

Mitsubishi Development Mining Pathway Scholarship

(Established in 2025 and maintained by an annual gift from Mitsubishi Development Pty Ltd.)

1. Purpose

The purpose of the Scholarship is to support students at The University of Queensland who have identified an interest in pursuing mining engineering.

2. Definition

In these rules –

Approved Program means Bachelor of Engineering (Honours) program or a Bachelor of Engineering (Honours) dual program.

Associate Dean means the Associate Dean (Academic), Faculty of Engineering, Architecture, and Information Technology.

Commencing Student means a student who has not completed any prior tertiary study at a bachelor level or above other than studies in special university programs designed for secondary school students, and who will complete, or has completed, year 12 studies in the two-year period prior to the year of the award.

Mitsubishi Development means Mitsubishi Development Pty Ltd.

Relevant Field means Civil Engineering with a major in Mining Engineering, Mechanical Engineering with a major in Mining Engineering or Mechatronic Engineering with a major in Mining Engineering

Scholarship means Mitsubishi Development Mining Pathway Scholarship.

Semester GPA means the result of applying the following formula to all courses undertaken in a semester by a student for credit towards an Approved Program —

$$\frac{\Sigma(GP)}{\Sigma(P)}$$

$$\Sigma(P)$$

where G = the result in a course; and

P = the unit value of that course.

If a student is enrolled in a course but gets no result, G=0.

3. Award and Selection Committee

- (1) Up to two Scholarships may be awarded each year as they become vacant.
- (2) The value of each Scholarship is \$10,000 for each year that it is held.
- (3) The maximum duration of each Scholarship is five years.
- (4) The Scholarship will be awarded on recommendation from the Associate Dean after consultation with a selection committee, comprising –
 - (a) the Associate Dean (or nominee);
 - (b) at least one academic staff member who is teaching in an Approved Program, in a Relevant Field; and
 - (c) up to one representative from Mitsubishi Development, with University staff comprising the majority.
- (5) Despite rule 3(3), the Scholarship may be awarded for a period of less than five years if determined necessary by the Associate Dean having regard to vacancy for the Scholarship and available donor funding.

4. Additional Benefits

Mitsubishi Development may offer the recipients additional funding to support professional development experiences relevant to their mining education, both domestically and internationally, during the period in which the recipient holds the Scholarship.

5. Eligibility and Award Criteria

- (1) An applicant is eligible for a Scholarship, if the applicant –
 - (a) submits an application to the Associate Dean, by the closing date for applications;
 - (b) is a domestic student in accordance with the University's Fee Policy in the year of the award;
 - (c) is a Commencing Student in the year of the award;
 - (d) is or will be enrolled full-time in an Approved Program, in the Relevant Field in the year of the award; and
 - (e) does not hold a scholarship that the Associate Dean considers to be similar in the year of the award.
- (2) The Scholarships are awarded to the students showing the greatest merit based on –

- (a) academic achievement;
- (b) strength of interest in mining engineering as evidenced by application;
- (c) strength of personal and leadership qualities as evidenced by application; and
- (d) any other matter that the selection committee considers to be relevant to the applicant's future success in the engineering profession.

6. Conditions for Award

- (1) A recipient may hold the Scholarship for its awarded duration, subject to the recipient –
 - (a) continuing to be enrolled full-time in an Approved Program in the Relevant Field;
 - (b) achieving a Semester GPA of at least 5.0; and
 - (c) not holding another scholarship that the Associate Dean considers to be similar.
- (2) If the recipient fails to satisfy rule 6(1), the recipient must show cause to the Associate Dean why the Scholarship should not be terminated.

7. Deferral and Interruption of Award

The Scholarship cannot be deferred or interrupted.

8. Termination of Award

The University may terminate a Scholarship if the recipient –

- (a) does not show cause to the reasonable satisfaction of the University as provided for in rule 6(2); or
- (b) defers or interrupts their study; or
- (c) commits misconduct.
