) Any student.
(c) Highest mark in first attempt at LAWS5138.
(d) Law books.

Maria De Donatis Memorial Prize in Corporate Law
(Established in 1998 and maintained from a gift from the family and friends of the late Maria De Donatis, a graduate of the University of Queensland Law School and a solicitor of the Supreme Court of Queensland.)

(a) Head, School of Law.
(b) Female student.
(c) Highest overall marks in first attempt at LAWS3111, LAWS3112 and LAWS4112.
(d) $500.

John and Jan de Jersey Biochemistry and Molecular Biology Prize
(Established in 2009 and maintained by an annual gift from John and Jan de Jersey.)

(a) Head of School, Chemistry and Molecular Biosciences.
(b) Any student who -
   (i) has completed one of the following programs at the university in the year in which the prize is awarded-
       (A) Bachelor of Science;
(B) another relevant pass degree that served as the entry qualification for the Bachelor of Science (Honours) program (BSc(Hons)); and

(ii) is enrolled in the BSc(Hons), in the field of biochemistry.

(c) Highest marks in 8 units in level 3 courses administered by the School of Chemistry and Molecular Biosciences and undertaken in one of the pass degrees referred to in paragraph (b)(i).

(d) $1,000.

Delta Sigma Delta – John Sagar Prize
(Established in 2007 and maintained by an annual gift from Delta Sigma Delta Fraternity, Queensland Graduate Chapter.)

(a) Head, School of Dentistry.

(b) Year 2 either BSc or BSc(Hons) students.

(c) Highest marks at first attempt in the second year of either the BSc or BSc(Hons) program.

(d) $500 for the purchase of textbooks in Dentistry or Medicine.

Dental Hygienists’ Association of Australia (Qld Branch) Oral Health Prize
(Established in 2002.)

(a) Head, School of Dentistry

(b) Year 3 BOralH students.

(c) Highest mark for first attempt at the course entitled Advanced Oral Health Therapy II.

(d) (i) full new graduate membership to the Dental Hygienists’ Association of Australia (Queensland Branch) for one year; and

(ii) an engraved specialist periodontal instrument kit.

Dental Study Club Prize
(Established in 1941 by the Dental Study Club of Brisbane and reconstituted in 1961 by a gift of $500 by the Club.)

(a) Head, School of Dentistry.

(b) First time, Year 3 either BDSc or BDSc(Hons) students.

(c) Highest total marks in compulsory courses.

(d) $500 for the purchase of suitable Dental textbooks.

Devahuti Prize in History
(Established in 1974 and maintained by donation from Professor D.P. Singhal, former Professor of History of the University of Queensland, in honour of his wife, Dr D. Devahuti who was a member of the staff of the Department of History for 11 years.)

(a) Head, School of Historical and Philosophical Inquiry.

(b) Students completing postgraduate BA honours (History) with class 1 honours and specialising in Asian History.

(c) Greatest proficiency in the program.

(d) Money.

(e) If no student who has so specialised attains a standard sufficiently meritorious to warrant the award of the prize it may be awarded to a student otherwise qualified.

The Tiffany Dobbs Memorial Prize
(Established in 2015 in memory of Tiffany Dobbs and funded by a donation from Kentucky Equine Research)

(a) Head, School of Agriculture and Food Sciences

(b) Full time Year 3 Bachelor of Equine Science Students

(c) Highest mark in the course titled ‘Equine Nutrition’

(d) $500

James Dowrie Memorial Prizes
(Founded in 1950 by a gift of $2,000 by the Metal Trades Employers’ Association (now Metal Trades Industry Association) in memory of Mr James Dowrie, who was a pioneer ironmaster in the City of Brisbane and Chairman of the Association from its inception to his death.)

(a) Head, School of Mechanical and Mining Engineering.

(b) Prizes 1 and 2 — Students having #16 units or fewer to complete the Bachelor of Engineering or Bachelor of Engineering (Honours) or Bachelor of Engineering or the integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in the fields of engineering of Mechanical or Mechanical and Aerospace.

(c) Prizes 1 and 2 — Best results in the third year.

(d) Books or equipment.

(e) If more than 1 person meets the requirements for Prize 3 set out in rule (c), preference must be given to a student who has gained practical experience in the industry that is additional to the experience prescribed for the relevant program.

John F. Dunkley Memorial Prize
(Established in 1979 by a gift of $1,000 from Dr John F. Dunkley.)

(a) Head, School of Medicine.

(b) Students completing the MBBS.

(c) Best results in the progressive summative assessment in the obstetrics and gynaecology and neonatology rotation in the final year of the program.
David Dunlop Memorial Prize
(Established in 1993 in memory of David Dunlop, a graduate of the University and a respected member of the Queensland dentistry profession until his death in 1992. The prize is maintained by an annual gift from the Alumni Friends of The University of Queensland. This annual gift is supported by the income from a fund held by Alumni Friends that were provided by his family, friends and colleagues.
(a) Head, School of Dentistry
(b) Year 3 either BDSc or BDSc(Hons) students.
(c) Highest mark at the first attempt in the orthodontic component of DENT3042.
(d) Money.

Fred Z. Eager Research Prize in Veterinary Science
(Established by a gift of $6,000 from Miss Miriam E. Wippell in memory of the late Fred Z. Eager, the income of the fund being used to provide a prize to encourage research in Veterinary Science within the University of Queensland.)
(a) Head, School of Veterinary Science.
(b) Holders of degree in veterinary science from this University who —
   (i) are enrolled in a higher degree in the field of veterinary studies at this University; and
   (ii) have completed successfully at least one year of full-time study (or the part-time equivalent).
(c) The potential for the applicant’s postgraduate study to make an outstanding contribution to the veterinary sciences discipline, based on consideration of the applicant’s report and discussions with the Head, School of Veterinary Science and the applicant’s supervisor.
(d) Money

Economic Society of Australia (Qld) Prize
(Established in 1962 and maintained by an annual gift from the Queensland Branch of the Economic Society of Australia and New Zealand.)
(a) Head, School of Economics.
(b) Students completing the BEcon.
(c) Greatest overall proficiency in third level Economics courses.
(d) (i) $400
   (ii) two years full ordinary membership of the Society.

Charles Ede Antiquities Museum Prize
(Established in 1998 and maintained by an annual gift from Mr James Ede in honour of his father, Mr Charles Ede.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Students enrolled in courses offered in classics and ancient history.
(c) Best piece of written work (maximum 2,000 words) on a topic relating to the Antiquities Museum.
(d) $250.
(e) A copy of the winning essay will be forwarded to the donor.

E.S. Edmiston Prize
(Established in 1967 and maintained by the income of a gift of over $1,600 from past students, colleagues and industry, in memory of Associate Professor E.S. Edmiston, who was associated with the Applied Science in Industrial Chemistry course for 30 years.)
(a) Head, School of Chemical Engineering.
(b) Students who –
   (i) are enrolled in either the Bachelor of Engineering or Bachelor of Engineering (Honours) program in any field of engineering in the chemical engineering discipline; or a dual program that includes a Bachelor of Engineering or Bachelor of Engineering (Honours) component in any field of engineering in the chemical engineering discipline; and
   (ii) attained #32 total credit but has not attained #40 total credit towards their program or dual program in the year of the award with at least #24 completed at The University of Queensland; and
   (iii) have successfully completed all compulsory courses listed in years 1 and 2 of the program course listed for a chemical engineering discipline; and
   (iv) are continuing students and intend to enrol in courses listed for year 3 of the program.
(c) Highest cumulative GPA for those courses completed towards the Bachelor of Engineering or Bachelor of Engineering (Honours) program or dual program.
(d) Money.

Embassy of Spain Prize
(Established in 2008 and maintained by an annual donation from The Education Office of the Embassy of Spain in Australia.)
(a) Head, School of Languages and Cultures Studies.
(b) Students enrolled in the BA Honours program in Spanish-related research area who completed the BA pass program, majoring in Spanish.
(c) Highest overall marks in Spanish language studies undertaken in the BA pass program.
(d) (i) Books to the value of $200; and
   (ii) a certificate.
Endodontic Group Academic Award for Clinical Excellence in Endodontics
(Established in 2005 and maintained by an annual donation from the Queensland Public Sector Dentists Association)
(a) Head, School of Dentistry
(b) First time, Year 4 BDSc students
(c) Highest overall mark for clinical Endodontics
(d) $1000

ENERGEX Power Engineering Prize
(Established in 2009 and maintained by an annual gift from ENERGEX.)
(a) Head, School of Information Technology and Electrical Engineering.
(b) Prize 1: Graduating student who in the year of the award –
   (i) has completed either –
      (a) the Bachelor of Engineering or Bachelor of Engineering (Honours) program, in the field of electrical engineering; or
      (b) a dual program that includes a Bachelor of Engineering or Bachelor of Engineering (Honours) program, in the field of electrical engineering; and
   (ii) has completed a thesis project in the broad field of power engineering.

Prizes 2 and 3: Student who –
   (i) is enrolled in either –
      (a) the Bachelor of Engineering or Bachelor of Engineering (Honours) program, in the field of electrical engineering; or
      (b) a dual program that includes a Bachelor of Engineering or Bachelor of Engineering (Honours) program, in the field of electrical engineering; and
   (ii) has attained #40 total credit towards their program or dual program in the year of the award; and
   (iii) has successfully completed at least 2 of the following courses:-
         ELEC2003,
         ELEC3300,
         ELEC4300,
         ELEC4302,
         ELEC4320.

Prize 4: Student who
   is enrolled in either –
   (a) the Bachelor of Engineering or Bachelor of Engineering (Honours) program, in the field of electrical engineering; or
   (b) a dual program that includes a Bachelor of Engineering or Bachelor of Engineering (Honours) program, in the field of electrical engineering; and
   (i) has attained #24 total credit but has not attained #40 total credit towards their program or dual program in the year of the award; and
   (ii) has completed at least #16 total credit towards their program or dual program at The University of Queensland

(c) Prize 1: Highest weighted cumulative GPA as used for Bachelor of Engineering or Bachelor of Engineering (Honours) or Bachelor of Engineering / Masters of Engineering or Bachelor of Engineering (Honours) / Master of Engineering honours calculations.
Prize 2: Highest cumulative GPA in the Bachelor of Engineering or Bachelor of Engineering (Honours) program or the Bachelor of Engineering or Bachelor of Engineering (Honours) program at the end of the year in which the prize is awarded.
Prize 3: Second highest cumulative GPA in the Bachelor of Engineering or Bachelor of Engineering (Honours) program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program at the end of the year in which the prize is awarded.
Prize 4: Highest cumulative GPA in the Bachelor of Engineering or Bachelor of Engineering (Honours) program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program at the end of the year in which the prize is awarded.
(d) Prize 1: $5000.
   Prize 2: $5000.
   Prize 3: $2500.

Environmental Institute of Australia and New Zealand – South East Queensland Division Prize for Bachelor of Environmental Management (Sustainable Development)
(Established in 2012 and maintained by an annual donation from the Environmental Institute of Australia and New Zealand – South East Queensland Division to 2017.)
(a) Associate Dean (Academic), Faculty of Science.
(b) Students who have completed the requirements of the Bachelor of Environmental Management – Sustainable Development.
(c) Highest overall GPA in Bachelor of Environmental Management – Sustainable Development.
(d) $200 and 1 year’s Associate membership to the Environmental Institute of Australia and New Zealand (not including the International Journal of Environment Management).
(e) No more than 2 prizes may be awarded. If three or more students achieve the same GPA, the prizes will be awarded to the student(s) who, in the opinion of the Head, School of Geography, Planning and Environmental Management, most actively participated in student activities.

Tom Keightley Ewer Memorial Prize in Animal Husbandry
(Established in 1998 by a gift from the estate of the late Professor TK Ewer, who became the first Dean of Veterinary Science appointed when the School of Veterinary Science re-opened after World War II.)

(a) Head, School of Veterinary Science
(b) BVSc and BVSc(Hons) students
(c) Highest marks in:
   ANIM1024 – Animal Husbandry,
   VETS1023 – Animal Handling, Behaviour & Welfare,
   ANIM2501 – Applied Animal Nutrition and Grazing Management, and
   VETS4034 – Theriogenology
(d) Money

Family Law Practitioners’ Association Queensland Prize in Family Law
(Established in 1994 and maintained by an annual gift from the Family Law Practitioners’ Association Queensland.)

(a) Head, School of Law.
(b) Any student.
(c) Highest mark in first attempt at LAWS5121 Family Law.
(d) $200.
(e) The recipient of the Andrea Bowler Memorial Prize for Family Law is eligible for this prize.

Financial Management of Australia Association (QLD) High Achievers in Commerce Prize
(Established in 2014 and maintained by annual donation from (and in conjunction with The Macquarie Group), The Financial Management of Australia Association QLD.)

(a) Head, School of Business on advice from a panel consisting of –
   (i) a representative from the Financial Management of Australia Association (Qld) University of Queensland Board and;
   (ii) the Manager of Academic Administration, School of Business (or nominee) and;
   (iii) a representative of the Macquarie Group.
(b) Students who are –
   (i) enrolled full-time in the Bachelor of Commerce or dual program that includes the Bachelor of Commerce and;
   (ii) have completed between #16 and #24 in the Bachelor of Commerce and;
   (iii) who have achieved a GPA on at least 6 for courses applicable to their Bachelor of Commerce.
(c) Most outstanding applicant based on –
   (i) desire to pursue a career in finance
   (ii) active participation in co-curricular, leadership and teamwork activities.
(d) (i) $1,000 and;
   (ii) participation in a 12 month mentoring program with the Macquarie Group
(e) (i) Applications must be submitted to the Head by the closing date for applications.
   (ii) Short-listed applicants may be interviewed.

Ford Memorial Prize
(Founded in 1916 by a gift of $200 from the Queensland United Licensed Victuallers’ Association in memory of Lieutenant S.K. Ford and Corporal T.W. Ford, brothers, both of whom lost their lives in the defence of the Empire.)

(a) Head, School of Communication and Arts.
(b) Undergraduate students.
(c) Best poem in English submitted to the Registrar by the end of second semester.
(d) Books.
(e) (i) Examiners for the Prize shall be appointed annually by Senate on the recommendation of the Head.
   (ii) No student may be awarded the Prize more than twice.

Isabel Forrest Memorial Prize
(Established in 1992 to commemorate the contribution made by the late Isabel Forrest to the profession of social work and maintained by a fund subscribed by her family, colleagues and friends.)

(a) Head, School of Nursing, Midwifery and Social Work.
(b) Students enrolled in the Bachelor of Social Work or Bachelor or Social Work (Honours) program.
(c) Highest mark in the level 4 course entitled ‘Contemporary Social Work: Frameworks for Advanced Practice’.
(d) Books.

Aura L. Forster Prize
(Established in 1974 by the Australian Physiotherapy Association (Queensland Branch) which collected moneys amounting to $1,090.66 to establish the Aura L. Forster Fund to commemorate the contribution of Miss Aura Louisa Forster, DipPhty Hon.BPhty, FCSP. to the University and to the advancement of physiotherapy.)

(a) A committee consisting of the Head School of Health and Rehabilitation Sciences and the President of the Australian Physiotherapy Association (Queensland Branch).
(b) Students completing the BPhty or BPhty(Hons) who have not failed in any year of the program and who have not been granted a supplementary examination in the third or fourth years of the program.
(c) Greatest proficiency throughout the program.
(d) Money.

4MBS Musica Viva Sid Page Memorial Prize in Chamber Music
(Established in 1988 in memory of Sidney B. Page and maintained partly by annual gifts from 4MBS — Music Broadcasting Society of Queensland Ltd and Musica Viva (Queensland Branch) and partly from income of a fund established by donations from...
his family, colleagues and friends. Sidney Page was Deputy Librarian, of this University from 1966–1972 and Librarian of Griffith University from that time until 1983. The Luke Filei Prize in Asian Legal Systems
(Established in 2012 and maintained by an annual gift from Luke Filei, General Counsel, Walmart Asia Realty and a graduate of The University of Queensland Law School)
(a) Head, School of Law
(b) Students enrolled in the Bachelor of Laws or Bachelor of Laws (Honours) or Bachelor of Laws or Bachelor of Laws (Honours) dual degrees
(c) Student who achieves the highest marks in their first attempt at LAWS5167
(d) $888

Josiah Francis Prize
(Established in 1967 by a gift of $400 by Lady Edna Clarke Francis in memory of the late Sir Josiah Francis, MP.)
(a) Head, School of Political Science and International Studies.
(b) Any student.
(c) Highest total marks for the School of Political Science & International Studies’ introductory course in Australian Politics.
(d) Books.

Herbert Smith Freehills Prize in Law
(Established in 1993 and maintained by an annual gift from Freehills, Solicitors (now known as Herbert Smith Freehills).)
(a) Head, School of Law.
(b) Students enrolled in the Bachelor of Laws or Bachelor of Laws (Honours) or dual program including the Bachelor of Laws or Bachelor of Laws (Honours)
(c) Highest overall mark at first attempt in LAWS2111 Law of Contact A and LAWS2112 Law of Contract B.
(d) $1000.

Michael French Prize in Psychology
(Established in 1983 as a memorial to Michael French, Senior Tutor in the Department of Psychology from 1975 to 1981 and maintained from the income of a fund subscribed by his wife, colleagues, students and friends.)
(a) Head of School of Psychology.
(b) Third year students who enrol in a fourth year program in psychology in the following year.
(c) Highest GPA in level 3 Psychology courses.
(d) Books.

Margaret Fyfe Year 2 Physiotherapy Prize
(Established in 1986 as a tribute to Dr Margaret Fyfe and in recognition of the valuable services rendered by her to electrotherapy research and practice and to the physiotherapy profession, and maintained by a fund subscribed by her colleagues and former students.)
(a) Head, School of Health and Rehabilitation Sciences.
(b) Year 2 BPhy or BPhy (Hons) students.
(c) The highest GPA for Year 2.
(d) $250.

Gadens Prize in Commercial Law
(Established in 2008 and maintained by an annual gift from Gadens Lawyers.)
(a) Head, School of Law.
(b) Students enrolled in the LLB(Hons) or an associated dual degree.
(c) Best performance in first attempt at LAWS136 Commercial Law.
(d) $1,000.
Galvanizers Association of Australia Prize
(Established in 1989 and maintained by annual donations from the Galvanizers Association of Australia.)
(a) Head, School of Mechanical and Mining Engineering, on advice from the Head, Division of Materials.
(b) Students in the Bachelor of Engineering or Bachelor of Engineering (Honours) or the integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program or dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program
(c) Best report on an assignment relating to the use of galvanizing.
(d) $500 and a certificate.

Professor Ian Gardner Prize in Occupational Health
(Established in 2015 by a donation of $5000 by Professor Ian Gardner.)
(a) Associate Dean (Academic), Faculty of Science in consultation with the Head, School of Geography, Planning and Environmental Management.
(b) Students enrolled in the Bachelor of Occupational Health and Safety Science (Hons)
(c) Highest mark in OHSS2000 – Occupational Health
(d) $1000

General Staff Self Development Prize
(Established in 1993 and maintained by the income from funds donated in the Annual Appeal.)
(a) President, The University of Queensland Secretaries’ and Office Professionals’ Association.
(b) Members of the general staff who have been employed at the University for at least 3 years.
(c) Written application which demonstrates most outstanding achievements in self-development, whether of an academic or non-academic nature.
(d) $150.

Geotechnical Engineering Program Prize
(Established in 2014 and maintained by an annual gift from the Geotechnical Engineering Centre (GEC), funded by the industry partners for the GEC.)
(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology in consultation with the Director of the Geotechnical Engineering Centre and Head, Division of Mining Engineering
(b) Prize 1 - Students who are
(i) enrolled in the Bachelor of Engineering or Bachelor of Engineering (Honours) program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) in the dual major of Civil and Geotechnical Engineering.
(ii) graduating in the year of award.
Prize 2 –
(i) enrolled in the Bachelor of Engineering or Bachelor of Engineering (Honours) program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) in the dual major of Mining and Geotechnical Engineering
(ii) graduating in the year of award.
(c) Prize 1 –
Highest cumulative GPA for the Bachelor of Engineering or Bachelor of Engineering (Honours) or the Bachelor of Engineering or the Bachelor of Engineering (Honours) components of a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours), with the dual major of Civil and Geotechnical Engineering.
Prize 2 –
Highest cumulative GPA in the Bachelor of Engineering or Bachelor of Engineering (Honours) or the Bachelor of Engineering or Bachelor of Engineering (Honours) components of a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours), with the dual major of Mining and Geotechnical Engineering.
(d) Prize 1 and 2 - Medal.

Dr John Gibb Memorial Biosecurity Prize
(Established in 2007 in memory of Dr John Gibb, who was an alumnus of UQ, and maintained by an annual gift from his sons, Jason Gibb and Dallas Gibb, who are both alumni of UQ.)
(a) Executive Dean, Faculty of Science on the recommendation of a selection committee (established by the Executive Dean) consisting of –
(i) Executive Dean, or nominee (as Chair); and
(ii) academic staff teaching in the relevant disciplines; and
(iii) a representative of the Gibb family.
(b) Students enrolled in the final year of a four year or five year bachelor degree program administered by the Faculty of Science, or an honors program administered by the Faculty of Science after having completed a three year bachelor program at the University or another university, in one of the following disciplines-
(i) agriculture; or
(ii) horticulture; or
(iii) veterinary science; or
(iv) animal studies; or
(v) environmental science; or
(vi) environmental management; or
(vii) food technology; or
(viii) food science and nutrition; or
(ix) a dual program including any of the above.
(c) Best academic performance and application of science outcomes in –
(i) 6 units of courses containing a Biosecurity component for students enrolled in the final year of a four year or five year bachelor program; or
(ii) an honours project in the area of Biosecurity for students enrolled in an honours program, in a relevant discipline listed in paragraph (b).
(d) (i) $1,500; and
(ii) a medal.
(e) (i) Applications must be lodged with the Faculty of Science by the due date set by the Executive Dean.
(ii) The selection committee may decide to interview short-listed candidates.

GlaxoSmithKline Oral Health Prize
(Established in 2001 and maintained by annual donation.)
(a) Head, School of Dentistry.
(b) Year 3 BOralH students
(c) Highest total marks on the first attempt in all compulsory 3rd Year courses
(d) $500

Goodman Foundation Marine Biology Prize
(Established by the School of Biological Sciences in 2012 from a generous bequest from the estate of Mr John Patrick Salisbury to support the purpose, activities and endeavours of the School of Biological Sciences).
(a) Head, School of Biological Sciences
(b) Year 2 Bachelor of Science students who have completed at least 6 units of courses administered by the School of Biological Sciences
(c) Highest mark for the first attempt at the second year course in the field of Marine Biology
(d) $1,000

Nanette Gottlieb Japanese Language Prize
(Established in 2013 and funded by an endowment fund created by a gift from Professor Nanette Gottlieb and further subscriptions from the University’s Japanese language community.)
(a) Head, School of Languages and Cultures
(b) Students enrolled in the Bachelor of Arts program who have completed 1st year stream A Japanese and are enrolled in 2nd year stream A Japanese.
(c) Greatest proficiency in stream A Japanese.
(d) Money

Guy Goodricke Prize
(Established in 1964 by a gift of $1,000 from the Reverend G.A. and Mrs Goodricke in memory of their son, Guy Goodricke, who held the position of Demonstrator in the Department of Psychology at the time of his death in March 1963.)
(a) Head of School of Psychology.
(b) Students completing at least #6 of level 2 psychology courses.
(c) Most distinction in those courses.
(d) Money.

Grassie and Bassett Prize in Educational Administration
(Established in 1988 and maintained from the annual interest on a sum of $7,000 being the proceeds from the sale of the now discontinued Administrators' Bulletin donated by its founder and editor, Dr M.C. Grassie, in agreement with its Editorial Board which was chaired by Professor G.W. Bassett.)
(a) Head, School of Education.
(b) Master and PhD students involved in the study of educational administration.
(c) Most meritorious performance.
(d) (i) Money.
   (ii) A citation.
   (iii) Two years full membership of the Australian Council for Educational Leaders.

G.M. Grassie Memorial Prize
(Established in 1984 by a gift of $4,000 from Dr & Mrs M.C. Grassie and Dr S.L. Grassie in memory of Graeme, their son and brother.)
(a) Head, School of Languages and Cultures.
(b) Students enrolling in an appropriate program of study leading to a PhD or MA after having completed a BA with honours or its equivalent in French Studies from this University.
(c) Proficiency in undergraduate studies in French and the relative worthiness of the proposed postgraduate work.
(d) Money.
(e) If no eligible students enrol in an appropriate PhD or MA program, the prize is to be awarded to the student completing the BA (Honours) program in French studies who achieves the highest GPA in his or her years.

Gordon Grigg Prize in Vertebrate Zoology
(Established in 2007 by the School of Integrative Biology in recognition of Professor Grigg’s contribution to the Department of Zoology, the School of Integrative Biology (now known as the School of Biological Sciences) and the advancement of research and teaching in zoology.)
(a) Head, School of Biological Sciences.
(b) Year 2 Bachelor of Science students who have completed 6 units of courses administered by the School of Biological Sciences.
(c) Highest mark for first attempt in the 2nd year course in the field of zoology.
(d) $1,000.

Russell Grigg Memorial Prize
(First established by the Queensland Agricultural College in 1949 through a donation by Mrs C.M. Grigg in memory of her husband, Russell Grigg, who lost his life in combat during World War II. Mr Grigg was a past student of the College. The Prize was formalised by the University in 2000.)
(a) Associate Dean (Academic), Faculty of Science.
(b) Students completing the second year of the BAppSc program in the field of horticulture.
(c) Highest overall marks in the second year of the program.
(d) Books to the value of $100.

Guild Insurance Prize
(Maintained by an annual gift from Guild Insurance. The prize was formalised by Senate in 2009.)
(a) Head, School of Pharmacy.
(b) Year 4 BPharm or BPharm(Hons) students.
(c) Highest mark in PHRM4031.
(d) $200.

Daniel Hamilton Prize
(Established in 1992 in memory of Dr Daniel Hamilton, a former lecturer in the Department of Physiology and Pharmacology and maintained by the income on a fund contributed by his colleagues and friends.)
(a) Head, School of Biomedical Sciences.
(b) Any student enrolled in the first year of the BSc program or the BBiomedSc program.
(c) Highest mark in first attempt at BIOL1040.
(d) $150.

Susan Hamilton Second Year Biochemistry Prize
(Established in 2014 and maintained by an annual gift from Emeritus Professor Susan Hamilton)
(a) Head, School of Chemistry and Molecular Biosciences
(b) Students in programs administered by the Faculty of Science
(c) Highest overall mark in BIOC2000
(d) $250

Susan Hamilton Third Year Biochemistry Prize
(Established in 2014 and maintained by an annual gift from Emeritus Professor Susan Hamilton)
(a) Head, School of Chemistry and Molecular Biosciences
(b) Students in programs administered by the Faculty of Science
(c) Highest overall mark in BIOC3000
(d) $250

C.H.V. Harding Prize for Postgraduate Study in Planning
(Established in 1986 by a gift from Mr C.H.V. Harding.)
(a) Head, School of Geography, Planning and Environmental Management.
(b) MUr&RegPlg and MPhil students.
(c) Highest GPA while completing the requirements of the MUr&RegPlg or the outstanding dissertation or thesis in the MUr&RegPlg or MPhil in the field of planning.
(d) Money.

C.H.V. Harding Prize in Transportation Engineering
(Established in 1996 and maintained by the income from a gift to the University of $25,000 by Mrs M.A. Harding to commemorate the career of C.H.V. Harding in Transportation Engineering.)
(a) Head, School of Civil Engineering.
(b) Bachelor of Engineering or Bachelor of Engineering (Honours) students in any field of engineering within the civil engineering discipline.
(c) The student who has demonstrated academic proficiency in CIVL2410 and who, through that proficiency and participation in sporting, cultural or other extracurricular activities, shows personal promise for leadership in the Civil Engineering profession upon graduation.
(d) Money.

Walter Harrison Prizes
(Founded in 1967 as a memorial to the late Professor W.N.L. Harrison and maintained by the income from a fund in excess of $1,700 subscribed by his former colleagues in the profession and at the University, students and friends.)
(a) Head, School of Law.
(b) Any student.
(c) Prize 1 – Highest marks for first attempt at courses entitled ’Law of Property A’ and ’Law of Property B’.
(c) Prize 2 – Highest marks for first attempt at the course entitled ’Legal History’, in a year when the course is offered.
(c) Money or books.
The Harrisonslaw Prize in Succession Law
(Established in 2015 and maintained by a biennial gift from Harrisonslaw to match the biennial offering of LAWS5130.)
(a) Head, School of Law
(b) Students enrolled in the LLB, LLB (Hons) or an LLB dual degree
(c) Student who achieves the highest marks in their first attempt at LAWS5130 – Succession Law
(d) $500

Elsie Harwood Memorial Prize
(Established in 2009 and maintained by a bequest from the late Dr Elsie Harwood, Pioneering Australian Geropsychologist and UQ Academic who, along with others, was instrumental in establishing the Department of Psychology at the University.)
(a) Head, School of Psychology.
(b) Students undertaking honours in Psychology.
(c) Best thesis on the topic of ageing.
(d) $250.

Lizzie Heal-Warry Prize
(Founded in 1910 by a gift of $200 from the late Lizzie Heal-Warry, wife of the late George L. Warry, Esq.)
(a) Head, School of Communication and Arts.
(b) Female students who have not been awarded the prize.
(c) Highest mark in a first year literature course in the School of Communication and Arts.
(d) Books.

Elias A. Heiser Prize in Classics and Ancient History
(Established in 1989 and maintained by an annual gift from Mr B. Heiser in memory of his grandfather, Elias A. Heiser.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Students who have completed at least 12 units towards a major in Ancient History or Classical Languages.
(c) The most deserving student based on diligence and enthusiasm for the relevant major and involvement in the activities of the School.
(d) $500.

Henry Schein│Halas Oral Health Prize
(Established in 1998 and maintained by an annual gift from Henry Schein│Halas.)
(a) Head, School of Dentistry.
(b) Year 2 BOralH students enrolled in all second year courses after completing all first year courses on the first attempt.
(c) Highest total marks for compulsory first year courses offered by this University.
(d) $500 for the purchase of books.

Henry Schein│Halas Prizes
(Established in 1987 and maintained by Henry Schein│Halas which provides the prizes annually.)
(a) Head, School of Dentistry.
(b) Final year either BDSc or BDSc(Hons) students.
(c) Highest 2 GPAs for level 2, 3, 4 and 5 compulsory courses.
(d) Open credit accounts with Henry Schein│Halas, each to the value of $500.
(e) The Prize will not be awarded unless the nominated recipient completes all final year courses on the first attempt. The Prizes are not transferable or redeemable in cash.

D.A. Herbert Prize in Botany
(Established in 1990 in memory of the late Professor D.A. Herbert and maintained from the income accruing on a sum of $2,400 donated by members of his family.)
(a) Head, School of Biological Sciences.
(b) Year 2 Bachelor of Science students who have completed 6 units of courses administered by the School of Biological Sciences.
(c) Highest mark for the first attempt in the 2nd year course in the field of botany.
(d) $1000.

Adrian Heyworth-Smith Memorial Latin Prize
(Established in 2010 and maintained by the annual income from a donation of $20,000 from the Heyworth-Smith Family, the Faculty of Arts and the School of History, Philosophy, Religion and Classics.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Students who –
   (i) have completed a major in Classical Languages, that includes at least 12 units in Latin; and
   (ii) are enrolled in either –
      (A) an honours program; or
      (B) a masters program,
      in Classical Languages; and
   (iii) has not been awarded another prize or scholarship in the year of the award that the Head considers to be similar; and
(iv) has not previously been awarded the prize.

c) Greatest proficiency in at least 12 units of Latin language courses undertaken as part of the Classical Languages major in the Bachelor of Arts pass degree.

d) Money.

e) If in a year there is no eligible student under rule (b), the prize may be awarded to a student who achieves the greatest proficiency in at least 12 units of combined Latin or Greek language courses, including at least 6 units in Latin language courses, undertaken as part of the Classical Languages major in the Bachelor of Arts pass degree.

Michael F. Hickey Memorial Honours Prize
(Established in 2003 in honour of Professor Michael Francis Hickey who joined the Department of Anatomy in 1942 as a full-time lecturer and held the Chair of Anatomy from 1959 until his death in 1968. In 1962 he introduced three anatomy courses for Science students, thus paving the way for the enrolment of future postgraduate research students. The Prize is maintained by the School of Biomedical Sciences.)

(a) Head, School of Biomedical Sciences.
(b) Students completing an Honours program in the disciplines of Anatomy and Developmental Biology (or equivalent).

c) Highest overall percentage in the Honours year.

d) $250.

Hill's Pet Nutrition Buddy Prize in Veterinary Nutrition
(Established in 2005 in honour of Dr Mark Morris Sr and his famous patient "Buddy". This award recognises veterinary students who have demonstrated a superior ability to apply principles of small animal clinical nutrition in the practice of animal health. The award is maintained by an annual gift from Hill's Pet Nutrition.)

(a) Head, School of Veterinary Science.
(b) Teams of students enrolled in ANIM2501 who choose dogs or cats as the focus of their applied nutrition assignment.

c) Highest grade in a ANIM2501 applied nutrition assignment which has focussed on dog or cat applied nutrition.

d) $600 and a certificate supplied by Hill’s Pet Nutrition.
(e) The winning team must consist of no more than 4 students.

Ian Hinckfuss Prize in Philosophy
(Established in 1998 by the Department of Philosophy in honour of a former colleague, Ian Hinckfuss, Reader in Philosophy, who died in 1997.)

(a) Head, School of Historical and Philosophical Inquiry.
(b) First year student.

c) Best overall result in first level philosophy courses.

d) Money.

The History Honours Research Prize
(Established in 2000 and maintained by the Department of History.)

(a) Head, School of Historical and Philosophical Inquiry.
(b) Honours BA (History) students.

c) The best honours thesis.

d) Books to the value of $100.

Noel James Holt Memorial Prize
(Established in 1993 and maintained by the income from a gift of $4,000 made by Pioneer International Limited in memory of Mr Noel Holt, a former General Manager of the Company.)

(a) Head, School of Civil Engineering.
(b) Students enrolled in Bachelor of Engineering or Bachelor of Engineering (Honours) program in any field of engineering within the civil engineering discipline that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) component of the dual degree program.

c) Best overall performance in the first attempt at CIVL2210.

d) Books worth $300.

Alexander McEwan Hopkins Memorial Prize
(Established in 1982 by a gift of $1,000 from Mr and Mrs J. Hopkins in memory of their son Alexander McEwan Hopkins, an honours graduate of the Department of Mechanical Engineering.)

(a) Head, School of Mechanical and Mining Engineering, on advice from the Head of the Mechanical Engineering discipline.

(b) Students completing semester 6 of –

(i) the Bachelor of Engineering or Bachelor of Engineering (Honours) program; or

(ii) a dual program that includes a Bachelor of Engineering or Bachelor of Engineering (Honours) program, in one of the following fields –

(A) mechanical engineering;

(B) mechanical & aerospace engineering.

c) Best performance in the design or laboratory course nominated at the start of semester 5 by the Head of School after consulting the Head of the discipline.

d) $100.

Richard Spenser Hopkins Memorial Prize in Civil Engineering
Jim Hoskin Prize
(Established in 1994 in memory of James Philip Hoskin a past student enrolled in the BLandResSc in the Faculty of Agricultural Science and maintained by the income from a fund donated by his family.)
(a) Associate Dean (Academic), Faculty of Science.
(b) Students enrolled in an undergraduate Environmental Science program with a focus on Natural Resource Science.
(c) Best performance in ENVM4321, ENVM4322 or ENVM4323
(d) Money.

Madalen Kitty Ravenhill Hulbert Memorial Prize
(Established in 1975 by a bequest of $2,000 from the late Margaret Wilhelmina Smith.)
(a) Head, School of Mathematics and Physics.
(b) Students who have obtained at least #6 from MATH1050, MATH1051, MATH1052 and MATH1061.
(c) Greatest proficiency in those courses.
(d) Money.

G H Hutchinson Vacational Practical Work Prizes in Mining and Metallurgical Engineering
(Established in 2006 and maintained by a bequest by George Herbert Hutchinson.)
(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology (the Associate Dean). To assist in the selection process, the Associate Dean may establish a selection committee (the committee), chaired by the Associate Dean, or nominee, and comprised of academic staff from the disciplines of –
(i) mining engineering; and
(ii) chemical and metallurgical engineering.
(b) 3rd and 4th year students in an approved undergraduate engineering program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program, or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program, studying in the disciplines of –
(i) mining engineering; or
(ii) chemical and metallurgical or minerals process engineering.
(c) The committee must consider the –
(i) Engineering Professional Practice report submitted by the student as required for an approved undergraduate engineering program; and
(ii) confidential report from the Engineering Professional Practice supervisor commenting on the student’s practical ability and diligence.
(d) Money.
(e) (i) The committee will consider reports submitted by 31 March annually for Engineering Professional Practice completed in the previous 12 months.
(ii) One prize will be awarded to a student in each of the 3rd and 4th year of the program.

IML Language Prizes
(Established in 2002 and maintained by an annual gift from the Institute of Modern Languages.)
(a) Head, School of Languages and Cultures.
(b) Prize 1 — Any student enrolled in first year Spanish who is a non-native Spanish speaker;
Prize 2 — Any student enrolled in first year Chinese Language Stream A;
Prize 3 — Any student enrolled in third year Indonesian who is a non-native Indonesian speaker;
Prize 4 — Any student enrolled in first year Korean who is a non-native Korean speaker;
(c) Prize 1 — Highest mark in first year Spanish;
Prize 2 — Highest mark in first year Chinese Language Stream A;
Prize 3 — Highest mark in third year Indonesian;
Prize 4 — Highest mark in first year Korean;
(d) $500 for each prize.

The Indigenous Women Engineering Excellence Prize
(Established in 2014 and maintained by an annual gift from UQ Mechanical Engineering alumn Amanda Dryden to encourage and reward indigenous female engineering students who achieve the greatest proficiency in the Bachelor of Engineering program.)
(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology.
(b) Any female student who identifies as Aboriginal or Torres Strait Islander and is enrolled full-time in both semesters of an approved undergraduate Engineering program, including the Bachelor of Engineering or Bachelor of Engineering (Honours) dual program and the integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering
(Honours) / Master of Engineering program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in the year of award;

(c) Highest GPA for the year calculated over courses which count towards the Bachelor of Engineering, the Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering or Bachelor of Engineering (Honours) program or the engineering component of a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program.

(d) Prize money is $1,000

Alexander Inglis Memorial Prize
(Established in 1952 by a bequest of $400 under the will of Alexander Inglis, Public Accountant, of Brisbane.)

(a) Head, School of Business.

(b) Candidates for a degree within the Faculty.

(c) Highest pass in first attempt at ACCT2102.

(d) Books.

Institute of Chartered Accountants in Australia Prize
(Established in 1965 and maintained by an annual grant from the Institute of Chartered Accountants in Australia (Queensland Division.)

(a) Head, School of Business.

(b) Any student.

(c) Highest overall achievement in first attempt at FINM2401, ACCT3101, ACCT3102.

(d) $200.

Institute of Chartered Accountants in Australia Prize in Management Accounting
(Established in 2014 and maintained by an annual gift from the Institute of Chartered Accountants in Australia)

(a) Head, School of Business

(b) Students enrolled in the Bachelor of Commerce or a dual degree that includes the Bachelor of Commerce

(c) Best performance at first attempt ACCT3104 – Management Accounting

(d) $1,000

(e) Students may be requested to attend an Institute of Chartered Accountants in Australia presentation or mentor program and appear in promotional material.

Institution of Mechanical Engineers Frederick Barnes Best Student Prize
(Established in 2005 and maintained by an annual gift from the Institution of Mechanical Engineers (IMechE).)

(a) A committee comprising the Head, School of Mechanical and Mining Engineering, a member of the academic staff teaching in a relevant mechanical engineering discipline, and a representative of IMechE.

(b) Students enrolled in the final year of the Bachelor of Engineering or Bachelor of Engineering (Honours) program or the integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program, or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program, in a mechanical engineering discipline.

(c) Outstanding student of the year.

(d) (i) a cash or book voucher prize to a value determined by the Head of School in consultation with the IMechE; and

(ii) an inscribed medal commemorating the award; and

(iii) a certificate.

(e) The Prize may not be shared.

Richard Jago Memorial Prize
(Established in 1983 by an initial gift of $5,000 from Professor and Mrs J.D. Jago in memory of their late son Richard, a graduate of the University in engineering and computer science, a President of the Computer Club and who had a major interest in the applications of advanced computer technology for the benefit of society. The Prize will be maintained by subsequent gifts from Professor and Mrs Jago.)

(a) Head of School of Information Technology and Electrical Engineering.

(b) Students pursuing a postgraduate degree program by way of research in the School of Information Technology and Electrical Engineering.

(c) Most deserving student on the basis of —

(i) the excellence of the student’s academic and research record; and

(ii) the extent to which the student will benefit from the activity; and

(iii) the relevance to society of the student’s research and the proposed activity; and

(iv) if all other considerations are equal, preference will be given to research and activities involving the design, development or application of computer software.

(d) Money.

(e) The Prize shall be used for the purpose of furthering research by a visit to another institution, attendance at a conference or any other approved activity requiring a period of absence from Brisbane.

Raymond James Memorial Prize
(Established in 1997 and maintained by the income from a donation of $5,000 made to the Department of Psychiatry by David, Richard and Prudence James, in memory of their father Dr Raymond James, a forensic psychiatrist.)

(a) A committee of 3 members of the psychiatry discipline nominated by the Head, School of Medicine.

(b) Third year MBBS students.

(c) Highest mark in the mental health rotation.
(d) Money.

**Harold and Mary Johnson Prize in Rheumatology**
(Established in 1979 by a joint gift of $2,000 by Frank Johnson and Lindsay Newby to the Queensland Arthritis and Rheumatism Council to establish the Harold and Mary Johnson Memorial Fund and maintained by an annual donation from that fund. The prize is currently maintained by an annual gift from Arthritis Queensland.)
(a) Head, School of Medicine.
(b) Year 3 MBBS students.
(c) Best essay on a topic related to rheumatology submitted as –
   (i) a critical appraisal of published material; or
   (ii) a scientific literature review.
(d) $200.
(e) The recipient must provide, to the Head, School of Medicine, a 500 word summary of the essay which may be reproduced in the Journal of Arthritis Queensland.

**O.A. Jones Memorial Prize**
(Established in 1983 as a memorial to the late Dr O.A. Jones, a former Reader in the Department of Geology and Mineralogy and maintained by the income from a fund of $2,830 donated by former colleagues, family and friends.)
(a) Head, School of Earth Sciences.
(b) Any student.
(c) Greatest proficiency in third level courses in the field of economic geology or related subjects.
(d) Money for the purchase of books.

**T.G.H. Jones Award for Academic Excellence in Chemistry**
(Established in 1971 by the bequest of $600 from the late Professor T.G.H. Jones, a member of the staff of the University from 1915, until his retirement in 1965. He was Professor of Chemistry from 1940 and a member of Senate for 25 years. From 2007, the prize is maintained by annual funding from the School of Chemistry and Molecular Biosciences. The name of the prize was amended in 2008.)
(a) Head, School of Chemistry and Molecular Biosciences.
(b) Students enrolled in a program administered by the Faculty of Science.
(c) Best overall marks in –
   (i) #4 of level 2 courses; and
   (ii) #8 of level 3 courses, in the discipline of chemistry.
(d) $200.

**Journalism Prize**
(Established in 1964 and maintained by a fund accumulated from a gift of $195.60 made by the Empire Press Union, London, in 1926.)
(a) Head, School of Communication and Arts.
(b) Students enrolled in the Bachelor of Journalism program.
(c) Highest GPA for 16 units listed under the heading ‘Group 2’ in the course list for the program.
(d) Books.

**The Valerie Joy Prize in Film and TV Studies**
(Established in 2014 and maintained by the income of an endowment gift from Ms Valerie Joy who graduated from UQ in 1963 with a Bachelor of Social Studies. Ms Joy has a strong passion for film. Through this gift she wishes to foster the development of tomorrow’s film talents.)
(a) Head, School of Communication and Arts.
(b) Student enrolled in the Bachelor of Arts or BA dual degrees majoring in Film and Television Studies who have completed at least 6 courses in the major.
(c) Highest GPA for courses listed in the Film and Television Studies major.
(d) $1,000.

**John Kapeleris Medal for Biotechnology**
(Established in 2013 and maintained by an annual donation from Dr John Kapeleris.)
(a) Head, School of Chemistry & Molecular Biosciences.
(b) Students who, in the year of the award, have completed the final semester of the MBiotech, MBiotech(Adv) or MBiotechResEx.
(c) Highest cumulative GPA in the MBiotech, MBiotech(Adv) or MBiotechResEx program.
(d) (i) $500; and
   (ii) a book prize; and
   (iii) Certificate of Achievement.

**The Karl Kessler Memorial Prize**
(Established in 1992 in memory of Karl Kessler, a medical student of the University who died in 1989 while in his final year of study. Maintained by the income from a fund contributed by his friends.)

(a) The prize is awarded annually by Senate on the recommendation of a committee comprising of -
   (i) the Academic Vice President, UQMS, or nominee as Chair; and
   (ii) the Head, School of Medicine or nominee; and
   (iii) the Director of Infectious Disease, Royal Brisbane Hospital; and
   (iv) a patron of UQMS.

(b) An applicant is eligible for the award, if the applicant -
   (a) is a Year 3 MBBS student who plans to undertake an approved end of year elective in the field of infectious disease; and
   (b) submits an application by the due date addressing the following criteria:
      (i) outline of the elective: and
      (ii) expected outcomes.

(c) The prize is awarded to the student who, in the opinion of the committee, submits the best application.

(d) Money

(e) On their return, the recipient must submit an essay outlining their elective experience. The essay will be reproduced in the annual UQMS magazine.

Dr Elaine Katte Prize in Medicine
(Established in 2006 and maintained by an annual gift from Dr Elaine Katte.)
(a) Head, School of Medicine.
(b) Final year MBBS students who have not repeated a year of the program.
(c) Highest overall marks for the 4 years of the program.
(d) (i) $2,000; and
   (ii) School of Medicine academic achievement certificate bearing the name Dr Elaine Katte Prize in Medicine, the name of the recipient, the year of the award, and the words: Awarded on the basis of highest overall marks achieved over the four years of the MBBS program, taking into account participation in student activities.
(e) If two or more students achieve the same overall marks, the prize will be awarded to the student who most actively participated in student activities.

Duncan Kemp Prize
(Established in 1983 by a gift of $3,000 from Dr D.H. Kemp and Dr A.R. Kemp in memory of their son, Duncan Kemp, a first-year student in the Faculty of Veterinary Science at the time of his death in June 1982.)
(a) Head, School of Veterinary Science (the Head), after consultation with a committee, comprising –
   (i) Head, School of Veterinary Science (the Head),
   (ii) A member of The University of Queensland Veterinary Science Association; and
   (iii) Three (3) representatives of the students enrolled in the fourth year of the Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) programs and elected by those students.
(b) Students entering Year V of the Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) who submit an application for the prize which includes evidence acceptable to the Head of having lived and worked on an animal-based farm or property.
(c) Combined highest mark in VETS4034 and VETS4035 in previous year
(d) Money.

Robert Kennedy Prizes in Anatomy
(Established in 2002 and maintained from a bequest of $13,000 donated to the University by Robert Kennedy.)
(a) Head, School of Biomedical Sciences.
(b) Any student.
(c) Prize 1 - Highest mark in first attempt in BIOM2020; Prize 2 - Highest mark in first attempt in BIOL2200; Prize 3 - Highest mark in first attempt in BIOM2208.
(d) Money.

Dr M.H.M. Kidwai Memorial Prize
(Established in 1979 as a memorial to the late Dr M.H.M. Kidwai and maintained by a fund subscribed by his former colleagues, students and friends.)
(a) Head, School of Law.
(b) Any student.
(c) Highest overall mark in first attempt at LAWS2115.
(d) Money for the purchase of books.

Jiro Kikkawa Ecology Prize
(Established by the School of Biological Sciences in 2012 from a generous bequest from the estate of Mr John Patrick Salisbury. The prize was named to recognise Emeritus Professor Jiro Kikkawa’s distinguished contributions to the field of Ecology as well as his role as Head of the Department of Zoology at the University of Queensland from 1980 to 1987.)
(a) Head, School of Biological Sciences
(b) Year 2 Bachelor of Science students who have completed at least 6 units of courses administered by the School of Biological Sciences
(c) Highest mark for the first attempt at the second year course in the field of Ecology
(d) $1,000
Knowledge Books and Software Prize
(Established in 2007 and maintained by an annual gift from Knowledge Books and Software.)
(a) Head, School of Dentistry.
(b) Year 2 either BDSc or BDSc(Hons) students.
(c) Highest mark at first attempt in the written examination component of Dental Practice I (DENT 2022).
(d) Books to the value of $400.

David Andrew Krnak Memorial Prize
(Established in 1993 to perpetuate the memory of David Andrew Krnak, an Electrical Engineering graduate of the University, and maintained by the income from a fund subscribed by a major donation from his parents and donations from his former co-students, staff of the University and friends.)
(a) Head of School of Information Technology and Electrical Engineering.
(b) Students completing an approved undergraduate engineering program, including the Bachelor of Engineering or Bachelor of Engineering (Honours) or the integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in any field of engineering in one of the following disciplines -
(i) Electrical Engineering;
(ii) Electrical and Biomedical Engineering;
(iii) Electrical and Computer Engineering;
(iv) Software Engineering; or
(v) Computer Systems Engineering.
(c) Highest GPA for the degree.
(d) Money.

William Marquis Kyle Philosophy Prize
(Founded in 1963 by a gift of $600 by Mrs Kyle in memory of her husband William Marquis Kyle, Professor of Philosophy from 1939 to 1961 and subsequently Emeritus Professor, who died on 25 September 1962.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Undergraduate students who have completed 16 units of philosophy courses.
(c) Highest overall marks in advanced level philosophy courses undertaken in the year of the award.
(d) Money for the purchase of books.

Ray Ladd Prize
(Established in 1994 in recognition of the contribution to the Department of Dr Ray Ladd a former Reader in the Department of Physiology and Pharmacology and maintained by the income on a fund contributed to by the School of Biomedical Sciences.)
(a) Head, School of Biomedical Sciences.
(b) Students enrolled in the BSc program, the BSc dual program or the BBiomedSc program.
(c) Highest overall percentage at first attempt in BIOM2402.
(d) Money.

Laidley Freemasons Prize
(Established in 2011, the prize is maintained by an annual gift from a fund donated by members of Laidley Masonic Lodge, and administered by the Bursary Committee of United Grand Lodge of Queensland.)
(a) Associate Dean (Academic), Faculty of Science (the Associate Dean).
(b) Students who -
   (i) have completed at least 16 units of a program offered by the Faculty of Science at Gatton campus; and
   (ii) are enrolled in a subsequent semester of the program referred to in paragraph (b)(i); and
   (iii) have not previously been awarded the prize.
(b) Best personal statement submitted to the Associate Dean, by the closing date for applications, which addresses the following –
   (i) involvement in community service;
   (ii) leadership potential;
   (iii) integrity of character.
(c) Money to the value of at least $1,200.
(d) The recipient may be asked to take part in promotional activities to promote the prize.

Jeanette Landmann Memorial Prize
(Established in 2000 to commemorate the contribution made by the late Jeanette Landmann to the profession of social work and maintained by a fund established by her family, friends and colleagues.)
(a) Head, School of Nursing, Midwifery and Social Work.
(b) The highest mark at the level 3 course entitled ‘Moral and Ethical Foundations of Social Work’.
(d) Books.

Karl and Gertrude Langer Memorial Prizes
(Established in 1986 as a memorial to the late Karl Langer, Architect and Town Planner, and Gertrude Langer, Art Historian and Critic, and maintained by the income of the trust fund.)
(a) Head, School of Architecture.
(b) Students enrolled in one of the following programs -
   (i) Bachelor of Architecture; or
   (ii) Bachelor of Architectural Design; or
   (iii) Master of Architecture.

(c) Drawing Prize — Best architectural drawing.

(d) Drawing Prize - $150.

Michael Lattke Prize in New Testament Studies and Christian Theology
(Established in 2013 and maintained by an annual gift from Dr Irmtraud Petersson and Emeritus Professor Michael Lattke, who taught in The University of Queensland’s Department of Studies in Religion and its successor, the School of History, Philosophy, Religion and Classics, from 1981 to 2007. The prize is to encourage and reward excellence and the pursuit of excellence in the fields of New Testament, early Christian, and Christian theological studies.)

(a) Head, School of Historical and Philosophical Inquiry, on advice from a selection committee comprising one academic staff member from the School and one academic staff member who teaches in the relevant fields of New Testament Studies and/or Christian Theology.

(b) Students enrolled in either an Honours Degree, Masters Degree or a Research Higher Degree in the relevant fields.

(c) Best thesis in the relevant fields.

(d) (i) $1000.

   (ii) If two or more prizes are awarded, then the value of each prize will be an approximately equal share of the value of the prize.

(e) Preference for the award will be awarded in the following order:

   (i) Honour’s thesis
   (ii) Master’s thesis
   (iii) PhD thesis

Henry Law Prize
(Established in 1985 as a memorial to the late Dr Henry Law and maintained by a fund subscribed by his former colleagues, students and friends.)

(a) Head of School of Psychology.

(b) Students taking a fourth year program in Psychology.

(c) Best overall result in methodology courses in Psychology taken at levels 3 and 4.

(d) Money.

Dr John Learmonth Award
(Established in 2005 by a gift from the Rockhampton Physicians Group and Dr Llew Davies to honour the outstanding contribution of Dr John Learmonth to the practice of internal medicine in Central Queensland.)

(a) Head, School of Medicine.

(b) Year 3 MBBS students in the Central Queensland Rural Clinical School.

(c) Highest achievement for first attempt in the medicine rotation.

(d) $300

Douglas H.K. Lee Honours Prize
(Established in 1997 and maintained by an annual gift from the School of Biomedical Sciences.)

(a) Head, School of Biomedical Sciences.

(b) Students enrolled in the BSc (Hons) program in the field of physiology or pharmacology (or equivalent).

(c) Highest overall percentage in the Honours year.

(d) $250.

Marshall Lee Prize
(Established in 2014 by the School of Earth Sciences in memory of Marshall Lee)

(a) Head, School of Earth Sciences

(b) 3rd year students enrolled in ERTH3050 who have attended the fieldtrip as part of the course

(c) Greatest merit as demonstrated by:

   (i) Team Player
   (ii) Mentorship
   (iii) Supports colleagues
   (iv) Assist others to achieve their goals

(d) Geology Essentials Kit

Keith Leopold Prize
(Established in 1986 as a tribute to Professor Keith Leopold in recognition of the valuable services rendered by him in the teaching of German and maintained by a fund subscribed by his former colleagues and students.)

(a) Head, School of Languages and Cultures.

(b) Any student.

(c) Greatest proficiency in GRMN2130.

(d) $150.

Charles Mitford Lilley Memorial Prize
(Established in 1958 as a memorial to the late Dr Charles Mitford Lilley, Surgeon to the Brisbane Hospital and Clinical Lecturer in Surgery in the University of Queensland, by a gift of $600 from the amount subscribed by his colleagues and friends to honour his memory.)

(a) Head, School of Medicine.
(b) Year 3 MBBS students who are not in receipt of another surgery rotation prize.
(c) Greatest merit in the surgery rotation.
(d) Books or instruments.

**Lions of Queensland John Francis O'Grady Memorial Prize**

(Established as a scholarship in 1960 with an initial fund of $1,400 by the Lions Club of Queensland as a memorial to John Francis O'Grady, who was Consul in Brisbane for the United States of America from February 1958 until his death in June 1960. The scholarship was converted to a prize in 2011.)

(a) Head, School of Historical and Philosophical Inquiry.
(b) Students who are enrolled in an honours program in history.
(c) Greatest proficiency in advanced history courses dealing with American influence in either Asia or the Pacific or Australia, undertaken in the Bachelor of Arts pass degree.
(d) Money.

**Andrew Nicholas Liveris Prize**

(Established in 2006 and maintained by an annual gift from Andrew Nicholas Liveris to assist outstanding students pursue their studies and to encourage them to look further afield for opportunity as they near the end of their degree).

(a) A committee comprising the Head, School of Chemical Engineering and a member of the academic staff teaching in any field of the chemical engineering discipline.
(b) Final year students enrolled in an undergraduate approved Engineering program includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program studying any field of engineering with the chemical engineering discipline.
(c) Most meritorious student based on -
   (i) academic achievement in the first 3 years of the program; and
   (ii) participation in student activities; and
   (iii) personal qualities, including leadership potential; and
   (iv) other evidence deemed to be relevant to the student's future success in the engineering profession as demonstrated by an interview.
(d) (i) $3000; and
   (ii) a plaque and an academic achievement certificate bearing the name Andrew Nicholas Liveris Prize in Chemical Engineering.
(e) The prize may not be shared.

**Marsden Jacob Prize in Memory of Dr Tony Hand**

(Established in 2010 and maintained by the income of an endowment gift of $25,000 from Marsden Jacob Associates in memory of their colleague and friend Dr Tony Hand, a Doctor of Philosophy in the field of Economics from The University of Queensland.)

(a) Head, School of Economics.
(b) Student enrolled in Bachelor of Economics.
(c) Highest mark for first attempt at either of the following courses -
   (i) Economics of Natural Resources (ECON3710);
   (ii) Environmental Economics (ECON3700).
(d) $1,000.

**Ola Mary MacPherson Prize**

(Established in 1991 and maintained from a bequest of $5,000 by the late O.M. MacPherson, the first female to graduate with a Bachelor of Veterinary Science from the university.)

(a) Head, School of Veterinary Science (the **Head**), on the recommendation of a selection committee, comprising -
   (i) the Head, or nominee (as chair of the committee); and
   (ii) a mixed-gender group of 4 representatives of the students enrolled in Year 5 of the Bachelor of Veterinary Science program, elected by those students.
(b) Females completing the Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) program.
(c) Superior academic ability and the most initiative, imagination and practicality in coping and contending with problems throughout the program.
(d) Money.

**Don Mannison Prize**

(Established in 1992 and maintained by the income from a fund contributed to by friends and colleagues of the late Donald Sherwood Mannison, a Reader in the Department of Philosophy.)

(a) Head, School of Historical and Philosophical Inquiry.
(b) Postgraduate BA honours (Philosophy) students.
(c) Best results in the program.
(d) Money.

**Charles Ferdinand Marks and Elizabeth Gray Marks Prize**
The Master of Molecular Biology and Master of Bioinformatics Prize
(Established in 2013 and maintained by an annual donation from the School of Chemistry & Molecular Biosciences).
(a) Head, School of Chemistry & Molecular Biosciences.
(b) Students who, in the year of the award, have completed the final semester of the MMolBiol/MMolBiol (Adv) or MBioinf/MBioinf (Adv).
(c) Highest cumulative GPA in the MMolBiol or MBioinf programs.
(d) $500.

Margaret May Prize
(Established in 1986 as a tribute to Mrs Margaret May and in recognition of the valuable services rendered by her to concepts and practice of therapeutic movement and to the physiotherapy profession, and maintained by a fund subscribed by her colleagues and former students.)
(a) Head, School of Health and Rehabilitation Sciences.
(b) First year BPhty(Hons) students enrolled for the first time.
(c) Highest mark in PHTY1100, PHTY1200 and PHTY1221.
(d) $150.

Neil May Memorial Prize
(Established in 1976 by gift of $1,200 from Mrs Pauline May in memory of her late husband, the late Dr N.D.S. May, Foundation Head of the Department of Veterinary Anatomy.)
(a) Head, School of Veterinary Science.
(b) Students enrolled in their second year of a Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours).
(c) Highest cumulative marks in VETS1021, VETS2011 and VETS2012.
(d) Books worth $175.

McBride Psychology Prize
(Established in 1992 as a tribute to Professor Glenorchy McBride, former Professor of Psychology at the University and maintained by the income from a fund given by his colleagues, students and friends.)
(a) Head of School of Psychology.
(b) Student taking a fourth year program in Psychology.
(c) Best thesis in ethology or social psychology.
(d) Money.

Paul Stuart McCarthy Memorial Prize
(Established in 2008 and maintained by the income from a donation of $25,000 by Mrs Haila McCarthy on behalf of her family, in memory of her son Paul Stuart McCarthy.)
(a) Head, School of Medicine, on advice from a selection committee comprising the Head, as chair of the committee, the Academic Vice-President, University of Queensland Medical Society (UQMS), and one member of the McCarthy family.
(b) The prize is open to students who have submitted an application form and are enrolled in Year 4 of the Bachelor of Medicine/Bachelor of Surgery program, and who have undertaken an approved clinical rotation in the year of the award. The rotation must be completed either interstate or overseas.
(c) Awarded to the most meritorious student based on:
   (i) a report of no more than 1000 words on their interstate or overseas study experience: and
   (ii) a personal statement addressing the following:
      (a) integrity of character; and
      (b) contribution to the UQMS; and
      (c) involvement in community service; and
      (d) demonstrated interest in sport or adventure or both.
(d) Money
(e) The report will be reproduced in the annual UQMS magazine.

Thomas William McCawley Memorial Prize
(Established in 1995 by a bequest of $10,000 by Miss M. McCawley to perpetuate the memory of her father, the Honourable Thomas William McCawley first President of the Queensland Arbitration and Industrial Commission, Chief Justice of Queensland and Member of the Senate of the University of Queensland.)
(a) Senate on the recommendation of the Head, School of Law.
(b) Bachelor of Laws or Bachelor of Laws (Honours) Students.
(c) Greatest proficiency in LAWSS122 taken for the first time.
(d) Money for the purchase of books.
Dr John McCulloch Memorial Prize
(Established in 2011 and maintained by an annual gift from Mr Gary Portley in memory of Dr John McCulloch OAM (1938-2010).
John was a senior parliamentary research officer at the State Parliamentary Library (1984-1995) with a special interest in the
advancement of gender equity. John had a long connection to The University of Queensland: roles included activity as a student,
as a tutor, and as an elected Sub-Dean of the Arts Faculty. This prize was formalized by Senate in 2015.)
(a) Head, School of Communication and Arts, after consultation with a judging panel determined by the Work In Progress
Conference Committee
(b) Students who –
   (i) are undertaking a research higher degree program in the School of Communication and Arts
   (ii) have not previously been awarded the prize
   (iii) have submitted an application by the closing date for applications as determined by the Head.
(c) Most outstanding applicant based on -
   (i) A written and fully referenced paper of no more than 2,000 words (excluding bibliography). The paper must be
      presented at the conference for the student to be eligible for the award.
   (ii) Quality of scholarship and written expression and relevance to the annual conference theme
(d) $1000

McCullough Robertson Prizes
(Established in 1990 and maintained by an annual gift from McCullough Robertson, Solicitors of Brisbane.)
(a) Head, School of Law.
(b) Prize 1 - Full-time, second year Bachelor of Laws or Bachelor of Laws (Honours) students.
    Prize 2 - Full-time, third year Bachelor of Commerce/Bachelor of Laws or Bachelor of Commerce/Bachelor of Laws
    (Honours) students.
(c) Highest grades in the year.
(d) Each prize – $400.
(e) To be eligible, students must have been enrolled in at least two LAWS courses in the year of the prize.

McElwain Prize
(Established in 1984 as a tribute to Professor Emeritus D.W. McElwain, former Professor of Psychology, and maintained by the
income from a fund subscribed by his former colleagues, students and friends.)
(a) Head of School of Psychology.
(b) Students taking a fourth year program in Psychology.
(c) Best individual research thesis in Psychology.
(d) Money.

McGraw-Hill Book Prizes
(First established as a school-based prize in 1999, the prize has been maintained by McGraw-Hill Company Pty Ltd since 2002
and is now awarded by Senate.)
(a) Head, School of Medicine
(b) Year 2 MBBS or MD students.
(c) The highest scores in the second year examinations.
(d) Two prizes, each consisting of books to the value of at least $100.

Katharine McGregor Memorial Postgraduate Prize
(Established in 1980 by a gift of $5,000 by Miss A. Hooper, Mrs. H.S. Chesterman, Dr and Mrs J. Russell, Mr W. St C. Smith and
Miss C. Smith to commemorate the memory and contribution to the discipline of Classics of their friend Miss Katharine
McGregor.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Students who have –
   (i) graduated from this university with at least a 2A Honours degree; and
   (ii) who are enrolled in either the –
      (A) Master of Philosophy; or
      (B) Doctor of Philosophy,
      In Classical Languages or Ancient History.
(c) Greatest proficiency in the Bachelor of Arts (Honours) program.
(d) Money.

Katharine McGregor Prize for Introductory Latin or Greek
(Established in 1980 to commemorate the memory and contribution to the discipline of Classics of Miss Katharine McGregor by
her friends Miss A. Hooper, Mrs H.S. Chesterman, Dr and Mrs J. Russell, Mr W. St.C. Smith and Miss C. Smith and maintained
by the income on a gift of $1,000 donated by them for this purpose.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Any student.
(c) Highest marks at first attempt in LATN2120 or GREK2120.
(d) Money.

Bryan Hugh McKay Prize
(Established in 1985 by the Association for the Development of the Intellectually Handicapped and since 1994 maintained by an
annual donation from the Rotary Club of Jimboomba.)
(a) Head, School of Health and Rehabilitation Sciences.
(b) Students who obtain a grade of at least 5 in both OCTY2104 and OCTY2208.
(c) Highest overall marks for OCTY2104 and OCTY2208.
(d) $500.

Paul McLean Prize in Ethics
(Established in 1996 as a memorial to the late Paul McLean and maintained by a fund obtained from the sale of his library.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Any student.
(c) Most meritorious performance in an advanced course in Moral Philosophy.
(d) 50% of the income of the fund.

Paul McLean Prize in Logic
(Established in 1996 as a memorial to the late Paul McLean and maintained by a fund obtained from the sale of his library.)
(a) Head, School of Historical and Philosophical Inquiry
(b) Any student.
(c) Most meritorious performance in an advanced logic course in the Discipline of Philosophy.
(d) 50% of the income of the fund.

Janine McMaster-Kirkwood Prize in Income Tax Law
(Established in 2015 and maintained by an annual gift from the Kirkwood Family.)
(a) Head, School of Law
(b) Any student
(c) Student with the best performance in their first attempt at LAWS3101 Income Tax Law
(d) $1,000

Measured Group Honours Prize
(Established in 2013 and maintained by a gift from Measured Group, a company established in 2006 by Lyon Barrett to provide high quality geological modelling, database management and resource evaluation in the Mining Industry.)
(a) Head, School of Earth Sciences in conjunction with the Director, Measured Group.
(b) Students who are enrolled in a Bachelor of Science (Hons) in the field of Geological Sciences completing a thesis in any of the following areas:
   (1) Coal
   (2) Structural geology; or
   (3) Sedimentary geology
with preference given to students undertaking coal-related projects.
(c) Highest GPA
(d) $2000

Mechanical Engineering Acoustics Prize
(Established in 1994 and maintained by an annual gift from Renzo Tonin Ron Rumble.)
(a) Head, School of Mechanical and Mining Engineering.
(b) Any student.
(c) Best result in MECH3250.
(d) $300.

Mechanical Engineering Mathematics Prize
(Established in 1983 and supported through an endowed gift by D.N.P. and J.P. Murthy.)
(a) Head, School of Mechanical and Mining Engineering.
(b) Final year students in the Bachelor of Engineering or Bachelor of Engineering (Honours) or the integrated Bachelor of Engineering or Bachelor of Engineering (Honours)/Master of Engineering program or dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in any field of engineering within the mechanical engineering discipline.
(c) Best thesis which is mathematical in nature and deals with either basic engineering science or engineering management.
(d) The annual value of the prize is approximately equal to the annual income from the fund.

A.C.V. Melbourne Prize
(Founded in 1954 by a legacy of $400 given by Mrs Melbourne as a memorial to her husband Alexander Clifford Vernon Melbourne formerly Lecturer and later Associate Professor in History at the University from 1913–1943.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Third year Bachelor of Arts students enrolled in a major or extended major in history.
(c) Best results in history courses in the previous year.
(d) Books.

J.L. Michie Memorial Prize
(Founded in 1948 by the subscription of $2 008.32 by past students, colleagues, and friends of the late John Lundie Michie, Professor of Classics in the University of Queensland from 1910 until his death in 1946.)
(e) Head, School of Historical and Philosophical Inquiry.
(f) Students of the Faculty of Humanities and Social Sciences who are enrolled in an honours program in Classical Languages.

(g) Greatest proficiency in Latin or Greek language courses undertaken in the Bachelor of Arts pass degree.

(h) Money.

**J.L. Michie Memorial Prize for Ancient History**

(Founded in 1980 by a bequest of an amount of $4,473 by the late John Lundie Michie, Professor of Classics in the University of Queensland from 1910 until his death in 1946.)

(a) Head, School of Historical and Philosophical Inquiry.

(b) Students of the Faculty of Social Sciences who are enrolled in an honours program in Ancient History.

(c) Greatest proficiency in Ancient History courses undertaken in the Bachelor of Arts pass degree.

(d) Money.

**The Microbiology Prize**

(The award commemorates the work done by the academic staff appointed between 1949 and 1972 towards the development of a broadly-based Department of Microbiology, with the support of tutorial, research, technical and administrative staff and graduate students. Staff were: Emeritus Professor VBD Skerman (general microbiology, taxonomy, microbial data); Professor WJ Halliday (immunology); Emeritus Professor KJC Back (microbial metabolism); Dr JG Atherton (virology); Dr HW Doelle (fermentation technology); Dr AC Hayward (phytobacteriology); Dr GHG Davis (medical bacteriology); Dr DS Teakle (plant pathology); Dr IC MacRae (applied and environmental microbiology). The award was established in 2002.)

(a) Head, School of Chemistry and Molecular Biosciences.

(b) Students completing the BSc program in the field of microbiology.

(c) Highest overall mark for 8 units from the following courses –

(i) BIOL3003;

(ii) MICR3001;

(iii) MICR3002;

(iv) MICR3003;

(v) MICR3004.

(d) Money.

(e) The recipient’s entitlement to the prize is conditional on the recipient successfully enrolling in the BSc honours program in microbiology in the following year.

**Mining Engineering Program Prize**

(Established in 2010 and maintained by annual funding from the School of Mechanical and Mining Engineering.)

(a) Head, School of Mechanical and Mining Engineering.

(b) Students graduating from the Bachelor of Engineering program (BE), or a dual program that includes the BE component, in any field of engineering in the mining engineering discipline.

(c) Highest cumulative GPA in the BE program.

(d) Medal.

**Minter Ellison Prize in Law**

(Established in 1977 and maintained by an annual gift from Minter Ellison.)

(a) Head, School of Law.

(b) Students completing the Bachelor of Laws or Bachelor of Laws (Honours).

(c) Highest overall marks for the Bachelor of Laws or Bachelor of Laws (Honours) program.

(d) $500.

**Dr Margaret Mittelheuser AM and RBS Morgans Ltd Prize in MBA Accounting and Finance**

(Established in 2006, in honour of Dr Margaret Mittelheuser AM, the first female stockbroker in Australia, and maintained by the income of a perpetual endowment fund, established by gifts from RBS Morgans Ltd and from her sister, Dr Cathryn Mittelheuser AM.)

(a) Academic Dean and Head of UQ School of Business in conjunction with the MBA Director.

(b) Students who have graduated with the MBA in the year of the award.

(c) Highest combined marks in the first attempt at both ACCT7804 Accounting & Business Analysis and FINM7805 Financial Management.

(d) (i) $1,000; and

(ii) School of Business academic achievement certificate

(e) (i) A student is only eligible to be considered for the prize once.

(ii) A student granted an exemption for either course in (c) is not eligible.

(iii) If two or more students achieve the same combined marks, the prize will be awarded to the student, who has, in addition, also achieved the highest cumulative GPA within the MBA program.

**Ian Morley Prize**

(Established in 1990 and maintained by the income from a bequest of $5,000 by the late I.W. Morley and donations from colleagues and friends.)

(a) Director, Julius Kruttschnitt Mineral Research Centre, on advice from the heads of the –

(i) mining engineering; and

(ii) minerals process or chemical and metallurgical engineering disciplines.
(b) Postgraduate students studying mining, metallurgy, mineral processing or petroleum in the Julius Kruttschnitt Mineral Research Centre or in the discipline of –
   (i) mining engineering; and
   (ii) minerals process or chemical and metallurgical engineering.
(c) Selected on the basis of academic achievement, reports of work experience, leadership and personality, and apparent need.
(d) $3,000.

**Thomas Morrow Prize**
(Founded in 1910 by a gift of $300 from the late Mr Thomas Morrow.)
(a) Academic Board.
(b) Undergraduate students.
(c) Best essay written on a topic in —
   (i) Australian literature; or
   (ii) Australian history; or
   (iii) Scientific inquiry in Australia.
(d) Books worth at least $100 and money.
(e) The award of the prize shall be rotated among the 3 fields.

**Patrick Mullins Memorial Prize in Social Planning and Development Studies**
(Established in 2008 in honour of the late Associate Professor Patrick Mullins, who was a long standing academic staff member within the School, and highly regarded throughout academic networks for his quality research, publications and teaching. The prize is maintained by annual funding from the School of Social Science.)
(a) Head, School of Social Science.
(b) Any student.
(c) Highest overall marks at first attempt in SOCY7150.
(d) $200.

**A.R. Munro Prize**
(Founded in 1960 by a gift of approximately $1,400 from Mr Munro’s past students and colleagues.)
(a) Head, School of Mechanical and Mining Engineering, on advice from the head of the mechanical engineering discipline.
(b) Students in the third year Bachelor of Engineering or Bachelor of Engineering (Honours) program.
(c) Best set of Mechanical Engineering Design calculations and drawings compiled as part of the work of the program.
(d) Money for the purchase of books or suitable equipment.
(e) The winning design and other selected designs will be suitably displayed as soon as possible after the award is made, and in any case for a period of not less than two weeks at the commencement of semester in the following academic year.

**The Angus Munro Digital Architecture Prize**
(Established in 2013 and maintained by an annual gift from UQ Architecture alumnus Angus Munro. The prize is awarded to a student studying the Bachelor of Architectural Design or Master of Architecture who submits a project in the area of exploitation of digital fabrication or digital model making at the annual Summer Exhibition hosted by the School of Architecture.)
(a) A committee comprising the Head, School of Architecture, Mr Angus Munro and a member of University of Queensland academic staff teaching in the area of technology and communications.
(b) Bachelor of Architectural Design or Master of Architecture students
(c) Best project that demonstrates the exploitation of digital fabrication or digital model making
(d) $500

**Tony Murphy Prize in Electrical Engineering**
(Established in 1984 to perpetuate the memory of Tony Murphy, an engineering graduate of the University, and maintained by the income from a fund subscribed by a major donation from the parents of Anthony David Murphy and donations from his former co-students, staff of the University and friends.)
(a) Head of School of Information Technology and Electrical Engineering.
(b) Domestic students completing the Bachelor of Engineering or Bachelor of Engineering (Honours) or the integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in Electrical Engineering.
(c) Most improved student.
(d) Money.

**Denis Murphy Prize**
(Established in 1986 and maintained by annual gifts from University of Queensland Press in memory of Dr Denis J. Murphy, a member of the History Department and a major University of Queensland Press author and supporter.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Students enrolled in their first degree.
(c) Highest mark in first attempt at HiST1201.
(d) $200 selection of books currently available from University of Queensland Press, to be selected by the recipient.
Musicology Prize
(Established in 1994 and maintained by an annual gift from Mr Noel Wilmott.)
(a) Head, School of Music.
(b) Any student.
(c) Greatest proficiency in at least two of MUSC4410, MUSC4420 and MUSC4500 with a minimum grade of 6.
(d) $500.

George Naylor Prize
(Established in 1994 and maintained from the income of a fund of $10,000 donated by Dr G.R.S. and Dr G.R.E.A. Naylor.)
(a) Head of School of Psychology.
(b) First year students.
(c) Greatest proficiency in core level one psychology courses in one academic year.
(d) $500.

Nelles Family Prize in Memory of Thomas Hubert Nelles
(This prize in memory of Thomas Hubert Nelles is funded through many gifts to the UQ Union that were subsequently passed to the University. Through this support, and gifts from Thomas’ family, the prize will be offered for a term of 5 years starting from 2015.)
(a) Head, School of Languages and Cultures.
(b) Students enrolled in GRMN3020.
(c) Best mark in the course.
(d) $300.
(e) For students achieving the same course mark the student with the best overall GPA will receive the prize.

Thomas Henry Nevitt Memorial Prize
(Established in 1991 and maintained by the income from a bequest by the late T.H. Nevitt.)
(a) Head, School of Business.
(b) Students completing the BCom degree.
(c) Most outstanding academic record in courses taken while enrolled for the degree and credited towards the degree.
(d) Money.

Margaret Nickson Prize in Voice and Accompaniment
(Established in 1977 and maintained by an annual gift of $200 from Margaret G. Nickson, ARCM, half-time lecturer in Singing at the University of Queensland 1975–1978 and part-time teacher at the Queensland Conservatorium of Music. Commencing in 2003, the prize has been maintained by a biennial gift from international soprano diva, Lisa Gasteen.)
(a) Head, School of Music.
(b) Students enrolled in a course offered by the School of Music.
(c) Most outstanding performance by 2 students as singer and accompanist in biennial competition.
(d) $250 each to the singer and the accompanist.
(e) (i) The award of the prize shall be determined at a special competition held in or about August on a date announced each alternative year by the Head of School of Music.
(ii) A singer and an accompanist wishing to enter the competition in any year must lodge a joint application with the Head of School by the date set by the Head. Applications listing the items to be performed must be submitted for the approval of the Head of School on the prescribed form which is available from the School of Music. Students who have been awarded the prize in one year may not enter the competition in a subsequent year in the same partnership.
(iii) The program must be presented by the same two performers throughout and must consist of one work by G.F. Handel or H. Purcell, one lied sung in German, one melodie sung in French and one work of the performers’ choice.
(iv) A student may participate in the competition in any year both as a singer and as an accompanist in separate partnerships, but may not participate in the same capacity in more than one partnership.
(v) The competition shall be adjudicated by a panel to be appointed biennially by the Head of School. The panel shall submit to the Head of School a brief report on the performance of the competitors together with such recommendations as it may choose to make.

Margaret Nicoll Memorial Prize
(Founded in 1958 and maintained by the income from a gift of $2,000 made by the Australian Physiotherapy Association (Queensland Branch) to perpetuate the memory of Miss Margaret Nicoll, who was a Diplomate of the University of Queensland in Physiotherapy and did much for crippled children as Physiotherapist at the Montrose Home for Crippled Children.)
(a) Head, School of Health and Rehabilitation Sciences after consulting a representative of the Australian Physiotherapy Association (Queensland Branch).
(b) First time, final year BPhty or BPhty(Hons) students.
(c) Greatest proficiency in clinical practice to be determined by the student with the highest marks in the year 4 core physiotherapy practice courses.
(d) Money.

W.H.R. Nimmo Award
(Established in 1981 by the Institution of Engineers, Australia — Queensland Division to honour the name of Mr W.H.R. Nimmo, a renowned Queensland Engineer, and maintained by an annual donation of a suitably inscribed medal and $250.)
(a) Associate Dean, Faculty of Engineering, Architecture and Information Technology.
(b) Bachelor of Engineering or Bachelor of Engineering (Honours) students.
(c) Best thesis.
(d) The Nimmo Medal and $250.

**Michael P. O’Donnell Memorial Prize**
(Established in 1977 as a memorial to the late Michael P. O’Donnell and maintained by the income from a fund subscribed by his former colleagues, students and friends.)

(a) Head, School of Mathematics and Physics.
(b) Any student other than recipients of the Dulcie Evelyn Williams Memorial Prize.
(c) Greatest proficiency in first attempt at 6 units of level 3 pure mathematics courses, taken in one year, or in 2 years if a part-time student.
(d) Money.

**Robertson O’Gorman Prizes in Criminal Law**
(Established in 2014 and maintained by an annual gift from Robertson O’Gorman)

(a) Head, School of Law
(b) Students enrolled in the Bachelor of Laws or Bachelor of Laws (Honours) program or a dual program that includes the Bachelor of Laws or Bachelor of Laws (Honours) program.
(c) Prize 1 – Student who achieves the highest marks in their first attempt at Criminal Law and Procedure A
   Prize 2 – Student who achieves the highest marks in their first attempt at Criminal Law and Procedure B
(d) Each prize – $1,000

**Tian P.S. Oei Clinical Research Prize**
(Established in 2010 and maintained by a $5,000 donation from the Emeritus Professor Tian P. S. Oei who was a distinguished and dedicated researcher in clinical psychology, and mentor of many students undertaking clinical psychology research at The University of Queensland from 1984 to 2009.)

(a) Head, School of Psychology.
(b) Students completing a Doctor of Psychology in the year of the award, in one of the following fields –
   (i) Clinical Psychology;
   (ii) Clinical Neuropsychology and Clinical Psychology;
   (iii) Clinical Psychology and Health Psychology;
   (iv) Clinical Psychology and Geropsychology.
(c) Best individual doctoral thesis in psychology.
(d) $200 for the purchase of books.

**Oz Minerals Prize**
(Established in 1948 as the Zinc Corporation Scholarship by a gift of $10,000 from the Zinc Corporation Limited, and altered to the Zinc Corporation Prize in 1969. The prize was renamed the Pasminco Prize in 2001 and further renamed to the Zinfex Prize in 2004 and then the Oz Minerals Prize in 2014.)

(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology after consultation with the Director, Sustainable Minerals Institute.
(b) Students who, in either the year of the award or the preceding year –
   (i) graduated with a Master of Philosophy (or equivalent) or Doctor of Philosophy; and
   (ii) whose postgraduate work was in the broad field of mineral processing or extractive metallurgy.
(c) Most worthy.
(d) Money.
(e) The Associate Dean (Academic) will determine the number of prizes to be awarded each year.

**“Ollie” Paterson Prize**
(Established in 1984 and maintained by a gift of $5,000 from Mineral Deposits Limited to perpetuate the memory of Oliver Douglas Paterson who served the University as a Senior Lecturer in Mining Engineering and later became Managing Director of Mineral Deposits Limited.)

(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology, on advice from the head of school of each of the following disciplines –
   (i) mining engineering;
   (ii) chemical and metallurgical engineering;
   (iii) chemical and materials engineering;
   (iv) mechanical and materials engineering;
(b) Students completing an approved undergraduate engineering program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering or Bachelor of Engineering (Honours), or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program in the following disciplines –
   (i) BE(Mining Engineering);
   (ii) BE (Chemical and Metallurgical Engineering);
   (iii) BE (Chemical and Materials Engineering);
   (iv) BE (Mechanical and Materials Engineering).
(c) Best seminar in the program.
(d) Money.

**The Occupational Therapy Australia Jenny Strong Medal for Graduate Entry Masters Students in Occupational Therapy**
The University of Queensland – Prizes (as at 21 April 2016)       Page 46 of 68

(Established in 2006 and maintained by an annual grant from the Occupational Therapy Australia (Queensland), as a tribute to Jenny Strong and in recognition of the valuable services rendered by her to the profession of Occupational Therapy.)
(a) Head, School of Health and Rehabilitation Sciences after consultation with the Head of Division of Occupational Therapy.
(b) Students completing the MOccThySt.
(c) Highest GPA over the 2 years of the program.
(d) (i) an engraved medal; and
(ii) an OT Australia certificate of achievement.

The Occupational Therapy Australia Mary Rankine Wilson Student Medal
(Established in 1987 and maintained by an annual grant from the Queensland Association of Occupational Therapists, now known as Occupational Therapy Australia (Queensland), as a tribute to Mary Rankine Wilson and in recognition of her long and distinguished services to occupational therapy.)
(a) Head, School of Health and Rehabilitation Sciences after consultation with the Head of the Division of Occupational Therapy.
(b) Students completing the BOccThy or BOccThy(Hons).
(c) Highest academic standard during the program.
(d) (i) an engraved medal; and
(ii) an OT Australia certificate of achievement.

The Occupational Therapy Australia Sara Philcox Student Medal
(Established in 1974 and maintained by an annual grant from the Queensland Association of Occupational Therapists, now known as Occupational Therapy Australia (Queensland), as a tribute to Sara Philcox and in recognition of the valuable services rendered by her to the profession of Occupational Therapy.)
(a) Head, School of Health and Rehabilitation Sciences after consultation with the Head of the Division of Occupational Therapy.
(b) Students completing the BOccThy or BOccThy(Hons).
(c) Most significant progress in development of professional character and ability in the third and fourth years of the program.
(d) (i) an engraved medal; and
(ii) an OT Australia certificate of achievement.
(e) In making a recommendation, consideration shall be given to the student's -
   (i) participation in activities outside the formal program for the degree; and
   (ii) service in student affairs; and
   (iii) academic record and performance in clinical practice.

The Occupational Therapy Australia Sylvia Rodger Medal for Graduate Entry Masters Students in Occupational Therapy
(Established in 2006 and maintained by an annual grant from the Occupational Therapy Australia (Queensland), as a tribute to Sylvia Rodger and in recognition of the valuable services rendered by her to the profession of Occupational Therapy.)
(a) Head, School of Health and Rehabilitation Sciences after consultation with the Head of Division of Occupational Therapy.
(b) Students completing the MOccThySt.
(c) Most significant progress in development of professional character and ability across the 2 years of the program.
(d) (i) an engraved medal; and
(ii) an OT Australia certificate of achievement.
(e) In making a recommendation, consideration must be given to the student's –
   (i) participation in activities outside the normal scope of the formal program for the degree; and
   (ii) service in student affairs; and
   (iii) academic record and performance in clinical practice.

The Rama Krishna Sastry Pappu Memorial Prize in Business
(Established in 2015 by Dr Ravi Pappu in Memory of his Grandfather)
(a) Research Director, UQ Business School after consultation with PhD supervisors at the UQ Business School
(b) Full-time PhD students at the UQ Business School enrolled in the year of award.
(c) Best thesis passed with no changes or changes submitted in the year of award and ranked by –
   (i) International recognition of the research work;
   (ii) Impact of the research (actual and potential);
   (iii) Publications or other outputs
   (iv) The Examiners' reports; and
   (v) Any other recognition of the research quality.
(d) $1,000
(e) Students must be nominated by their PhD supervisor.

Frank Pavlin Memorial Prize
(Established in 1992 as a memorial to the late Frank Pavlin, formerly Dean and Associate Professor of Social Work, and maintained by the income from a fund subscribed by his family, colleagues and friends.)
(a) Head, School of Nursing, Midwifery and Social Work.
(b) Students enrolled in the Bachelor of Social Work program.
(c) Highest mark for the course entitled 'Introduction to Social Work'.
(d) Money.
(e) The Prize will be presented at the Annual General Meeting of the Queensland Branch of the Australian Association of Social Workers.
J. Owen Pearn Memorial Prize
(Established in 1965 and awarded first in 1967 in memory of James Owen Pearn, MDSc, Reader in Operative Dentistry, by contributions amounting to $1,395.75 from the staff and students of the Faculty of Dentistry, members of the Queensland Branch of the Australian Dental Association, members of the Dental Study Club of Brisbane and other friends.)
(a) Head, School of Dentistry.
(b) Year 3 either BDS or BDS(Hons) students.
(c) Highest mark for first attempt at the clinical component of restorative dentistry in the course entitled Dental Practice II.
(d) $250 and medal.

A.E.E. Pearse Prize
(Established in 1993 and maintained by the income of a bequest of $27,940 from the late Archibald Ernest Edgar Pearse.)
(a) Head, School of Communication and Arts.
(b) Students undertaking a research higher degree in the School.
(c) Best article in the field of Australian or English literature submitted to a scholarly journal.
(d) Money.

Kent Pearson Memorial Prize
(Established in 1986 in recognition of and to commemorate the contribution made by the late John Kent Pearson to the University and maintained by a fund subscribed by former colleagues, students and friends.)
(a) Head of School of Human Movement and Nutrition Sciences.
(b) Students having completed at least #10 for courses offered by the School of Human Movement and Nutrition Sciences.
(c) Best result in SOCY2280.
(d) Books.

Associate Professor Martin Pearson Prize
(Established in 2014 in memory of Associate Professor Martin Pearson of the School of Veterinary Science and funded by gifts provided by his family, friends and colleagues. Associate Professor Pearson was the Superintendent of the UQ Veterinary Medical Centre at Gatton and a leading Specialist Veterinary Anaesthetist.)
(a) Head, School of Veterinary Science after consultation with:
   (i) a relevant university staff member in the School of Veterinary Science
   (ii) a representative of Martin Pearson’s family or friends
   (iii) Full time Year IV Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) students who intend to commence Year V of the Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours)
(c) The prize is awarded to the person who,
   (i) Has the highest combined marks for anaesthesia components of the first attempt at 4th year courses and
   (ii) Provides evidence of interest in anaesthesia
(d) $500

Eric W Peet Memorial Prize in Medical Ethics
(Established in 2010 and maintained by the annual income from a donation by Dr Benjamin and Mrs Tamara Cohney in honour of Dr Cohney’s illustrious mentor Eric W Peet F.R.C.S. who trained both in ENT and plastic and reconstructive surgery.)
(a) Head, School of Medicine (the Head). To assist in the selection process, the Head must establish a selection committee, comprising -
   (i) the Head or nominee, as chair of the committee; and
   (ii) a member of the School of Medicine’s academic staff who is currently teaching in the broad area of medical ethics; and
   (iii) one representative of Dr Benjamin Cohney’s family.
(b) Final year MBBS students who submit an application for the prize to the Head by the closing date for applications.
(c) Best essay of no more than 2,000 words on any ethics topic in medicine, with a focus on the student’s experience of the importance of ethical principles and professional virtues.
(d) $250.

F.A. Perkins Prizes in Entomology
(Established in 1965 as a tribute to Frederick Athol Perkins, first Lecturer in Entomology (1926), first Head of the Department of Entomology and a founder of the Entomological Society of Queensland, on his retirement in that year, by contributions amounting to approximately $1,500 from his past and present students, his entomological and University colleagues and his other friends.)
(a) Head, School of Biological Sciences.
(b) Year 2 Bachelor of Science students who have completed 6 units of courses administered by the School of Biological Sciences.
(c) Highest mark for first attempt in a 2nd year course in the field of entomology.
(d) $1000.
(e) If in one or more years either prize has not been awarded the amount of income not expended on that prize may be used for the award of a corresponding additional prize or prizes in a later year if, in the opinion of the Head of School, there are then two or more outstanding students deserving of the award of that prize.

Patterson Medical Prize in Occupational Therapy
(Established in 2003 and replacing the Smith and Nephew prize in Occupational Therapy which had been in existence since 1984. The Prize is maintained by an annual donation.)

(a) Head, School of Health and Rehabilitation Sciences.
(b) BOccThy, BOccThy(Hons) and MOccThy students.
(c) Highest mark for first attempt at either OCTY2210 or OCTY7828.
(d) Books or equipment to the value of $150.
(e) If the result is tied, the prize is to be awarded to the student with the highest proficiency in components other than group work.

Pfizer Australia Prize
(Founded in 1941 and maintained by a fund of $600 established by gifts from Parke-Davis & Company. Parke-Davis has subsequently been absorbed by Pfizer Australia.)

(a) Head, School of Medicine.
(b) First time, year 3 MBBS students who are not in receipt of another prize in the area of pharmacology & therapeutics.
(c) Best critical appraisal of published material on a topic in the field of pharmacology and therapeutics.
(d) Books or instruments.

Pharmaceutical Defence Ltd Prizes
(Established in 1963 and maintained by an annual donation of $200 (increased in 1980 to $400) by Pharmaceutical Defence Ltd, Queensland Branch.)

(a) Head, School of Pharmacy.
(b) Students completing the BPharm or BPharm(Hons) program without failure.
(c) Prize 1 — Female student who shows greatest proficiency in all courses leading to the honours degree.
Prize 2 — Male student who shows greatest proficiency in all courses leading to the honours degree.
(d) For each prize, $500.

Pharmaceutical Society of Australia Prizes
(Established in 2010 and maintained by an annual gift from the Pharmaceutical Society of Australia.)

(a) Head, School of Pharmacy.

(b) Prize 1 - Year 2 Bachelor of Pharmacy or Bachelor of Pharmacy (Honours) students.
Prize 2 - Year 3 BPharm or BPharm(Hons) students.
Prizes 3 - 5 - Final year BPharm or BPharm(Hons) students.
(c) Prize 1 - Highest marks in the courses titled Quality Use of Medicines A1 and Quality Use of Medicines A2.
Prize 2 - Highest marks in the courses titled Quality Use of Medicines B1 and Quality Use of Medicines B2.
Prize 3 - Highest marks in the courses titled Quality Use of Medicines C and Integrated Patient Centred Care.
Prize 4 - Best performance in the Quality Use of Medicines Research Focussed Placement Presentation in semester 1 as nominated by the Pharmaceutical Society of Australia (PSA).
Prize 5 - Best performance in the Quality Use of Medicines Research Focussed Placement Presentation in semester 2 as nominated by the Pharmaceutical Society of Australia (PSA).
(d) For each prize, $500.
(e) The recipient of prize 1, 2 and 3 may not have been awarded any other prize in the year of the award.

Pharmacy Interests Women’s Group Prize
(Established in 1979 by a gift of $1,100, made by the Pharmacy Interests Women’s Group.)

(a) Head, School of Pharmacy.
(b) Any student.
(c) Highest aggregate marks in first attempt at the dosage form design group of courses at the second level.
(d) Money.

The Physics Prizes
(Established in 2007 and maintained by the income of an endowment fund established from a gift to the University.)

(a) Head, School of Mathematics and Physics, on advice from the head of the physics discipline.
(b) Prize 1 - Year 1 BSc students.
Prize 2 - Year 2 BSc students.
Prize 3 - Year 3 BSc students.
(c) Prize 1 - Highest overall marks at first attempt in PHYS1001 and PHYS1002.
Prize 2 - Highest overall marks at first attempt in PHYS2020, PHYS2041 and PHYS2055.
Prize 3 - Highest overall marks at first attempt in any three of PHYS3020, PHYS3040, PHYS3051 and PHYS3900.(The best three marks should count when awarding the prize).
(d) Money.
(e) If two of more students obtain the same overall mark, and in the opinion of the Head of School they cannot be split, the prize can be shared between the students.

PIMS Endeavour Award
(Established in 2008 and maintained by an annual gift from Pacific International Mining Solutions (PIMS) to foster a year 4 mining engineering student who has demonstrated the highest commitment to their studies.)

(a) Head, School of Mechanical and Mining Engineering after consultation with Head, Division of Mining Engineering and Program Leader, Division of Mining Engineering.
(b) (i) Final year students undertaking the Bachelor of Engineering program or Bachelor of Engineering (Honours) Program in any field within the mining engineering discipline.
(ii) is graduating in the year of the award.

(c) Most outstanding student who has demonstrated the greatest involvement in both curricular and extracurricular activities in mining as evidenced by a brief cover letter, resume and verified by the Head.

(d) (i) An engraved miners’ flame safety lamp; and  
(ii) $600.

Planning Institute of Australia, Queensland Division, Prizes
(Established as a prize in 1977, which since 1986 included a number of outside prizes which were formalised in 1996, and maintained by an annual gift of $500 by the Royal Australian Planning Institute, Queensland Division.)

(a) Head, School of Geography, Planning and Environmental Management.
(b) Prizes 1–4 — Bachelor of Regional and Town Planning students.
   Prize 5 — Master of Urban and Regional Planning students.
(c) Prize 1 — Greatest proficiency in the first year of the program.
   Prize 2 — Greatest proficiency in the second year of the program.
   Prize 3 — Greatest proficiency in the third year of the program.
   Prizes 4 & 5 — Greatest proficiency over the whole program.
(d) $100 each prize.

Harold Plant Memorial Prize
(Founded in 1941 by the Queensland Branch of the British Medical Association with the aid of a gift of $400 in 1918 (and accrued income thereon) made by Colonel C.F. Plant as a memorial to his son, the late Harold Plant.)

(a) Head, School of Medicine, after consulting the President, or nominee, University of Queensland Medical Society.
(b) Australian citizens completing the MBBS program.
(c) Most worthy on the basis of —
   (i) scholastic attainments, judged by the results of all examinations and other work during the program; and
   (ii) a high standard of character and service in student activities; and
   (iii) fondness for and success in sport.
(d) Money for the purchase of books.

Patricia Mary Poacher Prize
(Established in 1994 in honour of Patricia Mary Poacher, a past member of the Queensland State Vigoro team, and maintained by the income from a fund donated by her family.)

(a) Head of School of Human Movement and Nutrition Sciences.
(b) Undergraduate students who have completed one of the following courses –
   (i) History of Sport and Physical Activity in Australian Society;
   (ii) The Olympic Movement & Society.
(c) Best essay written in the relevant course.
(d) Money.

Virgil Power Prize
(Founded in 1946 by a gift of $700 from the members of his family in memory of the Honourable Virgil Power.)

(a) Head, School of Law.
(b) Students completing the Bachelor of Laws or Bachelor of Laws (Honours) program.
(c) Highest overall marks in compulsory level 3 and 4 courses.
(d) Books.

Douglas Price Memorial Prize
(Founded in 1940 by a gift of $547.45 from the Trustees of the Douglas Price Memorial Fund.)

(a) Head, School of Historical and Philosophical Inquiry.
(b) Students who have completed the BA and are proceeding to take a postgraduate BA honours program in Classics and Ancient History, History or Philosophy.
(c) Best results in advanced Philosophy courses taken as part of the BA pass degree.
(d) Books.

Priest Memorial Prize
(Founded in 1932 by a gift of $400 from the mother of Herbert James Priest, BA BSc, Lecturer in Mathematics in the University of Queensland, who died on 3 December 1930.)

(a) Head, School of Mathematics and Physics.
(b) Undergraduate students.
(c) Highest mark at first attempt in MATH2100.
(d) $100 for the purchase of books.

R.J. Pyle Memorial Oral Health Prize
(Established in 2001 and maintained by annual donation from Queensland Public Sector Dentists Association.)

(a) Head, School of Dentistry.
(b) Year 2 Bachelor of Oral Health students.
(c) Highest mark in first attempt in Community Oral Health.
(d) $300.
QIA Memorial Medallion
(The QIA Memorial Medallion was established in 1948 as an outside prize to commemorate the Queensland Institute of Architects which was founded in 1888 and later became the Royal Australian Institute of Architects, Queensland Chapter (now known as the Australian Institute of Architects (AIA) Queensland Chapter). The Medallion is maintained by a donation from the AIA Queensland Chapter, and formal rules for the prize were established in 1993.)
(a) Head, School of Architecture.
(b) BArch students or MArch students.
(c) Highest GPA in either –
   (i) the final 2 years of the BArch; or
   (ii) MArch.
(d) The QIA Memorial Medallion and Certificate.

Garry Quayle Memorial Prize for Excellence in Student Research
(Established in 1993 in memory of Garry Quayle, an AIDAB Officer in the Australian Embassy in Beijing until his death in 1992, and maintained by the income from an initial gift of $2,994 and subsequent donations made by his family and friends.)
(a) Head, School of Public Health (the Head) on the recommendation of a committee comprising –
   (i) Director, Australian Centre for International and Tropical Health (ACITH); and
   (ii) a development practitioner as nominated by the Head; and
   (iii) a senior ACITH academic currently teaching in a related field other than those covered by the remaining committee members.
(b) Master of Public Health (#24 program) and Master of International Public Health (#24 program) students.
(c) Best –
   (i) dissertation in the previous year; or
   (ii) publication based on a dissertation in the previous three years, that is considered by the committee to have the greatest potential for implementation into policy or practice in a country or internationally.
(d) Books in the field of public health.

Queensland Council of Social Service (QCOSS) Prize
(Established in 1996 and maintained by an annual gift from QCOSS Inc.)
(a) Head, School of Social Science.
(b) Any student.
(c) Highest mark in the level 3 Analysis and Practice in Social Policy course.
(d) Books to the value of $200.

The Department Of Natural Resources And Mines Chief Inspector's Award For Excellence In Mine Safety
(Established in 1997 and maintained by an annual gift from the Safety and Health Division of the Queensland Department of Mines & Energy to foster the study of safety and health in the mining engineering program at the University.)
(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology, on advice from the head of school of each of the following disciplines –
   (i) mining engineering;
   (ii) chemical and metallurgical engineering.
(b) Undergraduate and postgraduate mining engineering students.
(c) Most outstanding undergraduate or postgraduate mining engineering thesis with particular emphasis on aspects of mine safety.
(d) $1,000.
(e) The winner of this award is not eligible for the SIMTARS Dr Peter Golledge Prize for Mine Safety Research Excellence.

Queensland Public Sector Dentists Association Prize
(Established in 2005 and maintained by an annual donation from the Queensland Public Sector Dentists Association.)
(a) Head, School of Dentistry
(b) First time Year 4 either BDSc or BDSc(Hons) students.
(c) Highest overall mark for the courses entitled –
   (i) ‘Personal and Professional Development I’; and
   (ii) ‘Personal and Professional Development II’.
(d) $500.

RACGP Ben Adsett Memorial Prize
(Established in 1979 and maintained by annual gifts from the Royal Australian College of General Practitioners as a memorial to the late Benjamin Neil Adsett MBBS, FRACGP, past President of the Queensland Branch of Australian Medical Association and past Chairman of the Queensland Faculty Board of the Royal Australian College of General Practitioners.)
(a) Head, School of Medicine.
(b) MBBS students.
(c) Greatest merit in the progressive summative assessment in the general practice rotation.
(d) (i) $250; and
   (ii) a certificate

RACI Trevor Appleton First Level Chemistry Prize
(Established in 1987 and maintained by an annual gift by the Queensland Branch of the Royal Australian Chemical Institute. The prize was renamed in 2008.)
(a) Head, School of Chemistry and Molecular Biosciences.
(b) Students enrolled in a program administered by either the Faculty of Science or the Faculty of Engineering, Architecture and Information Technology.
(c) Greatest overall proficiency in first attempt at one of CHEM1010 or CHEM1100 and one of CHEM1020 or CHEM1200.
(d) (i) $200; and
(ii) a certificate; and
(iii) one year free Non-Corporate Associate Membership of the Royal Australian Chemical Institute.

RACI Trevor Appleton Third Level Chemistry Laboratory Prize
(Established in 1987 and maintained by an annual gift by the Queensland Branch of the Royal Australian Chemical Institute. The prize was renamed in 2008.)
(a) Head, School of Chemistry and Molecular Biosciences.
(b) Students enrolled in a program administered by either the Faculty of Science or the Faculty of Engineering, Architecture and Information Technology.
(c) Best overall performance in at least 8 units of level 3 chemistry courses of which 4 units comprise a significant laboratory component, including the course entitled 'Advcmned Experimental Chemistry.'
(d) (i) $200; and
(ii) a certificate; and
(iii) one year free Non-Corporate Associate Membership of the Royal Australian Chemical Institute.

Ethel Raybould Prize in Mathematics
(Founded in 1988 and maintained through a bequest by Ethel Harriet Raybould, a University Medallist and the first female Mathematics lecturer at the University.)
(a) Head, School of Mathematics and Physics.
(b) Students completing the BA or BSc with honours in the field of mathematics.
(c) Greatest proficiency in the program.
(d) $500.

Cox Rayner – Peter Hale Prize for Architecture
(Established in 2001 and formalized by Senate in 2012, this prize is one aspect of annual support for The University of Queensland provided by Cox Rayner. The prize aims to encourage a better understanding of becoming an architect, to promote a positive outlook regarding the profession's support for graduates, to promote a registration as an architect, to involve architectural practices in the training and professional growth of graduates, and to support the graduate's transition from education to the profession).
(a) Head, School of Architecture.
(b) Students completing the Master of Architecture.
(c) Highest GPA in subject areas of design, technology and practice studies.
(d) $2,500 and an offer of an internship.
(e) International students will only be offered the internship if they have the necessary visa.

Recovre Work Rehabilitation Prize
(Established in 2003 by Recovre, leaders in injury and disability management, systems and prevention, and maintained by an annual donation.)
(a) Head, School of Health and Rehabilitation Sciences.
(b) Bachelor of Occupational Therapy or Bachelor of Occupational Therapy (Honours) or Master of Occupational Therapy students.
(c) Highest mark in the first attempt at OCTY4250 Work Injury and Disability Management.
(d) Books to the value of $100 and a certificate.

Enid Reeves Memorial Prize
(Established in 1976 by a bequest of $2,000 from the late Margaret Wilhelmina Smith to the University to establish a fund for the purpose of providing a prize in memory of the late Enid Reeves.)
(a) Head, School of Geography, Planning and Environmental Management.
(b) Students completing the courses GEOS1100, GEOG1000 and GEOM1000 during the first year of a program at the University.
(c) Highest GPA or, where GPAs are equal, the highest total marks in those courses.
(d) Money.

John Rendle-Short Prize in Child Health
(Established in 1984 to commemorate Professor Rendle-Short's contribution to the University as foundation Professor of Child Health and maintained by the income of a fund subscribed by his former colleagues, students and friends.)
(a) Head, School of Medicine.
(b) Final year MBBS students.
(c) Best results in the progressive summative assessment in the paediatrics & child health rotation in the final year of the program.
(d) A medallion.

Hildegard Reuther Memorial Prize
(Established in 1978 as a memorial to the late Hildegard Reuther, Pharmacist and past President of the Queensland Women Pharmacists Association, by a gift of $3,085.04 subscribed by her colleagues and friends to honour her memory.)
(a) Head, School of Pharmacy.
(b) Students completing the first year of the BPharm(Hons) program —
   (i) who intend pursuing the second year of that program; and
   (ii) whose family home is in rural Australia; and
   (iii) who have no other prize in that year.
(c) Greatest overall proficiency in the first year of the program.
(d) Money.

H.C. Richards Memorial Prize
(Founded in 1948 as a memorial to the late Professor H.C. Richards, DSc, first Professor of Geology and Mineralogy in the University of Queensland, by a gift of approximately $2,000 and medallions from past students, University colleagues and other associates.)
(a) Head, School of Earth Sciences (the "Head").
(b) Any student.
(c) Greatest overall merit in those courses offered in the earth sciences discipline which the Head designates as second level core courses.
(d) Money.

Bruce Rigsby Prize in Anthropology
(Established in 2005 and maintained by an annual gift from Ang Chin Geok in honour of Emeritus Professor Bruce Rigsby who was the highly respected Head of Anthropology from 1975 until his retirement in 2000.)
(a) Head, School of Social Science.
(b) BA honours students studying in the field of anthropology.
(c) Best honours thesis on the topic of Aboriginal anthropology, interpreted broadly to include an archaeology thesis that attends to ethnography and/or social anthropology or a thesis on an Aboriginal linguistic anthropology topic.
(d) $1,000.

Allan Robb Memorial Prize
(Founded in 1991 in memory of Allan Robb, an honours graduate of the University in Law and Arts, and maintained by a gift of approximately $11,500 from the Trustees of the Allan Robb Memorial Fund.)
(a) Head, School of Law.
(b) Any student.
(c) Highest marks for first attempt in LAWS3114.
(d) Money.

Charles Robertson Memorial Prize in History
(Founded in 1952 by a legacy of $600 given by Margaret Robertson as a memorial to her father Charles Robertson who was a member of the State Teaching Service for 40 years and twice President of the Teachers' Union.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Students pursuing a program in their first year at the University.
(c) Greatest proficiency in history courses to a total value of at least #2 in each semester.
(d) $100 for the purchase of books.

William Nathaniel Robertson Prize
(Founded in 1937 by a gift of more than $400 from the Queensland Branch of the British Medical Association in recognition of the valuable services rendered to the medical profession by Dr W.N. Robertson, Vice-Chancellor of the University 1926–1938 and augmented in 1979 by a gift of $1,500 from his daughter Clara Joan Roe.)
(a) Head, School of Medicine.
(b) Year 4 MBBS students.
(c) Highest mark in year 4 MSAT.
(d) Money.

C.N. Ross Prize
(Founded in 1956 by contributions of approximately $540 from colleagues and former students as a testimonial to Cecil Napier Ross, who retired in 1953 from the teaching staff of the Department of Civil Engineering after 40 years service to the University.)
(a) Head, School of Civil Engineering.
(b) Any student.
(c) Highest mark in CIVL2340.
(d) $100 for the purchase of books.

Margaret Julia Ross Prize in Australian History
The University of Queensland – Prizes (as at 21 April 2016)

(Established in 2015 and supported by a bequest from the estate of Margaret Julia Ross. Margaret Julia Ross graduated with a Bachelor of Arts in 1975. The prize is to encourage and reward excellence and interest in the study of Australian History.)

(a) Head, School of Historical and Philosophical Inquiry, on advice from a selection committee comprising one academic staff member from the School and one academic staff member who teaches in the field of History.

(b) Students enrolled in Honours (in the field of History and with a thesis based, in the opinion of the head, primarily on Australian History) in the year the prize is to be awarded.

(c) Best Honours thesis in the opinion of the recommending authority based primarily on Australian History.

(d) $1250

Dr Helen Row — Zonta International Memorial Prize

(Established in 1992 to commemorate the contribution of Helen Maude Row to Child Psychiatry, and maintained from an endowed fund subscribed by her former colleagues and friends.)

(a) Head, School of Medicine after consultation with –

(i) Head, Discipline of Paediatrics and Child Health; and

(ii) Head, Discipline of Psychiatry; and

(b) People affiliated with the University of Queensland in a research role or as a student or staff member who have not previously been awarded the prize.

(c) Best essay, published work, proposed research plan or outline of another activity which promotes the treatment or the prevention of mental health problems including psychiatric and behavioural problems, in childhood and adolescence. The essay or work is to be submitted to the Head, Discipline of Psychiatry.

(d) $5,000 and a certificate.

(e) The recipient will be requested to make a presentation to a meeting of the Zonta Club of Brisbane at which the prize will be awarded.

Royal Australasian College of Dental Surgeons Prize

(Established in 2005 and maintained by an annual donation from the Royal Australasian College of Dental Surgeons.)

(a) Head, School of Dentistry

(b) First time Year 5 either BDSc or BDSc(Hons) students.

(c) Best overall case presentation at the end of Year 5.

(d) $500.

Royal Australian and New Zealand College of Obstetricians and Gynaecologists Women’s Health Prize

(Established in 2005 by the Royal Australian and New Zealand College of Obstetricians and Gynaecologists and maintained by an annual donation.)

(a) Head, School of Medicine.

(b) Year 4 MBBS students.

(c) Highest mark in the Obstetrics and Gynaecology rotation.

(d) $500.

(e) The prize may not be awarded to a student who has received any other prize for the obstetrics and gynaecology rotation.

Royal Australian and New Zealand College of Ophthalmologists (Qld Branch) Prize

(Founded in 1966 and maintained by an annual gift of the Royal Australian College of Ophthalmologists.)

(a) Head, School of Medicine.

(b) Students enrolled in the 4th year of the MBBS program.

(c) Awarded to the student who achieves the highest aggregated mark in the Year 4 ophthalmology written examination.

(d) $500.

Royal Geographical Society Of Queensland, Keith Smith Prize

(Established in 1969 and maintained by an annual donation from the Royal Geographical Society of Queensland Incorporated.)

(a) Head of School of Geography, Planning and Environmental Management.

(b) Students completing the requirements of a bachelors degree with a major in Geography or Geographical Sciences or its equivalent.

(c) Most distinction in the courses comprising the major or equivalent.

(d) (i) $500; and

(ii) a medal; and

(iii) one year’s membership to the Royal Geographical Society of Queensland.

Royal National Agricultural and Industrial Association of Queensland (RNA) Prizes

(The inaugural prizes were awarded in 1950. The Prizes were formalised by the Senate in 1998. Maintained by an annual gift from the Royal National Agricultural and Industrial Association of Queensland.)

(a) Associate Dean (Academic), Faculty of Science.

(b) Prize 1 - Diploma of Applied Science students.

Prize 2 - Bachelor of Agricultural Science (Rural Technology) students.

Prize 3 - Bachelor of Applied Science (Horticulture) students.

Prize 4 - Bachelor of Applied Science (Food Science & Nutrition) students.

(c) Prize 1 - Highest GPA throughout the DipAppSc program.

Prize 2 - Highest GPA throughout the BAgrSc(RurTech) program.

Prize 3 - Highest GPA throughout the BAppSc(Hort) program.

Prize 4 - Highest GPA throughout the BAppSc(FoodSc&Nut) program.
(d) $200 for each prize.

**Steele Rudd Memorial Essay Prize**
(Established in 1973 by a gift of $210.15 from the Fellowship of Australian Writers, Queensland Section, as a memorial of Steele Rudd (Arthur Hoey Davis.).)
(a) Head, School of Communication and Arts.
(b) Any student.
(c) Best essay for ENGL1100.
(d) Books.

**The Rural Doctors Association of Queensland Prize**
(Established in 1994 and maintained by an annual gift from the Rural Doctors Association of Queensland.)
(a) Head, School of Medicine on the advice of a committee (the “committee”), chaired by the Head, or nominee and comprising –
   (i) Head, School of Medicine; and
   (ii) a representative from the Rural Doctors Association of Queensland; and
   (iii) the President of the student rural support club TROHPIQ (Towards Rural and Outback Health Professionals in Queensland), or nominee.
(b) Students who are –
   (i) domestic students as defined in the Fee Rules; and
   (ii) enrolled in year 4 of the MBBS program; and
   (iii) members of the student rural support club TROHPIQ.
(c) Most outstanding applicant based on –
   (i) a personal statement, 500 words or less, demonstrating interest in a career in rural medicine; and
   (ii) evidence of the student’s participation in activities of TROHPIQ.
(d) (i) $250; and
   (ii) One honorary registration to the Rural Doctors Association of Queensland Annual Conference, at which a commemorative plaque will be presented.
(e) (i) Applications must be lodged with the Head, School of Medicine, before 20 April in the year of the award.
   (ii) The committee may decide to interview short-listed applicants.

**John Ryley Memorial Prize in Pig Medicine**
(Established in 1993 and maintained by the income from a gift of $2,000 from Mrs Marjorie Ryley and family in memory of the late Dr John W. Ryley OAM, BVSc, FACVSc, Hon.DVSc, former member of Senate and the Veterinary Science Faculty Board.)
(a) Head, School of Veterinary Science.
(b) 4th year Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) students.
(c) Highest mark in pig medicine component of VETS4021.
(d) Money.

**Howden Saggers Lawyers Prize in Criminal Procedure**
(Established in 2008 and maintained by an annual gift from Howden Saggers Lawyers.)
(a) Head, School of Law.
(b) Students enrolled in the Bachelor of Laws or Bachelor of Laws (Honours) or a dual degree including the Bachelor of Laws or Bachelor of Laws (Honours).
(c) Highest overall marks at first attempt in LAWS2113 and LAWS2114.
(d) $1,000.

**Kos Scalvos Leadership Prize**
(Established in 2014 and maintained by an annual gift from The Pharmacy Guild of Australia, Queensland Branch)
(a) A committee comprising Head of the School of Pharmacy, the chair of the School’s Teaching and Learning Committee and the President of the Pharmacy Guild of Australia, Queensland Branch (or their nominee).
(b) 4th year Bachelor of Pharmacy or Bachelor of Pharmacy (Honours) students
(c) A student who is deemed to have achieved outstanding engagement with the industry, the community, the School and fellow Bachelor of Pharmacy or Bachelor of Pharmacy (Honours) students.
(d) $500.

**Isolde Schaupp Memorial Prize for Classical Guitar**
(Founded in 2013 by family, friends and colleagues of the late Ms Isolde Schaupp in her honour, this prize is to recognise excellence in classical guitar performance at the School of Music. Ms Schaupp taught classical guitar at the School of Music between 1986 and 2013.)
(a) Head, School of Music
(b) Students enrolled in the Bachelor of Music or Bachelor of Music (Honours) or a dual program that includes the Bachelor of Music or Bachelor of Music (Honours).
(c) Most outstanding performance in classical guitar.
(d) $500
(e) The recipient of the prize will be determined at a special competition held each year on dates to be determined by the Head, School of Music

**School of Chemical Engineering Program Prizes**
(Established in 2010 and maintained by annual funding from the School of Chemical Engineering to acknowledge students who achieve the greatest proficiency in each field of chemical engineering and environmental engineering.)

(a) Head, School of Chemical Engineering.
(b) Any student who is -
   (i) enrolled in an approved undergraduate Engineering program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program, in each field of the chemical engineering discipline.
   (ii) graduating in the year in which the prize is awarded.
(c) Highest GPA in the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering (Honours) / Master of Engineering program.
(d) Medal.
(e) One medal will be awarded to a student in each of the fields specified in rule b (i).

School of Chemistry and Molecular Biosciences Academic Excellence Award in Biochemistry
(Established in 2007 and maintained by ongoing financial commitment from the School of Chemistry and Molecular Biosciences.)

(a) Head, School of Chemistry and Molecular Biosciences.
(b) Students enrolled in a program administered by the Faculty of Science.
(c) Best overall marks in –
   (i) #4 of level 2 courses; and
   (ii) #8 of level 3 courses,
   in the discipline of biochemistry.
(d) $500.

School of Chemistry and Molecular Biosciences Academic Excellence Award in Microbiology and Parasitology
(Established in 2007 and maintained by ongoing financial commitment from the School of Chemistry and Molecular Biosciences.)

(a) Head, School of Chemistry and Molecular Biosciences.
(b) Students enrolled in a program administered by the Faculty of Science.
(c) Best overall marks in –
   (i) #4 of level 2 courses; and
   (ii) #8 of level 3 courses,
   in the discipline of microbiology or parasitology or both.
(d) $500.

School of Pharmacy, Research Higher Degree Research Quality Awards
(Established in 2007 and maintained by annual funding from the School of Pharmacy.)

(a) Head, School of Pharmacy (the Head), on the recommendation of a selection committee, comprising -
   (a) the Head, or nominee, as chair of the committee; and
   (b) the School of Pharmacy, as chair of the committee
   (c) 3 members of the university’s academic staff who are currently teaching in the field of pharmacy.
(b) PhD and MPhil students and graduates who –
   (i) were the primary authors (first listed) of a manuscript published in the year preceding the year of the award; and
   (ii) were enrolled in the PhD or MPhil program administered by the School of Pharmacy when the research leading to the publication was carried out.
(c) Prize 1 – Best publication in the field of Therapeutic Targeting.
   Prize 2 – Best publication in the field of Quality Use of Medicines.
   Prize 3 – Best publication in the field of Modelling and Simulation.
   Prize 4 – Best publication in the field of Pharmacy Education.
(d) $1,000 for each prize.
(e) (i) Applicants must submit an application to the School of Pharmacy by the date set by the Postgraduate Coordinator.
   (ii) An applicant may submit only one publication for consideration in the year of the award.
   (iii) The recipient cannot have previously received the award.

SDI Ltd Oral Health Prize
(Established in 2001 and maintained by an annual gift from SDI Ltd, previously known as Southern Dental Industries Limited.)

(a) Head, School of Dentistry.
(b) Year 2 Bachelor of Oral Health students.
(c) Highest mark for first attempt at the course entitled ‘Essentials of Oral Health Therapy I.’
(d) (i) $150; and
   (ii) an engraved medal.

SDI Ltd Prize
(Established in 1993 and maintained by an annual gift from SDI Ltd, previously known as Southern Dental Industries Limited.)

(a) Head, School of Dentistry.
(b) Year 2 either BDSc or BDSc(Hons) students.
(c) Best results at the first attempt in DENT2022.
(d) $250.
Norman Sheridan Memorial Prizes
(The prizes were established in 2013 in memory of Dr Norman Sheridan for his 42 years of dedicated service to his profession at the University of Queensland and his life’s commitment to engineering education, particularly in the field of thermodynamics and, later, that of solar energy and other renewable energies. The prizes are supported through an endowment given by his family and friends).
(a) Head, School of Mechanical and Mining Engineering.
(b) Students enrolled in the mechanical engineering discipline.
(c) Prize 1: Highest mark in the first attempt at MECH3400
Prize 2: Highest mark in the first attempt at MECH4460.
(d) The value of each prize will be approximately equal to half of the distributable annual income from the fund.

Dr Mark Skinner Prize For Academic Excellence
(Established in 2012 by a gift from friends of the Skinner Family in recognition of Dr Skinner’s long term voluntary teaching contribution at the Greenslopes Clinical School.)
(a) Head, School of Medicine
(b) 3rd year MBBS students who have undertaken a clinical rotation at the Greenslopes Clinical School
(c) Highest GPA in Year 3
(d) $500

Siemens Student Prize
(Established in 2006 and maintained by an annual gift from Siemens Hearing Instruments Pty Ltd.)
(a) Head, School of Health and Rehabilitation Sciences.
(b) Final year full-time MAudSt students.
(c) Highest overall mark for first attempt in AUDL7823 and AUDL7814.
(d) $1000.

SIMTARS Dr Peter Golledge Prize for Mine Safety Research Excellence
(Established in 1996 by a gift of $16,000 from SIMTARS (Safety in Mines Testing and Research Station), to commemorate 45 years of service by Peter Golledge, a nationally and internationally renowned mining research engineer who has dedicated his career — both in Australia and elsewhere in the mining world (including Africa, Canada and the United Kingdom) — to improving health and safety in the industry.)
(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology, on advice from the head of the school of each of the following disciplines –
   (i) mining engineering; and
   (ii) chemical and metallurgical engineering.
(b) Undergraduate and postgraduate engineering students in the following disciplines –
   (i) mining engineering; or
   (ii) chemical and metallurgical engineering.
(c) Most outstanding undergraduate or postgraduate thesis within the –
   (i) mining engineering; or
   (ii) chemical and metallurgical engineering,
discipline with a demonstrable link with improved safety in the mining industry sector.
(d) Money.
(e) A student who has been awarded the Queensland Department of Mines & Energy Chief Inspector’s Award for Excellence in Mine Safety is not eligible for this prize.

Sleath String Performance Prizes
(Established in 1998 by a bequest by Howard Sleath of 50% of his estate to the University of Queensland. Mr Howard Sleath was well-known to instrumentalists throughout Australia for the excellence of his craftsmanship and skill as a maker of stringed instruments. Mr Sleath gave the State of Queensland a string quartet of instruments to be kept under the supervision of the Head of the School of Music. The instruments were first demonstrated by the Mayne String Quartet at a concert to inaugurate the Howard Sleath Quartet of Instruments in 1974.)
(a) Head, School of Music.
(b) Bachelor of Music or Bachelor of Music (Honours) students who have not previously won first prize.
(c) Most outstanding performances played on an orchestral stringed instrument with a bow at the annual competition.
(d) (i) First Prize — $500;
   (ii) Second Prize — $250.
(e) (i) The recipients of the Prizes are determined at a special competition held each year on a date set by the Head of the School of Music.
   (ii) The Head, School of Music, must determine the piece to be played, normally of no more than 15 minutes duration.
   (iii) The competition is judged by a 2 person panel determined by the Head of School.

Henry Roderick Smith Prize in Ancient History
(Established in 1987 by a gift of $1,000 from Mrs M.E. Smith in memory of her son, who was a student at the University.)
(a) Head, School of Historical and Philosophical Inquiry.
(b) Students who have completed 2 or more advanced Ancient History courses in the year.
(c) Best performance based on any 2 of those courses.
(d) Money.
Society of Hospital Pharmacists of Australia (SHPA) Prize
(Maintained by an annual gift from the Society of Hospital Pharmacists of Australia. The prize was formalised by Senate in 2009.)
(a) Head, School of Pharmacy.
(b) Students who completed the Graduate Diploma in Clinical Pharmacy in the normal minimum time required to complete the program.
(c) Greatest proficiency in the program.
(d) $250.

SQ AusIMM Branch Encouragement Awards
(Established in 1963 and maintained by an annual gift from the Southern Queensland Women’s Auxiliary of The Australasian Institute of Mining and Metallurgy who each year, subject to monies being available and the agreement of current members, will make available the amount of $1000 for two encouragement awards.)
(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology.
(b) Undergraduate students enrolled in the Bachelor of Engineering or Bachelor of Engineering (Honours) program, including a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program, in any field of engineering within the mining or metallurgical engineering discipline who -
(i) are not in receipt of a scholarship; and
(ii) have completed, in the first attempt, both semesters of compulsory and elective courses in the second year of the program.
(c) Consistent academic performance and a high degree of enthusiasm and commitment to the profession of mining or metallurgical engineering.
(d) $500.

Southside Dental Study Club – Professor R R Stephens Prize
(Established in 2005 in memory of the late Professor R R Stephens who died in September 2004. The Prize is maintained by an annual donation from the Southside Dental Study Club).
(a) Head, School of Dentistry.
(b) First time, Year 4 either BDSc or BDSc(Hons) students.
(c) Highest mark in the general/restorative dentistry component of Dental Practice III course.
(d) $300 for the purchase of books.

Dr John Springhall Prize in Veterinary Science
(Established in 1983 by gifts from the late Dr J.A. Springhall, MBE, OAM, and his colleagues and friends. The late Dr Springhall was a Senior Lecturer in the Veterinary School from 1959–1982.)
(a) Head, School of Veterinary Science.
(b) Fourth year Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) students.
(c) Highest mark in VETS4022.
(d) Money.

Bertram Dillon Steele Prize
(Established and maintained by the income from a bequest of $3,000 from the late Mrs A. Steele, in memory of Bertram Dillon Steele, DSc, FIC, first Professor of Chemistry in The University of Queensland.)
(a) Head, School of Chemical Engineering.
(b) Students who –
(i) are enrolled in either the Bachelor of Engineering or Bachelor of Engineering (Honours) program in any field of engineering in a chemical engineering discipline; or a dual program that includes a Bachelor of Engineering or Bachelor of Engineering (Honours) component in any field of engineering in a chemical engineering discipline; and
(ii) in the previous year attained #48 total credit but has not attained #56 total credit towards their program or dual program with at least #32 completed at The University of Queensland; and
(iii) completed all compulsory courses listed in years 1, 2 and 3 of the program course listed for a chemical engineering discipline; and
(iv) are continuing students and enrolled in at least #4 in courses listed for year 4 of the program course list.
(c) Highest cumulative GPA for those courses completed towards the Bachelor of Engineering or Bachelor of Engineering (Honours) program or dual program.
(d) Money.

James Cecil Stevenson Memorial Prize
(Founded in 1944 by a gift of $600 from the Right Reverend William Henry Webster Stevenson, Bishop of Grafton, as a memorial to his son, James Cecil Stevenson, BA (Honours Mathematics), BSc, of this University, and Wing Commander in the Royal Australian Air Force, who gave his life in the service of his country.)
(a) Head, School of Mathematics and Physics.
(b) Undergraduate students.
(c) Highest aggregate marks in the first attempt at any two of MATH2301, MATH2302 and MATH2400.
(d) Books.

Jean and Joyce Stobo Memorial Prize
(Founded in 1956 by the Queensland Medical Women’s Society in memory of Drs Jean and Joyce Stobo; the initial gift was $460.)
(a) Head, School of Medicine.
(b) Female students who have completed year 2 of the MBBS or MD program.
(c) Highest overall marks in year 2 examinations.
(d) Books.

**Neville G. Sutton Prize in Surgery**
(Originally established in 1963 as the Neville G. Sutton Bursary in Surgery, to honour Professor Neville G. Sutton, upon his retirement from active University teaching. Professor Sutton was first Lecturer-in-Charge and later Professor of Surgery in 1937–1962 and Dean of the Faculty of Medicine 1957–1962. The Bursary was converted to a prize in 2002.)
(a) Head, School of Medicine.
(b) Year 3 MBBS students.
(c) Highest mark in the surgery rotation.
(d) Money.

**Kenneth Swanwick Memorial Prize**
(Founded in 1966 by a bequest of $400 under the will of Miss Beryl Blanche Steedman, BA, in memory of Kenneth Foulkes Swanwick, BA Syd.)
(a) Head, School of Mathematics and Physics.
(b) Students other than recipients of the Madalen Kitty Ravenhill Memorial Prize.
(c) Highest overall marks at first attempt in MATH1051, MATH1052 and MATH1061.
(d) $100 for the purchase of books.

**Alrene Sykes Memorial Prize**
(Established in 1991 as a memorial to the late Alrene Sykes, formerly Senior Lecturer in English at the University of Queensland, and maintained by the income from a fund subscribed by relatives, former colleagues, professional drama associates, students and other friends together with an annual donation of books from the University of Queensland Press).
(a) Head, School of Communication and Arts.
(b) Students who –
   (i) hold a BA or BCreatArts including at least one course in Australian literature or Australian drama; and
   (ii) are enrolled in one of the following programs –
      (a) BA(Hons) in English; or
      (b) BA(Hons) in English Literature; or
      (c) BA(Hons) in Drama; or
      (d) BCreatArts (Hons) in Drama; or
      (e) BA(Hons) in Australian Studies; or
      (f) GDipArts in Australian Studies; and
   (iii) are writing a thesis on Australian literature or Australian drama.
(c) Greatest proficiency in at least #20 of English courses taken for the BA.
(d) (i) Money; and
   (ii) $200 selection of books currently available from University of Queensland Press, to be selected by the recipient.

**Tax Institute Prizes in Law**
(Established in 1998 and maintained by an annual gift from The Tax Institute, formerly known as the Taxation Institute of Australia.)
(a) Head, School of Law.
(b) Prizes 1 and 2 - Students enrolled in the Bachelor of Laws or Bachelor of Laws (Honours), or a dual program including the Bachelor of Laws or Bachelor of Laws (Honours).
   Prize 3 - Any student.
(c) Prize 1 - Highest mark in first attempt at LAWS5144.
   Prize 2 - Highest mark in first attempt at LAWS5223 in a year when the course is offered.
   Prize 3 - Highest mark in first attempt at LAWS7012.
(d) (i) One year affiliate membership to the Institute; and
   (ii) certificate of achievement.

**Edward Taylor Memorial Prize**
(Founded in 1934 by a gift of $200, increased in 1936 to $300, from the Queensland Bowling Association, in memory of Mr Edward Taylor, a patron and a veteran member of that Association. The prize is currently maintained by annual funding from the School of Chemistry and Molecular Biosciences.)
(a) Head, School of Chemistry and Molecular Biosciences.
(b) Students in the Faculty of Science and the Faculty of Engineering, Architecture and Information Technology.
(c) Greatest proficiency in first attempt at any 3 second level chemistry courses studied in a single year or over 2 consecutive years.
(d) Books worth $200.
(e) Where more than one student was awarded a grade of 7 in HRSS4100, the Head of School, after consulting with the director of Therapy Solutions, will award the prize to the student whose project findings are the most relevant to occupational therapists involved in the rehabilitation of work-related or traumatic injuries.

**University of Queensland Library Excellence Award**
(Established in 2006 and maintained by an annual gift from The University of Queensland Library.)
(a) University Librarian and Director of Learning Services, in consultation with the –
   (i) President, Academic Board or nominee; and
   (ii) Deputy Vice-Chancellor (Academic) or nominee.
(b) Any undergraduate, including honours, student of the University who is not a member of staff.
(c) Best 500-700 word essay demonstrating how Library resources were used to produce an excellent assessment outcome.
   The essays will be assessed against the following criteria –
   (i) sophistication, originality, the depth or breadth in the use of Library collections; and
   (ii) evidence of significant personal learning and the development of a habit of research and inquiry; and
   (iii) exceptional ability to locate, select, evaluate and synthesise Library resources.
   The essay must be accompanied by a statement of support from the supervising lecturer, and by a copy of the piece of
   assessment, including a bibliography that shows the resources used in completing the assessment.
(d) $1000.
(e) (i) Applications must be lodged with the University Librarian by 1 October in the year of the award.
    (ii) The recommending authority may award up to four prizes annually.

The Theosophical Society Perennial Philosophy Prize
(Established in 2015 and maintained by an annual donation from the National Council of the Theosophical Society in Australia.)

(a) Head, School of Historical and Philosophical Inquiry after consultation with a committee, comprising staff of the Studies
   in Religion discipline
(b) Any student who has completed an essay in a Studies in Religion Course (with the discipline descriptor RELN) in the
   year of award
(c) Prize 1 – Awarded to the student who, in the opinion of the head, submitted the highest quality paper on any aspect of
   the Perennial Philosophy in its Eastern and Western traditions in an undergraduate program (excluding an honours
   program)
   Prize 2 – Awarded to the student who, in the opinion of the head, submitted the highest quality paper on any aspect of
   the Perennial Philosophy in its Eastern and Western traditions in a postgraduate program or an undergraduate honours
   program
(d) $750 for each prize
(e) The winning papers will be considered for publication on the Society’s website and a précis of winning papers may also
   be considered for publication in the Society’s journal
(f) A copy of the winning papers will be forwarded for placement in The Campbell Theosophical Research Library at the
   Society’s National Headquarters

Kenneth A. Thiess Prize
(Established in 1963 by a gift of $10,000 from Mr B.J. Thiess as a memorial to his son Kenneth A. Thiess, a young Civil
Engineering graduate of this University, who was accidentally killed while carrying out the duties of an engineer with the Snowy
Mountains Hydro-Electric Authority.)

(a) Head, School of Civil Engineering, on advice of a selection committee established and chaired by the Head, and
   consisting of 3 staff members from the discipline and a representative of the Civil Engineering Students’ Association who
   is a recent civil engineering graduate and who has held office on the executive of that association. The Head may directly
   nominate students or may call for expressions of interest.
(b) Any student who
   (i) is enrolled in the Bachelor of Engineering or Bachelor of Engineering (Honours) program, or a dual program that
      includes a Bachelor of Engineering or Bachelor of Engineering (Honours) component, in any field of engineering
      within the discipline of civil engineering; and
   (ii) is expected to graduate at the end of the semester in which the prize is awarded, or the semester
        immediately following.
(c) Most meritorious student based on –
   (i) performance in the examinations of the program; and
   (ii) participation in student activities as demonstrated by a cover letter and resume and verified by the Head’s selection
        committee.
(d) Money.

Think Pharmacy Prize
(Established in 2010 and maintained by an annual gift from Think Pharmacy Group Pty Ltd.)

(a) Head, School of Pharmacy.
(b) Bachelor of Pharmacy or Bachelor of Pharmacy (Honours) students.
(c) Highest marks for first attempt in PHRM3011 and PHRM3012.
(d) $500.

John William Tierney Memorial Prize
(Established in 1992 in memory of John William Tierney and maintained by a fund subscribed by the Australasian Plant Pathology
Society and members of staff who teach in the discipline of botany.)

(a) Associate Dean (Academic), Faculty of Science on consultation with the Head, School of Agriculture and Food Sciences.
(b) Any student.
(c) Highest mark for first attempt in BIOL3011 and BIOL3201.
(d) Books.

Town Planning Thesis Prize
Donald Tugby Anthropology Prize
(Established in 2010 and maintained by the income of an endowment gift of $23,000 from Dr Donald Tugby, who taught anthropology at The University of Queensland from 1958 to 1986.)
(a) Head, School of Social Science, on advice from the staff teaching in the anthropology program.
(b) Bachelor of Arts (Honours) students who –
   (i) are studying in the field of anthropology; and
   (ii) have submitted a thesis on a topic –
       (A) related to the Asia or Pacific region (excluding Australia); or
       (B) on anthropological method.
   (c) Student who obtains the highest overall GPA in the Biomedical Sciences Honours program.
   (d) (i) $1,000; and
       (ii) A School of Biomedical Sciences certificate.

Donald Tugby Biomedical Sciences Prize
(The Prize was established in 2013 and is maintained by an annual gift of $1000 from Dr Donald Tugby. Dr Tugby graduated in Physical Anthropology at the University of Sydney and maintained that interest while teaching anthropology at the University of Queensland from 1958 to 1986.)
(a) Head, School of Biomedical Sciences.
(b) Students enrolled in the BSc program, a BSc dual program or the BBiomedSc program.
(c) Student who obtains the highest overall GPA in the Biomedical Sciences Honours program.
   (d) (i) $1,000
   (ii) A School of Biomedical Sciences certificate.

Donald Tugby Musicology Prize
(Established in 2011 and maintained by the income of an endowment gift from Dr Donald Tugby, who taught anthropology at The University of Queensland from 1958 to 1986. Dr Tugby was a member of the University Choir and an advisor on world music to the School of Music.)
(a) Head, School of Music, on advice from staff teaching in the field of musicology.
(b) Students who –
   (i) are enrolled in one of the following programs -
       (A) Bachelor of Music (Honours);
       (B) Bachelor of Arts (Honours), majoring in the field of musicology; and
   (ii) have submitted a thesis on a topic in the field of musicology; and
(c) Highest overall mark and a grade of 7 for the course entitled -
   (i) ‘Thesis’ (MUSC4450); or
   (d) (i) $1,000; and
       (ii) a School of Music certificate.

Donald Tugby Postgraduate Archaeological Research Prize
(Established in 2010 and maintained by the income of an endowment gift of $23,000 from Dr Donald Tugby, who taught anthropology at The University of Queensland from 1958 to 1986. Dr Tugby introduced statistics to archaeology and initiated extensive archaeological fieldwork on North Stradbroke Island. The prize is to encourage and reward research excellence in archaeology by facilitating postgraduate student participation in the global archaeological research community.)
(a) Head, School of Social Science, on advice from the staff teaching in the field of archaeology.
(b) Students enrolled in a higher degree in the field of archaeology.
(c) Best application based on the following criteria in ranked order of importance-
   (i) peer-reviewed publication(s) (in press or published), with an emphasis on highly ranked journals or other publications;
   (ii) successful competitive grant applications;
   (iii) conference participation, with preference for conferences of international standing;
   (iv) previous prizes awarded;
   (v) proposed use of the funds to support one or more of the activities outlined in rule (d)(i).
   (d) (i) $1,000 to be used to support –
       (A) travel; or
       (B) publication; or
       (C) fieldwork costs,
       related to postgraduate research activities; and
       (ii) a School of Social Science certificate.

Donald Tugby Prize for Art History
The Donald Tugby Prize in the Psychology of Peace

(Established in 2011 and maintained by the income of an endowment gift of $23,000 from Dr Donald Tugby, who taught at The University of Queensland from 1958 to 1986. Dr Tugby’s career began teaching anthropology, social psychology, and sociology within the Department of Psychology under Don McElwain. Dr. Tugby also served as the State Convenor of Psychologists for Peace until 2009.)

(a) Head, School of Psychology, on advice from staff researching and/or teaching in the field of peace psychology.

(b) Students –

(i) who completed one of the following programs in the year of award –
   (A) Bachelor of Arts (Honours), in the field of psychology;
   (B) Bachelor of Science (Honours), in the field of psychology;
   (C) Bachelor of Psychological Science (Honours); and

(ii) who submitted a thesis on a topic related to the psychology of peace, defined to include topics such as the following –
   (A) peace and social harmony between groups, couples, and individuals;
   (B) conflict resolution and escalation;
   (C) prejudice and reconciliation;
   (D) social justice;
   (E) positive social change; and

(iii) whose thesis takes a positive approach to creating peace; and

(iv) who obtained first class for their honours thesis.

(c) Highest overall mark for honours thesis.

(d) (i) $1,000; and

(ii) a School of Psychology certificate.

The Donald Tugby Prize in Information Technology

(Established in 2014 and maintained by an annual gift from Dr Donald Tugby, who taught anthropology and psychology at the University of Queensland from 1958 to 1986 and was impressed by the need in scientific research for reliable means of storing and analysing data.

(a) Head, School of Information Technology and Electrical Engineering, after consultation with the Program Directors of Bachelor of Information Technology and Bachelor of Multimedia Design (Honours) programs or nominees.

(b) Students who will graduate in the year of award in one of the following programs:

(i) Bachelor of Information Technology (Honours);

(ii) Bachelor of Multimedia Design (Honours);

(iii) Bachelor of Science (Honours) (Computer Science);

(iv) Bachelor of Engineering or Bachelor of Engineering (Honours) programs in the field of Software Engineering;

(v) integrated Bachelor of Engineering/Master of Engineering or Bachelor of Engineering(Honours)/Master of Engineering programs in the field of Software Engineering);

(vi) any dual program that includes one of the above programs.

(c) The Prize is awarded to the person who, in the opinion of the Head, shows the greatest merit as demonstrated by:

(i) 1st Class Honours eligibility;

(ii) commitment to IT practice and/or research as evidenced by a cover letter and resume.

(d) The value of the prize is $1000

(e) The Winner will become a member of the Renaissance Club

The Donald Tugby Music Performance Prizes

(The Donald Tugby Music Performance Prizes were established in 2012 and are maintained by an annual gift of $1500 by Dr Donald Tugby, who has arranged to continue these in perpetuity by a gift in his will. Dr Donald Tugby taught anthropology at the University of Queensland from 1958 to 1986 and was a member of the University Choir and an advisor to the School of Music.)

(a) Head, School of Music, on advice from staff teaching in the field of performance.

(b) Students who are enrolled in the Bachelor of Music, Bachelor of Music (Honours) or related dual program and who have not previously won a Donald Tugby Music Performance Prize performing in the same category.

(c) One prize is awarded for the most outstanding performance in each of the following:

(i) Piano;

(ii) Wind and brass;

(iii) Other instruments nominated by the Head of School, as selected at the annual competition.

(d) (i) $500 for each prize; and
The recipients of the prizes will be determined at a special competition held each year on a date to be determined by the Head, School of Music, who will approve the pieces to be played. The competition will be judged by a two-person panel determined by the Head, School of Music.

**Donald Tugby Prize in English Literature**

The Donald Tugby Prize in English Literature was established in 2012 and is maintained by an annual gift of $1000 by Dr Donald Tugby and will be continued in perpetuity by a gift in his will. Dr Tugby taught anthropology at the University of Queensland from 1958 to 1986 and became conscious of the need for clear expression in English through the publication of books and many papers.

(a) Head, School of Communication and Arts, on the advice of staff teaching in the field of English Literature

(b) Students who –
   (i) are enrolled in the Bachelor of Arts (Honours) program majoring in English Literature; and
   (ii) have submitted a thesis on a topic in the field of English literature other than Australian literature.

(c) Preference is given to a thesis relating to poetry, and

(i) Highest scoring thesis in the course entitled –
   (i) ‘Honours Research Thesis’ (ENGL6100); or
   (ii) ‘Honours Research Thesis’ (ENGL6101); or
   (iii) ‘Honours Research Thesis’ (ENGL6110)

(d) (i) $1000
   (ii) School of English Media Studies & Art History certificate; and
   (iii) Membership to the Renaissance Club with other Donald Tugby Prize winners.

**Donald Tugby Prize in Excellence in Equine Clinical Practice**

(The Donald Tugby for Excellence in Equine Clinical Practice was established in 2012 and is maintained by an annual gift of $1000 by Dr Donald Tugby. Dr Tugby taught anthropology at The University of Queensland form 1958 to 1986 and for part of that time, a social science course at the then Gatton College. Dr Tugby often visited the University’s Pinjarra Hills farm. He was a competitive horse rider, a BHS Riding Instructor, and bred Anglo-Arab Horses.)

(a) A committee comprising the Head, School of Veterinary Science, the Director (Equine Hospital), the Coordinator (VETS5015), and an Equine Hospital Clinical Academic.

(b) Fifth year students enrolled full time in the Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours).

(c) The Prize is awarded to the person who, in the opinion of the selection committee, who shows the greatest merit as demonstrated by –
   (i) 1st Class Honours eligibility;
   (ii) Academic achievement in VETS5015;
   (iii) Demonstrated performance in VETS4022 Equine Clinical Studies;
   (iv) A demonstrated commitment to equine practice.

(d) (i) $1,000.
   (ii) A School of Veterinary Science certificate Membership to the Renaissance Club with other Donald Tugby Prize winners.

**Donald Tugby Prize in Nanotechnology**

(Established in 2014 and maintained by an annual donation by Dr Donald Tugby. Dr Tugby taught anthropology at the University from 1958 to 1986. He was interested in the social function and history of science and was the chairperson of a group called ‘Social Responsibility in Science’)

(a) Director, Australian Institute for Bioengineering and Nanotechnology (AIBN) after consultation with the AIBN Executive.

(b) Research Higher Degree students enrolled or graduating at the AIBN in the year of award.

(c) Best article published, or in press, in a recognised scientific journal where the student is the first author on the paper in the year of award.

(d) (i) $1,000; and
   (ii) Certificate from AIBN; and
   (iii) Membership to the Renaissance Club with other Donald Tugby Prize Winners

**Donald Tugby Postgraduate Prize in Earth Sciences**

(The Donald Tugby Postgraduate Prize in Earth Sciences was established in 2012 and is maintained by an annual gift of $1000 by Dr Donald Tugby. Dr Tugby was a long-time academic at the University of Queensland where he taught anthropology and utilised geological thinking in his field of work.)

(a) Head, School of Earth Sciences.

(b) Research Higher Degree (RHD, MPhil or PhD) students who:
   i. are enrolled through the School of Earth Sciences; and,
   ii. have successfully completed their confirmation milestone; and
   iii. are within 4 years of the commencement of their RHD studies.

(c) Best research paper published or in press in a recognised scientific journal:
   a. within a 12 month period (as identified by the School Research Committee); and
   b. arising from work conducted as part of the student’s RHD studies, and
c. where the student is first author on the paper.

(d) (i) $1000; and

(ii) A School of Earth Sciences certificate; and

(iii) Membership to the Renaissance Club with other Donald Tugby Prize winners.

John H. Tyrer Prize in Internal Medicine
(This prize honours the memory of Emeritus Professor John Tyrer, who passed away on 6 June 2006, following a lifetime of outstanding service to medicine, which included his appointment as The University of Queensland’s Foundation Professor of Medicine and Head of Discipline of Medicine, 1954-1985. The prize was established in 1992 and is maintained from the income of a fund contributed by colleagues, friends and former students of Professor Tyrer.)

(a) Awarded once every 2 years by Senate on the recommendation of the Head, School of Medicine. To assist in the selection process, the Head, School of Medicine must establish a selection committee, chaired by the Head, Discipline of Medicine, and comprised of academic staff teaching in the field of medicine.

(b) Persons who –

(i) have resided in the State of Queensland during the 2 years immediately prior to the year of the award; and

(ii) have not previously been awarded the prize.

(c) Best contribution by way of research in the field of Internal Medicine carried out in Queensland over the past 5 years.

(d) (i) Approximately equal to the annual income from the fund for this and the preceding year; and

(ii) a medal.

Queensland University Squadron Alumni Prize
(Established in 2011 by the Queensland University Squadron Branch of the RAAF Association, and maintained by income from multiple gifts donated from past members and supporters of the branch.)

(a) Academic Registrar, after consultation with the Queensland University Squadron Branch of the RAAF Association – Queensland Division.

(b) Full-time students who –

(i) are or have been a member of the Australian Air Force Cadets for a period of not less than two years of service; and

(ii) have completed at least the first year of an undergraduate program at the university in the year immediately prior to the year of the award.

(c) Highest GPA in the first year of the program.

(d) Money.

(e) A student is only eligible to be considered for the prize once.

UQLS Medal for Outstanding Achievement
(Established in 2000 and maintained by an annual donation from the University of Queensland Law Society.)

(a) Head, School of Law after consultation with the President, University of Queensland Law Society ("the Society").

(b) Students who –

(i) will graduate in the year of the award; and

(ii) have an overall GPA of at least 5.5 in all completed LAWS courses; and

(iii) have been positively and actively involved in –

(A) the life of the Law School or the Society; and

(B) the broader community; and

(iv) do not hold the office of the President of the University of Queensland Law Society.

(c) Best overall performance in the selection criteria in paragraph (b).

(d) A cast medal and inscription on the honour board displayed in the Law Library.

Upfold Prize
(Established in 1966 and maintained by gifts from Mr L.J. Upfold, Director of Commonwealth Acoustic Laboratory.)

(a) Head, School of Health and Rehabilitation Sciences.

(b) First time final year Master of Audiology Studies students.

(c) Highest cumulative GPA in the MAudSt.

(d) Books.

Valuers Registration Board of Queensland Prize
(The inaugural prizes were awarded in 1974 and 1975. The Prizes are awarded by Senate since 1998. Maintained by an annual gift from the Valuers Registration Board of Queensland.)

(a) Head, School of Business.

(b) Full-time students completing year two of the BBusMan or BBus program (real estate and development major only).

(c) Best performance throughout the year.

(d) $1000.

Van Niel International Prize for Studies in Bacterial Systematics
(Established in 1986 by a contribution of $10,000 being funds derived from the International Committee on Systematic Bacteriology (now known as International Committee on Systematics of Prokaryotes) and a donation from Professor V.B.D. Skerman of the Department of Microbiology, in honour of the contribution of scholarship in the field of Microbiology of Professor Cornelis Bernardus van Niel who died in 1985.)
(a) Head, School of Chemistry and Molecular Biosciences, following consultation with the Executive Secretary-Treasurer of the International Committee on Systematics of Prokaryotes, a committee of the Bacteriology and Applied Microbiology Division of International Union of Microbiological Societies.

(b) Any person.

(c) Most distinguished contribution in the field of Bacterial Systematics in the years since the previous prize was awarded.

(d) Money and a citation.

(e) The Prize is awarded at the meeting of the Congress of the International Union of Microbiological Societies.

Vardiman Dental Study Association Oral Health Prize
(Established in 2001 and maintained by an annual donation.)
(a) Head, School of Dentistry.
(b) Year 1 Bachelor of Oral Health program (BOralH) students.
(c) Highest overall mark for first attempt at the courses entitled –
   (i) Introduction to Clinical Practice I; and
   (ii) Introduction to Clinical Practice II.
(d) $250.
(e) The prize is awarded on the condition that the recipient enrols in year 2 of the BOralH program.

Vardiman Dental Study Association Prize
(Established in 1987 and maintained by an annual donation from the Vardiman Dental Study Association.)
(a) Head, School of Dentistry.
(b) Year 4 either BDSc or BDSc(Hons) students.
(c) Highest mark for first attempt at Dental Practice III
(d) $500.

N.V. Varghese Prize for Comparative Education
(Established in 2001 by the Varghese family as a memorial to the late N.V. Varghese, a former staff member of the School of Education. The Prize is maintained from the income of a bequest of $15,000 by the late N.V. Varghese.)
(a) Head, School of Education on the advice of a selection committee appointed annually by the Head of School.
(b) Students completing a MPhil or PhD in the broad field of comparative education.
(c) Best thesis.
(d) Money.

R. & A.E. Veitch Prize
(Established in 1974 by a bequest of $2,000 from the late Robert Veitch as a memorial to his wife Alice Esmee Veitch and to himself.)
(a) Associate Dean (Academic), Faculty of Science.
(b) In alternate years —
   (i) Students pursuing for the first time in one academic year the courses comprising 5th and 6th semesters of an undergraduate Agricultural Science program.;
   (ii) students studying within the Faculty of Science.
(c) In alternate years —
   (i) greatest proficiency in the courses referred to in sub-paragraph (b)(i);
   (ii) greatest proficiency in second year entomology courses.
(d) Money.

Veterinary Alumni Prize
(Established in 1985 by the Veterinary Science Special Interest Group of the Alumni Friends of the University of Queensland, which makes available annually the amount of the prize.)
(a) Head, School of Veterinary Science.
(b) First time, fourth year Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) students.
(c) Best results in the year.
(d) $500.

VIPAC Advanced Dynamics & Vibrations Prize
(Established in 2008 and maintained by an annual gift of $1200 from VIPAC Engineers and Scientists Limited Pty Ltd.)
(a) Head, School of Mechanical and Mining Engineering (the Head).
(b) Any student who passed the course referred to in rule (c) in the year of the award.
(c) Best demonstration project in the course entitled 'Advanced Dynamics and Vibrations.'
(d) $100 for each member of the winning team.

Virbac Prize for Clinical Excellence in Small Animal Clinics and Surgery
(Established in 1987 and maintained by an annual gift from Virbac (Australia) Pty Ltd.)
(a) Head, School of Veterinary Science and clinical teaching staff within the School of Veterinary Science.
(b) Final year Bachelor of Veterinary Science or Bachelor of Veterinary Science (Honours) students.
(c) Highest clinical excellence in practical work on small animals during medical, surgical and radiological rosters at Gatton.
(d) Handbooks, equipment (or both) to the value of $350.

Arthur Wade Prize
The University of Queensland – Prizes (as at 21 April 2016)

(Founded in 1953 by gift of 100 8% cumulative preference shares valued at $200 in memory of Arthur Wade, DSc, from his widow Mrs Wade, their son Mr Cedric A. Wade and their daughter Dr Gyphe Wade Betheran.)

(a) Head, School of Earth Sciences.
(b) Final year students with an academic interest in applied geology or applied geophysics who are enrolled in one of the following programs –
   (i) Bachelor of Science (Honours) (Geology or Exploration Geophysics);
   (ii) Graduate Diploma in Mineral Resources (Exploration);
   (iii) Master of Mineral Resources (Exploration).
(c) Greatest proficiency in the year.
(d) Money for the purchase of books.

Maude Walker Prizes
(Established in 1973 by a bequest of $3,000 from the estate of the late Miss Maude Walker.)
(a) Associate Dean (Academic) Faculty of Science.
(b) BSc students.
(c) Prize 1 - Greatest proficiency in the first year of enrolment in courses which have a total value of at least $16.
   Prize 2 - Greatest proficiency while enrolled as a second year student in courses in which the student has not previously enrolled which have a total value of at least $16.
(d) Money.

Warren Walsh Memorial Award
(Established in 1994 in memory of Warren Walsh a former student and staff member of the Department of Human Movement Studies and maintained from a fund donated by his colleagues and friends.)
(a) A committee comprising the Head, School of Human Movement and Nutrition Sciences, a nominee of the Head and a person elected by the School’s full-time academic staff on contracts of at least 3 years duration.
(b) Students awarded a PhD within the field of Human Movement Studies within the last 12 months.
(c) Most outstanding performance, based primarily on the contribution made to the student’s academic disciplines but also on the contribution made to teaching, research and life of the School generally.
(d) $500.

Lindsay and Richard Watson Prize
(Established in 1974 by a gift of $2,000 from Mrs Lindsay Watson in memory of her late husband Richard Watson.)
(a) Associate Dean (Academic), Faculty of Science.
(b) First time, first year students in an undergraduate Agricultural Science program.
(c) Greatest proficiency in that year.
(d) Money.

John Western — TASA Sociology Prize
(Established in 1996 to honour the late Emeritus Professor John Western’s contribution to sociology at UQ. The prize is maintained by annual funding from the School of Social Science.)
(a) Head, School of Social Science.
(b) Students completing a four year honours degree in the Bachelor of Arts (Honours) in —
   (i) the Bachelor of Arts (Honours) in Sociology; or
   (ii) the Bachelor of Social Science (Honours) in sociology provided all fourth year courses and the thesis were undertaken in the School of Social Science.
(c) Highest fourth-year result in the Sociology Honours program.
(d) (i) $200; and
   (ii) a one-year membership of The Australian Sociological Association (at a rate that includes receipt of the Journal of Sociology).

F.T.M. White Prize
(Founded in 1967 as a tribute to Professor F.T.M. White, formerly a professor of this University and maintained by the income of a fund of approximately $1,000 subscribed by his colleagues, students and friends.)
(a) Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology, on advice from the program leaders of the following disciplines –
   (i) mining engineering; and
   (ii) chemical and metallurgical engineering.
(b) Students completing the following programs –
   (i) Bachelor of Engineering or Bachelor of Engineering (Honours) (Mining); or
   (ii) Bachelor of Engineering or Bachelor of Engineering (Honours) (Chemical and Metallurgical); or
   (iii) Bachelor of Engineering /Master of Engineering (Chemical and Metallurgical); or
   (iv) Bachelor of Engineering (Honours) / Master of Engineering (Chemical and Metallurgical)
   (v) a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours).
(c) Most worthy of the award on the basis of the qualities of scholastic attainment and high standard of character and service in student activities.
(d) Money.

Joan Wickham Memorial Prize
(Established in 2010 and maintained from a bequest of $50,000 from the Estate of Joan Wickham, who managed the Engineering Library from 1968 until her retirement in 1988.)
(a) Associate Dean (Academic), faculty of Engineering, Architecture and Information Technology.
(b) Female students who have completed the first 4 semesters of –
   (i) the Bachelor of Engineering or Bachelor of Engineering (Honours) program (the BE); or
   (ii) a dual program that includes a Bachelor of Engineering or Bachelor of Engineering (Honours) component,
   in any discipline.
(c) Highest GPA in the first 4 semesters of the Bachelor of Engineering or Bachelor of Engineering (Honours) program.
(d) Money to the value of at least $1,000.

John Wienholt Memorial Prize
(Established in 1937 as the John Wienholt Memorial Scholarship in Anatomy and Physiology and maintained until 1953 by annual payments by Mrs Wienholt and thereafter by a bequest by her to the University of $2000. The Scholarship was renamed in 2002 and converted to a prize in 2003.)
(a) Head, School of Medicine.
(b) Students enrolled in the first year of the Doctor of Medicine program.
(c) Awarded to the student with the highest aggregated mark in the first attempt in MEDI7111 and MEDI7112.
(d) Money.

Elsie Butler Wilkinson Memorial Prize in Child Health
(Established in 1963 by a bequest of approximately $4,000 under the will of Professor Herbert John Wilkinson, Professor of Anatomy in the University of Queensland 1936–1959, in memory of his wife.)
(a) Head, School of Medicine.
(b) Fourth year MBBS students.
(c) Highest mark in the paediatrics and child health rotation.
(d) Money.
