ACISA Stress and Trauma Scholarship

(Established in 2008 and maintained by funds donated from the Australian Critical Incident Stress Association Inc (ACISA) to encourage students to undertake applied research in the area of stress and trauma in the community and workplace.)

1 Definitions

In these rules-

Dean means the Medical Dean, Faculty of Medicine.

scholarship means the ACISA Stress and Trauma Scholarship.

2 Purpose

The purpose of the scholarship is to encourage students to undertake applied research in the area of stress and trauma in the community or workplace.

3 Value of scholarship

The value of the scholarship is \$2,000.

4 Award of scholarship

The Senate may award one or more scholarships each year on the recommendation of the Dean as a representative of the relevant selection committee established under rule 6(1).

5 Eligibility for award

An applicant is eligible for the award of a scholarship in a year, if the student

- (a) is enrolled in the Master of Mental Health program; and
- (b) is enrolled in the course entitled Independent Mental Health Project A in semester 1; and
- (c) intends to enrol in the course entitled Independent Mental Health Project B in either the following semester or the year immediately following; and
- (d) is undertaking an Independent Mental Health Project in the broad research area of stress and trauma in the community or workplace; and
- (e) submits an application for the scholarship to the Head by the closing date for applications.

6 Selection process

- (1) For the selection process for a year, the Head must establish a selection committee, comprising–
 - (a) the Dean, or nominee, as chair of the committee; and
 - (b) the Program Coordinator of the Graduate Mental Health Programs; and
 - (c) one representative of the ACISA.
- (2) The applications are assessed by the selection committee, based on, for each applicant –
 - (a) the feasibility of the proposed project; and
 - (b) the contribution the learning is likely to make to the understanding of the impact of stress in the community or workplace; and
 - (c) other evidence that may be considered relevant by the selection committee.
- (3) Applications must be submitted in the form of a quantitative, qualitative or literature based research proposal of not more than 2 A4 pages.

7 Conditions for scholarship

- (1) The recipient of a scholarship will be paid the scholarship value in two instalments, at the following times –
 - (a) one instalment while enrolled in the course entitled Independent Mental Health Project A; and
 - (b) one instalment while enrolled in the course entitled Independent Mental Health Project B.
- (2) The courses listed in paragraph 7(1) (a) and (b) do not need to be undertaken in consecutive semesters.
- (3) Payment of the scholarship is subject to the recipient satisfying the following requirements -
 - (a) continuing to be enrolled in the Master of Mental Health program; and
 - (b) continuing to undertake an Independent Mental Health Project in the broad research area of stress and trauma in the community or workplace.
- (4) The recipient will be required to acknowledge the scholarship in all publications and presentations of the research.

The ADG Engineering Scholarships

(The scholarship was established in 2014 and is maintained by an annual gift from ADG Engineering.)

1 Purpose

The purpose of the scholarship is to encourage and support students who have been educationally disadvantaged as a result of their financial circumstances and/or geographic isolation or cultural disadvantage to undertake their second, third and fourth years of the Bachelor of Engineering or Bachelor of Engineering (Honours) program in any field of engineering in the civil engineering discipline.

2 Definitions

In these rules-

BE program means the Bachelor of Engineering or Bachelor of Engineering (Honours) program, or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program.

Head means the Head of School, School of Civil Engineering Head

relevant field means any field of engineering in the civil engineering discipline

scholarship means the ADG Engineering Scholarship.

3 Award and value of scholarship

- (1) The Senate may award one scholarship in a year on the recommendation of the Head.

- (2) The value of the scholarship is \$5,000 for each year for which it is held.

Alfred Henry Darker Scholarship

(Established as a memorial of Alfred Henry Darker, mechanical engineer, by the gift of \$4,000 from his brother Walter Bruce Darker.)

1. The scholarship shall be awarded annually to a student commencing the 7th semester of the Bachelor of Engineering or Bachelor of Engineering (Honours) or the first semester of the Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) or Master of Engineering or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) in the mechanical engineering program, provided that in the opinion of the Head of the School of Mechanical and Mining Engineering there is a candidate of sufficient merit. All students in the appropriate semester are considered as applicants for the scholarship.
2. The scholarship shall be awarded by the Senate on the recommendation of the Head of the School of Mechanical and Mining Engineering. The record of each applicant throughout the first 6 semesters of the program shall be taken into account in making the award, with special reference to the applicant's capacity for original work.

Walter Bruce Darker Scholarships

(Established by a bequest of \$4,000 by Walter Bruce Darker, who died on 25 March 1950.)

1. Two scholarships are awarded each year by Senate, on the recommendation of the Executive Dean, Faculty of Engineering, Architecture and Information Technology, to 2 Bachelor of Engineering or Bachelor of Engineering (Honours) program, or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program students who have shown the greatest proficiency in the program of those entering the 5th semester of the program.
2. Each scholarship shall consist of half of the annual income from the Fund, to be applied by the University in payment of books and equipment selected by the scholar and approved by the Executive Dean.

Claud and Kate Delpratt Memorial Scholarship

(Established in 2001 and maintained by the income of a gift from Ms Helen Delpratt in memory of her parents Claud and Kate Delpratt.)

1. (1) The object of the Claud and Kate Delpratt Scholarship is to assist indigenous people to undertake study at The University of Queensland (UQ) or The University of Western Australia (UWA) to gain a Doctor of Medicine (MD).
 - (2) Indigenous people means those who satisfy the relevant selection committee for the scholarship that they -
 - (a) are of Australian Aboriginal and/or Torres Strait Islander descent; and
 - (b) regard themselves as Aborigines or Torres Strait Islanders; and

- (c) are so considered by the community in which they live or have lived.
2. (1) The Scholarship is provided from the income on a gift.
 (2) The gift and any additions to it are to be held by UQ as the Claud and Kate Delpratt Memorial Scholarship Fund (the fund).
 (3) The income of the fund is to be used first to maintain the real value of the fund using UQ's customary procedure to achieve that end.
 (4) The balance of income of the fund is to be used to pay a scholarship alternately to a UQ student or a UWA student.
 3. Indigenous people may apply for the scholarship if they are enrolled or seeking to enrol either at UQ or at UWA in the MD programs or in a program taken as a precursor to the MD programs.
 4. (1) If, in any year, there is no suitable applicant at the university at which a new award is to be made, but there is a suitable applicant at the other university, the scholarship is to be paid to the student at the other university and the alternation is to restart as if that were the first allocation.
 (2) If in any year in which a new scholarship is to be paid, there is no suitable applicant for the scholarship at either university, the income from that year is to be added to and form part of the capital of the fund.
 5. A new award will not be made until the recipient of the previous award has ceased to receive it.
 6. (1) The scholarship is paid subject to the recipient making satisfactory progress and remaining enrolled in the program for which the scholarship is awarded.
 (2) If the recipient is enrolled in a program as a precursor to seeking enrolment in the MD program, the scholarship is to be paid until the recipient completes the MD program, subject to the recipient making satisfactory progress and remaining enrolled in the program for which the scholarship is awarded.
 7. The scholarship will be paid only after the recipient has enrolled.
 8. If the recipient becomes ineligible to receive the scholarship within two years of first receiving it, a new award may be made to another student at the same university, but if that student becomes ineligible to receive the scholarship, a new award will be made at the other university and rule 4 will apply.
 9. (1) The scholarship is to be awarded at UQ by the Senate and at UWA by the Faculty of Medicine, Dentistry and Health Sciences, in each case on the advice of the relevant selection committee.
 (2) The selection committee for each university must contain a majority of university staff.
 (3) At UQ, the selection committee comprises -
 (a) Medical Dean, Faculty of Medicine (as chair), or nominee; and
 (b) Director of the Aboriginal and Torres Strait Islander Studies Unit; and
 (c) other persons appointed by the Medical Dean, Faculty of Medicine, or nominee.
 (4) At UWA, the selection committee comprises -
 (a) Dean of the Faculty of Medicine, Dentistry and Health Sciences; and
 (b) Head of the School of Indigenous Studies; and
 (c) Director of the Centre for Aboriginal Medical and Dental Health; and
 (d) other persons appointed by the Dean of the Faculty of Medicine, Dentistry and Health Sciences.
 (5) Appointments made under rules (3) and (4) must be made in a way that ensures rule (2) is satisfied.
 10. Selection is to be based on -
 (a) the candidate's previous academic results at secondary school and, if applicable, tertiary level; and
 (b) social or economic need.

 - (d) any other matters the committee considers relevant.

6 Conditions of Scholarship

- (1) A recipient may hold the scholarship for one year.

Faculty of Engineering, Architecture and Information Technology Bursary

(The bursary was established in 2009 and is to be maintained by funds from the Faculty of Engineering, Architecture and Information Technology. The purpose of the bursary is to support meritorious students who have made significant progress in relation to the completion of an undergraduate degree program provided by the Faculty but, because of a significant change in their financial circumstances or the financial circumstances of a member of their immediate family, may be unable to complete the program without some financial assistance.)

1. Definitions

- 1.1 In these Rules -

Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology.

bursary means the Faculty of Engineering, Architecture and Information Technology (EAIT) Bursary.

Executive Dean means the Executive Dean, Faculty of Engineering, Architecture and Information Technology.

relevant program means any of the following programs

- (a) Bachelor of Architectural Design;
- (b) Bachelor of Engineering;
- (c) Bachelor of Engineering (Honours)
- (d) Bachelor of Information Technology;
- (e) Bachelor of Multimedia Design;
- (f) Bachelor of Engineering / Master of Engineering
- (g) Bachelor of Engineering (Honours) / Master of Engineering
- (h) a dual program that includes one of the programs referred to in paragraphs (a) to (g).

2. Bursaries

- 2.1 Senate may award up to 2 bursaries in a year where occasion arises as determined by the Associate Dean as a representative of the relevant selection committee established under rule 3.1.
- 2.2 For each bursary that is the subject of such a recommendation, the Executive Dean must make a recommendation to Senate as to the value that they consider to be appropriate for the bursary.
- 2.3 The value of each bursary to be awarded must be determined by Senate after taking into account the recommendation of the Executive Dean.
- 2.4 The maximum value of each bursary is \$6,000 for a year.

3. Selection process

- 3.1 For the selection process for a semester in which a bursary is intended to be awarded, the Executive Dean must establish a selection committee, comprising-
 - (a) the Associate Dean, as chair of the committee; and
 - (b) the Head of each School within the Faculty of Engineering, Architecture and Information Technology.
- 3.2 An application for the award of a bursary in the semester must be lodged with the Associate Dean by the date set by the Associate Dean.
- 3.3 A student is an eligible applicant for the award of a bursary in the semester, if
 - (a) in the semester, the student
 - (i) is a domestic or international student as defined in the Fee Rules; and
 - (ii) is enrolled full-time in a relevant program; and
 - (iii) has completed at least 50% of the courses required to be completed for the program; and
 - (b) the student submits an application for the scholarship in accordance with rule 3.2; and
 - (c) the application includes documentary evidence of the fact that the student is in financial hardship as a result of an unexpected change in financial circumstances; and
 - (d) the student does not hold a university qualification.
- 3.4 The selection committee must rank the eligible applicants consecutively in order of merit, based on, for each applicant-
 - (a) the standard of the applicant's academic achievement in the program in which they are enrolled; and
 - (b) the applicant's potential to successfully complete the requirements of the program; and
 - (c) any other matter that the selection committee considers to be relevant.
- 3.5 The selection committee may adjust the order in which the eligible applicants are ranked, if appropriate, after taking into account the extent of each applicant's financial hardship.
- 3.6 The selection committee must recommend that:
 - (a) a bursary be awarded to the applicant with the highest ranking; or
 - (b) a bursary be awarded to each of the 2 applicants with the highest ranking.
- 3.7 Despite rule 3.6, the selection committee need not make a recommendation in relation to an eligible applicant if the committee considers that the applicant is not of sufficient merit to warrant the award of the bursary.

4. Conditions that apply to bursary recipients

- 4.1 A bursary may be held by the recipient of the bursary for 1 year (being either the year for which the bursary is awarded, or, if the bursary is deferred under rule 6, the following year), subject to the recipient, during the year -
 - (a) continuing to be a domestic or international student as defined in the Fee Rules; and
 - (b) either:
 - (i) continuing to be enrolled full-time in the program in which the recipient was enrolled when the bursary was awarded; or
 - (ii) if the recipient enrolls in another relevant program - the recipient obtaining approval from the Associate Dean to continue to hold the bursary; and
 - (c) maintaining satisfactory academic progress.
- 4.2 A recipient who fails to satisfy subrule 4.1 (a), (b) or (c) must show cause why the bursary should not be cancelled, by the date by which the Associate Dean requests the recipient to do so.
- 4.3 In this rule:

satisfactory academic progress, for the recipient of a bursary, means that the recipient passes all courses undertaken during the year in which the recipient holds the bursary.

5. Deferral of bursary

- 5.1 The recipient of a bursary may apply to the Associate Dean for approval to defer the bursary for up to 1 year.
- 5.2 An application under rule 6.1 must include a statement of the reasons for making the application.
- 5.3 The Associate Dean must consider the application and may approve or refuse it.
- 5.4 The Associate Dean may approve the deferral if the Associate Dean is satisfied that the deferral is justified in all the circumstances.

6. Delegations

- 6.1 The Executive Dean may, in writing, delegate to another person the functions and powers under these rules (other than this rule).
- 6.2 The Associate Dean may, in writing, delegate to another person the functions and powers under these rules (other than this rule).

Frank Finn Scholarships

(Established in 2008 and maintained by an endowment fund of donations from alumni of the Faculty of Business, Economics and Law and the UQ Business School.)

1. Purpose

The purpose of the scholarships is to encourage and support up to two domestic and one international meritorious students enrolled in the Bachelor of Commerce (Honours) program.

2. Definitions

In these rules-

Head means the Academic Dean and Head of School of the UQ Business School.

program means the Bachelor of Commerce (Honours) program.

scholarship means the Frank Finn Scholarship.

3. Value and award of scholarship

The value of the scholarship for the recipients will be determined annually by the Executive Dean of the Faculty of Business, Economics and Law, in consultation with the selection committee.

4. Eligibility for award

An applicant is eligible for the scholarship, if –

- (a) the applicant submits an application to the UQ Business School, by the closing date for applications; and
- (b) is enrolled full-time in the Bachelor of Commerce (Honours) program.

5. Selection of award

(1) For the selection process, the Head must establish a selection committee, comprising -

- (a) the Head, or nominee, as chair of the committee; and
- (b) a representative from the Alumni of the UQ Business School, nominated by the University of Queensland Endowment Fund board; and
- (c) a representative of academic staff teaching in the field of finance nominated by the Frank Finn Professor of Finance.

(2) The scholarship is awarded to the applicants showing greatest merit as demonstrated by -

- (a) academic achievement in the Bachelor of Commerce program or a relevant undergraduate program at another institution; and
- (b) demonstrated financial need; and
- (c) any other matter which the selection committee considers relevant.

(3) The selection committee may decide to interview short-listed applicants.

6. Conditions for scholarship

(1) The recipient may hold the scholarship for the normal minimum duration of the program subject to the recipient –

- (a) continuing to be enrolled full-time in the Bachelor of Commerce (Honours) program; and
- (b) maintaining satisfactory academic progress with a GPA of at least 4.5 in each semester of study.

(2) If a recipient fails to satisfy rule 6(1) the recipient must show cause to the Head why the scholarship should not be cancelled.

(3) A scholarship may be deferred only with the approval of the Head.

(4) The recipient may be required to provide a photograph and testimonial at the completion of their program and to take part in a follow-up report 12 months after completion of their program.

Betty Fletcher Memorial Travelling Scholarship

(Established in 1992 as a memorial to Betty Fletcher, foundation Patron of the Friends of Antiquity and generous benefactor of the Department of Classics and Ancient History, and maintained by an annual gift from the Alumni Friends of The University of Queensland.)

1. The Scholarship is awarded annually by Senate on the recommendation of the Head of the School of Historical and Philosophical Inquiry.

2. The Scholarship is intended to enable a meritorious student in Classics and Ancient History to travel for academic purposes in Greece, Italy, Asia Minor or any other place that was part of the civilisations of Rome or Ancient Greece for a period of not less than 4 weeks.

3. The Scholarship is open to any student enrolled in a course offered or a program supervised by the School, who has not previously held the Scholarship.

4. The Scholarship is awarded on the basis of the applicant's academic record, personal qualities and commitment to one or more of the disciplines of classics and ancient history.
5. The Scholarship holder must, within 3 months of returning to Australia, submit to the Head of School a written report of approximately 2,000 words on the work done and the benefits derived from the holding of the Scholarship. In addition, the Head of School may require the Scholarship holder to deliver a lecture or seminar.

Sir James Foots Engineering Scholarship

(The scholarship was established in 2011 and maintained by the annual income from a bequest from the Estate of Sir James Foots AO, a former Chancellor of the University. Sir James Foots and his family previously supported the Sir James Foots Undergraduate Scholarships from 1999-2010.)

1 Purpose

The purpose of the scholarship is to encourage and support students who can demonstrate that they experience financial hardship, while they undertake their final 3 years of study in the Bachelor of Engineering program.

2 Definitions

In these rules-

Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology;

Approved undergraduate Engineering program includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering or a dual program that Bachelor of Engineering or Bachelor of Engineering (Honours) program.

relevant field means all majors, extended majors or double majors based on study in one of the following disciplines -

- (a) mining engineering; or
- (b) metallurgical engineering;

scholarship means the Sir James Foots Engineering Scholarship.

3 Award and value of scholarship

- (1) The Senate may award one scholarship on the recommendation of the Associate Dean.
- (2) The value of the scholarship for a year is approximately equal to the annual income from the fund that supports the scholarship.

Note: See Senate rule - Financial Awards, rule ii.

- (3) Senate may award the scholarship to another person in a later year only if the earlier recipient no longer holds the scholarship.

4 Eligibility for award

An applicant is eligible for the scholarship, if the applicant -

- (a) submits an application to the Associate Dean, by the closing date for applications; and
- (b) is a domestic student within the meaning of the Fee Rules; and
- (c) can provide documentary evidence of financial hardship; and
- (d) is enrolled full-time in semester 3 of the Approved undergraduate Engineering program, in a relevant field; and
- (e) achieved a GPA of at least 4 during the first year of the Approved undergraduate Engineering program; and
- (f) does not hold another scholarship of the same value or more.

5 Selection of award

- (1) For the selection process, the Associate Dean must establish a selection committee, comprising-

- (a) the Associate Dean, or nominee, as chair of the committee; and
- (b) Head, School of Mechanical and Mining Engineering, or nominee; and
- (c) Head, School of Chemical Engineering, or nominee.

- (2) The scholarship is awarded to the applicant showing greatest merit as demonstrated by-

- (a) academic achievement in courses undertaken in the Approved undergraduate Engineering program; and
- (b) financial hardship; and
- (c) any other matter that the selection committee considers to be relevant to the applicant's future success in the engineering profession.

- (3) The selection committee may decide to interview short-listed applicants.

6 Conditions for scholarship

- (1) The recipient may hold the scholarship for up to 3 years, subject to the recipient -

- (a) continuing to be enrolled full-time in the Approved undergraduate Engineering program, in a relevant field; and
- (b) achieving an overall GPA of 4 for each semester of study; and
- (c) not concurrently holding another scholarship of the same value or more.

- (2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Associate Dean, why the scholarship should not be cancelled.

Fourth Year Engineering Travelling Fund

(Founded by a bequest in 1955 of \$1,455.58 under the will of Miss Margaret Nicoll.)

1. Each year the income of the fund is to be used to defray part of the expenses of an engineering student who has undertaken an approved overseas exchange program.

2. The student must be commencing the fourth year of an approved undergraduate engineering program includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program having completed an approved exchange program in the previous year.
3. The Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology, must have regard to-
 - (a) principally the student's academic performance while on exchange; and
 - (b) the student's overall academic performance; and
 - (c) the desirability of rotating the award among students studying in the various fields of engineering; and
 - (d) the number of students in the various fields of engineering; and
 - (e) other relevant issues.

John Fox Memorial Bursary

(Founded by a bequest in 1939 under the will of Olive Fox, in memory of her husband.)

1. The bursary shall be awarded from time to time as the tenure of it becomes vacant.
2. To be eligible for an award of the bursary a person shall be an orphan or fatherless Australian-born male student who is pursuing the program for the degree of Bachelor of Engineering or Bachelor of Engineering (Honours) and is specialising or declares his intention to specialise in electrical engineering.
3. The bursary is awarded by Senate on the recommendation of the Head, School of Information Technology and Electrical Engineering (the "Head"). In making a recommendation, the Head must take into account the proficiency of candidates in the work of the degree program, but may also take into account the means of the candidates and any other circumstances which it deems relevant. Preference is given to candidates who are proceeding to the third semester of the degree program, however the Head may recommend an award to a student proceeding to a later semester of the program.
4. The bursary is tenable by the recipient until he completes his degree program, if he completes it within 3 years following the award, and otherwise for 3 years. The Senate may terminate the recipient's tenure if he discontinues the program set for a student specialising in electrical engineering or if the Head decides that the recipient's work is unsatisfactory.

- (2) If a recipient fails to satisfy rule 7(1), the recipient must show cause to the Associate Dean, why the Scholarship should not be cancelled.

Ivor A. Gill Memorial Scholarship in Agricultural Science

(Established in 1954 by a gift of \$5,000 from Mrs. E. A. Gill in memory of her son Ivor A. Gill.)

1. Purpose

The object of the scholarship is to assist from time to time as occasion arises a student of the Faculty of Science, who is engaged in studies calculated to lead to an increase in the productivity of the pastoral industries of Australia.

2. Definitions

Associate Dean (Academic) means the Associate Dean (Academic), Faculty of Science
Scholarship means the Ivor A. Gill Memorial Scholarship in Agricultural Science

3. Award and value of scholarship

- (1) The scholarship is awarded annually by Senate on the recommendation of the Associate Dean (Academic).
- (2) The scholarship is the annual income from the fund. This shall be used for such purposes as the Associate Dean (Academic) may direct, whether for travelling, purchase of equipment, emolument of the scholar or otherwise.

4. Eligibility for award

An applicant is eligible for the award of a scholarship in a year if, in that year, the applicant:

- (a) Is currently enrolled in an undergraduate or postgraduate program managed by the Faculty of Science;
- (b) Is undertaking studies that accord with the object of the scholarship;
- (c) Can demonstrate financial need for assistance towards undertaking those studies; and
- (d) Applies for the scholarship by the closing date for applications.

5. Selection of award

(1) The Associate Dean (Academic) must rank the eligible applicants consecutively in order of merit, based on, for each applicant:

- (a) academic achievement during their current studies;
- (b) financial circumstances as evidenced by supporting documentation; and

(2) If, in any year, there is no award for the scholarship, the moneys which would have been available for an award in that year shall be held in reserve for a period not exceeding five (5) years and may be used for the award within that period of an additional scholarship in case there is more than one suitable candidate for the scholarship.

6. Conditions for scholarship

The scholarship is tenable for one year but a candidate shall be eligible for more than one award.

 - (a) leadership qualities and potential to succeed in the engineering profession;
 - (b) interest in and need for mentoring/coaching and industry networking;
 - (c) any other matter that the selection committee considers to be relevant.
- (3) Preference will be given to students –
 - (i) who have no family members or mentors in the engineering profession;
 - (ii) are active in the community.
- (4) The selection committee may decide to interview short-listed applicants.

7 Conditions for scholarship

- (1) The recipient may hold the Scholarship for 1 year, subject to the recipient –
 - (a) continuing to be enrolled full-time in the Approved Undergraduate Engineering Program; and
 - (b) achieving an overall GPA of 4.0 for each semester of study.
- (2) If a recipient fails to satisfy rule 7(1), the recipient must show cause to the Associate Dean, why the Scholarship should not be cancelled.

Otto and Joan Hirschfeld Memorial Honours Scholarship in Immunology

(The Scholarship was established in 2013 and is maintained by income from the Otto Hirschfeld Memorial Fund. This fund was established by Mrs Joan Hirschfeld in memory of her husband, Dr Otto Hirschfeld, Chancellor of the University from 1953 to 1957, and is supported by members of the Hirschfeld family.)

1 Purpose

The purpose of the Scholarship is to support honours students studying in the field of Immunology at The University of Queensland Diamantina Institute.

2 Definitions

In these rules-

approved program means any UQ Honours program that is related to the study of Immunology.

relevant field means any field of study that is related to the study of immunology

Director means the Director of the UQ Diamantina Institute.

UQDI means the University of Queensland Diamantina Institute

3 Award and value of Scholarship

- (1) The Senate may award one Scholarship each year on the recommendation of the Director.
- (2) The value of the Scholarship is \$6,000 for one year

4 Eligibility for award

- (1) An applicant is eligible for the Scholarship, if the applicant –
 - (a) submits an application to the Director, by the closing date for applications
 - (b) is enrolled full-time in an approved program in the relevant field in the year of the award.

5 Selection of award

- (1) For the selection process, the Director must establish a selection committee comprising-
 - (a) the Director, or nominee, as chair of the committee; and
 - (b) one representative of UQDI Education committee; and
 - (c) at least one member of the university's academic/research staff currently undertaking researching in immunology.
- (2) The Scholarship is awarded to the applicant showing greatest merit as demonstrated by-
 - (a) academic excellence in their studies to date; and
 - (b) an interest in pursuing a career in medical research and immunology; and
 - (c) financial need; and
 - (d) any other matter that the selection committee considers to be relevant to the applicant's future success in the field of immunology.
- (3) The selection committee may decide to interview short-listed applicants.

6 Conditions for scholarship

- (1) The recipient may hold the scholarship for 1 year, subject to the recipient –
 - (a) continuing to be enrolled full-time at UQ in an approved program in the relevant field.

Leo Howard Memorial Bursary

(Established in 1978 by a bequest from the late Leo Howard, PhD ANU, BSc, Senior Lecturer in Mathematics at the University of Queensland and funds raised by his friends to augment his bequest for the purpose of creating a suitable memorial to him.)

1. A bursary shall be awarded by Senate on the recommendation of the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology to students who have completed the first 2 semesters of an Approved Program that includes the Bachelor of Engineering (Honours) or the integrated Bachelor of Engineering Honours/Master of Engineering, or a dual program that includes the Bachelor of Engineering (Honours) at The University of Queensland.
2. In making its recommendation the Associate Dean (Academic) shall consider factors other than academic ability (such as the financial need of the student and whether the student has other awards) but will require that the candidate has demonstrated considerable academic ability.
3. The Associate Dean (Academic) shall in each year recommend the value and number of bursaries to be awarded.
4. In the first instance income of the fund shall be used for the payment of the bursaries, but if income in any year is insufficient for that purpose capital may be used. Payment for the bursary shall be made in equal amounts at the beginning of the third and fourth semesters of the student's program respectively.
5. If the Associate Dean (Academic) shall be of opinion that the recipient of the award has not worked diligently in the first semester following the award and that failure to do so was not occasioned by illness or other circumstances beyond the control of the candidate, the payment for the succeeding semester shall be withheld.

Indigenous Science Scholarship

(Established in 2008 and maintained by an annual gift of \$10,000 from Independent Marine Bio-Chemistry Research Pty Ltd, and \$10,000 from the then Faculty of Biological and Chemical Sciences, now Faculty of Science)

1 Purpose

The purpose of the scholarship is to assist domestic Australian indigenous students with the costs of tuition fees, books and study expenses, accommodation and basic living expenses while studying science at The University of Queensland. Priority will be given to applicants with bloodline to country.

2 Definitions

In these rules -

Approved Undergraduate program includes the Bachelor of Science, Bachelor of Biomedical Science, Bachelor of Environmental Science (Honours), Bachelor of Biotechnology (Honours), Bachelor of Advanced Science (Honours), Bachelor of Mathematics (3 years) or a dual degree involving one of the above programs.

Associate Dean means the Associate Dean (Academic), Faculty of Science.

Normal minimum duration means the minimum period of time it would take a student who enrolled in a standard load of 8 units per semester to complete the program.

Scholarship means the Indigenous Science Scholarship.

Tuition fees means the Higher Education Contribution Amount (HECS) payable for enrolment in an approved undergraduate program

3 Value and award of scholarship

- (1) The value of the Scholarship is \$10,000 for each semester for which it is held consisting of –
 - (i) the Tuition Fees (HECS) payable each semester by the recipient; and
 - (ii) the remainder in cash, to be paid to the recipient after each semester census date.
- (2) Senate may award the Scholarship to another person in a later year only if the earlier recipient no longer holds the scholarship.

4 Additional benefits

The recipient may be offered vacation work experience by Independent Marine Bio-Chemistry Research Pty Ltd for periods determined by Independent Marine Biochemical Research in consultation with the recipient.

5 Eligibility for award

- (1) An applicant is eligible for the Scholarship if the applicant -
 - (a) submits an application to the Associate Dean, by the closing date for applications; and
 - (b) is of Australian Aboriginal and/or Torres Strait Islander descent, who regards himself or herself as an Australian Aboriginal and/or Torres Strait Islander and who is so considered by the community in which the student lives or has lived; and
 - (c) intends to enrol full-time in the first semester of an approved undergraduate program; and
 - (d) does not hold another scholarship that the Associate Dean considers to be similar.

6 Selection of award

- (1) For the selection process, the Associate Dean must establish a selection committee, comprising -
 - (a) the Associate Dean, or nominee, as Chair of the selection committee; and
 - (b) a representative from the Aboriginal and Torres Strait Islander Studies Unit at The University of Queensland; and
 - (c) a representative from the North Stradbroke Island indigenous community; and
 - (d) a representative from Independent Marine Bio-Chemistry Research Pty Ltd; and
 - (e) a representative from the Moreton Bay Research Station;
 with university staff comprising the majority.
- (2) The Scholarship is awarded to the applicant showing greatest merit as demonstrated by -
 - (a) academic achievement to date; and
 - (b) strength of interest that the applicant demonstrates in contributing to the Stradbroke Island community; and
 - (c) personal qualities, including leadership potential; and
 - (d) other evidence that may be considered relevant by the selection committee.

- (3) Preference may be given to students
 - (a) from or affiliated with The Qandamooka people of Moreton Bay, Queensland; and/or
 - (b) enrolled in the Bachelor of Science or Bachelor of Environmental Science (Honours) program.
- (4) The selection committee may decide to interview short-listed applicants.

7 Conditions for scholarship

- (1) The recipient may hold the Scholarship for the normal minimum duration for the program, subject to the recipient -
 - (a) continuing to be enrolled full-time in an approved undergraduate program; and
 - (b) achieving a GPA of at least 4 for each semester of study; and
 - (c) conducting themselves in a professional manner while performing any duties of work experience.
- (2) If a recipient fails to satisfy rule 7(1), the recipient must show cause to the Associate Dean, why the scholarship should not be cancelled.
- (3) The Scholarship may not be deferred or extended without the approval of the Associate Dean

Information and Communication Technology (ICT) Excellence Scholarships

(Established in 2007 and maintained by an annual gift from the School of Information Technology and Electrical Engineering.)

1 Purpose

The purpose of the Scholarships is to encourage and assist first year students studying in the areas of information and communications technology.

2 Definitions

In these Rules

Head means the Head of School, School of Information Technology and Electrical Engineering.

Approved Program means any of the following programs at The University of Queensland –

- (a) Bachelor of Information Technology; or
- (b) Bachelor of Engineering (Honours)
- (c) Bachelor of Engineering (Honours) / Master of Engineering
- (d) Bachelor of Computer Science

and includes a dual program which includes any of the above programs.

and includes a dual program which includes any of the above programs.

Relevant Field means any of the following fields in the Bachelor of Engineering (Honours) programs –

- (a) Electrical Engineering; or
- (b) Electrical and Biomedical Engineering; or
- (c) Electrical and Computer Engineering; or
- (d) Mechatronic Engineering; or
- (e) Software Engineering.

Scholarship means the Information and Communications (ICT) Excellence Scholarships.

3 Award and value of scholarship

- (1) The Head will determine the number of Scholarships to be awarded in a year.
- (2) At least 60% of the Scholarships available in a year will be awarded to students who are domestic students within the meaning of the Fee Rules.
- (3) The value of the Scholarship is \$3,000 for one year.

4 Eligibility for award

An applicant is eligible for the Scholarship, if –

- (a) the applicant submits an application for the Scholarship to the Head, by the closing date for applications; and
- (b) is either –
 - (i) a domestic student within the meaning of the Fee rules; or
 - (ii) an international student who has completed Years 11 and 12 in Australia; and
- (c) in the two years immediately before the award, the applicant completed Year 12 (or overseas equivalent); and
- (d) the applicant enrolls in a Relevant Program and, where applicable, in one of the Relevant Fields, in the year of the award, or after an approved deferment of one year; and
- (e) the applicant does not hold a scholarship that the Head deems similar.

5 Selection of award

- (1) For the selection process, the Head must establish a selection committee, comprising –
 - (a) the Head or nominee, as chair of the committee; and
 - (b) at least one member of the University's academic staff who is currently teaching in one of the Approved Programs.
- (2) The Scholarship is awarded to the applicant showing the greatest merit as demonstrated by –
 - (a) academic achievement in secondary school studies; and
 - (b) an interest in studying ICT, as evidenced by a cover letter, short personal statement and a resume; and
 - (c) personal qualities, including leadership skills and extra-curricular activities; and
 - (d) any other matter that the selection committee considers to be relevant to the applicant's future success in the ICT profession.

6 Conditions for scholarship

- (1) A recipient may hold the Scholarship for one year, subject to the recipient –
 - (a) continuing to be enrolled full-time in an Approved Program; and
 - (b) enrolling in courses approved by the Head; and
 - (c) achieving a GPA of at least 5 for their first semester of study.

- (2) If a recipient fails to satisfy rule 6(1), the student must show cause to the Head why the Scholarship should not be cancelled.

Institution of Chemical Engineers (IChemE) Ming Leung Scholarship

(The IChemE Ming Leung Scholarship was established in 1993 by the Queensland Branch of the Institution of Chemical Engineers (IChemE) to encourage a meritorious student who is undertaking third year study in the Bachelor of Engineering or Bachelor of Engineering (Honours) program in either chemical engineering, chemical and biological engineering, chemical and materials engineering or chemical and metallurgical engineering.

Professor Ming Leung was a greatly respected and highly talented chemical engineer as well as Head of the Department of Chemical Engineering from 1980 to 1985. His untimely death was a great loss to both the profession and to the University.)

1. Purpose

The purpose of the scholarship is to encourage a meritorious student in the third year of study in the Bachelor of Engineering or Bachelor of Engineering (Honours) program.

2. Definitions

In these Rules –

Bachelor of Engineering program means the Bachelor of Engineering or Bachelor of Engineering (Honours) program, or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program.

Head means the Head of School, School of Chemical Engineering.

IChemE means Institution of Chemical Engineers.

relevant field means any field of engineering in the disciplines of chemical engineering.

scholarship means the Institution of Chemical Engineers (IChemE) Ming Leung Scholarship.

Satisfactory academic progress means a GPA of 5 for each semester of study in the year in which the recipient holds the scholarship.

3. Scholarship

- 3.1 One scholarship may be awarded by Senate on the recommendation of the Head, as a representative of the relevant selection committee established under subrule 4.1.

- 3.2 The value of the scholarship is \$2,000 and is held for one year.

4. Selection process

- 4.1 For the selection process for a year, the Head of School must establish a selection committee, comprising –

- (a) the Associate Dean, as chair of the committee; and
- (b) at least one representative of the Queensland Branch of IChemE who is not an employee of the University; and
- (c) at least one member of the University's academic staff who is currently teaching in a relevant field.

- 4.2 An application for a scholarship for the year must be lodged with the Head by the date set by the Head.

- 4.3 A student is an eligible applicant for the award of a scholarship in the year, if –

- (a) in that year, the student –
 - (i) is a domestic student as defined in the Fee Rules; and
 - (ii) is enrolled full-time in the third year of a Bachelor of Engineering program, in a relevant field; and
 - (iii) is a member of IChemE or has applied for membership prior to application; and
- (b) the student submits an application for the scholarship in accordance with subrule 3.2; and
- (c) the student does not hold a scholarship that the Head considers to be similar.

- 4.4 The selection committee must rank the eligible applicants consecutively in order of merit, based on, for each applicant-

- (a) the standard of the applicant's academic achievement in the Bachelor of Engineering program to date; and
- (b) the strength of the interest that the applicant demonstrates in a relevant field; and
- (c) the applicant's personal qualities, including leadership potential; and
- (d) any other matter that the selection committee considers to be relevant to the applicant's future success in the engineering profession.

5. Conditions that apply to the scholarship recipient

- 5.1 The scholarship may be held by the recipient of the scholarship for one year, subject to the recipient satisfying the following requirements during that time-

- (a) the recipient must-
 - (i) continue to be a domestic student as defined in the Fee Rules; and
 - (ii) continue to be enrolled full-time in the Bachelor of Engineering program in the relevant field; and
 - (iii) maintain satisfactory academic progress; and
 - (iv) not hold another scholarship that the Associate Dean considers to be similar.

- 5.2 If a recipient fails to satisfy subrule 5.1 (a) (i), (ii), (iii) or (iv), the student must show cause why the scholarship should not be cancelled, by the date by which the Head of School requests the recipient to do so.

6. Deferral of scholarships

A scholarship may be deferred for up to one year only if:

- (a) the recipient of the scholarship makes an application for the scholarship to be deferred; and
- (b) the Head approves the deferral on the basis that the Head is reasonably satisfied that the deferral is justified in all the circumstances.

Internationalisation Scholarship

(Established in 2016 from a generous gift to The University of Queensland by Dr Lee Boon Yang in 2014 to promote internationalisation of the UQ Veterinary Program.)

1. Purpose

The purpose of the Internationalisation Scholarship is to enable domestic and international students to travel internationally, with preference for travel to those institutions with which the School of Veterinary Science has an existing or developing partnership.

2. Definitions

In these rules -

Approved Program includes the Bachelor of Veterinary Science (Honours) or the Bachelor of Veterinary Technology

Overseas Study Program includes UQ Abroad, the Summer Vacation Research Scholarships where international travel is involved and approved by the Associate Dean (Academic) and students who are undertaking international travel as part of their placement as approved by the Associate Dean (Academic)

Scholarship means the Internationalisation Scholarship.

Associate Dean (Academic) means the Associate Dean (Academic), Faculty of Science

3. Value and Award of Scholarship

- (a) The Senate may award up to four Scholarships annually on recommendation of the Associate Dean (Academic)
- (b) The value of each Scholarship is \$2000

4. Eligibility for Award

An applicant is eligible for the Scholarship, if the applicant –

- (a) submits an application to the Associate Dean (Academic), by the closing date for applications;
- (b) is either a domestic or international student within the meaning of the Fee Rules;
- (c) has successfully completed one full-time year of study in an Approved Program under which they apply; and
- (d) is prepared to travel internationally, with preference for applicants whose travel is to institutions with which the School of Veterinary Science has existing or developing partnerships as determined by the Associate Dean (Academic).

5. Selection of Award

- (1) For the selection process, the Associate Dean (Academic) must establish a selection committee, comprising –
 - (a) the Associate Dean (Academic), or nominee, as chair of the committee; and
 - (b) at least one member of the university's academic staff who is currently teaching in a relevant field.
- (2) The Scholarship is awarded to the applicant showing greatest merit as demonstrated by –
 - (a) academic achievement in courses undertaken in an Approved Program;
 - (b) strength of the proposed Overseas Study Program with a focus on pre-clinical and clinical extra-mural studies approved by the School of Veterinary Science;
 - (c) personal qualities, including leadership potential; and
 - (d) any other matter that the selection committee considers to be relevant to the applicant's future success in the Veterinary Science profession.

6. Conditions for Scholarship

- (1) The Scholarship is tenable for the duration of the recipients' Overseas Study Program and will be paid upfront in one instalment once the recipient has provided evidence of being accepted into the Overseas Study Program as outlined in their application and an airline receipt.
- (2) The recipient may apply to the Associate Dean (Academic) to have their Scholarship deferred for up to one year and only in exceptional circumstances.

The Colin Gordon James Electrical Engineering Scholarship

(The scholarship was established in 2016 and is maintained by the income from a bequest from Margaret Anne James in memory of her late husband Colin Gordon James to assist and encourage students in their studies of electrical engineering.)

1. Purpose

The purpose of the scholarship is to encourage and support students who have experienced financial, social or geographical disadvantage to undertake study in the Bachelor of Engineering (Honours) program in any field of engineering in the electrical engineering discipline.

2. Definitions

In these rules-

approved undergraduate engineering program includes a Bachelor of Engineering program or Bachelor of Engineering (Honours) program and the integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program, or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program

head means the Head of School, School of Information Technology and Electrical Engineering

relevant field means any field of engineering in the electrical engineering discipline

scholarship means the Colin Gordon James Electrical Engineering Scholarship

3. Award and value of scholarship

- (1) The Senate may award up to 2 scholarships each year on the recommendation of the Head.
- (2) The scholarship may be held for a year and the total value of the scholarship(s) will be approximately equal to the annual income from the endowment

4 Eligibility for award

An applicant is eligible for the scholarship, if the applicant –

- (a) submits an application to the Head, by the closing date for applications; and
- (b) is an Australian citizen; and
- (c) is enrolled full-time in the approved undergraduate engineering program in the relevant field; and
- (d) has completed at least the first year of an approved undergraduate engineering program; and
- (e) does not hold another scholarship that the Head considers to be similar.

5 Selection of award

- (1) For the selection process, the Head must establish a selection committee, comprising –
 - (a) the Head, or nominee, as chair of the committee; and
 - (b) at least one member of the University's academic staff who is currently teaching in engineering.
- (2) The scholarship is awarded to the applicant showing greatest merit as demonstrated by –
 - (a) academic achievement in courses undertaken to date in the relevant program;
 - (b) commitment to the study of electrical engineering; and
 - (c) personal qualities, including leadership potential; and
 - (d) any other matter that the selection committee considers to be relevant to the applicant's future success in the engineering profession.
- (3) Preference will be given to an applicant who can demonstrate financial, social or geographical disadvantage; and
- (4) The selection committee may decide to interview short-listed applicants.

6 Conditions for scholarship

- (1) The recipient may hold the scholarship for 1 year, subject to the recipient –
 - (a) continuing to be enrolled full-time in an approved undergraduate engineering program in a relevant field; and
 - (b) maintaining a GPA of at least 5 for each semester of study and passing all courses in which they are enrolled.
- (2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Head why the scholarship should not be cancelled.

James and Everingham Bursary

(Founded in 1975 by a gift to the Queensland Agricultural College made by Dr N.P. Everingham in memory of Anne Elizabeth James and Stephan Nixon Everingham who died in a motor accident in 1973. Anne Elizabeth James was enrolled in the Associate Diploma of Applied Science (Food Technology) at the College in 1972/1973 and Stephan Everingham graduated with the degree of Bachelor of Applied Science (Rural Technology) in 1972. The Bursary was formalised by Senate in 1999.)

1. Purpose

The purpose of the scholarship is to support students enrolled in programs relating to food technology or rural agriculture.

2. Definitions

In these rules –

Associate Dean (Academic) means the Associate Dean (Academic), Faculty of Science

Scholarship means the James and Everingham Bursary

3. Value and award of scholarship

- (1) The value of the scholarship is the annual income from the fund.
- (2) The scholarship is awarded annually by Senate on the recommendation of the Associate Dean (Academic).

4. Eligibility for award

An applicant is eligible for the award of a scholarship in a year if, in that year, the applicant:

- (a) Is enrolled in a program relating to food technology or rural agriculture; and
- (b) Applies for the scholarship by the closing date for applications.

5. Selection of award

- (1) The Associate Dean (Academic) must rank the eligible applicants in order of merit based on:
 - (a) Academic achievement;
 - (b) Financial need; and
 - (c) any other evidence that may be considered relevant by the Associate Dean (Academic) to future success by the student in the agriculture, agronomy or related industries
- (2) If the Associate Dean (Academic) is satisfied that at least one eligible applicant is of sufficient merit to warrant the award of the scholarship, the Associate Dean (Academic) must recommend that the scholarship be awarded to the applicant with the highest ranking.

6. Duration of Scholarship

- (1) The scholarship is tenable for one year, subject to the recipient's continued enrolment in the program for which the scholarship was awarded.

- (2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Associate Dean (Academic), why the scholarship should not be cancelled.

Wilhelmina Gladstone Jameson Scholarship

(Established in 1971 by a bequest of approximately \$5,000 from the late Wilhelmina Gladstone Jameson.)

1. The object of the scholarship is to further the university education of women by means of a scholarship tenable at The Women's College, Brisbane.
2. The scholarship is awarded by Senate on the recommendation of the President of the Academic Board after consultation with the Principal of The Women's College.
3. The scholarship shall be awarded to a resident student of The Women's College who, having completed the second year of a university program, intends to pursue the third year of the course while a resident of the College.
4. The award shall be made on the basis of results obtained in the second year of the candidate's program.
5. A student to whom the Doris Una Skyring Scholarship is awarded shall not be eligible to receive this Scholarship.
6. The scholarship shall be tenable only while the holder is resident in The Women's College and shall lapse forthwith upon the holder's ceasing to be so resident, provided that the holder will not be required to refund any part of the emolument of the scholarship received by her while so resident.

JB Mining Services Geology Honours Scholarship

(Established in 2007 and maintained by an annual gift of \$2,000 from JB Mining Services Pty Ltd to encourage and assist a meritorious student in financial need in the Bachelor of Science (Honours) program in the field of geology.)

1. The scholarship is awarded annually by Senate on the recommendation of the Associate Dean (Academic), Faculty of Science on advice from the Head, School of Earth and Environmental Sciences
2. To assist in the selection process, the Head, School of Earth and Environmental Sciences must establish a selection committee chaired by the Head, or nominee, comprised of a representative of JB Mining Services Pty Ltd and academic staff teaching in the geology discipline, with the academic staff forming the majority.
3. The scholarship is open to students who –
 - a) are domestic students as defined in the Fee Rules; and
 - b) have completed the Bachelor of Science program, in the field of geology, in the year immediately preceding; and
 - c) are studying full-time; and
 - d) are enrolled in the first semester of the Bachelor of Science (Honours) program, in the field of geology, for the first time.
4. The scholarship is awarded, at the discretion of the selection committee, to the applicant showing the greatest merit as demonstrated by –
 - a) financial need; and
 - b) academic achievement during the Bachelor of Science program; and
 - c) an interest in geology; and
 - d) personal qualities, including leadership potential; and
 - e) other evidence as may be deemed relevant to future success in the geology profession in Australia, with preference given to students from rural areas of Australia.
5. The scholarship is paid in half-yearly instalments and is subject to continued full-time enrolment in the program.
6. The scholarship may be deferred only with the approval of the Head.
7. The value of the scholarship is \$2,000 for one year.

Clem Jones Sporting Scholarships

(Established in 2000 by the late Dr Clem Jones AO and maintained by an annual donation from The Clem Jones Foundation.)

1. **Purpose**
The Scholarship is to encourage students with academic ability to complete their intended program at The University of Queensland who can demonstrate the potential to perform at a Sufficiently High Level in their chosen sport.
2. **Definitions**

Scholarship means the Clem Jones Sporting Scholarship
Head means the Head of School, School of Human Movement and Nutrition Sciences
Clem Jones Group means Clem Jones Group of Companies
Sufficiently High Level means state or national representative level
Exceptional Circumstances means the demands of preparation and participation in a chosen sport at a Sufficiently High Level.
Reduced Study Load means a minimum of #4 units each semester.
Satisfactory Academic Progress means a minimum semester GPA of 4.0.

3. Value and Award of Scholarship

- (1) The Senate may award a number of Scholarships in a year, on the recommendation of the Head after consultation with Clem Jones Group. At least one Scholarship will be awarded to a student nominated by the University of Queensland Cricket Club.
- (2) The value of the Scholarship is \$6,000 for each year for which it is held.
- (3) A recipient approved for a Reduced Study Load will have their Scholarship value reduced proportionate to the load.

4. Eligibility for Award

An applicant is eligible for the Scholarship if the applicant –

- (a) submits an application to the Head, by the closing date for applications; and
- (b) is an Australian citizen; and
- (c) will have at least 3 years (full time equivalent) of their undergraduate program to complete once awarded the Scholarship; and

Associate Dean means the Associate Dean (Academic), Faculty of Science
Scholarship means the Daniel Walker McLeod Bursary
3. **Award and Value of Scholarship**
(1) The value of the Scholarship will not be less than \$1,000 but will be limited to is the annual income from the fund.
(2) The Scholarship may be awarded annually by Senate on the recommendation of the Associate Dean.
4. **Eligibility for Award**
An applicant is eligible for the award of a Scholarship in a year if, in that year, the applicant:
 - (a) Applies for the Scholarship by the closing date for applications; and
 - (b) Is a student enrolled in one of the following programs in the field of veterinary science:
 - (i) BSc(Hons) – Gatton, Animal & Veterinary Bioscience (managed by the School of Veterinary Science)
 - (ii) BVetTech(Hons)
 - (iii) A Masters program in Veterinary Science; or
 - (iv) A Doctor of Philosophy in Veterinary Science
5. **Selection Process**
The Scholarship is awarded on the basis of academic proficiency and demonstrated financial need.
6. **Conditions for Scholarship**
The Scholarship is tenable for the period of one year.

Kate McNaughton of Roma Scholarships

(Founded in 1931 by gifts under the will of Duncan McNaughton, of Roma, by which the University received \$5 840 in 1931, \$412 in 1936 and \$3 060 in 1950.)

1. **Purpose**
The purpose of this scholarship is to encourage and support students who are undertaking their first honours program in a program administered by the Faculty of Humanities and Social Sciences.
2. **Definitions**
In these rules-
Executive Dean means the Executive Dean, Faculty of Humanities and Social Sciences
Scholarship means the Kate McNaughton of Roma Scholarships
3. **Award and value of the scholarship**
(1) Senate may award two scholarships each year on recommendation of the Executive Dean; and
(2) The value of each scholarship shall be approximately one quarter of the income from the fund.
4. **Eligibility for award**
A student is eligible for the scholarship if:
 - (a) they are enrolled in their first honours program; and
 - (b) their program is administered by the Faculty of Humanities and Social Sciences.
5. **Selection of award**
The scholarship is awarded to the two students showing the greatest merit as demonstrated by their prior studies.

- 6 **Conditions for scholarship**
- (1) A recipient may hold the scholarship for 1 year, subject to the recipient:
 - (a) continuing to be enrolled full-time in the relevant program; and
 - (b) maintaining satisfactory academic progress.

Duncan McNaughton Scholarship

(Founded in 1931 by gifts under the will of Duncan McNaughton, of Roma, by which the University received \$5840 in 1931, \$412 in 1936 and \$3060 in 1950.)

1. Purpose

The purpose of the scholarship is to support students undertaking further Honours study.

2. Definitions

Associate Dean (Academic) means the Associate Dean (Academic), Faculty of Science

Scholarship means the Duncan McNaughton Scholarship

3. Award and value of scholarship

- (1) The scholarship is awarded annually by Senate on the recommendation of the Associate Dean (Academic).
- (2) The scholarship is approximately half of the annual income from the fund.

4. Eligibility for award

- (1) A student is eligible for the award of a scholarship in a year if, in that year, the student has either:
 - (a) completed the Bachelor of Science or the first three years of the Bachelor of Biotechnology program and enrolled in the relevant program with honours in the Faculty of Science; or
 - (b)
 - (i) enrolled in the Bachelor of Biotechnology (Honours) program and completed Part A of the program;
 - (ii) and has been approved for entry into Honours

5. Selection of award

The scholarship is awarded on the basis of academic achievement over all courses undertaken to date in one of the programs listed in paragraph 4(a) or 4(b). In the case where courses additional to the requirements have been completed, the Associate Dean (Academic) may determine which courses are taken into consideration for the award.

6. Conditions for scholarship

- (1) The scholarship is tenable for one year and is subject to the recipient enrolling to complete the honours program in the year of the award.
- (2) The scholarship may be cancelled if, in the opinion of the Associate Dean (Academic), -
 - (a) The recipient fails or ceases to pursue the honours program; or

L3 Micreo Scholarship in Electrical Engineering

(The scholarship was established in 2012 and is maintained by an annual gift from L3 Micreo Limited)

1 Purpose

The purpose of the Scholarship is to encourage and assist meritorious students in third and fourth years of study in the Bachelor of Engineering or Bachelor of Engineering (Honours) program, in the electrical engineering discipline.

2 Definitions

In these rules-

Approved Undergraduate Engineering Program includes the Bachelor of Engineering or Bachelor of Engineering (Honours) or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering program or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program.

Head means the Head of School, School of Information Technology and Electrical Engineering.

Relevant Field means any field of engineering in the electrical engineering discipline

Scholarship means the L3 Micreo Scholarship in Electrical Engineering.

Domestic student means a student who is—

- (a) an Australian citizen; or
- (b) a New Zealand citizen; or
- (c) the holder of a permanent visa for Australia.

3 Value and award of scholarship

- (1) The value of the Scholarship is \$6,000 for each year for which it is held.

Barry Murphy Scholarships in Nuclear Energy

(The scholarship was established in 2015 by an annual gift from UQ alumnus Barry Murphy)

1. Purpose

The purpose of the scholarships is to encourage and support meritorious engineering students to undertake a semester of international exchange to further their interests and studies in nuclear engineering.

2. Definitions

In these rules-

Approved undergraduate Engineering program includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program.

Approved overseas exchange means an overseas exchange program approved by Study Abroad, at The University of Queensland

Approved overseas placement means placement undertaken as part of the integrated Bachelor of Engineering/Masters of Engineering or Bachelor of Engineering (Honours)/Master of Engineering approved by the Director of the Bachelor of Engineering / Master of Engineering, Faculty of Engineering, Architecture and Information Technology

Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology

relevant field for the Bachelor of Engineering or Bachelor of Engineering (Honours) means any field associated with chemical engineering or civil engineering or electrical engineering or mechanical engineering or mining engineering disciplines.

relevant field for the Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering means any field associated with chemical engineering or civil engineering or electrical engineering or mechanical engineering disciplines.

scholarship means the Barry Murphy Scholarship in Nuclear Energy

3. Value and award of scholarship

- (1) The value of the scholarship is \$11,000.
- (2) Senate may award up to two scholarships annually on the recommendation of the Associate Dean (Academic).

4. Eligibility for award

2 Definitions

In these rules-

Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture and Information Technology

Approved undergraduate Engineering program includes the Bachelor of Engineering, or Bachelor of Engineering (Honours) program, or integrated Bachelor of Engineering / Master of Engineering or Bachelor of Engineering (Honours) / Master of Engineering or a dual program that includes the Bachelor of Engineering or Bachelor of Engineering (Honours) program.

Orica means Orica Australia Pty Limited.

relevant field means any of the following engineering fields –

- (i) chemical engineering; or
- (ii) civil engineering; or
- (iii) civil and geotechnical engineering; or
- (iv) electrical engineering; or
- (v) mechanical engineering; or
- (vi) mechatronic engineering; or
- (vii) mining engineering; or
- (viii) mining and geotechnical engineering.

scholarship means the Orica Australia Engineering Scholarship.

3 Award and value of scholarship

- (1) The Senate may award up to 2 scholarships each year on the recommendation of the Associate Dean.
- (2) Senate may award the scholarship to another person in a later year only if the earlier recipient no longer holds the scholarship.

(The scholarship was established in 2009 and is to be maintained by the income from a bequest from the late Salvatore Vitale.)

The rules for the scholarship are as follows.

1. Definitions

In these rules—

north Queensland means—

- (a) the city of Townsville, Queensland; or
- (b) any town or city that lies north of Townsville and is within the state of Queensland.

scholarship means a Salvatore Vitale Scholarship.

2. Purpose

The purpose of the scholarship is to assist meritorious students who completed year 12 at a secondary school in north Queensland and who can demonstrate that they provided service to their local community while attending senior secondary school, to undertake an undergraduate program at the university.

3. Value of scholarship

The value of the scholarship for a year is approximately equal to the annual income from the scholarship fund.

Note See Senate Rule – Financial Awards, rule ii.

4. Award of scholarship

- (1) The Senate may award 1 scholarship in a year, on the recommendation of the Academic Registrar.
- (2) However, if the Senate awards a scholarship to a person (the **earlier recipient**) in a year, the Senate may award the scholarship to another person in a later year only if the earlier recipient no longer holds the scholarship.

5. Eligibility for award

An applicant is eligible for the award of a scholarship in a year, if—

- (a) in the year immediately before, the applicant completed year 12 at a secondary school in north Queensland; and
- (b) the applicant submits an application for the scholarship to the Academic Registrar, by the closing date for applications; and
- (c) the applicant is enrolled full-time in first year courses for an undergraduate program; and
- (d) the applicant can demonstrate that they provided service to their local community while attending senior secondary school.

6. Selection process

- (1) The Academic Registrar must rank the eligible applicants consecutively in order of merit, based on, for each applicant—
 - (a) the standard of the applicant's academic achievement in secondary school; and
 - (b) the service that the applicant has given to their local community during senior secondary school; and
 - (c) any other matter that the Academic Registrar considers to be relevant to the applicant's future professional success.
- (2) If the selection committee is satisfied that at least 1 eligible applicant is of sufficient merit to warrant the award of the scholarship, the Academic Registrar must recommend that the scholarship be awarded to the applicant with the highest ranking.
