

## Kay Campbell Scholarship

(Established in 2011 and maintained on trust through a donation from Dr Keith Moody in memory of his sister who generously gave the gift of her body to the Body Donor program.)

### 1. Purpose

The purpose of the Scholarship is to support and encourage students to engage in research in the field of biomedical science. The Scholarship is open to applicants who have completed a research project placement in biomedical science and wish to further their research immersion through a winter or summer research program at UQ.

### 2. Definitions

In these rules –

**Approved Program** means the Bachelor of Biomedical Science, the Bachelor of Advanced Science (Biomedical Science) or the Bachelor of Science (Biomedical Science).

**Head** means the Head of School, School of Biomedical Sciences.

**Research Experience** means a winter or summer research program administered by The University of Queensland.

**Scholarship** means the Kay Campbell Scholarship.

### 3. Award, Value and Selection

- (1) Up to eight Scholarships will be awarded in a year in accordance with these rules.
- (2) The value of each Scholarship occurring during the winter break will be \$3,000 and the value of each Scholarship occurring during the summer break will be \$4,500.
- (4) The Scholarship shall be awarded on recommendation from the Head after consultation with a selection committee, comprising –
  - (a) the Head, or nominee;
  - (b) the Course Coordinator for Biomedical Science Research Skills; and
  - (c) one academic staff member from the School of Biomedical Sciences.

### 4. Eligibility and Award Criteria

- (1) An applicant is eligible for the Scholarship, if the applicant –
  - (a) submits an application for the Scholarship to the Head, by the closing date for applications;
  - (b) is enrolled in the Approved Program; and
  - (c) is enrolled in or has completed the course entitled Biomedical Science Research Skills or Biomedical Science Research Project.
- (2) The Scholarships are awarded to the students showing the greatest merit based on –
  - (a) academic achievement;
  - (b) strength of interest in undertaking a Research Experience and pursuing a career in research as evidenced by personal statement included in application; and
  - (c) any other matter that the selection committee considers to be relevant to the applicant's future research development.

### 5. Payment of Award

The Scholarship will be paid upfront in one instalment prior to the commencement of the Research Experience.

### 6. Deferral and Interruption of Award

The Scholarship cannot be deferred or interrupted.
