

The Chemical Engineering Student Bursary

(Established in 1993 and maintained by the income from a fund provided by the Chemical Engineering Student Society).

1 Purpose

The purpose of the bursary is to encourage and support meritorious students in the second year of study, in any field of engineering associated with the chemical engineering discipline in an Engineering program.

2 Definitions

In these rules-

Approved Program means the Bachelor of Engineering (Honours) or an engineering integrated program, or an engineering dual program.

Head means the Head of School, School of Chemical Engineering.

Relevant Field means any field of engineering associated with the chemical engineering discipline.

Scholarship means the Chemical Engineering Student Society Bursary.

3 Award and value of scholarship

(1) The Senate may award 1 scholarship in a year on the recommendation of the Head.

(2) The value of the scholarship is \$2,000 for one year.

4 Eligibility for award

An applicant is eligible for the scholarship, if the applicant -

- (a) submits an application to the Head, by the closing date for applications; and
- (b) is a domestic student in accordance with The University's Fee Policy; and
- (c) is enrolled full-time in the Approved Program in a Relevant Field; and
- (d) has, completed at the time of application, at least 18 units at The University of Queensland but not more than 28 units towards the Approved Program;
- (d) achieved a cumulative GPA of at least 4 during the first 3 semesters of the program.

5 Selection of award

(1) For the selection process, the Head must establish a selection committee, comprising –

- (a) the Head, or nominee, as chair of the committee; and
- (b) at least one member of the University's academic staff who is currently teaching in the relevant field.

(2) The scholarship is awarded to the applicant showing greatest merit as demonstrated by –

- (a) academic achievement in courses undertaken in the Approved Program;
- (b) personal qualities; and
- (c) any other matter that the selection committee considers to be relevant to the applicant's future success in the chemical engineering profession.

6 Conditions for scholarship

(1) The recipient may hold the scholarship for 1 year, subject to the recipient –

- (a) continuing to be enrolled full-time in the Approved Program in the Relevant Field; and
- (b) achieving a GPA of at least 4 for each semester of study.

(2) If a recipient fails to satisfy rule 6(1), the recipient must show cause to the Head, why the scholarship should not be cancelled.

(3) The scholarship may be deferred with approval of the Head.

7 Termination of Scholarship

The University may terminate a Scholarship –

- (a) if the recipient does not show cause to the reasonable satisfaction of the University as provided for in rule 6(2);
- (b) if the recipient defers or interrupts their study;
- (c) once maximum duration of the Scholarship has lapsed; or
- (d) if the student commits misconduct.
