

The Duncan McNaughton Scholarship

(Founded in 1931 by gifts under the will of Duncan McNaughton, of Roma, by which the University received \$5840 in 1931, \$412 in 1936 and \$3060 in 1950.)

1. Purpose

The purpose of the scholarship is to support students undertaking further Honours study.

2. Definitions

Associate Dean (Academic) means the Associate Dean (Academic), Faculty of Science

Scholarship means the Duncan McNaughton Scholarship

3. Award and value of scholarship

(1) The scholarship is awarded annually by Senate on the recommendation of the Associate Dean (Academic).

(2) The scholarship is approximately half of the annual income from the fund.

4. Eligibility for award

(1) A student is eligible for the award of a scholarship in a year if, in that year, the student has either:

(a) completed the Bachelor of Science or the first three years of the Bachelor of Biotechnology program and enrolled in the relevant program with honours in the Faculty of Science; or

(b) (i) enrolled in the Bachelor of Biotechnology (Honours) program and completed Part A of the program;

(ii) and has been approved for entry into Honours

5. Selection of award

The scholarship is awarded on the basis of academic achievement over all courses undertaken to date in one of the programs listed in paragraph 4(a) or 4(b). In the case where courses additional to the requirements have been completed, the Associate Dean (Academic) may determine which courses are taken into consideration for the award.

6. Conditions for scholarship

(1) The scholarship is tenable for one year and is subject to the recipient enrolling to complete the honours program in the year of the award.

(2) The scholarship may be cancelled if, in the opinion of the Associate Dean (Academic), -

(a) The recipient fails or ceases to pursue the honours program; or

(b) The recipient is not making satisfactory academic progress.
